DECLARATION OF
PEBBLE BROOK HOLLOW I CONDOMINIUM

THIS DECLARATION is made and entered into by Belman Investments, LLC (the "Declarant"), pursuant to Chapter 703 of the Wisconsin Statutes, the Condominium Ownership Act, as the same may be amended, renumbered or renamed from time to time (the "Act").

WITNESSETH:

Declarant owns certain real property (the "Property"), described on Exhibit A appended hereto. Declarant intends to improve the Property by initially constructing thereon nine (9) single-family residential buildings with an attached garage and contemplates an "Expandable" Condominium which may include up to an additional twenty seven (27) single-family residential buildings with attached garages (each a "Building" and collectively, the "Buildings"), together with certain other improvements in connection therewith. The Property, together with all Buildings and improvements, is hereinafter called the "Condominium."

Declarant intends by this Declaration to submit the Property and improvements to the condominium form of ownership under the Act and further desires to establish, for its own benefit and that of all future owners and occupants of the Condominium, certain easements, rights, restrictions and obligations with respect to the ownership, use and maintenance of the Condominium on the terms and conditions hereinafter set forth.

The name of the Condominium shall be "Pebble Brook Hollow I Condominium." The addresses of the Condominium are as set forth on attached Exhibit C.

This Declaration contemplates an "expandable" condominium which may include up to an additional twenty-seven (27) single-family residential Buildings.

NOW, THEREFORE, Declarant, the fee owner of the Property, by this Declaration hereby (i) submits the Property and the improvements, subject to taxes and assessments not yet due and payable, municipal and zoning ordinances and agreements entered under them, conditional use permits, recorded easements and restrictions, if any, building and use restrictions and covenants and all other matters of record, to the condominium form of use and ownership as provided in the Act and this Declaration; (ii) establishes and imposes the following provisions, restrictions, conditions, easements and uses to which the Condominium may be put; and (iii) specifies that the provisions of this Declaration shall constitute covenants to run with the land and shall be binding on Declarant, its successors and assigns, and all subsequent owners and occupants of all or any part of the Condominium.

ARTICLE I

DIVISION OF CONDOMINIUM INTO SEPARATE FREEHOLD ESTATES

Declarant divides the Condominium into the following separate freehold estates:

1. The Condominium shall initially consist of nine (9) separate residential freehold estates and, upon the Declarant expanding the Condominium in accordance with Article XIII hereof, the Condominium shall consist of additional separate residential freehold estates (collectively called the "Units" and individually called a "Unit"). Each Unit shall consist of:

a. The entire Building and one or more cubicles of air at one or more levels of space having outer boundaries formed by the exterior surfaces of the Building, including all roof, foundation, structural elements, exterior walls, windows, window frames, doors, doorframes, including all screens, glass and locks in windows and doors.

b. Each Unit includes all outside stoops, patios, porches, decks, if any, appurtenant to the Building.

c. Each Unit also includes all portions of the plumbing, heating, electric, natural gas, air conditioning, cable, telecommunications and other systems (including the individual furnace/AC unit, water heater, compressors, components, pipes, wires, conduits, ducts, utility meters, and the like) serving only that Building even if located partially outside the boundaries of the Building.

d. Notwithstanding the foregoing or any other provisions of this Declaration, the Units shall not include any portion of the private water well systems or private septic systems which are located outside the boundaries of the Buildings.

In interpreting deeds, plats, and plans, the actual and existing physical boundaries of each Unit as originally constructed, or as reconstructed substantially in accordance with the original plats and plans, shall be conclusively presumed to be its boundaries rather than the metes or bounds or other property description expressed in any deed, plat, plan or floor plans, regardless of settling or lateral movement of the Building or any other portions of the Unit which comprises the Unit, and regardless of minor variance between the actual boundaries and the boundaries shown on the plat and plans or described in a deed.

2. A freehold estate in the "Common Elements" of the Condominium as hereinafter described.

3. The Expansion Real Estate described on Exhibit F shall have a non-exclusive easement of ingress and egress across the private street known as Pebble Brook Ct. as shown on the site map and survey appended hereto as Exhibit B, subject to the following terms, conditions and restrictions:

a. Pebble Brook Ct. shall not be used for parking and the owners of the Units adjacent to Pebble Brook Ct. shall require all guests and service personnel to park either in their Unit garage or driveway.

b. No Unit owner, now or in the future, shall ever prevent or inhibit any other Unit owner or their invitees from utilizing Pebble Brook Ct. for ingress and egress to any Unit adjacent to Pebble Brook Ct. so long as the person or persons seeking ingress or egress or utilizing Pebble Brook Ct. with the actual or implied permission of an owner of a Unit adjacent to Pebble Brook Ct.

c. Access to Units adjacent to Pebble Brook Ct. are, and shall remain, by way of Pebble Brook Ct. Maintenance for Pebble Brook Ct. shall be the sole responsibility of the Association in accordance with Article VII, Section 2. Neither ownership of nor responsibility for maintenance of Pebble Brook Ct. shall be transferred to the Village of Waukesha, formerly known as the Town of Waukesha, and hereafter referred to as the "Village," or Waukesha County or their successors or assigns.

d. The provisions of this Declaration regarding the use and maintenance of Pebble Brook Ct. is superior and paramount to the rights of the Declarant and Unit owners in the respective servient estates so created and is binding upon the Unit owners, their successors, heirs and assigns. By acceptance of a deed of conveyance of a Unit from Declarant, the grantee of such Unit and each successor entitled to such Unit or an interest thereon shall be deemed to consent and agree that the provisions hereof are covenants and restrictions that shall run with the land.

ARTICLE II

DESCRIPTION AND LOCATION OF THE BUILDINGS AND UNITS

The Buildings and other improvements located or to be located on the Property are shown on the site map and survey appended hereto as Exhibit B.

The addresses of the initial Units are described on Exhibit C appended hereto.

The floor plans of the initial Buildings comprising the initial Units within the Condominium are appended hereto as Exhibit E.

Upon the Declarant expanding the Condominium in accordance with Article XIII hereof, this Declaration and the Exhibits shall be amended by the Declarant in accordance with Article XIII hereof and the Act.

Each Unit shall be separately metered for all utilities, except for the private water well systems and private sewage systems. Pebble Brook Ct. and driveway maintenance, trash (unless serviced by municipal disposal) and certain limited snow management, general landscaping and maintenance shall be common expenses of the Condominium.

ARTICLE III

DESCRIPTION OF COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

The Common Elements shall consist of all of the Condominium Property and related improvements, areas, fixtures, equipment and facilities except the individual Units. The Common Elements are divided into different types, known as the General Common Elements and the Limited Common Elements. The General Common Elements shall consist of all of the Common Elements, except the Limited Common Elements as described below. The Association (defined in Article VI) shall govern the manner of use of the General Common Elements and Limited Common Elements according to the Association's bylaws and such other rules and regulations as may be established by the Association.

Gardens. Each Unit owner shall be allowed to maintain gardens within three (3) feet of the Unit Building; provided that the procedures for architectural control established by the Board of Directors of the Association in accordance with Article VII, Section 6 have been complied with so that such gardens are compatible with the landscape design of the Limited Common Elements appurtenant to the Unit.

