Welcome to 335 Deer Meadow Dr., where every detail is designed for living well. A floor-to-ceiling gas fireplace anchors the open living area, and the custom kitchen with galley sink workstation is made for those who love to cook and entertain. Downstairs, a finished lower level features a family room, wine cellar, and six-person sauna. Step outside to your private retreat: maintenance-free deck, swim spa, in-ground trampoline, and professional landscaping. 4 beds, 3 baths, heated garage, and minutes from Hwy 57, local parks, and charming nearby towns.
