Easements are hereby granted and declared for the benefit of the Unit owners and the Association (as hereinafter defined) for the installation, maintenance and repair of common utility services in and on any part of the Common Elements or Units.

In connection therewith, the Declarant, its contractors and subcontractors, and their respective agents and employees, shall have the right at any time, and from time to time, to take into and through and maintain on the Property and in the Building all material and equipment required in connection with such construction and equipping, and to temporarily suspend operation of entrances, doors, corridors, water risers, telephone, cable television, master antennas and other Common Elements without liability to any Unit owner or occupant and to utilize the garbage dumpsters; provided, however, that at all times Unit owners and occupants shall have reasonable access to their respective Units and Common Elements, and the Declarant shall cause as little inconvenience to Unit owners and occupants as reasonably possible under the circumstances. In connection with the construction and installation of the Declarant Equipment and Support, all such work shall be performed at the Declarant's sole cost and expense and in a good and workmanlike manner. All operations of the Declarant Equipment by the Declarant shall be in material compliance with all requirements of the Federal Communications Commission. The Declarant Equipment, including the Support, shall at all times be owned by the Declarant or its contractors and their successors and assigns, and shall be personal property and not fixtures. In connection with the construction and installation of the Declarant Signage Equipment and Signage Support, all such work shall be performed at the Declarant's sole cost and expense and in a good and workmanlike manner. 9. ASSOCIATION OF UNIT OWNERS.

9.1 Membership, Duties and Obligations. All Unit owners shall be entitled and required to be a member of an association of Unit owners to be known as **LANDMARK ON THE LAKE CONDOMINIUM Association, Ltd.** (the "Association") which shall be responsible for carrying out the purposes of this Declaration, including the exclusive management and control of the Common Elements and Limited Common Elements. Such Association shall be incorporated as a nonstock corporation under the laws of the State of Wisconsin. Each Unit owner and the occupants of the Units shall abide by and be subject to all of the rules, regulations, duties and obligations of this Declaration and the Bylaws and rules and regulations of the Association.

9.2 Voting Rights. Until the period of Declarant control provided in Section 9.3 below has expired, no Unit owner shall have the right to elect the Board of Directors of the Association; all such Board members shall be appointed as provided in Section 9.3 below. After the period of Declarant control has expired, each Unit shall be entitled to the number of votes equal to the percentage interest of such Unit as provided in Section 8 hereof. The total number of all votes for all Unit owners shall be 100. Only one membership shall exist for each Unit; if title to a Unit is held by more than one person, the membership and votes related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which title to the Unit is held. Voting rights may not be split, and shared membership interests must be voted pursuant to the designation contained in the Membership List maintained pursuant to the Bylaws. The Declarant shall be entitled to cast the votes pertaining to any Unit or Units declared as a part of **LANDMARK ON THE LAKE CONDOMINIUM** but not sold, until such time as the respective Units are sold by Declarant or its successors or assigns.

The respective rights, qualifications and obligations of the members of the Association shall be as set forth in the Bylaws of the Association.

9.3 Declarant Control. Notwithstanding any other provisions herein contained, Declarant, its successors and assigns, shall have the right at its option to appoint and remove the members of the Board of Directors and officers of the Association and to amend the Bylaws or rules

and regulations of the Association, until the earlier of: (a) three (3) years from the date of the closing of the first sale of a Unit by Declarant, (b) thirty (30) days after the conveyance of seventy-five percent (75%) of the Common Element interest to purchasers by Declarant, or (c) until such earlier time as may be determined by Declarant, subject in each case to provisions of the Act. Each owner of a Unit in **LANDMARK ON THE LAKE CONDOMINIUM** shall be deemed by acceptance of any deed to any Unit to agree, approve, and consent to the right of Declarant to so control the Association.

9.4 **Association Personnel.** The Association may obtain and pay for the services of any person or entity to manage its affairs to the extent it deems advisable, and may hire such other personnel as it shall determine to be necessary or advisable for the proper operation of **LANDMARK ON THE LAKE CONDOMINIUM**. The Association may contract for common services or utilities as may be required for each Unit.

