DECLARATION OF CONDOMINIUM
OF
CONDOMINIUMS OF WESTWIND GREENS CONSERVANCY

THIS DECLARATION is made and entered into by Hibiscus Investments, Inc. (the "Declarant"), pursuant to Chapter 703 of the Wisconsin Statutes, the Condominium Ownership Act, as the same may be amended, renumbered or renamed from time to time (the "Act").

WITNESSETH:

Declarant owns certain real property (the "Property"), described on Exhibit A appended hereto. Declarant intends to improve the Property by constructing thereon two (2) residential multi-family buildings (each a "Building") containing a total of six (6) residential dwelling units, together with certain other improvements in connection therewith. The Property, together with all buildings and improvements, is hereinafter called the "Condominium".

Declarant intends by this Declaration to submit the Property and improvements to the condominium form of ownership under the Act and further desires to establish, for its own benefit and that of all future owners and occupants of the Condominium, certain easements, rights, restrictions and obligations with respect to the ownership, use and maintenance of the Condominium on the terms and conditions hereinafter set forth.

The name of the Condominium shall be "Condominiums of Westwind Greens Conservancy". The address of the Condominium is as set forth on attached Exhibit C.

This Declaration contemplates an "expandable" condominium which may include four (4) additional buildings containing not more than an additional twelve (12) residential dwelling units. Any additions to the Condominium shall be completed in phases. The first two Buildings, other improvements and the Property shall be known as "Phase I".

NOW, THEREFORE, Declarant, the fee owner of the Property, by this Declaration hereby (i) submits the Property and the improvements, subject to taxes and assessments not yet due and payable, municipal and zoning ordinances, recorded easements and restrictions, if any, and all other

matters of record, to the condominium form of use and ownership as provided in the Act and this Declaration; (ii) establishes and imposes the following provisions, restrictions, conditions, easements and uses to which the Condominium may be put; and (iii) specifies that the provisions of this Declaration shall constitute covenants to run with the land and shall be binding on Declarant, its successors and assigns, and all subsequent owners and occupants of all or any part of the Condominium.

ARTICLE I

DIVISION OF CONDOMINIUM INTO SEPARATE FREEHOLD ESTATES

Declarant divides the Condominium into the following separate Freehold estates:

1. Six (6) separate freehold estates (collectively called the "Units" and individually called a "Unit"), consisting of the space or area of a Building contained within the boundaries of each such Unit as follows:

a. The vertical boundaries shall be the interior undecorated surfaces of the perimeter walls of the Unit on each floor or floors of the Unit.

b. The horizontal boundaries shall be: (i) lower boundary - the plane or planes of the upper surface of the base level floor or floors; and (ii) upper boundary - the plane or planes of the interior undecorated ceilings.

c. All windows, window frames, doors, including all glass and locks in windows and doors, shall be considered a part of the Unit.

d. Each garage shown on Exhibit D shall be a part of the Unit to which it has immediate access as shown on Exhibit D.

2. A freehold estate in the "Common Elements" of the Condominium as hereinafter described.

ARTICLE II

DESCRIPTION AND LOCATION OF THE BUILDING AND UNITS

The Buildings and other improvements are shown on the site map and survey appended hereto as Exhibit B.

The respective addresses of the Units are described on Exhibit C appended hereto.

The Units, their respective designations and locations within the Buildings and the Common Elements to which the Units have access are shown on the Floor plans of the Condominium appended hereto as Exhibit D.

Each Unit shall be separately metered for utilities, except for water which shall be a common expense of the Condominium. Trash and snow management, general landscaping and maintenance shall be common expenses of the Condominium.

ARTICLE III

DESCRIPTION OF COMMON ELEMENTS AND GENERAL COMMON ELEMENTS

The Common Elements shall consist of all of the Condominium improvements, areas, fixtures, equipment and facilities except the individual Units. The Common Elements are divided into different types, known as the General Common Elements and the Limited Common Elements. The General Common Elements shall consist of all of the Common Elements, except the Limited Common Elements as described below.

