COLOR DISCLAIMER:
Actual colors may vary. This is due to the fact that every computer monitor has a different capability to display colors, printers print slightly differently, and that everyone sees these colors differently. We try to edit our photos to show the samples as life-like as possible, but please understand the actual color may vary slightly from your monitor. We cannot guarantee that the color you see accurately portrays the true color of the product.

Backsplash & Shower Grout Disclaimer
Please note that selecting a contrasting grout color for your backsplash and/or shower may highlight natural variations and minor imperfections within the tile installation. This is a normal outcome when pairing light grout with dark tile or dark grout with light tile. By choosing a contrasting grout, you acknowledge and accept that these visual inconsistencies may be more noticeable.