9.5 **Association Records.** The Association shall have current copies of this Declaration, the Articles of Incorporation and the Bylaws of the Association, the Condominium Plat, any rules or regulations affecting **LANDMARK ON THE LAKE CONDOMINIUM**, and the Association's books, records and financial statements available for inspection during normal business hours by Unit owners or by holders, insurers or guarantors of first mortgages secured by condominium Units in **LANDMARK ON THE LAKE CONDOMINIUM**. Upon written request, the Association shall provide a written financial statement for the preceding fiscal year to any such holder, insurer or guarantor of a first mortgage secured by a Unit in **LANDMARK ON THE LAKE CONDOMINIUM**. The Association shall make available to sellers within ten (10) days after request, current copies of the Declaration, Bylaws of the Association, any rules and regulations affecting **LANDMARK ON THE LAKE CONDOMINIUM**, any other materials necessary for a seller to comply with Section 703.33 of the Act and the most recent financial statement of the Association during normal business hours. The seller shall pay the Association the actual costs of furnishing the information.

10. USES.

The Residential Units are intended for residential uses and such other uses as allowed at the Property under the City of Milwaukee zoning ordinance as governed by the terms and conditions contained herein and the Bylaws of the Association. The use and occupancy of any Unit owned by the Association may be for residential and/or Association purposes in connection with the management of the Property. Unit 101 is initially intended for use as a leasing or sales office but may also be used for residential, Association or commercial purposes as determined by the Owner of Unit 101. Notwithstanding the foregoing, the Declarant reserves the right, at its option and in its sole discretion, to use and occupy various Units, selected by the Declarant, as "model" Units and sales offices, to use the social center located on the Second (2nd) Floor Level of the Building for sales, leasing or closing purposes and to use and designate parking and reserved parking spaces to be used in connection with Declarant's sale activities and to direct prospective buyers to parking areas, until ninety (90) days after all Units have been sold, or until such earlier time as may be determined by Declarant.

11. REPAIRS AND MAINTENANCE.

11.1 **Individual Units.** Each Unit owner shall be responsible for keeping the interior of his or her Unit and all of its equipment, fixtures and appurtenances in good order,

condition and repair and in a clean and sanitary condition, and shall be responsible for interior decorating, painting and varnishing which may at any time be necessary to maintain the good appearance and condition of his or her Unit, all as is more fully set forth in the Bylaws and Rules and Regulations of the Association. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the Unit in good repair, each Unit owner shall be responsible for the maintenance, repair or replacement of any doors and windows (including replacement of broken glass), patio and balcony doors, screens and screening, lighting fixtures, refrigerators, ranges, heating and air conditioning equipment servicing only the Unit, plumbing fixtures, dishwashers, disposals, laundry equipment such as washers and dryers, water heaters, interior electrical wiring and fixtures, door bells, or other equipment which may be in, or connect with, the Unit or the Limited Common Elements appurtenant to the Unit. For purposes of uniformity of external appearance and quality, the Association may specify the type, color and quality of materials to be used in replacing, repairing, painting or maintaining external fixtures such as entry doors, garage doors, lighting fixtures and other items which may be determined from time to time by the Board of Directors of the Association.

11.2 Common Elements. Except as provided below, the Association shall be responsible for the replacement, repair, management and control of the Common Elements and Limited Common Elements, and shall cause the same to be kept in good, clean, attractive and sanitary condition, order, and repair except to the extent individual Unit owners are responsible therefor as provided hereafter with respect to Limited Common Elements. Without in any way limiting the foregoing, this shall include all routine painting, repair, and maintenance of Building exteriors, including walls and roof, and repair and maintenance of walkways and driveways, as is all more fully set forth in the Bylaws. Except as provided below, all expenses of maintenance of the Common Elements shall be a common expense of the Association. The Association shall have control over all additions, improvements and alterations to Common Elements and Limited Common Elements. Individual Unit owners may make alterations or additions to Common Elements or Limited Common Elements, upon application to and prior approval by the Association. Individual Unit owners shall be responsible at their sole expense for maintenance, repair and upkeep of all such individual additions, improvements, alterations and changes made to the Common Elements or Limited Common Elements. In the event any repair or maintenance of the Common Elements is necessitated by reason of the negligence or misuse of a Unit owner or the guest or agent of a Unit owner, such expense shall be charged and specially assessed against the responsible Unit owner, unless such loss is covered by insurance.

11.3 Limited Common Elements. Each Unit owner shall keep the Limited Common Elements appurtenant to his or her Unit, as defined in Section 7 hereof and as described in the Condominium Plat, in a good, clean, sanitary and attractive condition and shall be responsible for any regular maintenance required to keep the Limited Common Elements in such condition.