ARTICLE IV

DESCRIPTION OF LIMITED COMMON ELEMENTS

The Limited Common Elements are generally reserved for the exclusive use of the owners or occupants of the Units to which they are appurtenant. The Limited Common Elements for each Unit are designated on the Condominium plat, a copy of which is attached hereto as Exhibit B. The Limited Common Elements reserved for the exclusive use of the owners and occupants of each individual Unit consist of the yard appurtenant to each Unit, the sidewalks, driveways, lampposts, private water well systems and lines, private septic systems and lines, and other utility lines serving exclusively the Unit to which they are appurtenant. The subdivision plat of Pebble Brook Hollow includes private septic system easement areas, as well as covenants, restrictions and requirements for the private septic systems and the septic system easement areas. A copy of the subdivision plat is available from the Register of Deeds for Waukesha County.

ARTICLE V

PERCENTAGE OF OWNERSHIP IN COMMON ELEMENTS

1. Ownership. The ownership of the initial Units and any additional Units added by the Declarant in accordance with Article XIII hereof shall include an equal undivided interest in the Common Elements.

2. Sharing of Expenses and Surpluses. The common surpluses and expenses of the Condominium relating to the Common Elements, other than electricity for the operation of the private water well systems, shall be shared among the owners of all Units according to their

percentage of their undivided interest in the Common Elements, as expressed above or as the same may be amended pursuant to Article XIII hereof.

3. Electricity Charges and Fees for Private Water Well Systems. Some or all of the private water well systems may be shared by two Units. The use of electricity connections for the private water well systems are, however, connected to the electric meter of only one of the Units sharing a private water well system (each an "Electricity Connection Unit"). The Electricity Connection Units and the Units which are not Electricity Connection Units are set forth on Exhibit D attached hereto. Commencing with the year 2022 and continuing each subsequent year thereafter, on or before February 28 of each year all owners of an Electricity Connection Unit shall provide the treasurer of the Association with copies of their electric bills for their respective Electricity Connection Units for the previous calendar year. Then, on or before March 15, of each year following the receipt of the electric bills for the Electricity Connection Units, the Association shall reimburse each owner of an Electricity Connection Unit which shares a private water well system with a Unit that is not an Electricity Connect Unit one-half (1/2) of the electricity charges and fees attributable to the private well water system. The amounts of the electricity charges and fees attributable to the private well water systems to be reimbursed to each Electricity Connected Unit shall be determined as follows:

a. Guthrie & Frey, Inc. provided the Declarant with the following information:

(i) Based on an average of two (2) people occupying a Unit, the occupants and guests of one Unit will use an average of 200 gallons of water per day.

(ii) The well pumps for the private water well systems use 10 amps of electricity on a 230 volt circuit which equals 2.3 kilowatts.

(iii) The well pumps will typically run, on average, for approximately one hour per day, which is equal to 2.3 kilowatt hours per day.

b. The Association shall reimburse each owner of an Electricity Connection Unit which shares a private water well system with a Unit as of December 31 of the previous calendar year that is not an Electricity Connection Unit one-half (1/2) of the charges and fees for 2.3 kilowatt hours at the rate charged by the electric utility to the Electricity Connection Units multiplied by each day the owner of an Electricity Connection Unit shares the private well system with a Unit that was not an Electricity Connection Unit during the previous calendar year. In the event any Electricity Connection Unit owner does not timely provide the treasurer of the Association with all copies of all of their electric bills for the previous calendar year, such Electricity Connection Unit owner shall have conclusively waived its right to receive reimbursement for any electricity charges

and fees with respect to any bills not timely submitted to the treasurer. Time is of the essence with respect to submitting the electric bills.

c. Commencing with the year 2022 and each subsequent calendar year thereafter, each owner of a Unit who owned a Unit which was not an Electricity Connection Unit during the previous calendar year (an "Unit Assessed Owner"), shall be assessed by the Association a benefit fee for the use and operation of its shared private well water system determined as follows:

(i) The total of all sums reimbursed to owners of Electricity Connection Units, divided by

(ii) The total number of Units that were not Electricity Connection Units as of December 31 of the previous calendar year, multiplied by

(iii) A fraction, the numerator of which shall be the number of days the Assessed Unit Owner owned their Unit during the previous calendar year, and the denominator of which shall be 365.

4. Use of Surpluses. All common surpluses of the Condominium for each fiscal year of the Association shall be credited to the reserves or replacement funds for common expenses of the Condominium for the next succeeding fiscal year or years.

ARTICLE VI

ASSOCIATION OF UNIT OWNERS

1. Administration. The Condominium shall be administered by a non-profit corporation known as Pebble Brook Hollow I Condominium Owners Association, Inc. (the "Association"). The Association shall be governed by a Board of Directors (the "Board of Directors"). The Board of Directors shall adopt Bylaws and Rules and Regulations in furtherance thereof.

2. Membership and Voting. Each Unit owner shall be a member of the Association. One (1) vote shall appertain to each Unit. Membership shall commence and terminate with ownership. The manner of sharing and casting ballots shall be set forth in the Bylaws.

3. Declarant Control. Prior to the conveyance by Declarant of twenty five percent (25%) of the undivided interest in the Common Elements to purchasers, the Association shall hold a meeting and the Unit owners other than the Declarant shall elect at least twenty five percent (25%) of the Board of Directors. Prior to the conveyance of fifty percent (50%) of the undivided interest in the Common Elements to purchasers, the Association shall hold a meeting and the Unit owners other than the Declarant shall elect at least thirty three and one-third percent (33 1/3%) of the Board of Directors.

4. Association Management. Subject to Article XII, the Board of Directors may employ a professional property manager, management company or managing agent on a salaried basis with such experience and qualifications and on such terms and conditions as may be acceptable to the Board of Directors. Any such agreement must be terminable without fee upon no more than ninety (90) days' notice and the term thereof may not exceed three (3) years.

5. Condominium Instruments. The Association shall make available to Unit owners and to holders, insurers or guarantors of any mortgage of a Unit, current copies of this Declaration, the Bylaws, Rules and Regulations and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. "Mortgage" as used in this Declaration includes a land contract for a Unit.

6. Audit. The holders of any first mortgage shall be entitled, upon written request, to an audited financial statement for the immediately preceding fiscal year of the Association prepared at the expense of such mortgagee. Such financial statement shall be furnished within a reasonable time following such request. A "first mortgage" is one which is entitled to priority over all other mortgages for such Unit, without regard to other liens and encumbrances.

7. Easements. The Association shall have the right to grant permits, licenses and easements over the Common Elements for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Condominium, on such terms and conditions as the Board of Directors may deem advisable.

8. Services. The Association, acting through the Board of Directors, may, at its sole discretion, arrange for or provide services to owners and their Units, directly or through contracts with the Declarant or other third parties, including service agreements by which a particular service is provided to all Units as a Common Expense, or service contracts offering services at the option of each owner with the charges for such service being a specific charge to the Unit owner, or a specific assessment against the owner's Unit, or both. Such services may include, but are not limited to, such things as trash and recycling removal, cable television, community technology, utilities, fire protection, security monitoring and pest control. Any Association contract for services may require individual owners or occupants to execute separate agreements directly with the persons providing components or services in order to gain access to or obtain specified services. Such contracts and agreements may contain terms and conditions as may be just, including provision for termination of services provided to such Unit. Any such termination shall not relieve the owner of the continuing obligation to pay assessments for any portion of the charges for such service that are assessed against the Unit as a Common Expense. In its discretion, the Association may discontinue offering particular services and may modify or cancel existing contracts for services, subject to the contract terms and any provision that may exist elsewhere in the governing documents requiring the Association to provide such services.