ARTICLE IV

DESCRIPTION OF LIMITED COMMON ELEMENTS

The Limited Common Elements are reserved for the exclusive use of the owner or occupant of the Unit to which they are appurtenant. The Limited Common Elements consist of: the outside courtyards, patios, porches and decks, if any, immediately adjacent and appurtenant to each Unit to which it has access by a door from the Unit; the storage locker located in the lake shelter as shown on Exhibit B; and the boat slip as shown on Exhibit B. Contemporaneously with the purchase of a Unit the Unit owner shall receive a Certificate of Designated Boat Slip for a boat slip. Certificates of Designated Boat Slip for a boat slip may be traded between Unit Owners. Each Unit Owner must hold a Certificate of Designated Boat Slip and no Unit Owner may hold more than one (1) Certificate. The trading of Certificates of Designated Boat Slips shall be accomplished by Unit Owners executing an Assignment of the Certificate of Designated Boat Slip to another Unit Owner and the

surrendering of said Certificate to the Association which shall reissue a Certificate to the Assignee.

ARTICLE V

PERCENTAGE OF OWNERSHIP IN COMMON ELEMENTS

1. Ownership. The ownership of each Unit shall include a 1/6th undivided interest in the Common Elements.
2. Sharing of Expenses and Surpluses. The common surpluses and expenses of the Condominium relating to Common Elements shall be shared among the owners of all Units according to the percentage of their undivided interest in the Common Elements, as expressed above or as the same may be amended pursuant to Article XIII hereof.
3. Use of Surpluses. All common surpluses of the Condominium for each fiscal year of the Association shall be credited to the reserves or replacement funds for common expenses of the Condominium for the next succeeding fiscal year or years in accordance with the percentage of undivided interest of each Unit owner in the Common Elements as aforesaid.

ARTICLE VI

ASSOCIATION OF UNIT OWNERS

1. Administration. The Condominium shall be administered by a non-profit corporation known as Condominiums of Westwind Greens Conservancy Owner's Association, Inc. (the "Association"). The Association shall be governed by a Board of Directors (the "Board of Directors"). The Board of Directors shall adopt By-Laws and Rules and Regulations in furtherance thereof.
2. Membership and Voting. Each Unit owner shall be a member of the Association. One (1) vote shall appertain to each Unit. Membership shall commence and terminate with ownership. The manner of sharing and casting ballots shall be set forth in the By-Laws.
3. Declarant Control. Prior to the conveyance by Declarant of twenty-five percent (25%) of the undivided interest in the Common Elements to purchasers, the Association shall hold a meeting and the Unit owners other than the Declarant shall elect at least thirty-three percent (33%) of the Board of Directors.

4. Association Management. Subject to Article XII, the Board of Directors may employ a professional property manager, management company or managing agent on a salaried basis with such experience and qualifications and on such terms and conditions as may be acceptable to the Board of Directors. Any such agreement must be terminable without fee upon no more than ninety (90) days notice and the term thereof may not exceed three (3) years.

5. Condominium Instruments. The Association shall make available to Unit owners and to holders, insurers or guarantors of any mortgage of a Unit, current copies of this Declaration, the By-Laws, Rules and Regulations and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. "Mortgage" as used in this Declaration includes a land contract for a Unit.

6. Audit. The holders of any first mortgage shall be entitled, upon written request, to an audited financial statement for the immediately preceding fiscal year of the Association prepared at the expense of such mortgagee. Such financial statement shall be furnished within a reasonable time following such request. If following any expansion, the Condominium contains more than 50 Units, such audit shall be at the Association's expense. A "first mortgage" is one which is entitled to priority over all other mortgages for such Unit, without regard to other liens and encumbrances.

7. Easements. The Association shall have the right to grant permits, licenses and easements over the Common Elements for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Condominium, on such terms and conditions as the Board of Directors may deem advisable. Such easements may include easements for walkways, jogging trails or bikepaths which are available for use by residents of adjacent lands owned or controlled by Declarant on the date hereof.

