An owner of more than one Lot shall be entitled to one membership for each Lot owned by him. Each such membership shall be appurtenant to the Lot upon which it is based and shall be transferred automatically by conveyance of this Lot. No person or entity other than an owner or the Developer may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Lot; provided, however, that the rights of voting may be assigned to a mortgagee as further security for a loan secured by a lien on a Lot.
- C. DEVELOPER CONTROL.** Until thirty days after all Lots have been conveyed to purchasers in Phase 7 and any subsequent phases of the Subdivision (the Developer's period of control), the Developer or persons authorized by it may appoint and remove the members of the board of directors and the officers of the Association and exercise the powers and responsibilities otherwise assigned by this Declaration of Restrictions to the Association and its officers.
- D. All such remedies shall be cumulative and the election of one shall not constitute a waiver of any other. Any forbearance or failure of the HOA or ACC to exercise any such right or remedy for any violation shall not be a waiver of such right or remedy under any circumstances (except as specifically provided in this Declaration) unless a written waiver is obtained from the HOA or ACC. Under no circumstances shall any violation of this Declaration or of any Rule and Regulation result in any revert or reversion of title to any Lot.

- E. MEMBERSHIP ELECTION OF BOARD.** There shall be no formal meetings of the Association until such time as the Declarant's control of the Association, Board of Directors of the Association and the Architectural Control Committee has been terminated in accordance with these Deed Restrictions and the bylaws of the Association, except as otherwise determined by the Declarant or if requested by the owners of one fourth or more of the votes entitled to be cast by the membership of the Association. Thereafter, not later than forty-five (45) days after expiration of any period of control by the Developer, the members of the Association shall meet and Lot owners shall elect all members of the board of directors of the Association. Said board of directors shall also constitute the ARCHITECTURAL CONTROL COMMITTEE.
- F. VOTING BY MEMBERS.** The members of the Association shall be all Lot owners including the Developer and they shall be entitled to one vote for each Lot owned. The vote for each Lot shall be exercised as the members determine, but in no event shall more than one vote be cast with respect to any Lot. There can be no split vote.

A quorum shall be a majority of the membership; provided, however, in the event such majority is not in attendance at such meeting at the time stated in the notice of the meeting for the meeting to commence, the meeting may be adjourned for up to one hour. If at that time a majority of the membership is not in attendance, the members in attendance shall be deemed to constitute a quorum and all actions taken at such meeting shall be effective and binding upon the Association and all members of the Association, provided that all other procedures comply with the organizational documents of the Association and any applicable law.
- H. COVENANT FOR ASSESSMENTS.** The Developer, for each Lot owned by it, hereby covenants, and each owner of any Lot by the acceptance of a deed therefor, whether or not it be so expressed in the deed, shall be deemed to covenant and agree with each other and with the Association to pay to the Association such sums as may be properly assessed for the purposes provided in this Declaration of Restrictions if required to fulfill its obligations under this Declaration of Restrictions.

The assessments levied by the Association shall be used exclusively to pay for the maintenance of the Association maintained entryway areas to the subdivision, entry signs, light fixtures and power for light fixtures used to illuminate entry signs and any planting islands in public rights of way within the subdivision.

The board of directors of the Association shall fix the annual assessment. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part,

any deficit, provided that any such assessment shall have the assent of a majority of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of any meeting called for the purpose of taking any action as authorized under the above paragraph shall be sent to all members and any mortgagee who shall request such notice in writing not less than 10 days nor more than 30 days in advance of the meeting.

Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on an annual basis.

The annual assessments provided for herein shall commence as follows:

1. As to each Lot owned by the Developer, on the first day of the month following the issuance of a building permit for such Lot; and
2. As to a Lot conveyed to an owner, upon closing of the purchase.

The first annual assessment for a Lot shall be payable at closing of the initial purchase of a Lot from the Developer. The board of directors shall fix the amount of the annual assessment against each unit at least 30 days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Lot owner subject thereto. The due dates shall be established by the board of directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

All sums assessed to any Lot pursuant to this paragraph together with interest thereon as provided herein, shall be secured by a lien on such Lot in favor of the Association. To evidence a lien for sums assessed pursuant to this paragraph, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the owner of the Lot and a description of the Lot. Such a notice shall be signed by an officer of the Association and may be recorded in the office of the Clerk of the Circuit Court or Register of Deeds of Ozaukee County, Wisconsin, within two years after the assessment becomes due. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Association in the same manner as mortgages on real property are foreclosed in Wisconsin. In any such foreclosure, the owner shall be required to pay the costs and expenses of filing the notice of lien and all reasonable attorney's fees. All such costs and expenses shall be secured by the lien being foreclosed. The owner shall also be required to pay to the Association any assessments against the unit which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the unit as the owner thereof.

