**ADDENDUM FOR PROPERTY SUBJECT TO
MANDATORY MEMBERSHIP IN A PROPERTY
OWNERS ASSOCIATION**

(NOT FOR USE WITH CONDOMINIUMS)

ADDENDUM TO CONTRACT CONCERNING THE PROPERTY AT**30 St Simons Ct****Sugar Land**

(Street Address and City)

First Colony Community Services Association, 281-634-9500

(Name of Property Owners Association, (Association) and Phone Number)

- A. SUBDIVISION INFORMATION:** "Subdivision Information" means: (i) a current copy of the restrictions applying to the subdivision and bylaws and rules of the Association, and (ii) a resale certificate, all of which are described by Section 207.003 of the Texas Property Code.

(Check only one box):

- ☐ 1. Within _____ days after the Effective Date of the contract, Seller shall obtain, pay for, and deliver the Subdivision Information to the Buyer. If Seller delivers the Subdivision Information, Buyer may terminate the contract within 3 days after Buyer receives the Subdivision Information or prior to closing, whichever occurs first, and the earnest money will be refunded to Buyer. If Buyer does not receive the Subdivision Information, Buyer, as Buyer's sole remedy, may terminate the contract at any time prior to closing and the earnest money will be refunded to Buyer.
- ☐ 2. Within _____ days after the Effective Date of the contract, Buyer shall obtain, the Subdivision Information at Buyer's expense. Buyer is deemed to receive the Subdivision Information on the date of actual receipt or date specified in this paragraph, whichever is earlier. Buyer may terminate the contract within 3 days after Buyer receives the Subdivision Information or prior to closing, whichever occurs first, and the earnest money will be refunded to Buyer.
- ☐ 3. Buyer has received and approved the Subdivision Information before signing the contract. Buyer ☐ does ☐ does not require an updated resale certificate. If Buyer requires an updated resale certificate, Seller, at Buyer's expense, shall deliver it to Buyer within 10 days after receiving payment for the updated resale certificate from Buyer. Buyer may terminate this contract and the earnest money will be refunded to Buyer if Seller fails to deliver the updated resale certificate within the time required.
- ☒ 4. Buyer does not require delivery of the Subdivision Information.

The title company or its agent is authorized to act on behalf of the parties to obtain the Subdivision Information ONLY upon receipt of the required fee for the Subdivision Information from the party obligated to pay.

- B. MATERIAL CHANGES.** If Seller becomes aware of any material changes in the Subdivision Information, Seller shall promptly give notice to Buyer. Buyer may terminate the contract prior to closing by giving written notice to Seller if: (i) any of the Subdivision Information provided was not true; or (ii) any material adverse change in the Subdivision Information occurs prior to closing, and the earnest money will be refunded to Buyer.
- C. FEES AND DEPOSITS FOR RESERVES:** Buyer shall pay any and all Association fees, deposits, reserves, and other charges associated with the transfer of the Property not to exceed \$ **500.00** and Seller shall pay any excess. This paragraph does not apply to: (i) regular periodic maintenance fees, assessments, or dues (including prepaid items) that are prorated by Paragraph 13, and (ii) costs and fees provided by Paragraphs A and D. If this paragraph conflicts with any allocation of charges in the Subdivision Information, this paragraph will control.
- D. AUTHORIZATION:** Seller authorizes the Association to release and provide the Subdivision Information and any updated resale certificate if requested by the Buyer, the Title Company, or any broker to this sale. If Buyer does not require the Subdivision Information or an updated resale certificate, and the Title Company requires information from the Association (such as the status of dues, special assessments, violations of covenants and restrictions, and a waiver of any right of first refusal), ☒ Buyer ☐ Seller shall pay the Title Company the cost of obtaining the information prior to the Title Company ordering the information.

NOTICE TO BUYER REGARDING REPAIRS BY THE ASSOCIATION: The Association may have the sole responsibility to make certain repairs to the Property. If you are concerned about the condition of any part of the Property which the Association is required to repair, you should not sign the contract unless you are satisfied that the Association will make the desired repairs.

EXHIBIT A

NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property that you are about to purchase is located in the Fort Bend County Levee Improvement District No. 2 (the "District") and may be subject to District taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.125 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from property taxes, excluding any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

\$189,720,000 for drainage and flood control facilities;

The aggregate initial principal amounts of all such bonds issued are:

\$131,745,000 for drainage and flood control facilities;

The District is located wholly or partly within the corporate boundaries of the City of Sugar Land. The municipality and the District overlap, but may not provide duplicate services or improvements. Property located in the municipality and the District is subject to taxation by the municipality and the District.

The purpose of the District is to provide drainage and flood control facilities and services. The cost of District facilities is not included in the purchase price of your property.