ARTICLE VII

MAINTENANCE, ALTERATION AND IMPROVEMENT OF CONDOMINIUM

1. Unit Owner's Responsibility. The owner of each Unit shall: (a) maintain in good condition and repair and replace all of the components or installations within or used by the Unit, including but not limited to, all utility

lines and installations, the heating and air conditioning systems for the Unit, fixtures, appliances, water heater, equipment, interior walls, partitions, flooring, ceilings, windows, window frames and doors, including all glass and locks in windows and doors; (b) paint and decorate the interior of the perimeter walls and all walls and surface areas within the Unit; (c) keep the courtyard, patio, and porch appurtenant to the Unit in a clean and neat condition; (d) keep and maintain in good and orderly condition its Limited Common Elements; and (e) repair and replace any portion of the Common Elements damaged through the fault or negligence of such owner or such owner's family, guests or invitees or any other occupants of the Unit. Notwithstanding the above, repairs to Common Elements shall be effected by the Association but paid for by the Unit owner if within this section.

2. Association Responsibility. The Association shall maintain in good condition and repair, replace and operate all of the Common Elements, except as provided above.

3. Structural Changes by Owners. An owner of a Unit shall make no changes within such Unit which will affect the structural soundness of a Building of which it is a part and shall promptly report to the Association any need for repairs, the responsibility for which is that of the Association.

4. Decorations; Signs; Courtyards, Patios, Decks and Porches. No Unit owner shall decorate or alter the Common Elements without the consent of the Board of Directors, except that a Unit owner may landscape the Designated Planting Area in the courtyard appurtenant to the Unit provided no plantings, fixtures, or objects shall exceed a height of five feet without the consent of the Board of Directors. The Board of Directors may adopt reasonable rules and regulations from time to time governing the manner in which the courtyards may be landscaped. No internal combustion power tools shall be used by a Unit owner within a courtyard. No owner of a Unit, except the Declarant, may erect, post or display posters, signs or advertising material on the Condominium Property, except that a Unit owner may erect or post a temporary sign of customary and reasonable dimension relating to the open house of a Unit for sale. No awnings or enclosures shall be installed within a courtyard, on patios, decks or porches. Bird feeders and bird baths may be installed within a courtyard, but shall not be installed on patios, decks or porches. Fixed grills shall be allowed on patios on such terms and conditions as approved by the Association and all other grills must be covered. Courtyards, patios, porches, and

decks shall not be used for storage, including the storage of motorcycles, baby carriages, bicycles, wagons, etc. or for airing or drying of laundry, carpet, rugs or clothing. Vehicles may be parked on streets within the Condominium if and only as permitted by rules adopted by the Board of Directors pursuant to the By-Laws.

5. Structural Changes by Association. Except as reserved to the Declarant, its successors and assigns, the Association shall not make or permit any alterations to the exterior of any Building or make any other substantial alterations or additions of a structural nature or otherwise to the Common Elements without the affirmative vote of two-thirds (2/3) of the Board of Directors. In no case shall any such alterations or additions prejudice the rights of any owner of a Unit unless his written consent has been obtained.

6. Architectural Control. The Board of Directors shall establish procedures for administering requests for permission to change Common Elements or construct porches, or similar matters. Any committee therefor shall have at least three (3) members and shall consider the architectural harmony of the proposed action with the existing Condominium when arriving at any decision.

7. Boats and Boat Lifts. Boats shall be limited as follows:

- a. No houseboats shall be allowed.
- b. No powerboat or sailboats with cabins shall be allowed.
- c. No powerboat greater than 20 feet in length shall be allowed.
- d. Each Unit is limited to one (1) boat.

Parking of vehicles with trailers or unattached trailers shall be limited to those owned by Unit owners only. Said trailers shall not be parked outside overnight for periods in excess of one (1) night.

Boat lifts are permitted in boat slips provided that they be of standard design and dimension, and when not in use, be stored within the garage appurtenant to the Unit or in a location to be designated by the Board of Directors which will be screened from view from the road, lake, and abutting property owners.

Winter storage of boats and trailers shall not be permitted from November 1 through April 15 except in a garage appurtenant to the Units. Removal of the piers for the winter season shall be the responsibility of the Association.

