ADDENDUM TO
RESIDENTIAL OFFER TO PURCHASE

This Addendum to the Offer to Purchase (this "Addendum") is attached to and incorporated by reference into the Residential Offer to Purchase (collectively referred to as this or the "Offer") signed by Buyer on _____ , 202___ for the address_____ in River Glen Subdivision, City of Burlington, Racine County, Wisconsin ("Property").

Any term not specifically defined in this Addendum will have the definition given to it in the Residential Offer to Purchase. If any provision in this Addendum conflicts with or contradicts any provision in the Residential Offer to Purchase, then the provision in this Addendum shall control.

In consideration of the promises and the covenants contained in this Offer, Buyer and Seller do hereby covenant and agree as follows:

1. Declaration of Covenants and Restrictions and Bylaws. Buyer acknowledges that Buyer has read and understands all obligations and responsibilities as written in the. Declaration of Restrictions, Covenants and Easements for River Glen Subdivision, together with the Bylaws of the River Glen Subdivision Homeowner's Association, Inc., receipt of which are hereby acknowledged by Buyer. Buyer further acknowledges that River Glen Development, Inc. is the "Developer" as defined under such Restrictions, Covenants and Easements.

2. Architectural Control Committee. Buyer acknowledges that all building and landscape plans shall be approved by the Architectural Control Committee prior to commencing construction.

3. Initial Assessment; River Glen Subdivision Homeowners Association, Inc. At the time of closing, Buyer shall pay an initial assessment of $395.00 for each Lot being purchased hereunder, which shall be deposited in River Glen Subdivision Homeowners Association, Inc.'s general fund. Buyer further acknowledges that a purchase of the Lot in the River Glen Subdivision includes a membership interest in the River Glen Subdivision Homeowners Association, Inc. and agrees to abide by the Bylaws for said Association, a copy of which has been provided to Buyer. Buyer acknowledges that in addition to the foregoing initial assessment that the Association shall levy an annual assessment against the individual Lots for items including, but not limited to, landscape maintenance of common areas; outlot maintenance; insurance for outlots; utility costs related to street lights: and maintenance of the retention pond and stormwater drainage.

4. Disclosure. The parties acknowledge that certain shareholders of Seller are Wisconsin real estate licensees.

5. Street Trees. Buyer acknowledges that in conjunction with the construction of a single-family residence on the Lot(s) described above, Buyer shall be obligated to install the street trees on or adjacent to each Lot(s) in accordance with the landscaping plan for the River Glen Subdivision on file with the City of Burlington.

Street Trees shall be installed within one (1) year of verbal occupancy (as defined by City of Burlington).

6. Mailboxes. At the time of closing, Buyer shall pay a mailbox assessment of $150.00, payable to "River Glen Development, Inc." to be used for the construction of the subdivision mailboxes as approved or directed by the local Postmaster.

7. Sidewalks. Lot Owners adjacent to public sidewalks are responsible for snow clearing and salting for the referenced sidewalks.

8. City Requirements. Buyer acknowledges that paving of driveways, construction of walkways and landscaping shall be completed within one year of verbal occupancy from the City pursuant to the City of Burlington Code of Ordinances. Further, Buyer acknowledges that a Building Permit will not be available for said Lot until approximately n/a.

9. Hung Plumbing; Forcemain Ejection Pumps. Certain basement floor elevations within the Subdivision will be lower than the main sewer line servicing the Subdivision. Lots 7, 8, 24 and 25 will require “hung plumbing” including a sewage ejector pit and pump to service the basement plumbing if Buyer elects a 9-foot basement. Gravity flow under the basement slab will be sufficient for such lots if Buyer elects an 8-foot basement. Lots 9 through 11 and 18 through 23 will require “hung plumbing” including a sewage ejector pit and pump to service the basement plumbing. The entire sanitary system of Lots 12 through 17 will discharge waste by high pressure force main sewage grinder pump and pit located in the basement, which the Buyer will be required to install during construction.