9. Approvals. The Association, acting through the Board of Directors, may approve or disapprove any proposal submitted to it pursuant to this Declaration, but shall apply one or more of the following criteria in considering any proposal and/or may apply any additional criteria as the Board of Directors deems prudent: (i) matters of access and convenience to other Units; (ii) requiring the written agreement of the owner of the Unit making the proposal to pay the

costs of restoring Common Elements affected by such proposal to their prior physical condition upon the termination of such use; and (iii) requiring the owner of the Unit to agree, in writing, to pay a fair and reasonable monthly charge to the Association for any encroachment on Common Elements resulting from the proposal. The Board of Directors may, at its discretion, impose further conditions upon its consent to any proposal as it deems appropriate. Approval of a proposal shall be deemed given if the Association president (i) indicates in writing or (ii) fails to respond within sixty (60) days following the Unit owner's written submission of a proposal unless prior to the expiration of such period, additional information is requested of the owner by the Board of Directors or the Board of Directors issues its written refusal.

ARTICLE VII

MAINTENANCE, ALTERATION AND IMPROVEMENT OF CONDOMINIUM

1. Unit Owner's Responsibility. The owner of each Unit shall: (a) maintain in good condition and repair and replace all of the components or installations within or used by the Unit not expressly required to be maintained by the Association in Section 2 of this Article below, including but not limited to, all utility lines and installations, the heating and air conditioning systems for the Unit, fixtures, appliances, water heater, equipment, interior walls, partitions, flooring, ceilings, windows, window frames and doors, including all screens, glass and locks in windows and doors; (b) maintain, paint, repair, both the interior and exterior of the Unit, including, but not limited to, the foundation, walls and roof of the Unit; (c) keep the patio, porch, deck, or balcony appurtenant to the Unit in a clean and neat condition, including snow removal; (d) keep and maintain in good and orderly condition its Limited Common Elements; and (e) repair and replace any portion of the Common Elements and Limited Common Elements damaged through the fault or negligence of such owner or such owner's family, guests or invitees or any other occupants of the Unit. Notwithstanding the above, maintenance, repairs, and replacements to the General Common Elements and the following Limited Common Elements shall be performed by the Association: the uniform outdoor lamppost and its associated bulbs, wiring, sensors and other components, and all shared wells and septic systems and their associated pumps, electrical lines, and plumbing lines and other components located outside of the Unit's Building. The cost of repair and replacements as described in (e) of this section shall be assessed to and paid for by the owner of the applicable Unit. The cost of maintenance, repairs and replacements to the uniform lampposts and applicable components shall be assessed to and paid for by the applicable Unit owner. The cost of the maintenance, repairs and replacements of shared Limited Common Elements shall be paid by the applicable Unit owners sharing such Limited Common Elements.

2. Association Responsibility. The Association shall maintain in good condition and repair, replace and operate all of the General Common Elements, except as provided in Section 1 above. Notwithstanding Section 1 above, all snow removal from sidewalks, driveways and Pebble Brook Ct. shall be performed by the Association. Pebble Brook Ct. shall be maintained in such a condition as to provide reasonable access for fire trucks and other emergency vehicles and any work required for that purpose shall be performed by the Association. Notwithstanding the foregoing, however, the cost of repairs for any damage to Pebble Brook Ct. caused by trucks or equipment shall be assessed to and paid for by the owner of the Unit operating or hiring such truck or equipment.

3. Structural Changes by Owners. An owner of a Unit shall make no changes within such Unit that impair the structural integrity or lessen the support of any portion of the Condominium or create a nuisance substantially affecting the use and enjoyment of other Units or the Common Elements. Any owner of a Unit intending to remodel the interior of the Unit shall report their intentions to the Association prior to beginning any work so that the Association may inform the owners of adjacent Units and to ensure compliance with this Declaration, the Bylaws and any rules and regulations. Unit owners may erect or construct awnings, enclosures, three-season rooms or screen porches within their Limited Common Elements, only as provided in this Section provided however that such construction be of the same first quality and appearance as the original construction of the Unit.

4. Exterior Changes; Decorations; Signs; Patios, Porches, Decks, and Balconies. No Unit owner may decorate or alter the Common Elements or change the exterior appearance of a Unit, including painting, resurfacing or replacement of exterior windows, doors, roof, siding, brick, stucco, stone or other exterior features, or any other portion of the Condominium without the permission of the Board of Directors. No owner of a Unit, except the Declarant, may erect, post or display posters, signs or advertising material on the Condominium Property, except that a Unit owner may place a standard temporary open house sign outside of the Building during the open house of a Unit for sale or lease not exceeding 18" x 24." No awnings, enclosures screen porches or three-season rooms, or other or similar structures, shall be installed on patios, porches, decks, or balconies without the approval of the Board of Directors in accordance with Section 703.13(5m) of the Wisconsin Statutes. Grills shall be allowed on patios on such terms and conditions as approved by the Board of Directors in compliance with Article IX of this Declaration. Patios, porches, decks, and balconies shall not be used for storage, including the storage of motorcycles, baby carriages, bicycles, wagons, etc. or for airing or drying of laundry, carpet, rugs or clothing.

5. Structural Changes by Association. Except, as provided in this Section and as reserved to the Declarant, its successors and assigns, the Association shall not make or permit any alterations to the exterior of any Building or make any other substantial alterations or additions of a structural nature or otherwise to the Common Elements without the affirmative vote of two-thirds (2/3) of the Board of Directors. In no case shall any such alterations or additions prejudice the rights of any owner of a Unit unless his written consent has been obtained.

6. Architectural Control. The Board of Directors shall establish procedures for administering requests for permission to change General Common Elements and Limited Common Elements, including awnings, enclosures, three-season rooms, screen porches, benches, bird feeders, bird baths, gardens, or similar matters. Any committee therefor shall have at least three (3) members and shall consider the architectural harmony of the proposed action with the existing Condominium when arriving at any decision.

7. Compliance with Declaration of Covenants, Easements and Restrictions. Notwithstanding anything contained in this Declaration, in no event shall any Unit owner, the Association or the Board of Directors engaging, authorized, or permit any violations of the Declaration of Covenants, Easements, and Restrictions of the Pebble Brook Hollow Subdivision, and any lawfully enacted amendments thereof, or any lawfully adopted rules or regulations of the Pebble Brook Hollow Homeowners Association, Inc.

8. Declarant Landscaping. In order to preserve the natural amenities of the Condominium and to provide for the enhancement of property values for the benefit of the property as a whole and for the benefit of each Unit owner, Declarant intends to install landscape improvements (the "Declarant Landscaping") in accordance with a master landscape plan adopted by the Declarant ("Landscape Plan"). The Declarant Landscaping may include various hedge and screen plantings, berms, trees, shrubbery and related landscaping which are to be constructed by Declarant in certain areas. The Landscape Plan also includes the construction of improvements and landscaping for the entranceway. Declarant reserves the right to change the Declarant Landscaping, in its sole discretion.

9. Maintenance of Landscaping. The Association shall be responsible for maintaining and repairing the Declarant Landscaping and all other landscaping within the General Common Elements and Limited Common Elements (except for gardens which shall be maintained by the owner of the Unit adjacent to the garden). Such responsibility shall include, but is not limited to, the seeding and mowing (but not watering) of all lawns, the pruning, cutting and replacement of all trees and shrubbery so as to maintain all landscaping in an attractive condition consistent with its original design. An irrevocable right and easement is hereby granted for the benefit of the Association to enter onto all Limited Common elements to obtain ingress and egress necessary to maintain and make repairs to all landscaping within the Condominium. The costs of such maintenance and repairs will be levied by the Association equally against all Unit owners.