ARTICLE VIII

ASSESSMENTS

1. Liability; Late Payments. The By-Laws shall set forth the manner of making and collecting assessments against the Unit owners for common expenses of the Condominium. Regular assessments and special assessments not made for violations of the provisions of this Declaration, the By-Laws or Rules and Regulations shall be made on an annual basis but shall be due and payable in monthly installments as determined by the Board of Directors. Each Unit owner shall be liable for such fractional or percentage interest of the common expenses of the Condominium as is provided in Article V hereof. Any assessment or installment not paid when due shall be delinquent and the Unit owner may be charged interest on the unpaid assessment or installment, calculated from the date when the assessment or installment was first due until the date it is paid. The Board of Directors shall establish a uniform policy with regard to the number of days that must run following the due date for interest to be charged and shall establish the rate of interest to be charged on such unpaid assessments or installments. All payments upon account shall be first applied to the interest, if any, and then to the assessment payment first due. If the Town of Delafield or Waukesha County obtains a Unit through the tax delinquency process, said Town and/or County are not liable for any late payments.

2. Liens. If a Unit owner defaults in the payment of any assessment or installment, the Association shall take appropriate measures as provided by law in accordance with the By-Laws. The lien for unpaid assessments provided in the Act shall also secure reasonable attorney's fees incurred by the Association incident to the collection of such assessment or enforcement of such lien. In any foreclosure of a lien for assessments, the owner of a Unit subject to a lien shall be required to pay a reasonable rental for the Unit and the Association shall be entitled to the appointment of a receiver to collect the same. To the extent permitted by the Act, the lien provided therein and herein shall be subordinate to the lien of any first mortgage on a Unit. If the Town of Delafield or Waukesha County obtain a

Unit through the tax delinquency process, said Town and/or County are not liable for any liens on the Unit.

3. Rights of Mortgagees. Any first mortgagee who obtains title to a Unit pursuant to remedies provided in the mortgage or foreclosure of the mortgage and any party purchasing the Unit in such a foreclosure shall not be liable for such Unit's unpaid installments of assessments which accrued prior to the acquisition of title to such Unit by such mortgagee or other party. The obligation of the former Unit owner to pay such assessment is not hereby extinguished.

4. Association Statements. The Association, upon ten (10) days request, shall provide a letter to the purchaser of any Unit which states the existence, if any, of outstanding general or special assessments against the owner of the Unit being sold; provided, however, that all Units conveyed by Declarant shall be deemed to be conveyed free from all such outstanding general or special assessments and no such letter shall be required or given as to such Units.

5. Initial Working Capital Fund. Each purchaser of a Unit shall advance an amount equal to two (2) months installments of the regular annual Association assessment, or such greater amount as is designated by the Board of Directors with notice of record, to the Association at the time of conveyance for the common expenses of the Association. Each advance shall be credited to such purchaser and shall be returned to such purchaser upon subsequent conveyance of the Unit and payment of a like advance by the subsequent purchaser. Amounts paid pursuant hereto are not to be considered as advance payments of installments of the regular assessments. Declarant shall advance a like amount for the purposes herein for each Unit which is unsold at the end of sixty (60) days from the date of conveyance of the first Unit by Declarant to a purchaser. Such working capital fund shall be kept in a segregated account.

6. First Assessment. Regular assessments shall be levied and installments thereon shall commence being due and payable on the date of recordation hereof; provided that the monthly installment shall be prorated on a daily basis.

ARTICLE IX

RESTRICTIONS ON USE, OCCUPANCY AND TRANSFER

1. Leases of Units. The Declarant may lease a Unit on such terms and conditions as it desires in its sole discretion. Any other owner may lease a Unit with a minimum

initial term of at least six (6) months. Any person occupying a Unit with the authority of an owner shall comply with all of the provisions hereof and the By-Laws imposed on an owner and a breach of such provisions shall be deemed a breach of such lease. Each such lease shall contain a provision making a breach of any of the provisions of this Declaration or of the By-Laws of the Association a breach under the lease. No rooms in any Unit may be rented and no transient tenants may be accommodated.

2. Pets. No animals, livestock, reptiles, poultry, or birds of any kind shall be raised, bred or kept within the Condominium, except as hereinafter set forth. The Occupants of a Unit may keep two (2) cats or one (1) dog or one (1) cat and one (1) dog (no guard-type dogs shall be permitted) and other small household pets (such as fish or birds) provided that they are not kept, bred or maintained for any commercial purposes. No pet shall be permitted which causes an unreasonable disturbance or nuisance. Any pet excrement in Common Areas shall be removed immediately by the Occupant of the Unit in which the pet resides. All permitted pets shall be housed indoors and, if allowed outdoors, shall be kept on a leash and attended by a responsible person at all times while outdoors. A violation of the provisions of this paragraph shall subject the Unit Owner responsible for such violation to additional special assessments by the Board of Directors for the enforcement costs, including, but not limited to, reasonable attorney's fees incurred by the Association incident to the enforcement of this paragraph and any rules and regulations as may be established by the Board of Directors from time to time.