A release of lien shall be executed by the Association and recorded in Ozaukee County, Wisconsin real estate records, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

Any encumbrancer holding a lien on a unit may pay, but shall not be required to pay, any amounts secured by the lien created by this paragraph, and upon such payment such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority.

Any assessment not paid within 15 days after the due date shall bear interest from the due date at such rate as may from time to time be fixed by the Association but in no event at a rate greater

than permitted by law. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his unit. A suit to recover a money judgment for unpaid expenses hereunder shall be maintainable without foreclosing or waiving the lien securing the same.

A Lot owner shall have no right to vote at any meeting of the Association during all the time that an assessment against his Lot is unpaid for more than 15 days.

The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage which was recorded prior to the making of such assessment. Sale or transfer of any unit shall not affect the assessment lien. The sale of a unit pursuant to a mortgage foreclosure shall extinguish the lien of such assessments upon confirmation of the foreclosure sale and final distribution of all of the proceeds of the sale. As to payments which became due prior to the date of such sale, such unpaid assessments shall be deemed to be common expenses collectible from all of the Lot owners other than the foreclosure sale purchaser, his successor and assigns. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

- I. **RELATION TO BYLAWS.** The provisions of this paragraph may be amplified by the By-Laws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the owners set forth herein.

26. **RIGHTS AND OBLIGATIONS OF THE ASSOCIATION.** The Association, subject to the rights of the owners set forth in this Declaration of Restrictions, shall be responsible for the maintenance of the subdivision signs and lights at the initial entrance of the subdivision and any additional entry points which may be established for the subdivision, together with the adjacent landscaping, any landscaping islands in public rights of way within the subdivision and such other matters pertaining to any improvements within the subdivision as the board of directors shall determine. The Association may obtain and pay for the services of any person or entity to carry out the maintenance responsibilities described herein.

27. **ARCHITECTURAL CONTROL COMMITTEE**

- A. **MEMBERSHIP.** So long as the Developer shall own any of the Lots in the area commonly known as SHADY HOLLOW and including all phases of said subdivision, the authority and functions of the Architectural Control Committee shall be lodged in and exercised by the Developer at such time as the Developer no longer owns any of said land, the Architectural Control Committee shall consist of three (3) Lot owners elected by the membership with the owner (s) of each Lot getting one vote per Lot. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after two (2) identical sets of plans and specifications have been submitted to it, approval will be deemed to have been obtained insofar as required by paragraph 5 hereof only; all other provisions of these restrictions to have full force

and effect. Action by said committee shall be final and conclusive as to persons then or thereafter owning lands in said development. The ARCHITECTURAL CONTROL COMMITTEE shall have exclusive jurisdiction to determine whether the area requirements of a one-story building or a two-story building apply to a particular proposed structure and shall likewise have the power, in its exclusive judgment and discretion to reduce the foregoing minimum requirements as to area, at finish grade elevation by not more than fifteen percent (15%) of the area hereinbefore specified. Any such action by such committee shall be final and conclusive.

