

1733 Palmer Ct. – Celeste Model | Fairway Meadows, Hartford WI

Welcome to the Celeste—a beautifully designed new construction ranch home located in the highly desirable Fairway Meadows community in Hartford, Wisconsin.

This move-in ready home combines modern design, functional living space, and high-quality craftsmanship, offering nearly 1,800 square feet on the main level and unfinished lower level, ready for your ideas!

The open-concept floor-plan is designed for both comfort and entertaining. A bright and spacious great room flows seamlessly into a chef-inspired kitchen featuring quartz countertops, an oversized island, and a walk-in pantry—perfect for everyday living and hosting gatherings. Large windows bring in natural light, enhancing the warm and inviting atmosphere throughout the main living area.

You'll enjoy the covered porch off the kitchen just perfect for morning coffee or evening entertaining!

The main-level owner's suite offers a private retreat with a walk-in closet and a well-appointed en-suite bathroom plus a walk through to the main floor laundry room!

Additional main-level bedrooms provide flexibility for guests, a home office, or family needs

Finish the lower level at your leisure which would significantly expand the home's livable space, consider a large rec room, a fourth bedroom, and a full bathroom—ideal for guests, teens, or multi-use living arrangements.

Additional highlights include a 3-car garage, energy-efficient construction, and modern finishes throughout, ensuring both comfort and long-term value.

Located in Fairway Meadows, adjacent to Washington County Golf Course, residents enjoy close proximity to many golf courses, parks, walking trails, schools, and convenient access to Highway 41, making commuting and recreation simple and accessible.

This is a rare opportunity to own a brand-new, move-in ready home without the wait of new construction.

The Celeste model delivers the perfect balance of style, space, and functionality in one of Hartford's most sought-after communities.
