GAF LIFE TIME ROOFING SYSTEM

VETERAN OWNED
THIRD GENERATION

2134 US-14, Janesville, WI 53545
Thieleroofing@gmail.com
(608) 563-5969

Dear Homeowner,

Achieving perfection with your home is essential. At Thiele Roofing and construction, we are dedicated to delivering exceptional quality in every project we undertake.

Our team of skilled craftsmen brings decades of experience and attention to detail to every project, ensuring that each roof we install, or repair meets the highest standards of quality and durability. We work closely with our clients to understand their unique needs and preferences, offering expert guidance on materials, styles, and configurations to optimize performance and longevity. From traditional asphalt shingles to modern metal roofing systems, we have the expertise in managing projects of any scale or complexity, always delivering exceptional results that exceed expectations. With our unwavering commitment to customer satisfaction and our relentless pursuit of perfection, Thiele Roofing is the trusted choice for all your roofing needs.

Sincerely,

*Todd & Jacob Thiele*

# WHY CHOOSE US?

## ETERAN AND FAMILY OWNED

s a family owned and veteran- operated business, we ave put in great effort to establish ourselves as a usted name in the industry. Thiele Roofing has been oing business in the Janesville area for over 50 years!

## LIENT FOCUSED

'e support our services with extensive warranties that provide reassurance for you and your clients. 'hether it's our installation work or the quality of materials utilized, we offer various warranties to uarantee the long-term protection of your home.

## CERTIFIED AND AWARDED

# Day-to-Day Process

## )AY BEFORE PREPARATION

- We focus on safeguarding your property and implement the necessary measures to keep your home and belongings protected.
- Our crews begin their work early in the morning which means it is essential to prepare in advance. To ensure smooth operations all vehicles must be moved out of the driveway the night before the project starts. This helps prevent any delays and allows the team to access the area easily.
- To protect your vehicles and other valuable items it is a good idea to move your cars out of the garage temporarily. Cover any important belongings with a tarp or drop cloth to keep them safe from dirt and debris. If you do not have access to these items, please let us know ahead of time.
- Mowing the lawn before installation day can greatly help us in locating and cleaning up nails with our magnets once the roof tear-off is complete.
- To ensure a clear space from any falling debris, please relocate any flowerpots or lawn furniture. If you have any heavy or challenging items to move, our team will happily do it for you.

## )AY OF INSTALLATION

- Our dump trailer will be positioned in the most convenient location for the team to remove the old roofing materials. (This will most likely be in your driveway).
- Our team will set up tarps around your home to protect the landscaping, walkways, decks, and driveway from any debris that may fall.
- Our team will clean up the work area at the end of each day and perform a thorough cleanup once the project is complete.

## NSTALLATION COMPLETION WALKTHROUGH

- A concluding walkthrough and cleanup will take place. This involves collecting all leftover material, capturing completion photographs, and performing a final roof inspection. We always send more than enough material so that the team never runs short on anything. So, you can expect there to be some leftover material. Once the final walkthrough has been completed you will receive your final invoice via email from our office

## PRE-INSTALL

1. **Clear Driveway**
   Vehicles should be moved from the drivew the night prior.
2. **Garage**
   Utilize tarps or drop cloths to safeguard yo belongings from dust.
3. **Mow Lawn**
   This simplifies the process of locating an picking up nails.
4. **Protect Plants Furniture**
   Relocate any flowerpo or outdoor furniture aw from the house.

## POST-INSTALL

1. **Inspection**
   Final inspection and thorough cleanup of extra material
2. **Pictures**
   Capturing completion photographs
3. **Invoice**
   Receive final invoice v email from office

# Roof Installation Process

## REMOVING THE OLD ROOF

- The team will start by tearing off your old roof, which tends to be the "messiest phase" of the project. After the removal of the existing roofing materials, we will conduct an inspection of the roof deck (sheathing). This structure serves as the foundation of your roof, making it crucial to ensure there is no damage or rot before installing the new materials.