11.4 Prohibition Against Structural Changes by Owner. A Residential Unit owner shall not, without first obtaining the written consent of the Association, make or permit to be made any structural alterations, changes or improvements to his or her Unit, or in or to the exterior of any building or any Common Elements or Limited Common Elements, or make or install any improvements or equipment which may affect other Units or the owners of other Units. A Unit owner shall not perform, or allow to be performed, any act or work which will impair the structural soundness or integrity of the buildings or Units, or the safety of the Property, or impair any easement or property right, without the prior written consent of the Association.

11.5 Entry for Repairs. The Association may enter any Unit at reasonable times and under reasonable conditions when necessary in connection with any maintenance, construction or repair of public utilities or for any other matters for which the Association is responsible. Such entry shall be made with prior notice to the Unit owners, except in the case of an emergency when injury or property damage will result from delayed entry, and with as little inconvenience to the Unit owners as practical, and any damage caused thereby shall be repaired by the Association and treated as a common expense except as allocable to an individual Unit or Units in the discretion of the Board of Directors.

11.6 Decorating. Each Unit owner shall have the exclusive right to carpet, paint, repaint, tile, panel, paper or otherwise refurbish and decorate the interior surfaces of the walls, ceilings, floors and doors forming the boundaries of his or her Unit and all walls, ceilings, floors and doors within such boundaries, and to erect partition walls of a non-structural nature within his or her Unit; provided, however, that such construction complies with all applicable laws and ordinances.

12. RELOCATION OF BOUNDARIES AND SEPARATION AND MERGER OF UNITS.

Relocation of boundaries between adjoining Units, separation of Units and merger of Units in **LANDMARK ON THE LAKE CONDOMINIUM** are permitted in accordance with Section 703.13 of the Act.

13. DESTRUCTION AND RECONSTRUCTION.

In the event of a partial or total damage or destruction of the Building or any other part of the Common Elements, such shall be repaired and rebuilt as soon as practicable and substantially to the same design, plan and specifications as originally built, so as to be compatible with the remainder of **LANDMARK ON THE LAKE CONDOMINIUM**. However, in the case of damage or destruction, the repair or reconstruction of which would exceed available insurance proceeds, the Association may determine not to rebuild or repair by affirmative vote and written consent of at least 75% of the votes in the Association within 90 days of the date of the damage or destruction. In such event, the Property shall be subject to an action for partition and shall be partitioned pursuant to §703.18 of the Wisconsin Statutes, as amended, providing for distribution of net proceeds of sale of the Property and net proceeds of insurance in proportion to the undivided percentage ownership interests in the Common Elements and in accordance with the priority of interests in each Unit, and the Association shall be dissolved.

On reconstruction, the design, plan and specifications of the Building or any Unit may vary from that of the original upon approval of the Association, provided, however, that the number of square feet of any Unit may not vary by more than ten percent (10%) from the number of square feet for such Unit as originally constructed. The proceeds of any insurance provided by the Association and collected for such damage or destruction shall be available to the Association for the purpose of repair or reconstruction, as provided in Section 14 hereof. The Association shall have the right to levy assessments as a common expense against all Unit owners in the event that the proceeds of any insurance collected are insufficient to pay the estimated or actual costs of repair or reconstruction.

14. INSURANCE.

14.1 **Units.** Individual Unit owners shall provide insurance for their respective Units and all fixtures and improvements contained therein. Premiums for such insurance shall be an individual expense of the respective Unit owners.

14.2 **Common Elements.** The Association shall provide and maintain fire and broad form extended coverage insurance on the Building, improvements, and any other Common Elements and Limited Common Elements in an amount not less than the full replacement value thereof from time to time. Such insurance shall be obtained in the name of the Association as trustee for each of the Unit owners and their respective mortgagees in the percentages established in this Declaration, as their interests may appear. Premiums shall be a common expense. All hazard and flood insurance policies shall have the standard mortgagee clause and provide for notice to the mortgagee(s) at least fifteen (15) days before lapse, material modification or cancellation of the policy. To the extent required by law or deemed advisable by the Declarant or the Association, the Association shall provide and maintain flood insurance on the buildings, improvements and any other Common Elements and Limited Common Elements.