10. Maintenance of Private Street. In the event the Association does not properly maintain the private street known as Pebble Brook Court, the Village may send written notice to the Association indicating that the Village has determined that the private street is not properly maintained, and further indicating that the Village will perform such maintenance if not properly done by the Association. The above-referenced notice shall give the Association a minimum of seven (7) days to correct the problem. If the private street is not properly maintained within the time granted by the above-referenced notice, the Village shall then have the authority to maintain the private street elements referred to in said notice and shall have the right to charge the Unit owners on a prorata basis for any costs incurred by the Village as a result of said maintenance. Said costs shall be assessed as a special charge pursuant to Section 66.0627, Wis. Stats. If such charges are not paid by any Unit owner within the period fixed by the Village, such charges shall become a lien upon the Unit owner's Unit as provided in Section 66.0627, Wis. Stats., and shall be extended upon the tax rolls as a delinquent tax against the Unit owner's Unit as provided in Section 66.0627, Wis. Stats.

ARTICLE VIII

ASSESSMENTS

1. Liability; Late Payments. The Bylaws shall set forth the manner of making and collecting assessments against the Unit owners for common expenses of the Condominium. Regular assessments and special assessments not made for violations of the provisions of this Declaration, the Bylaws or Rules and Regulations shall be made on an annual basis but shall be due and payable in monthly installments as determined by the Board of Directors. Each Unit owner shall be liable for such fractional or percentage interest of the common expenses of the Condominium as is provided in Article V hereof. Any assessment, installment or other charge or

fee due and owing to the Association not paid when due shall be delinquent and the Unit owner may be charged interest on the unpaid assessment, installment or other charge or fee, calculated from the date when the assessment, installment, charge or fee was first due until the date it is paid. The Board of Directors shall establish a uniform policy with regard to the number of days that must run following the due date for interest to be charged and shall establish the rate of interest to be charged on such unpaid assessments, installments, charges or fees. All payments upon account shall be first applied to the interest, if any, and then to the assessment, charge or fee payment first due.

2. Liens. If a Unit owner defaults in the payment of any assessment, installment, charge or fee, the Association shall take appropriate measures as provided by law in accordance with the Bylaws. The lien for unpaid assessments, charges and fees shall also secure reasonable attorney's fees incurred by the Association incident to the collection of such assessment, charge or fee, or the enforcement of such lien. In any foreclosure of a lien for assessments, charges or fees, the owner of a Unit subject to a lien shall be required to pay a reasonable rental for the Unit and the Association shall be entitled to the appointment of a receiver to collect the same. To the extent permitted by the Act, the lien provided therein and herein shall be subordinate to the lien of any first mortgage on a Unit.

3. Rights of Mortgagees. Any first mortgagee who obtains title to a Unit pursuant to remedies provided in the mortgage or foreclosure of the mortgage and any party purchasing the Unit in such a foreclosure shall not be liable for such Unit's unpaid installments of assessments, charges or fees which accrued prior to the acquisition of title to such Unit by such mortgagee or other party. The obligation of the former Unit owner to pay such assessment, charge or fee is not hereby extinguished.

4. Association Statements. A Unit owner, or a person on behalf of a Unit owner, may submit to the Association a written request for a payoff statement with respect to the total amount necessary to satisfy all monetary obligations, including unpaid assessments, charges or fees, owed by the Unit owner for a specified date not more than thirty (30) days after the request is submitted. Within ten (10) business days after such a request is submitted, Association shall provide a written payoff statement to the Unit Owner or person that submitted the request; provided, however, that all Units conveyed by Declarant shall be deemed to be conveyed free from all such outstanding general or special assessments, charges and fees and no such letter shall be required or given as to such Units.

5. Initial Working Capital Fund. Each purchaser of a Unit shall advance an amount equal to two (2) months installments of the regular annual Association assessment, or such other amount as is designated by the Board of Directors with notice of record, to the Association at the time of conveyance for the common expenses of the Association. Each advance shall be credited to such purchaser and shall be returned to such purchaser upon subsequent conveyance of the Unit and payment of a like advance by the subsequent purchaser. Amounts paid pursuant hereto are not to be considered as advance payments of installments of the regular assessments.

6. First Assessment. Regular assessments shall be levied and installments thereon shall commence being due and payable on the date of recordation hereof; provided that the monthly installment shall be prorated on a daily basis.

7. No Fees or Assessments in Event of Tax Forfeiture. Neither Waukesha County nor the Village shall be liable for any fees or special assessment in the event that Waukesha County or the Village become the owner of one or more Units in the Condominium by reason of tax delinquency.

ARTICLE IX

RESTRICTIONS ON USE, OCCUPANCY AND TRANSFER

1. Use. Each Unit shall be occupied and used only for private residential dwelling purposes and for no other purposes. No trade or business shall be carried on anywhere within the Condominium, except as otherwise provided herein.

2. Leases of Units. The Declarant may rent a Unit on such terms and conditions as it desires in its sole discretion. All other rental agreements shall be for terms of not less than six months and within five (5) days after entering into or renewing a written rental agreement, the Unit owner shall provide a copy of the agreement to the Association. The Association shall keep a copy of any rental agreement on file while the agreement is in effect. All rental agreements shall be subject to Section 703.315 of the Act. Each occupant of a Unit shall comply with all provisions of this Declaration, the Articles of Incorporation, and Bylaws of the Association, and such rules and regulations as may be adopted by the Board of Directors pursuant to this Declaration or the Bylaws and each rental agreement shall provide that a breach of any of the foregoing shall be deemed a default under the rental agreement. Notwithstanding the foregoing, the Unit owner shall be responsible to the Association and each other Unit owner for any breach of any provision of this Declaration, the Articles of Incorporation, Bylaws, or any rules or regulations caused by an occupant of such owner's Unit and the Association need deal only with the owner and shall not be obligated to address any breach with the offending occupant. Individual rooms in dwelling units contained within a Unit shall not be rented and no transient tenants shall be accommodated.

3. Pets. Except as expressly provided herein, no animals of any kind shall be raised, bred or kept within the Condominium or on the Property. Any animal kept and treated as a pet which complies with the Village Code of Ordinances ("Permitted Pets"), may be kept, subject to compliance with said Ordinances and the terms and conditions of this Declaration, provided that no Permitted Pets shall be kept, bred, or maintained for any commercial purposes. "Animal" means any mammal, bird, fish, amphibian or reptile. All Permitted Pets, other than dogs and cats, must be kept in an enclosure such as an aquarium or cage and it shall be prohibited to permit any pet, other than dogs and cats, to be outside of an enclosure anywhere within the Condominium or on the Property. It is not permissible to simply leave a pet unattended on a leash while outdoors. Any pet excrement in Common Elements, including Limited Common Elements, shall be removed immediately by the occupant of the Unit in which the pet resides. Any and all costs of repairing damage caused by a pet shall be borne by the owner of the Unit in which the pet resides. A violation of the provisions of this Section or the rules and regulations for the keeping of pets adopted by the Board of Directors shall subject the Unit owner responsible for such violation to additional special

assessments by the Board of Directors of a charge in such amount determined by the Board of Directors pursuant to such rules and regulations, plus all enforcement costs incurred, including, but not limited to, reasonable attorney's fees incurred by the Association incident to the enforcement, in addition to all other rights and remedies the Association may have. Until such time as the Board of Directors shall adopt a different amount, the charge shall be up to $500 per month or part thereof until the Unit owner has complied. Such charges and costs may be collected in the same manner as assessments pursuant to Article VIII of the Declaration. Notwithstanding anything to the contrary herein, possession of pets on the Condominium shall not be considered a property right.