## METAL EDGE FLASHING / UNDERLAYMENT INSTALLATION

- The initial task involves installing the gutter apron along all eaves. Following this, our team will apply ice and water shield to the eaves, valleys, roof-to-wall intersections, chimneys, and soil pipes. Next, the synthetic felt will be laid over the remaining roof area, and finally, the drip edge flashing will be installed.

## SHINGLE INSTALLATION

- We will coordinate with our supplier and have the material delivered to your rooftop on the same day as the install. We only ground drop materials from the boom truck when the roof cannot be accessed by it. The team will commence the shingle installation by first placing starter shingles along the eaves. Shingles will then be applied in staggering rows and fastened with roofing nails. Following this, any hip and ridge shingles will be installed along the roofs ridge and hips.

## INSTALLING RIDGE-VENT OR REPLACING CURRENT VENTS

- We will either replace or supplement your existing ridge-vents and static vents based on the specific ventilation needs of your roof.

1. Removing the Old Roof
2. Metal Edge Flashing / Underlayment Installation
3. Shingle Installation
4. Installing Ridge-Vent or Replacing Current Vents

# NEW ROOF NO MESS®
CONTRACTOR

## PROTECTION RESPECT EFFICIENCY

## THE NEW ROOF NO MESS® DIFFERENCE

Utilizing the Equipter RB4000 allows us to provide...

**A Safer Environment for Your Loved Ones and Pets**

**Protection for Your Delicate Landscape Features**

**Reduced Risk of Damage to Your Home's Exterior**

## THE BETTER WAY TO ROOF

As a professional New Roof No Mess Contractor made possible by Equipter, we ensure the entire reroofing process runs smoothly by using the self-propelled Equipter RB4000. This dump trailer helps us complete your roof installation faster while maintaining the quality craftsmanship and service you deserve.

THE CATCH-ALL®

# JOB SITE PROTECTION

**Choosing the right roofer isn't just about getting a great roof—it's about protecting everything around your home, too! That's why we use The Catch-All, the most advanced Job Site Protection system available.**

**No More Mess** – Traditional roofing projects can leave behind nails, shingles, and debris that damage your lawn and landscaping. The Catch-All keeps your yard, flowers, and outdoor spaces clean and safe.

**Shield Your Windows & Siding** – Falling debris can crack windows and scuff siding, but The Catch-All acts as a barrier, keeping your home's exterior in perfect shape.

**Better Than Tarps** – Unlike plastic tarps that rip, suffocate your grass, and let debris scatter, The Catch-All is breathable and designed to catch and contain everything safely.

**Peace of Mind for You** – Choosing a roofer who invests in The Catch-All means choosing a team that truly cares about your home—not just your roof.

**We go the extra mile to protect what matters most. Because a clean, damage-free property shouldn't be a luxury—it should be standard!**

## WE'VE GOT YOU COVERED

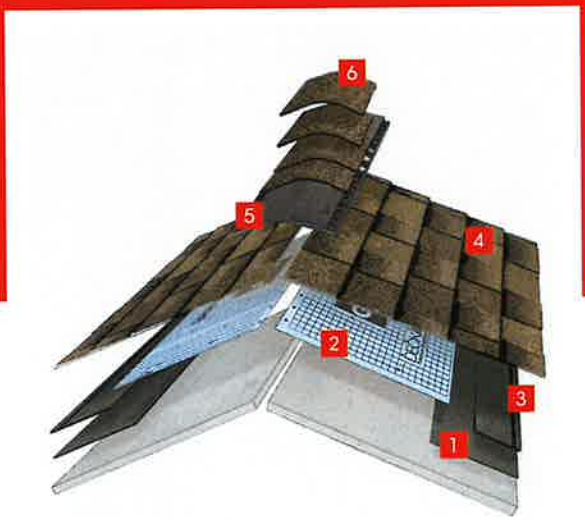

- We are financially invested in the care & protection of your home.
- No nails left behind in your landscaping or flowerbeds.
- Faster clean-up, so you can return to your life quicker.
- Total peace of mind from start to finish.