28. **SPECIAL BUILDING LIMITS FOR ALL LOTS.** The minimum front setback of any dwelling or structure shall be thirty (30) feet. The minimum side yard setback shall be ten (10) feet on one side and six (6) feet on the other. The dwelling structure may not extend beyond ninety (90) feet from the front lot line and shall have a minimum rear yard setback of twenty-five (25) feet. All setbacks must be verified with the Village for compliance with Village ordinances. Corner cul-de-sac lots shall face the cul-de-sac, unless the ARCHITECTURAL CONTROL COMMITTEE grants a variance. No warranty is given for soil conditions.
29. **FILLING RESTRICTIONS.** All Lot owners are required to cause the grading on their Lot to comply with the master site grading plan which is on file with the Village of Grafton. There shall be no filling within preserved woodlands or on steep slopes.
30. **CONSTRUCTION DEPOSIT.** At the time of closing on a lot, a construction deposit in the amount of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) ("Construction Deposit") shall be collected from the Buyer and held in an escrow account by Seller. This Construction Deposit is required to assure compliance with the terms and conditions of the Deed Restrictions, particularly those which deal with contractor cleanup, lawn damage, damage to street curbs, gutters or sidewalks, and that the lot owner and its contractors will take adequate measures to protect the street trees during the construction and landscape process. In the event the Owner is unable to obtain compliance of its contractors rendering cleanup, installation, repair or replacement necessary by the Seller, such costs will be deducted from the Construction Deposit. In the event no deductions are made or there is a balance remaining after any deduction, the balance of the Construction Deposit shall be returned to the Owner upon completion and first occupancy of the residence or after all landscaping, including retaining walls, is completed, whichever is later, within thirty (30) days of Owner's written request.
31. **INVALIDATION.** Invalidation of any of the restrictions or covenants herein contained, or any part thereof, by any judgment or court order shall not affect any of the other provisions herein contained, which shall remain in full force and effect.
32. **DURATION AND ENFORCEMENT.**
 - A. The restrictions herein contained shall be deemed to be covenants running with the land and shall be binding on all parties and persons having an interest in the land affected hereby for a period of twenty-five (25) years from the date this Declaration of Restrictions shall be recorded, after which time this Declaration of Restrictions shall be automatically extended for successive periods of five (5) years unless an instrument signed by the owners of a majority of Lots has been recorded changing said covenants in whole or in part or reducing the term. The restrictions and covenants herein contained may be enforced by proceedings at law or in equity against any person or persons violating or attempting to violate the same.
 - B. The following persons shall have authority to maintain an action for enforcement of these restrictions and covenants:

1. The Developer, so long as the Developer shall own any Lots or parcels within the subject subdivision or immediately adjacent thereto;
 2. The ARCHITECTURAL CONTROL COMMITTEE;
 3. Any owner of a Lot or parcel in the subject subdivision affected by an alleged violation of these restrictions and covenants.
- C. No action shall be commenced to enforce such restrictions or restrain the violation thereof unless such action is commenced within one (1) year after the completion of the building complained of, one (1) year after the commencement of regulated or prohibited activity, or one (1) year after the allotted time limit to complete the improvement. Invalidity of any of the covenants or restrictions herein contained by any judgment or court order shall in no way affect any of the provisions herein contained which shall remain in full force and effect. Any person determined to have violated these restrictions and covenants shall be liable for all costs of enforcement, including reasonable, actual attorney fees to the person or persons incurring same.
33. **LOCAL ORDINANCES.** All Lots shall be subject to all ordinances, zoning laws and other restrictions of the Village of Grafton, U.S. Army Corps of Engineers, Ozaukee County and the State of Wisconsin applicable thereto. In the event of any conflict between these restrictions and any statutes, ordinances or municipal regulations, compliance with the more restrictive provisions shall be required.
34. **AMENDMENT.** Any of foregoing restrictions' protections, covenants, charges or provisions may be annulled, waived, changed modified, or amended at any time by written declaration setting forth such annulment, waiver, change, modification or amendment, executed by the owners of at least sixty percent (60%) of the Lots and with the consent of the Developer as long as the Developer shall own any of the land in said development.

**BY-LAWS OF
SHADY HOLLOW HOMEOWNERS ASSOCIATION INC.**

ARTICLE I. GENERAL

These By-Laws shall be known as the "By-Laws of Shady Hollow Homeowners Association Inc".

ARTICLE II. MEMBERS

2.1 Annual Meetings. The annual meeting of the members shall be held on the _____ day of the month of _____ in each year, beginning with the year 20____, at the hour of _____ o'clock A./P.M., for the purpose of electing directors and for the transaction of such other business as may come before the meeting.

2.2 Special Meetings. Special meetings of the members, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the Board of Directors, at the request of the members of not less than one-tenth of the voting shares of the corporation entitled to vote at the meeting.

2.3 Place of Meeting. Meetings of the corporation shall be held at a convenient place such as may be designated by the Board of Directors.

2.4 Notice of Meeting. It shall be the duty of the Secretary to mail or serve personally a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, to each member of record, at least 10, but not more than 30, days prior to said meeting. The mailing of the notice herein shall be considered sufficient. However, it shall be the duty of all members to keep the Secretary, at all times, advised of their current mailing addresses, and the Secretary shall not be responsible for failure of the members to keep him so advised.