4. Use, Parking, No Obstructions, Grills. No Unit owner shall permit any person, other than an occupant or guest of a Unit, to park a vehicle on the Property. No Unit owner shall cause or permit the Common Elements, except the Limited Common Elements, to be so used as to deny to other owners the full use of such portion of the Common Elements. 12. Acts Affecting Insurance. No Unit owner or occupant shall commit or permit any violation of the policies of insurance taken out by the Board of Directors in accordance with the provisions of Article XI hereof (the "Association Policies"), or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (i) result in termination of any such policies, (ii) adversely affect the right of recovery thereunder, (iii) result in reputable insurance companies refusing to provide Association Policies, or (iv) result in an increase in the insurance rate or premium unless, in the case of such increase, the Unit owner responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Policies or with respect to any policy of insurance carried by any Unit owner, as permitted by the provisions of Article XI hereof, shall be increased or shall otherwise reflect the imposition of a higher rate than that applicable to the lowest rated Unit, (a) by reason of anything that is done or kept in a particular Unit, or (b) as a result of the failure of any Unit owner or any occupant of a Unit to comply with the requirements of the Association Policies, or (c) as a result

The amount of any such reimbursement due the Association may without prejudice to any other remedy of the Association be enforced by assessing the same to that particular Unit pursuant to the Bylaws.

13. Legal Restrictions. Compliance with any Legal Requirements shall be accomplished by and at the sole expense of the Unit owner or owners or the Association, as the case may be, whichever shall have the obligation under this Declaration to maintain and repair the portion of the Condominium affected by any such Legal Requirements. Each Unit owner shall give prompt notice to the Board of Directors of any written notice it receives of the violation of any Legal Requirements affecting its Unit or the Condominium. Notwithstanding the foregoing provisions, any Unit owner may, at its expense, defer compliance with and contest, by appropriate proceedings prosecuted diligently and in good faith, the validity or applicability of any Legal Requirements affecting any portion of the Condominium which such Unit owner is obligated to maintain and repair, and the Association shall cooperate with such Unit owner in such proceedings, provided that:

a. Such Unit owner shall pay and shall defend, save harmless, and indemnify the Board of Directors, the Association and each other Unit owner against all liability, loss or damage which any of them respectively shall suffer by reason of such contest and any noncompliance with such Legal Requirements, including reasonable attorneys' fees and other expenses reasonably incurred; and

b. Such Unit owner shall keep the Board of Directors advised as to the status of such proceedings. ((i) and (ii) above collectively called the "Conditions as to Contest").

Such Unit owner need not comply with any Legal Requirements so long as it shall be so contesting the validity or applicability thereof, provided that (a) noncompliance shall not create a dangerous condition or constitute a crime or an offense punishable by fine or imprisonment, and (b) no part of any Building shall be subject to being condemned or vacated by reason of noncompliance or otherwise by reason of such contest ((a) and (b) are called the "Conditions as to Deferral of Compliance"). The Association may also contest any Legal Requirements without being subject to the Conditions as to Contest and may also defer compliance with any Legal Requirements, but only subject to the Conditions as to Deferral of Compliance. The costs and expenses of any contest by the Association shall be a common expense.

14. Grading Declaration. Declarant has caused or will cause the Property to be graded in substantial conformity with the Master Grading Plan approved and on file with the

Village. Thereafter, the Association shall maintain such grades, and neither the Declarant, Association, nor any Unit owner may modify such grades or deviate from the Master Grading Plan without prior written approval from the Village.

15. Lighting Declaration. A lamp post shall be placed immediately adjacent to the driveway serving each Unit at the time of construction. Thereafter such lamp posts will be maintained in good working by the Association as Limited Common Elements. The lampposts will be on a dusk to dawn photocell or other control mechanism, and no Unit owner will disturb the settings thereof.

16. Declaration, Land Stewardship Plan and Conservation Easement. The Condominium Property is part of a residential subdivision development known as Pebble Brook Hollow. The use of the Condominium Property and the construction of all Buildings and other improvements are subject to and must comply with: (i) the Declaration of Covenants, Conditions and Restrictions of Pebble Brook Hollow recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, on December 2, 2020 as Document No. 4535855; (ii) the Land Stewardship Plan recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, on December 2, 2020 as Document No. 4535857; (iii) the Conservation Easement Agreement recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, on December 2, 2020 as Document No. 4535858; and (iv) all amendments to any of the foregoing. All Unit owners are members of the Pebble Brook Hollow Subdivision Association, Inc. and own an undivided fractional ownership interest in Outlots 1, 2 and 4 of Pebble Brook Hollow and will own an additional undivided ownership interest in any future outlots that are created upon the future development of Outlot 3 of Pebble Brook Hollow, as provided on the subdivision plat of Pebble Brook Hollow.

17. Storm Water Management Practice Maintenance. The Property is subject to the Pebble Brook Hollow Storm Water Management Practice Maintenance Agreement recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, on December 2, 2020 as Document No. 4535856, and all amendments and addenda thereto. All Unit owners have certain obligations as stated therein, including the routine and extraordinary maintenance and repair of the storm water management practices and drainage easements. Pursuant to the Declaration of Covenants, Conditions and Restrictions described in Section 16 of this Article IX, the Pebble Brook Hollow Subdivision Association, Inc. shall administer the maintenance and repair of the storm water management practices on behalf of all Unit owners and other members of the Pebble Brook Hollow Subdivision Association, Inc.

ARTICLE X

RECONSTRUCTION AFTER LOSS

1. Reconstruction. In the event of fire, casualty or any other disaster affecting the General Common Elements (the "Damaged Premises"), the Damaged Premises shall be reconstructed and repaired. Reconstruction and repair as used herein shall mean restoring the Damaged Premises to substantially the same condition they were in prior to the fire, casualty or disaster. The Association shall promptly undertake to cause such reconstruction and repair to be accomplished within a reasonable period of time.

2. Insufficient Insurance Proceeds. All costs of the repair or reconstruction of the Damaged Premises in excess of available insurance proceeds shall be a common expense. However, if the Common Elements are damaged to an extent more than the available insurance proceeds, the Condominium shall be subject to an action for partition upon obtaining the written consent of the Unit owners having 75% or more of the votes. In the case of partition, the net proceeds of sale together with any net proceeds of insurance shall be considered as one fund and shall be divided among all Unit owners in proportion to their percentage interests in the Common Elements, and shall be distributed in accordance with the priority of interests in each Unit.

3. Condemnation. The Association shall represent the Unit owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements or part thereof. The award or proceeds of settlement for a taking of part or all of the Common Elements shall be payable to the Association for the use and benefit of the Unit owners and their mortgagees as their interests may appear. The procedure for dealing with the total or partial condemnation of the condominium shall be that set forth in Section 703.19, Wisconsin Statutes (2019-2020), as the same may be amended from time to time.

