

About the Home

14141 N Lake Shore Dr | Mequon, WI

Only available due to a job transfer, this exceptional 2024-built luxury residence offers a rare opportunity to own a thoughtfully designed like-new home set on 5.15 private acres in one of Mequon's most desirable locations. Featuring 5 bedrooms, 4.5 bathrooms, expansive entertaining spaces, high-end finishes, and incredible indoor-outdoor living, this stunning property perfectly blends luxury, comfort, functionality, and peaceful surroundings.

From the moment you enter, the home makes a statement with soaring ceilings in the foyer and great room, expansive windows showcasing incredible views, and a stunning floor-to-ceiling shiplap fireplace creating a warm yet sophisticated focal point. The open-concept layout was thoughtfully designed for both everyday living and entertaining, seamlessly connecting the chef's kitchen, dining area, and spacious living areas filled with natural light throughout.

The main floor owner's suite offers a private retreat with peaceful views and a spa-inspired ensuite, while the upper level features generously sized bedrooms, walk-in closets, and an open loft overlooking the great room below. The finished walkout lower level significantly expands the home's living and entertaining space with a large family room, beautifully finished kitchenette, guest bedroom, full bath, and direct access to the oversized patio and backyard.

The exterior showcases timeless curb appeal with James Hardie® siding, stone accents, architectural rooflines, landscaped grounds, and a long driveway approach creating an estate-like feel. Enjoy exceptional indoor-outdoor living with a covered deck, oversized patio, sweeping nature views - all while being conveniently located near parks, dining, shopping, lakefront access, and easy highway access.