3. No Obstructions. No owner shall cause or permit the Common Elements, except the Limited Common Elements, to be so used as to deny to other owners the full use of such portion of the Common Elements. Accordingly, there shall be no obstruction of any Common Elements. Walks and drives shall be kept clean and orderly. Junked, inoperative or unlicensed vehicles and vehicles licensed as trailers, campers, camping trucks, house trailers, motorcycles, mopeds, motorized bicycles, snowmobiles or land vehicles or the like shall not be stored, parked or placed on the Condominium. Licensed boats, boat trailers, vans and trucks may be stored, parked or placed on the Condominium provided that they are so stored, parked or placed only in a garage and further provided that such storing, parking or placing does not cause an automobile to be parked outside of a garage when but for the storing, parking or placing of the other vehicle, the automobile could have been parked in the garage. No vehicle shall occupy, park upon or otherwise

block the access to or exit from another Unit or the approach thereto.

4. Waste. The unreasonable or unsightly accumulation of waste, litter, excess or unused building materials or trash is prohibited, and garbage containers shall be situated only in designated locations. No materials shall be consumed by fire in incinerators, open fires or elsewhere.

5. Antennas, Temporary Structures. No antennas for television or aeriels for radios shall be erected on any roof or any other portion of the Condominium, except any community antennas or cable receivers erected by Declarant or the Association or any individual antennas erected or installed with the prior consent of the Board of Directors. No structure, trailer, tent, shack or barn, temporary or otherwise, except for those maintained by Declarant, shall be placed or maintained on any portion of the Condominium nor shall any clothes hangers or clothesline be placed or maintained within or on the Common Elements.

6. Utility Lines. Any supply lines, waste lines, pipes, wires, conduits or public utility lines running through a Unit which serve more than one Unit shall be deemed owned as tenants in common by all Unit owners.

7. Encroachments. If any portion of the Common Elements encroaches upon a Unit or any Unit encroaches upon the Common Elements or upon any other Unit, a valid easement for the encroachment and for the maintenance of the same shall exist for so long as it stands. Minor encroachments of parts of the Common Elements due to reconstruction of a part or all of a Building shall be permitted and a valid easement for such encroachments and the maintenance thereof shall exist from the owners of Units in such Building.

8. Mutual Enjoyment. Each Unit shall be used only for such purposes and to such extent as will not overload or interfere with any Common Elements or the enjoyment thereof by the owners of other Units.

9. Noxious Activity. No use or practice shall be allowed on the Condominium which: (a) is a nuisance, or (b) is illegal or requires any alteration of or addition to the Common Elements, or (c) is in violation of the By-Laws or Rules and Regulations of the Association, or (d) unreasonably interferes with or is an unreasonable annoyance to the peaceful possession or proper use of the Condominium by other Unit owners or occupants, including the use of musical instruments, television, or radios at such times or in such volumes of sound as to be objectionable.

10. Acts Affecting Insurance. No Unit owner or occupant shall commit or permit any violation of the policies of insurance taken out by the Board of Directors in accordance with the provisions of Article XI hereof (the "Association Policies"), or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (i) result in termination of any such policies, (ii) adversely affect the right of recovery thereunder, (iii) result in reputable insurance companies refusing to provide Association Policies, or (iv) result in an increase in the insurance rate or premium unless, in the case of such increase, the Unit owner responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Policies or with respect to any policy of insurance carried by any Unit owner, as permitted by the provisions of Article XI hereof, shall be increased or shall otherwise reflect the imposition of a higher rate than that applicable to the lowest-rated Unit, (a) by reason of anything that is done or kept in a particular Unit, or (b) as a result of the failure of any Unit owner or any occupant of a Unit to comply with the requirements of the Association Policies, or (c) as a result of the failure of any such Unit owner or occupant to comply with any of the other terms and provisions of this Declaration, the By-Laws or the Rules and Regulations, then the Unit owner of that particular Unit shall reimburse the Association and such other Unit owners respectively for the resulting additional premiums which shall be payable by the Association or such other Unit owners, as the case may be. The amount of any such reimbursement due the Association may without prejudice to any other remedy of the Association be enforced by assessing the same to that particular Unit pursuant to the By-Laws.

