

JUST LISTED

Warm, Updated Living with Space to Enjoy

1206 RED ROCK CANYON

Welcome to 1206 Red Rock Canyon, a warm and inviting home with wood-look tile flooring throughout, no carpet, updated bathrooms, large picture windows and abundant natural light. The kitchen features granite countertops, a breakfast bar and adjoining breakfast area, while the spacious primary suite offers a large bay window, vaulted ceiling and recessed lighting. The updated primary bath stands out with marble-look tile, herringbone detailing, a separate standalone soaking tub and a dedicated wet-room shower. Outside, enjoy an expansive backyard, garden area and raised deck added in 2025, creating a comfortable setting for relaxing or entertaining.

- No Carpet
- Updated Bathrooms
- Wet-Room Shower
- Standalone Soaking Tub
