About the Property

A rare opportunity to build a custom modern mountain estate in the coveted Benloch Ranch, where sweeping panoramic views create an unmatched luxury setting. This thoughtfully designed, to be built home offers main level entry, vaulted ceilings, expansive windows, and a gourmet kitchen featuring cafe appliances, dekton countertops, and a fully equipped butlers pantry. Designed for both elevated entertaining and everyday comfort, the flexible floor plan includes a fourth bedroom option, incredible outdoor living, hot tub views, and heated driveway plumbing for added winter convenience.