11. Legal Restrictions: No unlawful use may be made of the Condominium or any part thereof and each Unit owner shall strictly comply with all valid laws, orders, rules and regulations of all governmental agencies having jurisdiction thereof (collectively "Legal Requirements"). Compliance with any Legal Requirements shall be accomplished by and at the sole expense of the Unit owner or owners or the Association, as the case may be, whichever shall have the obligation under this Declaration to maintain and repair the portion of the Condominium affected by any such Legal Requirements. Each Unit owner shall give prompt notice to the Board of Directors of any written notice it receives of the violation of any Legal Requirements affecting its Unit or the Condominium. Notwithstanding the foregoing provisions any Unit owner may, at its expense, defer compliance with and contest, by appropriate proceedings prosecuted dili-

gently and in good faith, the validity or applicability of any Legal Requirements affecting any portion of the Condominium which such Unit owner is obligated to maintain and repair, and the Association shall cooperate with such Unit owner in such proceedings, provided that:

(i) Such Unit owner shall pay and shall defend, save harmless, and indemnify the Board of Directors, the Association and each other Unit owner against all liability, loss or damage which any of them respectively shall suffer by reason of such contest and any noncompliance with such Legal Requirements, including reasonable attorneys' fees and other expenses reasonably incurred; and

(ii) Such Unit owner shall keep the Board of Directors advised as to the status of such proceedings. ((i) and (ii) above collectively called the "Conditions as to Contest").

Such Unit owner need not comply with any Legal Requirements so long as it shall be so contesting the validity or applicability thereof, provided that (a) noncompliance shall not create a dangerous condition or constitute a crime or an offense punishable by fine or imprisonment, and (b) no part of any Building shall be subject to being condemned or vacated by reason of noncompliance or otherwise by reason of such contest ((a) and (b) are called the "Conditions as to Deferral of Compliance"). The Association may also contest any Legal Requirements without being subject to the Conditions as to Contest and may also defer compliance with any Legal Requirements, but only subject to the Conditions as to Deferral of Compliance. The costs and expenses of any contest by the Association shall be a common expense.

ARTICLE X

RECONSTRUCTION AFTER LOSS

1. Reconstruction. In the event of fire, casualty or any other disaster affecting one or more Units in a Building or other improvements on the Condominium (the "Damaged Premises"), the Damaged Premises shall be reconstructed and repaired, unless action is taken as otherwise provided herein. Reconstruction and repair as used herein shall mean restoring the Damaged Premises to substantially the same condition they were in prior to the fire, casualty or disaster. The Association shall undertake to cause such reconstruction and repair to be accomplished within a reasonable period of time.

2. Insufficient Insurance Proceeds. If the insurance proceeds are insufficient to reconstruct or repair the Damaged Premises, then:

(a) The Condominium shall be subject to an action for partition upon obtaining the written consent of at least three-quarters (3/4) of the Unit owners entitled to a vote. In the case of partition, the net proceeds of sale together with any net proceeds of insurance (the "Partition Proceeds") shall be considered as one fund and shall be divided among all Unit owners in accordance with the following formula:

$$\frac{\text{Unit square footage} \times 100}{\text{Total square footage of all Units}} = \text{Percentage undivided interest in Partition Proceeds}$$

If the Damaged Premises are Common Elements, the Partition Proceeds shall be divided among all Unit owners in accordance with their respective interests in the Common Elements.

(b) If the consent required under subparagraph (a) above is not obtained within thirty (30) days from the date of the loss, then the Damaged Premises shall be reconstructed and repaired by the Association with the insurance proceeds and owners of Units in the Damaged Premises shall be assessed for the deficiency in accordance with the following formula:

$$\frac{\text{Unit square footage} \times 100}{\text{Total square footage of all Units in the Damaged Premises}} = \text{Percentage of undivided interest in the deficiency}$$

The provisions of Article VIII shall apply to all sums assessed for any deficiency. If the Damaged Premises are Common Elements, the deficiency shall be shared by the owners of all Units in accordance with their respective interests in the Common Elements.