In the event of partial or total destruction of the Building and the repair or reconstruction of such Building in accordance with Section 13 hereof, the proceeds of such insurance shall be paid to the Association as trustee to be applied to the cost thereof. If it is determined not to reconstruct or repair, then the insurance proceeds together with the net proceeds of sale, shall be distributed to the Unit owners and their mortgagees, if any, as their respective interests may appear, in the manner provided by the Act.

14.3 **Combined Insurance.** If insurance coverage is available to combine protection for the Association and the Unit owner's individual Unit, the Board of Directors is hereby given discretionary power to negotiate such combination of insurance protection on an equitable cost-sharing basis under which the Unit owner would be assessed individually for the amount of insurance which he or she directs the Board of Directors to include in such policies for his or her additional protection. Copies of all such policies shall be provided to each mortgagee. Nothing contained in this paragraph shall be deemed to prohibit any Unit owner, at his or her own expense, to provide any additional insurance coverage on his or her improvements or on his or her Unit which will not duplicate any insurance provided by the Association.

14.4 **Liability Insurance.** The Association shall also provide public liability insurance covering the Common Elements and the Limited Common Elements with respect to all claims commonly insured against in such amounts as may be determined at the discretion of the Association from time to time. The Association may also provide flood insurance, workman's compensation insurance, directors' and officers' liability insurance and fidelity bonds on such officers and employees in such amounts and with such coverage as is determined by the Board of Directors to be necessary or advisable from time to time.

14.5 **Terms of Insurance.** To the extent possible, the insurance shall provide that the insurer waives its rights of subrogation as to any claim against Unit owners, the Association, and their respective agents, invitees and guests, and that the insurance cannot be cancelled, invalidated nor suspended on account of conduct of any one or more Unit owners, or the Association, or their agents, invitees and guests, without thirty (30) days prior written notice to the Association and any mortgagees giving it opportunity to cure the defect within that time. The amount of protection and

the types of hazards to be covered shall be reviewed by the Board of Directors at least annually and the amount of coverage may be increased or decreased at any time it is deemed necessary as determined by the Board of Directors to conform to the requirements of full insurable value.

15. CONDEMNATION.

15.1 General. This Section shall be deemed to be supplemental to and not in derogation of the provisions of § 703.19 of the Wisconsin Statutes, as amended.

15.2 Notice and Participation of Unit Owners. If any of the Common Elements or any part thereof shall be taken, injured or destroyed by eminent domain, each Unit owner affected shall be entitled to notice of such taking and to participate through the Association in the proceedings incident thereto.

15.3 Allocation of Awards. Any awards made in connection with such proceedings shall be collected by the Association and applied or distributed by it in accordance with Section 8 hereof, unless the award or decree provides to the contrary.

If a part of the Common Elements is acquired by eminent domain, the award must be paid to the Association unless the decree provides that the Association shall divide any portion of the award not used for any restoration or repair of the remaining Common Elements among the Unit owners affected in proportion to their respective damage suffered and their respective percentage interest in the Common Elements before the taking on an equitable basis.

15.4 Re-Allocation Following Condemnation.

15.4.1 Units Rendered Unusable. Upon acquisition by the condemning authority, each affected Unit's entire percentage interest and its corresponding liability for payment of Common Expenses shall be automatically reallocated among the remaining Units in accordance with the formula set forth in subparagraph 15.4.3 below. Any remnant of a Unit which has been rendered unusable remaining after a part of a Unit is taken shall thereafter be a Common Element.

15.4.2 Units Remaining Usable. Upon acquisition by the condemning authority, each affected Unit's percentage interest and its corresponding liability for payment of Common Expenses shall be adjusted and the amount by which the percentage interest and corresponding liability of each affected Unit is reduced shall thereafter be proportionately reallocated among all Units within the Condominium in accordance with the formula set forth in subparagraph 15.4.3 below.

15.4.3 Reallocation Formula. After acquisition by the condemning authority pursuant to subparagraph 15.4.1 or 15.4.1.2 above, each remaining Unit's percentage interest and its corresponding liability for common expenses shall be adjusted in accordance with the proportion to which the square footage of the respective Unit bears to the aggregate square footage of all of the remaining Units.

15.4.4 Amendment Upon Reallocation. Upon any reallocation of percentage interests and liability for Common Expenses in accordance with subparagraph 15.4.3 above, the Association shall promptly prepare, execute and record an amendment to this Declaration reflecting the reallocated percentage interest and liability for common expenses as so calculated.

