N5076 Wildflower Lane
West Salem, WI

FEATURES AND UPDATES

2025 - Water Softener
2025 - Water heater - Electric
2024 - Furnace, heat pump and AC unit

These items have been added/updated within the past few years:

1. Solar panels with battery backup system
2. Retaining wall and patio. A pergola was later added to the patio, which is designed to hold additional solar panels. We also built a stone fireplace on the patio. The patio has lighting and outlets.
3. Additional 200 amp breaker panel in the garage
4. New tiling in master bathroom
5. New refrigerator
6. Replaced deck boards