ARTICLE XI

INSURANCE

1. Association Insurance. The Board of Directors shall obtain and continue in effect insurance coverage on all improvements on or within the General Common Elements as well as personal and real property belonging to the Association in an amount equal to the maximum insurable replacement value, with "inflation guard," "special condominium" and "condominium replacement cost" endorsements, without deduction or allowance for depreciation, which amount shall be determined annually by a recognized appraiser or insurer as selected by the Board of Directors, affording protection against loss or damage by fire and such hazards covered by a standard extended coverage endorsement and all risk endorsements and such other risks or hazards as from time to time shall be customarily covered with respect to improvements, personal and real property similar in construction, location and use. Said insurance shall be for the benefit of the Association and the owners of Units and their mortgagees as their interests may appear; provided, however, all proceeds payable by reason of said insurance shall be paid to the Association as trustee for the owners of Units and their mortgagees for the express purpose of reconstruction and repair or as otherwise provided in Article X hereof. The foregoing provisions of this Article are without prejudice to the right of any owner of a Unit to obtain individual Unit insurance; but no owner of a Unit shall be entitled to exercise his right to maintain individual Unit insurance in such a way as to decrease the amount which the Association may realize as trustee under any insurance policy required hereunder. Each policy obtained by the Association shall contain a "severability of interest" endorsement and a standard mortgagee clause endorsed to provide that the proceeds are payable to the Association for the use and benefit of the mortgagees as their interests may appear.

2. Association Liability Insurance. In addition to the hazard insurance coverage provided above, the Board of Directors shall obtain comprehensive general public liability insurance in such amounts equal to or exceeding One Million Dollars ($1,000,000.00) for

a single occurrence covering all of the Common Elements or property owned by the Association. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements and legal liability arising out of actions related to employment contracts of the Association. Such policy must provide that it may not be cancelled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association and to each holder of a first mortgage which is listed as a scheduled holder of a first mortgage in the insurance policy. The Board of Directors may also obtain such other insurance as it shall determine from time to time to be desirable including without limitation directors and officers errors and omissions coverage.

3. Cost; Waiver. All insurance premiums for any insurance coverage obtained by the Board of Directors shall be a common expense of the Condominium. The Association and each Unit owner hereby expressly waive any claim it or they may have against the other for any loss insured under any policy obtained by the Board of Directors, however caused, including such losses as may be due to negligence of such other party, its agents or employees. All such policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any such policy.

ARTICLE XII

RIGHTS OF DECLARANT

1. Control of Association. Until the expiration of the earlier of ten (10) years from the date the first Unit is conveyed to any person other than Declarant or thirty (30) days after the conveyance of seventy five percent (75%) of the undivided interests in the General Common Elements to purchasers, Declarant, or its successors and assigns, acting alone shall have the right to appoint and reappoint the members of the Board of Directors, other than those elected pursuant to Article VI, Section 3 hereof.

2. Other Rights. Pending the sale of all Units on the Condominium, including any Units on the Expansion Real Estate described in Article XIII, Declarant, or its successors and assigns, acting alone:

a. may, but shall not be obligated to, manage and operate the Condominium in accordance with the provisions of this Declaration; but any agreement for professional management of the Condominium, or any other contract providing for services of Declarant, shall not exceed three (3) years and shall provide for termination by either party without cause and without payment of a termination fee on no more than ninety (90) days written notice;

b. may use the Common Elements and any unsold Units within the Condominium in any manner as may facilitate the sale or leasing of all Units thereon, including, but not limited to, in connection therewith, maintaining a sales and/or rental office or offices and

models (regardless of whether all the non-model Units in a Building are sold), showing the Condominium or maintaining signs;

c. reserves the right to (i) grant easements upon, over, through and across the Common Elements as may be required for furnishing any kind of utility services, including cable television or master antenna service, which easements may be granted to itself or its nominee and/or as may be necessary for excavation or repair of any of the Units; (ii) grant easements upon, over, through or across the Common Elements for ingress and egress to and from the Condominium and other real property adjacent to it; (iii) grant easements over the Common Elements for the benefit of the Condominium or other lands for parking or access; and (iv) grant easements or dedications for road, private sewage systems, private wells, and other utility purposes across, over and under the Common Elements for the benefit of the Condominium, any Units or other lands provided that in the instrument creating such easement, if such easements serve such other lands, Declarant shall specify a method by which the maintenance costs of such easement shall be shared by the Association and such other users and provided that use of such easements will not be reasonably anticipated to overburden the existing use of the Common Elements;

d. reserves the right to (i) make minor alterations and changes to the design or exterior materials of any Building or any part thereof and (ii) alter and change the interior materials and the interior arrangement of any Unit owned by Declarant;

e. reserves the right to take such acts as may be necessary to ensure compliance with any and all applicable government statutes, regulations, codes, ordinances, rules, and orders, including but not limited to the terms and conditions of the Developer's Agreement recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, on December 2, 2020, as Document No. 4535854, and the Conditional Use Permit, a copy of which is available in the office of the Village Clerk for the Village.

ARTICLE XIII

EXPANSION OF CONDOMINIUM

1. Right to Expand. Declarant expressly reserves unto itself, its successors and assigns, the right to expand the Condominium, without the consent or approval of any Unit owner, at any time and from time to time on or prior to the expiration of ten (10) years from the date of recording this Declaration, by subjecting all or any portion of the real estate described on Exhibit F appended hereto (the "Expansion Real Estate") to this Declaration and by constructing thereon, either before or after such expansion, no more than an additional twenty seven (27) Units. Such

Units shall be located within the general areas indicated therefor on Exhibit B hereto. All improvements made on the Expansion Real Estate must be of the same quality construction as the original Units constructed hereunder and must be substantially completed prior to the improvements becoming subject to this Declaration. Declarant shall be under no obligation to and makes no representation that it will expand or construct any part or all of the Condominium as such rights are reserved herein. The Units on the Expansion Real Estate and their owners and any Common Elements thereon will become subject to and will be entitled to the benefits of the provisions of this Declaration.

2. Effect of Expansion. Upon each such expansion:

a. The percentage of undivided interest in the Common Elements appertaining to each Unit shall be adjusted as follows:

(i) Each Unit's percentage of undivided interest in the Common Elements shall be the number one (1) divided by the total number of Units then subject to this Declaration.

(ii) Each Unit shall be entitled to such Limited Common Elements as are specified in the documents required for expansion.

b. The common surpluses and expenses of the Condominium shall be shared among the owners of all Units according to the percentage of their undivided interest in the Common Elements, in accordance with Article V as adjusted in the manner set forth above.

c. Each owner of a Unit shall be a member of the Association and one vote shall appertain to each Unit.

3. Method of Expansion. The right of expansion reserved herein shall be exercised by the recording of an amendment to this Declaration and an amendment to each of the Exhibits appended hereto in the office of the Register of Deeds for Waukesha County, Wisconsin. None of the provisions contained in this Declaration shall be construed to create any obligation on behalf of the Declarant, its successors and assigns, to in fact effect such expansion. Exhibit F hereto and the condominium plat show only the outline of the Expansion Real Estate. Each time that Declarant desires to subject any portion of the Expansion Real Estate to this Declaration, Declarant shall record amendments to the Exhibits hereto and to the condominium plat which shall show the location of the buildings, units, other improvements and common elements of that portion of the Expansion Real Estate being so subjected, in the same manner as if the above were to be shown on the original, recorded condominium plat.

4. Matters Related to Expansion.

d. Declarant reserves an easement over and across the Condominium, including General Common Elements, for the benefit of the Expansion Real Estate during construction, and otherwise for ingress and egress and vehicular parking. Declarant further reserves

an easement across, under and through General Common Elements for the benefit of the Expansion Real Estate to install, maintain and replace underground utilities and aboveground and underground drainage systems servicing the Expansion Real Estate. For purposes of this Article XIII, the term "utilities" includes telephone, water well systems, gas, electric, cable, private sewage systems, storm sewer and similar future services commonly provided communally. Subsequent division of ownership of the Expansion Real Estate shall not affect the benefit of these easements for each portion thereof.

e. If Declarant determines at any time that it desires to coordinate utility services for the Expansion Real Estate with existing utility services for the Condominium, Declarant may at its cost connect utilities servicing the Expansion Real Estate to existing utilities within the Condominium, even if the Expansion Real Estate is not then or thereafter made a part of the Condominium; provided that the cost of maintaining and replacing portions of such utility lines in the undeclared Expansion Real Estate shall be borne by owner(s) of such undeclared Expansion Real Estate. The Association and owner(s) of the Expansion Real Estate serviced by such utilities shall cooperate in maintenance, repair and replacement of such utilities, and shall maintain each utility (to the extent of the rights of such person to do so) so as to enable servicing the anticipated needs of the Condominium and Expansion Real Estate.

