

Adopted Rule – Refuse, Garbage, and Recycling Container Storage

Adopted by the Board of Directors on December 4, 2025

The Board of Directors of Bristlecone Pines hereby adopts the following rule regarding refuse, garbage, and recycling containers:

“All refuse, garbage, and recycling containers shall be stored within the garage when not placed for collection. Such containers may be placed for collection only during the period beginning the evening prior to the designated collection day and shall be returned to the garage no later than the evening of the collection day. At all other times, refuse, garbage, and recycling containers shall not be visible from the street, neighboring Lots, or golf course.”

This rule was duly made, approved, and voted upon by the Board of Directors at the December 4, 2025 Board Meeting and shall remain in full force and effect unless amended or repealed by future Board action.