16. LIABILITY FOR COMMON EXPENSES.

16.1 Assessments for Common Expenses. The costs of administration of the Association, insurance, repair, maintenance and other expenses of the Building, improvements, the Common Elements and Limited Common Elements, including, but not limited to, common services provided to the Unit owners such as professional management services, trash removal, common electrical, water, sewer, snow removal, and repair and maintenance of heating and cooling equipment serving more than one Unit, the pools and other recreational amenities, the social center, common hallways, lobbies, elevators, stairways, landscaping, walkways, driveways, and parking areas, shall be paid for by the Association. The Association shall make assessments against the Unit owners and the Units for such common expenses in accordance with the percentage of the undivided interest in the Common Elements relating to each Unit, in the manner provided in the Bylaws of the Association. The Association shall have the right and authority to levy general and special assessments to pay for common expenses. No Unit owner may exempt himself or herself or his or her Unit ownership from liability for his or her contribution toward the common expenses by waiver of the use or enjoyment of any of the Common Elements or Limited Common Elements or services or by abandonment of his or her Unit or because of a dispute over services provided or not provided by the Association; and no conveyance shall relieve the Unit owner-grantor or his or her Unit of such liability, and he or she shall be jointly, severally and personally liable for the common expenses incurred up to the date of sale, until all expenses charged to his or her Unit have been paid, but the obligation shall not pass to a successor in title unless such party agrees to assume the obligation. The Association shall be responsible for the management and control of the Common Elements and Limited Common Elements, and no Unit owner shall have any "self help" rights regarding the Common Elements or Limited Common Elements or any right to reimbursement from the Association for any purported benefit conferred upon any Common Element or Limited Common Element by any Unit owner without the explicit consent of the Association.

16.2 Assessment Installments. All assessments, when due, shall immediately become a personal debt of the Unit owner and also a lien, until paid, against the Unit to which charged, as provided in the Act. Assessments shall be made against the Unit owners and the Units at the beginning of each fiscal year of the Association to meet estimated common expenses of the Association for the ensuing year; however, if prorated and paid in installments, the assessments shall not be considered due until the respective installment payment dates. In the event of delinquency in payment, the Association may assess penalties and interest, and may accelerate annual assessments remaining unpaid with respect to such delinquent Unit for purposes of collection or foreclosure action by the Association.

16.3 Commencement of Payments. Regular assessments for each and every Unit (including Units owned by Declarant) shall commence on the date of recordation of the first instrument of conveyance to the first Unit, with subsequent installments due on the first day of each month thereafter. Such monthly payments of common expenses shall be in accordance with the proposed annual budget prepared by Declarant for the Association. Installments for partial months shall be prorated.

16.4 Unpaid Assessments. If a Unit owner defaults in any payment, the Association shall take appropriate measures as provided by law. The defaulting Unit owner shall be responsible for all costs incurred by the Association in seeking to enforce payment including the Association's actual attorney fees. Unit owners shall be both personally liable for assessments and a lien shall be imposed against such owner's Unit for same; provided, however, such lien shall be

subordinate to the lien of a first mortgage recorded prior to the due date of the delinquent assessment. Liens for unpaid assessments as provided in the Act shall also extend to and secure interest, fines and reasonable costs of collection including attorneys' fees incurred by the Association incident to the collection of assessments or enforcement of liens. Unpaid real estate taxes for the period before the Units are separately assessed for tax purposes shall also constitute assessments due to the Association for which the Association may impose liens against such delinquent owner's Unit. The Association may purchase a Unit upon the foreclosure of its lien. A lien for assessments will not be affected by the sale or transfer of a Unit, provided that the foreclosure of a first mortgage lien extinguishes the lien for any assessments payable prior to such foreclosure sale, but will not relieve any subsequent Unit owner from paying further assessments.

16.5 No Statutory Reserve Account. A statutory reserve account is not established under Section 703.163 of the Act. The foregoing shall constitute a statutory reserve account statement under Section 703.163(11) of the Act. A reserve fund shall be designated as provided in the Bylaws of the Association.

17. PARTITION OF COMMON ELEMENTS PROHIBITED.

There shall be no partition of the Common Elements and Limited Common Elements through judicial proceedings or otherwise, except as otherwise provided in this Declaration, until this Declaration is terminated and the Property is withdrawn from its terms or from the terms of the Act; provided, however, that if any Unit shall be owned by two or more co-owners as tenants in common or as joint tenants, nothing contained herein shall be deemed to prohibit a voluntary or judicial partition of said single Unit as between such co-owners.