ARTICLE XIV

RIGHTS OF MORTGAGEES

1. Notice. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor of a Unit mortgage and the Unit number or address, any such mortgage holder, insurer or guarantor will be entitled to timely written notice of:

a. Any condemnation or casualty loss which affects either a material portion of the Condominium or the Unit securing its mortgage;

b. Any sixty (60) day delinquency in the payment of assessments owed by the owner of any Unit on which it holds a mortgage or any breach of the provisions of any instrument or rule governing the Condominium which is not cured by such owner within sixty (60) days of such breach;

c. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

d. Any proposed action which would require the consent of a specified percentage of eligible mortgage holders as specified below or in Article XIV hereof.

2. Other Provisions. Mortgage holders shall also be afforded the following rights:

e. Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with this Declaration and the original plans and specifications, unless other action is approved by holders of mortgages on Units which have at least fifty one percent (51%) of the votes of Units subject to mortgages.

f. Any election to terminate the Condominium after substantial destruction or a substantial taking in condemnation of the Property must require the approval of holders of mortgages on Units which have at least fifty one percent (51%) of the votes of Units subject to mortgages.

ARTICLE XV

AMENDMENT OF DECLARATION

1. Procedure. Except for the Declarant's right to amend this Declaration in accordance with Article XIII hereof, this Declaration may only be amended in a writing executed by the presiding officer of the Association and attested by another officer, with the written consent of at least seventy five percent (75%) of the Unit owners Except as provided in Section 2 of this Article XV, a Unit owner's written consent is not effective unless it is approved in writing by the first mortgagee of the Unit, or the holder of an equivalent security interest, if any. Approval from the first mortgage lender or equivalent security interest holder, or the person servicing the first mortgage loan or its equivalent on a Unit, constitutes approval of the first mortgagee or equivalent security interest holder under this section. As an alternative to the foregoing procedure, this Declaration may be amended in accordance with the alternative procedure set forth in Section 703.093 of the Wisconsin Statutes if at least seventy five percent (75%) of the Unit owners consent to the amendment in writing and those consents are approved by the mortgagees or holders of equivalent security interests in the Units. No amendment shall change the rights of Declarant as contained in this Declaration. Any amendment to this Declaration shall become effective when recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, and no action to challenge the validity of an amendment under this Article may be brought more than one (1) year after the amendment is recorded.

2. First Mortgagee. In Section 1 of this Article XV, "first mortgagee" means the first mortgagee of a Unit or the holder of an equivalent security interest, the first mortgage lender on a Unit or the equivalent security interest holder, or the person servicing the first mortgage loan or its equivalent on a Unit. A Unit owner, or the Association, on behalf of a Unit Owner, may

obtain the approval of a first mortgagee by providing written notice of the amendment to the first mortgagee in accordance with Section 703.09(2m) of the Wisconsin Statutes.

3. Limitations on Certain Amendments. In addition to complying with Section 1 above, the approval of holders of mortgages on Units which have at least fifty one percent (51%) of the votes of Units subject to mortgages, shall be required to add or amend any material provisions of this Declaration, the Articles, Bylaws or Rules and Regulations which establish, provide for, govern or regulate any of the following:

a. Voting rights;

b. Assessments, assessment liens or the priority of assessment liens;

c. Reserves for maintenance, repair and replacement of the Common Elements;

g. Redefinition of any Unit boundaries;

h. Reallocation of interests in the General or Limited Common Elements or rights to their use;

i. Convertibility of Units into Common Elements or of Common Elements into Units;

j. Leasing of Units;

k. Imposition of any restriction on a Unit owner's right to sell or transfer his or her Units;

l. A decision by the Association to establish self-management of the Condominium;

m. Restoration or repair of the Condominium (after a hazard damage or partial condemnation) in a manner other than that specified in this Declaration;

n. Any provisions that expressly benefit mortgage holders, insurers or guarantors.

4. Approval. A Unit owner, or a mortgage holder in the cases of a technical amendment or any amendment not described in Section 3above, who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative

response within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a return receipt requested, shall be deemed to have approved such request.

5. VA Approval. If any Unit is subject to a mortgage owned or guaranteed under the U.S. Veterans Administration programs, then the condominium regime created hereunder may not be amended or merged with a successor regime without prior written approval in accordance with regulations implementing such programs.

6. Special Amendments. Declarant, for as long as the Declarant shall have ownership in the Property or Condominium, and when the Declarant no longer has an interest in the Property or Condominium then the Board of Directors, shall have the right and power to record Special Amendments to this Declaration at any time and from time to time which amend this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities or any institutional lender issuing a commitment to make mortgage loans covering twenty percent (20%) or more of the Units, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, or guarantee mortgages secured by any Unit, (iii) to conform this Declaration with the requirements of the Act, or (iv) to correct clerical or typographical errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to make or consent to a Special Amendment on behalf of each Unit owner. Each deed, mortgage or other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power reserved to Declarant to make, execute and record Special Amendments. The rights reserved to the Declarant under this Article XV, Subsection 6shall terminate at such time as the Declarant no longer holds or controls title to any part of the Property or ten (10) years from the date this declaration is recorded, whichever first occurs.

7. Declarant's Rights. For purposes of this Article XV, the number of Unit owners shall be computed as though the Condominium were fully expanded under Article XIII until the tenth (10th) anniversary of the recording of this Declaration and Declarant shall be deemed to own all Unit interests less those appurtenant to Units actually conveyed by Declarant. So long as Declarant or Declarant's successors or assigns own any interest in any Unit, the consent in writing of Declarant or its successors or assigns shall also be required to any amendment to the Declaration, the Bylaws, the Articles, or the Rules and Regulations. No amendment to the Declaration, the Bylaws, the Articles, or the Rules and Regulations shall alter or abrogate the rights or obligations of Declarant or Declarant's successors or assigns as contained therein unless Declarant consents in writing to such amendment. Furthermore, no amendment to the Declaration, the Bylaws, the Articles, or the Rules and Regulations shall alter or abrogate the rights of any Mortgagee unless ten percent (10%) of the Mortgagees consent in writing to such amendment. Copies of amendments shall be certified by the president and secretary of the Association in a form suitable for recording. A copy of the amendment shall be recorded with the Register of Deeds for

Waukesha County, and a copy of the amendment shall also be mailed or personally delivered to each Unit Owner at its address on file with the Association.

Furthermore, this Declaration can be amended with the consent of less than the number of Unit owners and mortgagees required above, as follows:

a. Until the initial conveyance of all Units, this Declaration may be amended by the Declarant alone for purposes of clarification and correction of errors and omissions.

b. Declarant can unilaterally amend this Declaration to expand the Condominium to include additional lands under Article XIII.

c. This Declaration can be amended pursuant to Section 703.09(4) of the Wisconsin Statutes.

