WHAT I LOVE ABOUT MY HOME

- It fits the way we live. The layout and flow make everyday routines easy and comfortable.
- The location is hard to beat, just minutes from the highway and close to grocery stores, the gym, shopping, and dining.
- The home is remarkably efficient. Solar panels and a whole-home generator keep energy costs low and the lights on no matter what.
- The neighborhood is wonderfully quiet, and the neighbors on either side and across the street are some of the friendliest you could ask for.
- The Perry Homes design won me over instantly. It took all of five minutes to know this was the one, and I bought it on the spot.
- The home came with thoughtful upgrades throughout, including upgraded cabinetry, vaulted ceilings, and a home elevation.