INFORMATION ABOUT SPECIAL FLOOD HAZARD AREAS

USE OF THIS FORM BY PERSONS WHO ARE NOT MEMBERS OF THE TEXAS ASSOCIATION OF REALTORS®, INC. IS NOT AUTHORIZED.
©Texas Association of REALTORS®, Inc., 2021

CONCERNING THE PROPERTY AT 30 SAINT SIMONS COURT, Sugar Land, Texas, 77479

A. FLOOD AREAS:

- (1) The Federal Emergency Management Agency (FEMA) designates areas that have a high risk of flooding as special flood hazard areas.
- (2) A property that is in a special flood hazard area is designated on flood insurance rate maps with a zone beginning in a "V" or "A". Both V-Zone and A-Zone areas indicate a high risk of flooding.
- (3) Some properties may also lie in the "floodway" which is the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge a flood under FEMA rules. Communities must regulate development in these floodways.

B. AVAILABILITY OF FLOOD INSURANCE:

- (1) Generally, flood insurance is available regardless of whether the property is located in or out of a special flood hazard area. Contact your insurance agent to determine if any limitations or restrictions apply to the property in which you are interested.
- (2) FEMA encourages every property owner to purchase flood insurance regardless of whether the property is in a high, moderate, or low risk flood area.
- (3) A homeowner may obtain flood insurance coverage (up to certain limits) through the National Flood Insurance Program. Supplemental coverage is available through private insurance carriers.
- (4) A mortgage lender making a federally related mortgage will require the borrower to maintain flood insurance if the property is in a special flood hazard area.

C. GROUND FLOOR REQUIREMENTS:

- (1) Many homes in special flood hazard areas are built-up or are elevated. In elevated homes the ground floor typically lies below the base flood elevation and the first floor is elevated on piers, columns, posts, or piles. The base flood elevation is the highest level at which a flood is likely to occur as shown on flood insurance rate maps.
- (2) Federal, state, county, and city regulations:
 - (a) restrict the use and construction of any ground floor enclosures in elevated homes that are in special flood hazard areas.
 - (b) may prohibit or restrict the remodeling, rebuilding, and redevelopment of property and improvements in the floodway.
- (3) The first floor of all homes must now be built above the base flood elevation.
 - (a) Older homes may have been built in compliance with applicable regulations at the time of construction and may have first floors that lie below the base flood elevation, but flood insurance rates for such homes may be significant.

- (b) It is possible that modifications were made to a ground floor enclosure after a home was first built. The modifications may or may not comply with applicable regulations and may or may not affect flood insurance rates.
- (c) It is important for a buyer to determine if the first floor of a home is elevated at or above the base flood elevation. It is also important for a buyer to determine if the property lies in a floodway.
- (4) Ground floor enclosures that lie below the base flood elevation may be used only for: (i) parking; (ii) storage; and (iii) building access. Plumbing, mechanical, or electrical items in ground floor enclosures that lie below the base flood elevation may be prohibited or restricted and may not be eligible for flood insurance coverage. Additionally:
 - (a) in A-Zones, the ground floor enclosures below the base flood elevation must have flow-through vents or openings that permit the automatic entry and exit of floodwaters:
 - (b) in V-Zones, the ground floor enclosures must have break-away walls, screening, or lattice walls; and
 - (c) in floodways, the remodeling or reconstruction of any improvements may be prohibited or otherwise restricted.

D. COMPLIANCE:

- (1) The above-referenced property may or may not comply with regulations affecting ground floor enclosures below the base flood elevation.
- (2) A property owner's eligibility to purchase or maintain flood insurance, as well as the cost of the flood insurance, is dependent on whether the property complies with the regulations affecting ground floor enclosures.
- (3) A purchaser or property owner may be required to remove or modify a ground floor enclosure that is not in compliance with city or county building requirements or is not entitled to an exemption from such requirements.
- (4) A flood insurance policy maintained by the current property owner does not mean that the property is in compliance with the regulations affecting ground floor enclosures or that the buyer will be able to continue to maintain flood insurance at the same rate.
- (5) Insurance carriers calculate the cost of flood insurance using a rate that is based on the elevation of the lowest floor.
 - (a) If the ground floor lies below the base flood elevation and does not meet federal, state, county, and city requirements, the ground floor will be the lowest floor for the purpose of computing the rate.
 - (b) If the property is in compliance, the first elevated floor will be the lowest floor and the insurance rate will be significantly less than the rate for a property that is not in compliance.
 - (c) If the property lies in a V-Zone the flood insurance rate will be impacted if a ground floor enclosure below the base flood elevation exceeds 299 square feet (even if constructed with break-away walls).

E. ELEVATION CERTIFICATE:

The elevation certificate is an important tool in determining flood insurance rates. It is used to provide elevation information that is necessary to ensure compliance with floodplain management laws. To determine the proper insurance premium rate, insurers rely on an elevation certificate to certify building elevations at an acceptable level above flood map levels. If available in your area, it is recommended that you obtain an elevation certificate for the property as soon as possible to accurately determine future flood insurance rates.

You are encouraged to: (1) inspect the property for all purposes, including compliance with any ground floor enclosure requirement; (2) review the flood insurance policy (costs and coverage) with your insurance agent; and (3) contact the building permitting authority if you have any questions about building requirements or compliance issues.