8. Village Approval. In addition to complying with Section 1 above, the approval of the Village shall be required to amend the following provisions of this Declaration:

a. Article I, Section 3.

b. Article VII, Section 2.

c. Article VII, Section 10.

d. Article VIII, Section 7.

ARTICLE XVI

DISPUTE RESOLUTION

The Declarant, the Association and Board of Directors, all owners, and any other persons subject to this Declaration, collectively agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Condominium without the emotional and financial costs of litigation. Accordingly, each of the above parties agrees that any dispute involving the Condominium shall be settled by binding arbitration administered by Resolute Systems, Inc. under its rules then in effect. The arbitration shall be conducted by one arbitrator, at a location in Waukesha County, Wisconsin, as designated by the arbitrator. The decision or award of the arbitrator shall be in writing and shall include reasons for such decision. Subject to Wisconsin law, the arbitrator's decision shall be final and binding on the parties, and judgment on the award may be entered in any court having jurisdiction.

Any parties to a dispute involving the Condominium shall first make every reasonable effort to meet in person and confer for the purpose of resolving the dispute by good faith negotiations. The Board of Directors may appoint a representative to assist the parties in the resolution of the claim, including through formal mediation.

EACH OWNER, BY ACCEPTING A DEED TO A UNIT, WAIVES ANY RIGHT TO HAVE A CLAIM RESOLVED BY JUDICIAL PROCEEDINGS, INCLUDING ANY RIGHT TO TRIAL BY JURY. THIS SUBSECTION IS AN AGREEMENT TO ARBITRATE THE ABOVE-DESCRIBED CLAIMS AND MAY BE SPECIFICALLY ENFORCED BY ANY PARTY.

Notwithstanding the foregoing, the Declarant or the Association may commence litigation in the Circuit Court for Waukesha County necessary to:

(i) collect any assessment or other amounts due from any owner; or

(ii) to obtain a temporary restraining order or other such emergency equitable relief necessary to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration and administer the Condominium.

ARTICLE XVII

REMEDIES FOR VIOLATION BY UNIT OWNER

If any Unit owner fails to comply with the Act, this Declaration or the Bylaws, such Unit owner shall be liable for damages caused by the failure or for injunctive relief, or both, by the Association or by any other Unit owner.

ARTICLE XVIII

RESIDENT AGENT FOR SERVICE OF PROCESS

The Declarant has appointed David Belman, 1407 East Sunset Drive, Waukesha, Wisconsin 53189, as the resident agent of the Condominium for service of process. DISCLAIMER

Microorganisms, including, but not limited to, mold, mildew, spores, any other form of fungi, bacteria, viruses and any toxins or irritants secreted by any of them ("Microorganisms") occur naturally in the environment and may be present, during or after construction, in the indoor air of the Buildings and on its interior and exterior surfaces including, without limitation, wall cavities, attics, windows, basements, wells, piping, ducts, well water and/or ceilings, or any part of them. Moisture can result from cooking, showering, or similar activities, can be contributed to from the outside atmosphere, and/or may arise or be exacerbated from the design, construction means and methods, and/or type of building materials used in construction of the Buildings. This moisture may cause or increase the presence, growth, release, discharge or dispersal of Microorganisms that, if sufficiently concentrated, may cause deterioration of building materials, damage to property, health hazards, personal injuries and/or other irritant effects such as, but without limitation, skin irritation, respiratory problems and/or allergic reactions. Microorganisms occur naturally in the environment, and Declarant cannot eliminate the possibility that Microorganisms may grow in, on or about the Buildings. Likewise, concentrations of radon or chemical compounds may exist in or be released from soil, household furnishings, personal possessions, and building materials, at excessive levels, may create irritant effects or health hazards. Unit owners and occupants may minimize these effects by proper use and maintenance of heating, cooling, dehumidification and ventilation equipment, regular interior maintenance and cleaning, and exterior maintenance such as, but not limited to, proper grading, landscaping, painting, and caulking.

Water provided by any water system, private or public may, naturally or based on human activities, contain contaminants including but not limited to: elements and substances such as arsenic, boron, selenium, radon, radium, calcium or magnesium salts, dirt, clay salts, silt, iron or rust; Microorganisms such as e coli bacteria; farm and industrial wastes such as gasoline, pesticides, fertilizers, and solvents. Whether contaminants will be noticeable or cause problems depends on the amount of the substance present and the individuals and uses involved. Contaminants may cause scaling or staining, tastes, odors, deterioration of building materials, damage to property, health hazards, personal injuries and/or other irritant effects such as, but without limitation, skin irritation, respiratory problems and/or allergic reactions.

EACH UNIT OWNER ACKNOWLEDGES THAT UNIT OWNER HAS BEEN INFORMED OF THE ABOVE EFFECTS OF MICROORGANISMS, MOISTURE, RADON, CHEMICAL COMPOUNDS AND WATER CONTAMINANTS. EACH UNIT OWNER HEREBY ASSUMES ALL RISKS OF DAMAGE, PERSONAL INJURY, AND/OR DESTRUCTION OF OR INJURY TO PROPERTY, REAL OR PERSONAL, THAT MAY ARISE AS A RESULT OF, OR IS IN ANY WAY CONNECTED WITH, THE INDOOR AIR QUALITY OF THE BUILDINGS, THE QUALITY OF WATER, OR THE PRESENCE OF MICROORGANISMS, RADON, WATER CONTAMINANTS OR CHEMICAL COMPOUNDS IN, ON OR ABOUT THE INTERIOR OR EXTERIOR OF THE BUILDINGS, INCLUDING IN THE WATER.

TO THE FULLEST EXTENT PERMITTED BY LAW, EACH UNIT OWNER ASSUMES ALL RISKS OF DAMAGE OR INJURY, INCLUDING, BUT NOT LIMITED TO, (1) BODILY INJURY, SICKNESS, EMOTIONAL DISTRESS, DISEASE, DEATH, OR ANY OTHER PERSONAL INJURY OR ADVERSE HEALTH EFFECTS OR (2) INJURY TO OR DESTRUCTION OF TANGIBLE PERSONAL OR REAL PROPERTY, INCLUDING CONSEQUENTIAL AND INCIDENTAL DAMAGES, AND LOSS OF USE THEREOF, WHICH MAY ARISE AS A RESULT OF, OR IN ANY WAY CONNECTED WITH SUCH ITEMS, INCLUDING MICROORGANISMS, MOISTURE, RADON, WATER CONTAMINANTS AND CHEMICAL COMPOUNDS AND HEREBY FULLY, FINALLY AND FOREVER RELEASES AND DISCHARGES DECLARANT, ITS OFFICERS, EMPLOYEES, CONTRACTORS, SUBCONTRACTORS, AND AGENTS FROM ANY AND ALL CLAIMS, LIABILITIES AND EXPENSE AND DAMAGES THEREFROM WHATSOEVER, WHETHER NOW KNOWN OR HEREAFTER KNOWN, WHICH A UNIT OWNER OR ITS ASSIGNS MAY HEREAFTER HAVE AGAINST DECLARANT, ITS OFFICERS, EMPLOYEES, CONTRACTORS, SUBCONTRACTORS, AND AGENTS REGARDING THE MATTER REFERRED TO IN THIS ARTICLE. DECLARANT MAKES NO EXPRESS OR IMPLIED WARRANTY OF HABITABILITY, FITNESS OR GOOD WORKMANSHIP AS TO BUILDING MATERIALS AND/OR CONSTRUCTION METHODS, INDOOR AIR QUALITY, OR SUITABILITY, SAFETY OR QUALITY OF THE WATER.
