

WHY THIS HOME STANDS OUT

21 Long Hearth Place

🏠 Peace of Mind

Major updates include double-pane Low-E replacement windows (2011), a 16 SEER 4-ton HVAC system (2017), and a composite roof (2014), helping reduce future maintenance concerns.

🏠 Move-In Ready

Neutral interior finishes, recent exterior paint, wood flooring throughout the downstairs living areas, and a light color palette provide a clean, well-maintained presentation.

🏡 Designed for the Way You Live

The functional floor plan features a first-floor primary suite, formal dining room, gas log fireplace, breakfast area, spacious laundry room, abundant attic storage, and three secondary bedrooms upstairs.

🏡 Location & Lifestyle

Located on a low-traffic cul-de-sac street in Cottage Grove within The Woodlands' Village of Alden Bridge, offering convenient access to parks, trails, shopping, dining, and community amenities.