18. CONVEYANCE TO INCLUDE INTERESTS IN COMMON ELEMENTS AND LIMITED COMMON ELEMENTS.

The percentage of undivided interest in the Common Elements and Limited Common Elements shall not be separated from the Unit to which it appertains. No Unit owner shall execute any deed, mortgage, lease or other instrument affecting title to such Unit ownership without including therein both his or her interest in the Unit and his or her corresponding percentage of ownership in the Common Elements and Limited Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

19. EASEMENTS, RESERVATIONS AND ENCROACHMENTS.

19.1 Utilities. Easements are hereby declared and granted for the benefit of the Unit owners and the Association and reserved for the benefit of the Declarant for utility purposes, including the right to install, lay, maintain, repair and replace water lines and pipes, sewer lines, gas mains, telephone wires and equipment, master television antenna system or cable wires and equipment, and electrical conduits and wires and equipment, including power transformers, over, under, along and on any part of the Common Elements, to service the Property. The Association or the Declarant has the right to grant permits, licenses and easements for utilities, roads and other purposes under, through or over the Common Elements which are reasonably necessary to the ongoing development and operation of **LANDMARK ON THE LAKE CONDOMINIUM.**

19.2 Encroachments. In the event that by reason of the construction, reconstruction, repair, settlement, movement or shifting of any building, or the design or construction of any Unit, any part of the Common Elements or Limited Common Elements, encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements or Limited Common Elements, or any portion of any Unit encroaches upon any part of any other Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit so long as all or any part of the building containing such Unit shall remain standing, and Unit and Common Element boundaries shall be as provided in the Act. Provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any Unit or in favor of the owner or owners of the Common Elements or Limited Common Elements, if such encroachment occurred due to the willful and knowing conduct of said owner or owners.

19.3 Rights of Ingress and Egress. Each Unit owner shall have an unrestricted right of ingress and egress to and from his or her Unit and utilities servicing that Unit that shall be perpetual and pass with the Unit upon transfers of ownership. The Association and the owners of the Units to which the Limited Common Element storage spaces S309 and S310 as shown on the Condominium Plat are appurtenant shall have an easement over the Limited Common Element parking spaces P120, P121, P123 and P124 as shown on the Condominium Plat for access for ingress and egress to the rooms and storage spaces to the east of such parking spaces.

19.4 Binding Effect. All easements and rights described in this Section 19 are easements appurtenant, running with the land, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the undersigned, its successors and assigns, and on all Unit owners, purchasers and mortgagees and their heirs, personal representatives, successors and assigns. The Association or the Declarant shall have the authority to execute and record all documents necessary to carry out the intent of this Section 19.

20. RIGHTS OF ACTION; FAILURE OF ASSOCIATION TO INSIST ON STRICT PERFORMANCE NOT WAIVER.

20.1 Rights of Action. If any Unit owner fails to comply with this Declaration or the Bylaws or decisions made by the Association, the Association or any other Unit owner may sue such Unit owner for damages caused by the failure or for injunctive relief. In addition, the Association shall have the enforcement authority contained in the Bylaws and the Rules and Regulations of the Association. If the Association fails to comply with this Declaration, Bylaws or the Rules and Regulations, any Unit owner may sue the Association for damages caused by such failure.

20.2 No Waiver. The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from a Unit owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

21. AMENDMENTS TO DECLARATION.

21.1 **General.** Except as otherwise provided by the Act, or as otherwise provided below, this Declaration may be amended (i) pursuant to Section 703.09(2) of the Act, only with the written consent of Unit owners with not less than two-thirds (2/3) of the aggregate number of votes in the Association, and such consents are approved by the first mortgagee of the Unit, or the holder of an equivalent security interest, if any, or (ii) pursuant to Section 703.093 of the Act with written consent of Unit owners with at least two-thirds (2/3) of the aggregate number of votes in the Association, and such consents are approved by the mortgagees or holders of equivalent security interests in the Units and as otherwise provided in such Section. **SECOND AMENDMENT TO CONDOMINIUM DECLARATION OF
LANDMARK ON THE LAKE CONDOMINIUM**

Section 14 of the Condominium Declaration is deleted in its entirety and recreated to read as follows:

14. INSURANCE.

14.1 Property Damage Insurance. The board of directors of the Association shall, obtain and maintain fire, casualty, and special form insurance coverage for the Units including all fixtures, improvements, heating equipment and other service machinery contained therein (but not including furniture, furnishings or other personal property of the Unit owners), the Common Elements and for the Association's service equipment, supplies and personal property in an amount equal to one hundred percent (100%) of the full replacement value of the Condominium based on the then current replacement cost (exclusive of the Land, excavations, foundations and other items normally excluded from such coverage), without deduction for depreciation. Insurance coverage for the Units and Common Elements shall be reviewed and adjusted by the board of directors of the Association from time to time to ensure that the required coverage is at all times provided. The insurance maintained by the Association shall be written on the Condominium's Units and Common Elements in the name of the Association as insurance trustee for the individual Unit owners in their respective Percentage Interests in the Common Elements, and may list each Unit owner as an additional insured with respect to its Unit. The policy shall contain the standard mortgagee clause, which shall be endorsed to provide that any proceeds shall be paid to the Association, as insurance trustee, for the use and benefit of any Mortgagee as its interest may appear. All premiums for such insurance shall be Common Expenses.

To the extent possible, the insurance shall provide that the insurer waives its rights of subrogation as to any claim against Unit owners, the Association and their respective agents and guests.

In the event of partial or total destruction of the Building and the repair or reconstruction of such Building in accordance with Section 13 hereof, the proceeds of such insurance shall be paid to the Association as trustee to be applied to the cost thereof. If it is determined not to reconstruct or repair, then the insurance proceeds together with the net proceeds of sale, shall be distributed to the Unit owners and their mortgagees, if any, as their respective interests may appear, in the manner provided by the Act.

14.2 Deductible Shifting Under Association's Insurance Policy. If maintenance or repair is required as a result of an insured loss, the amount of the deductible shall be considered an assessment to be paid by the owner(s) from whose Unit the loss originates (even in the absence of negligence), or, in the event the loss originates from the Common Elements, the Association would be responsible for payment of the deductible.

The board of director's decision on the allocation of the deductible shall be conclusive, provided that the board shall first obtain the opinion of any interested party and shall secure expert advice, if it is deemed necessary. The deductible amount shall be levied against the Unit as a special assessment, and shall be a lien on the Unit until paid in full. The Association may enforce payment of any amount due from an individual Unit owner toward the deductible or loss in accordance with its power to collect assessments as set forth herein and in the Bylaws.

In the event of a casualty loss that is less than the deductible amount, the damage shall be paid in accordance with the maintenance responsibilities as set forth in the Association's governing documents.

14.3 Unit Owner Insurance. The Unit owner shall be responsible for and shall obtain insurance coverage for:

- (a) His/her personal property, which shall include, but not be limited to, replacement of appliances including refrigerators, dishwashers, disposal, laundry equipment such as washers and dryers, and ranges;
- (b) Coverage A (real property/dwelling) coverage for the Unit equal to the greater of (1) the Association policy's deductible or (2) an amount determined by the owner in consultation with his or her insurance advisor;
- (c) Loss assessment coverage, at a minimum limit of the maximum amount that the insurer will cover for the Association's master policy deductible;
- (d) Sewer backup and mechanical breakdown coverage; and,
- (e) personal liability insurance for all conditions and events occurring within the Unit.

Premiums for such insurance shall be an individual expense of the respective Unit owner.

Each Unit owner hereby waives and releases any and all claims which may arise against the Association, the Board of Directors, its officers, the Declarant and their respective employees and agents for damage to the Common Elements, the Units, the Unit owner improvements or any personal property located in the Common Elements or Units caused by fire or other casualty to the extent that such damage is covered by fire or other form of casualty insurance.

14.4 Association Liability Insurance. The Board of Directors of the Association shall obtain and maintain a comprehensive liability insurance policy insuring the Association, its officers, directors, and the Unit owners against any liability arising out of the maintenance, repair, ownership, or use of the Common Elements. Liability coverage shall be for at least \$1,000,000 per occurrence for personal injury and/or property damage or such higher limit as may be adopted from time to time by the Association. The insurance coverage shall be written on the Condominium in the name of the Association as insurance trustee for the Association, its directors and officers, and for the individual Unit owners in their respective Percentage Interests. Such insurance policy shall contain a “severability of interest” or cross-liability endorsement, which shall preclude the insurer from denying the claim of a Unit owner because of the negligent acts of the Association or other Unit owners. All premiums for such insurance shall be Common Expenses.