2.5 Members, Voting, Proxies, Quorum, Lack of Quorum. Every owner of a lot in Shady Hollow Subdivision shall be a member of the corporation. The voting power of each member shall be on the basis on one vote per lot. However, so long as Meadowbrooke Acquisition, LLC is the owner of any of said lots, it shall be the only member entitled to vote and each member of the Association shall execute a proxy assigning his member vote to Meadowbrooke Acquisition, LLC. After Meadowbrooke Acquisition, LLC no longer owns any of the lots, a majority of the lot owners shall constitute a quorum except that proxy votes shall not be counted in determining whether or not a quorum is present; provided, however, in the event such majority is not in attendance at such meeting at the time stated in the notice of the meeting for the meeting to commence, the meeting may be adjourned for up to one hour. If at that time a majority of the membership is not in attendance, the members in attendance shall be deemed to constitute a quorum and all actions taken at such meeting shall be effective and binding upon the Association and all members of the Association, provided that all other procedures comply with the organizational documents of the Association and any applicable law. Votes may be cast in person or by proxy.

Proxies must be filed with the Secretary at least four days before the appointed time of each meeting. If any meeting of owners cannot be organized because of lack of quorum, the lot owners who are present, either in person or by proxy, may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.

2.6 Notwithstanding the foregoing, there shall be no formal meetings of the Association until such time as the Declarant's control of the Association, Board of Directors of the Association and the Architectural Control Committee has been terminated in accordance with the Deed Restrictions of the subdivision and these bylaws, except as otherwise determined by the Declarant or if requested by the owners of one fourth or more of the votes entitled to be cast by the membership of the Association.

ARTICLE III. BOARD OF DIRECTORS

3.1 Number and Qualifications of Directors. The Board of Directors shall manage the affairs of the corporation. Such Board of Directors shall consist of 3 directors. During such time as Meadowbrooke Acquisition, LLC owns any of the lots in the subdivision, it shall elect the Board of Directors which may include persons other than owners of lots entitling the owners to membership in the Association. After Meadowbrooke Acquisition, LLC no longer owns any lot in the Association, the directors shall be owners of lots entitling the owner to membership in the Association.

3.2 Powers of Directors. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of this corporation and may do all such acts and things as are necessary.

3.3 Responsibilities of Directors. In addition to such other duties imposed by the Articles of Incorporation and by these By-Laws or by resolutions of the corporation, the Board of Directors shall be responsible for the following:

- b. The promulgation and enforcement of rules and regulations relative to such lands and facilities; and
- c. The fixing and levying of assessments as necessary for the aforesaid purposes.

3.4 Term of Directors. Each Director shall hold office until the next annual meeting of the members and until his successor shall have been elected, until his death or until he shall resign or shall have been removed in the manner hereinafter provided: a director may be removed from office by affirmative vote of the majority of the voting shares, taken at a special meeting of the members called for that purpose. A Director may resign

at any time by filing his written resignation with the Secretary of the corporation. Directors need not be residents of the State of Wisconsin.

3.5 Vacancies on Board. Vacancies on the Board of Directors caused by any reason shall be filled by a vote of the majority of the remaining directors, even though they constitute less than a quorum; and each person so elected shall be a Director until a successor is elected at the next annual meeting of the corporation. Any Director, other than the initial directors identified in the Articles of Incorporation, who ceases to be an owner of a lot shall automatically cease to be a Director.

3.6 Regular Meetings and Notice. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by majority of the Directors, but at least one such meeting shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director, personally or by mail, telephone or telegraph, at least three days prior to the day named for such meeting. However, it shall be sufficient notice to each Director if he shall have been notified at the last previous meeting of the next meeting.

3.7 Special Meetings and Notice. Special meetings of the Board of Directors may be called by the President on three days notice to each Director given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of at least two Directors.

3.8 Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board of Directors shall be a waiver of notice by him of time and place thereof. If all of the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

3.9 Quorum of Directors - Adjournments. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If at any meeting of the Board of Directors, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted may be transacted without further notice provided, however, that a quorum is present at such an adjourned meeting.

