Plans and elevations/renderings are artist's concept and may contain options or features which are not standard on all models. These renderings are solely for illustrative purposes and should never be relied upon. Garage sizes may vary from home to home and may not accommodate all vehicles. Stated dimensions and/or square footages are approximate and should not be used as representation of the home's precise or actual size. Any statement, verbal or written, regarding "under air" or "finished area" or any other description or modifier of the square footage size of any home is a shorthand description of the manner in which the square footage was estimated and should not be construed to indicate certainty.