[1] See applicable warranty for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the GAF Shingle & Accessory Limited Warranty, GAF Roofing System Limited Warranty, System Plus Limited Warranty or Silver Pledge™ Limited Warranty, as applicable, and means as long as the original individual owner(s) of a single-family detached residence or eligible second owner(s) owns the property where the qualifying GAF products are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime Shingles only. See the GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions. Your options for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of only GAF Lifetime Shingles and at least one Non-Wind GAF Accessory. See the GAF Roofing System Limited Warranty for complete coverage and restrictions. For installations not eligible for the GAF Roofing System Limited Warranty, see the GAF Shingle & Accessory Limited Warranty. Visit gaf.com/LRS for roofing GAF products.

[2] Contractor certification is only for applications covered by GAF enhanced warranties.

[3] Some limited labor coverage may be available through your contractor.

[4] 25-year StainGuard Plus™ Algae Protection Limited Warranty and 30-year StainGuard Plus PRO™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products with a designation marking for StainGuard Plus™ or StainGuard Plus PRO™. See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions, and qualifying products.

[5] 15-year Smart Choice® Protection Period for StainGuard Plus™ Algae Protection Limited Warranty and StainGuard Plus PRO™ Algae Protection Limited Warranty only available through GAF certified contractors in connection with enhanced warranty. See System Plus Limited Warranty or Silver Pledge™ Limited Warranty for complete coverage and restrictions, and qualifying products.

## High Definition Colors

## Bold Definition Colors

## Regionally Available High Definition Colors

# Timberline UHDZ® Shingles

**Beyond beauty. Beyond your expectations.** For homeowners ready to go beyond, Timberline UHDZ Shingles offer a combination of beauty and benefits that go beyond any shingle GAF has offered to date. They feature Dual Shadow Line for dramatic depth, UltraMat™ Technology for UL2218 Class 4 impact-resistance rating,[3,4] and a 30-year StainGuard Plus PRO™[1] Limited Warranty[2] against blue-green algae discoloration. **gaf.com/uhdz4**

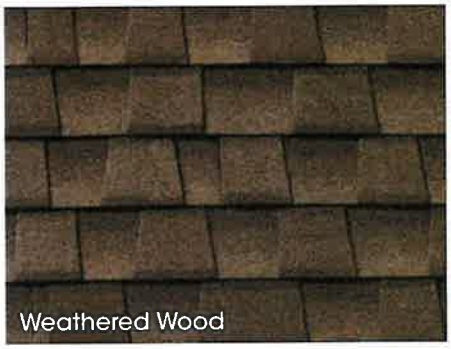

[1] 15-year WindProven™ Limited Wind Warranty covers GAF shingles with LayerLock™ Technology only and requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven™ Limited Wind Warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

[2] 30-year StainGuard Plus PRO™ Algae Protection Limited Warranty against blue-green algae discoloration is available only on products sold in packages bearing the StainGuard Plus PRO™ logo. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

[3] UL 2218 Class 4 Impact-Resistance Test performed under controlled laboratory conditions. GAF makes no express or implied warranty about the impact performance of this product against hail. Hail damage is not covered under the limited warranty.

[4] Only Timberline UHDZ™ Shingles manufactured in select plants, sold in packages bearing the UltraMat™ high-performance mat logo and UL2218 Class 4 Classification statement are rated for Class 4 impact resistance. Visit gaf.com/UHDZ4 for information.

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

# WORKMANSHIP WARRANTY

This document warrants that should a defect in workmanship, related to the work completed by Thiele Roofing & Construction, occur within 10 years of the project, Thiele Roofing & Construction will complete repairs within the original project's scope of work at no charge to the customer. This warranty does not cover normal wear and tear, hail damage, wind damage, sun damage, intentional or accidental damage by any person, or acts of God that may or may not merit an insurance claim. This warranty only applies to portions of the project in which Thiele Roofing & Construction fully replaced any existing products, and does not cover repairs or service done to another contractor's work. Defects in the building materials used to complete work do not fall under the scope of this workmanship warranty; any building products installed will instead be covered by GAF's 50 year Systems plus non-prorated enhanced warranty.