3. Substantial Damages. If two-thirds (2/3) or more of the Buildings and other improvements above foundation are destroyed, regardless of the sufficiency of any insurance proceeds for reconstruction and repair of the Damaged Premises, no such reconstruction and repair shall take place unless within ninety (90) days from the date of the loss, such reconstruction and repair have been approved by at least sixty-seven percent (67%) of the votes entitled to be

cast in the Association. If such approval is not given within ninety (90) days, then the Condominium shall be subject to an action for partition in the same manner as is provided in paragraph 2(a) above.

4. Condemnation. The Association shall represent the Unit owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements or part thereof. The award or proceeds of settlement for a taking of part or all of the Common Elements shall be payable to the Association for the use and benefit of the Unit owners and their mortgagees as their interests may appear. The procedure for dealing with the total or partial condemnation of the condominium shall be that set forth in Section 703.19, Wisconsin Statutes (1987-88), as the same may be amended from time to time.

ARTICLE XI

INSURANCE

1. Association Insurance. The Board of Directors shall obtain and continue in effect insurance coverage on each Building and other improvements on or within the Condominium as well as personal and real property belonging to the Association in an amount equal to the maximum insurable replacement value, with "agreed amount", "inflation guard", "special condominium" and "condominium replacement cost" endorsements, without deduction or allowance for depreciation, which amount shall be determined annually by a recognized appraiser or insurer as selected by the Board of Directors, affording protection against loss or damage by fire and such hazards covered by a standard extended coverage endorsement and all risk endorsements and such other risks or hazards as from time to time shall be customarily covered with respect to buildings similar in construction, location and use. In addition, any fixtures, equipment or property within the Units which are to be subject to a mortgage eligible for purchase by FNMA must be covered in the "blanket" or "master" policy required above. Said insurance shall be for the benefit of the Association and the owners of Units and their mortgagees as their interests may appear; provided, however, all proceeds payable by reason of said insurance shall be paid to the Association as trustee for the owners of Units and their mortgagees for the express purpose of reconstruction and repair or as otherwise provided in Article X hereof. The foregoing provisions of this Article are without prejudice to the right of any owner of a Unit to obtain individual Unit insurance; but no owner of a Unit shall

be entitled to exercise his right to maintain individual Unit insurance in such a way as to decrease the amount which the Association may realize as trustee under any insurance policy required hereunder. Each policy obtained by the Association shall contain a "severability of interest" endorsement and a standard mortgagee clause endorsed to provide that the proceeds are payable to the Association for the use and benefit of the mortgagees as their interests may appear. The Town of Delafield and Waukesha County are exempt from any insurance liability or payments if said Town and/or County become owners of a Unit through the tax delinquency process.

2. Association Liability Insurance. In addition to the hazard insurance coverage provided above, the Board of Directors shall obtain comprehensive general public liability insurance in such amounts equal to or exceeding One Million Dollars (\$1,000,000.00) for a single occurrence covering all of the Common Elements or property owned by the Association. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements and legal liability arising out of actions related to employment contracts of the Association. Such policy must provide that it may not be cancelled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association and to each holder of a first mortgage which is listed as a scheduled holder of a first mortgage in the insurance policy. The Board of Directors may also obtain such other insurance as it shall determine from time to time to be desirable including without limitation directors and officers errors and omissions coverage.

3. Cost; Waiver. All insurance premiums for any insurance coverage obtained by the Board of Directors shall be a common expense of the Condominium. The Association and each Unit owner hereby expressly waive any claim it or they may have against the other for any loss insured under any policy obtained by the Board of Directors, however caused, including such losses as may be due to negligence of such other party, its agents or employees. All such policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any such policy.