ARTICLE IV. OFFICERS

4.1 Principal Officers. The principal officers of the corporation shall be a President, a Secretary and a Treasurer, all of whom shall be elected by and from the Board of Directors. The offices of Secretary and Treasurer may, at the option of the Board of

Directors, be combined as one office. The Directors may appoint such assistants and such other officers as in their judgment may be necessary.

The Treasurer shall also be responsible for the billing and collection of all assessments made by the corporation.

4.6 Operating and Reserve Funds. Within one week after their election, the Board of Directors shall establish an operating and reserve fund. The fund shall be deposited in a bank checking account and excess funds may be transferred therefrom to a bank or savings and loan savings account as the Board of Directors in their discretion may from time to time determine. In addition to the uses for these funds authorized by the Articles of Incorporation and these By-Laws, the Board of Directors may use from such funds any amount necessary to discharge any mechanics liens or other encumbrances levied against the lands and facilities hereinabove referred to.

4.7 Assessments. The Board of Directors shall be responsible for the levy and collection of the assessments as designated under Article V. following. At each annual meeting of the corporation, the Directors shall supply to all of the members an accounting of the expenses paid during the preceding fiscal year along with the tabulation of amounts collected pursuant to the estimates provided and showing any shortage or overage of actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses shall be credited to each member in the proportion provided in

ARTICLE V. OBLIGATIONS OF MEMBERS

5.1 All lots shall be subject to a general annual charge or assessment, determined solely by the Association, for the purpose of defraying the costs and expenses of the Association in carrying out its stated purposes and functions. Such annual assessment shall be on a pro rata basis with each lot having one share. The rate of the general charge or assessment shall be determined or fixed during the month of November or December of each year sufficient to raise an amount which, in the judgment of the Association's members represented at a meeting called for that purpose, may be required for the ensuing calendar year. Such charges or assessment shall be paid annually to the Association, on or before the first day of April in each year, and if not paid on or before such date, the charges or assessment shall bear interest at the rate of twelve percent (12%) per annum from April 1 of such year until paid in full.

5.2 A special assessment may be levied by the Association for the purpose of defraying in whole or in part the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the lands and facilities hereinabove referred to, provided, however, that such special assessment shall require approval by two-thirds (2/3) of the votes in the Association.

5.3 All lots shall also be subject to a special assessment by the Board of Directors of the Association to cover all or any portion of the expenses incident to the enforcement of the recorded Declaration of Restrictions concerning said lot and for caring for vacant, unimproved or unkept lots and removing weeds, grass or any other unsightly or undesirable objects therefrom.

5.4 The right to collect or enforce the collection of charges, assessments and special assessments is hereby exclusively delegated to the Association. The purchasers of lots, and any portion thereof, shall be personally obligated to pay such charges, assessments and special assessments upon the land purchased or to be purchased by them. All charges, assessments and special assessments which are unpaid on April 1 of the year in which due shall from that time on become and remain a lien upon the lot until paid, with all action and proceedings for the collection of the charges, assessments and special assessments and the enforcement of liens therefor.

In order to maintain harmony and to promote the aesthetics of the area for the protection of the owners of said lots against residences which are not compatible with the area, the authority and functions of the Architectural Control Committee shall be lodged in and exercised by the Developer, its successors or assigns, so long as the Developer owns any lots in said development. Said

Committee shall have the right to refuse to approve any of such building plans and specifications and/or landscape plans and specifications; shall have the right to take into consideration the suitability of the proposed building or other structure and the materials of which it is to be built; the site upon which it is proposed to erect the same; the harmony thereof with the surroundings; and the effect of the building or other structure so planned, and the appearance from the adjacent or neighboring property. Any such action by the Committee shall be final and conclusive as to persons then or thereafter owning lots in said development; however, such action or decisions shall not be binding upon the Village of Grafton.

At such time as the Developer no longer owns any of said lots in said development, the Architectural Control Committee shall consist of the Board of Directors of the Association. The vote of the majority of the members of the Architectural Control Committee shall be the controlling vote and shall be construed to be the vote of the entire Committee. Members of the Committee shall serve for the term of their position on the Board of Directors or until their successors have been duly elected. The Committee's approval or disapproval as required in these covenants shall be in writing. In the event the Committee or its designated representative fails to approve or disapprove within 30 days after duplicate plans and specifications have been submitted to it, approval will be deemed to have been obtained insofar as required by Article 5.5 hereof only; all other provisions of these restrictions to have full force and effect.