4. Exclusions From Coverage. Notwithstanding anything to the contrary herein, the insurance coverage obtained by the Board of Directors (i) may exclude any coverage on any

personal property located within or appurtenant to the exclusive use of a Unit, including but not limited to, appliances and water heater, patio door and window glass, drapes, carpeting and wall coverings, such as wallpaper, mirrored walls and paneling and (ii) shall exclude any liability coverage on a Unit owner, its guests, invitees, employees or any other occupants of such Unit, arising out of any and all occurrences and happenings within a Unit and/or relating in any way whatsoever to said personal property. It is the sole responsibility of each Unit owner to obtain such insurance coverages as are excluded from the insurance coverage obtained by the Board of Directors.

ARTICLE XII

RIGHTS OF DECLARANT

1. Control of Association. Until the expiration of the earlier of five (5) years from the date the first Unit is conveyed to any person other than Declarant or thirty (30) days after the conveyance of seventy-five percent (75%) of the undivided interests in the General Common Elements to purchasers, declarant, or its successors and assigns, acting alone shall have the right to appoint and reappoint the members of the Board of Directors, other than those elected pursuant to Article VI, Section 3 hereof.

2. Other Rights. Pending the sale of all of the Units on the Condominium, including any Units on the Expansion Real Estate described in Article XIII, Declarant, or its successors and assigns, acting alone:

a. may, but shall not be obligated to, manage and operate the Condominium in accordance with the provisions of this Declaration; but any agreement for professional management of the Condominium, or any other contract providing for services of Declarant, shall not exceed three (3) years and shall provide for termination by either party without cause and without payment of a termination fee on no more than ninety (90) days written notice;

b. may use the Common Elements and any unsold Units on the Condominium in any manner as may facilitate the sale or leasing of all Units thereon, including, but not limited to, in connection therewith, maintaining a sales and/or rental office or offices and models (regardless of whether all the non-model Units in a Building are

sold), showing the Condominium or maintaining signs;

c. reserves the right to (i) grant easements upon, over, through and across the Common Elements as may be required for furnishing any kind of utility services, including cable television or master antenna service, which easements may be granted to itself or its nominee and/or as may be necessary for excavation and construction of any of the Units; (ii) grant easements upon, over, through or across the Common Elements for ingress and egress to and from the Condominium and other real property adjacent to it; and (iii) grant easements for road, sewer and other utility purposes across, over and under the Common Elements for the benefit of other lands provided that in the instrument creating such easement Declarant shall specify a method by which the maintenance costs of such easement shall be shared by the Association and such other users and provided that use of such easements will not be reasonably anticipated to overburden the existing use of the Common Elements; and

d. reserves the right to (i) make minor alterations and changes to the design or exterior materials of any Building or any part thereof subsequent to construction and (ii) alter and change the interior materials and the interior arrangement of any Unit owned by Declarant.

ARTICLE XIII

EXPANSION OF CONDOMINIUM

1. Right to Expand. Declarant expressly reserves unto itself, its successors and assigns, the right to expand the Condominium, without the consent or approval of any Unit owner, at any time and from time to time on or prior to the expiration of seven (7) years from the date of recording this Declaration by constructing on the Property no more than an additional twelve (12) units. Such Units shall be located within the general areas indicated therefor on Exhibit B hereto. All improvements made must be of the same quality construction as the original Units constructed hereunder and must be substantially completed prior to the improvements becoming subject to this Declaration. Declarant shall be under no obligation to and makes no representation that it will expand or construct any part or

all of the Condominium as such rights are reserved herein. The Units and their owners and any Common Elements thereon will become subject to and will be entitled to the benefits of the provisions of this Declaration.

2. Effect of Expansion. Upon each such expansion:

a. The percentage of undivided interest in the Common Elements appertaining to each Unit shall be adjusted as follows:

(i) Each Unit's percentage of undivided interest in the Common Elements shall be the number one (1) divided by the total number of Units then subject to this Declaration.

(ii) Each Unit shall be entitled to such Limited Common Elements as are specified in the documents required for expansion.

b. The common surpluses and expenses of the Condominium shall be shared among the owners of all Units according to the percentage of their undivided interest in the Common Elements, in accordance with Article V as adjusted in the manner set forth above.

c. Each owner of a Unit shall be a member of the Association and one vote shall appertain to each Unit.

3. Method of Expansion. The right of expansion reserved herein shall be exercised by the recording of an amendment to this Declaration and an amendment to each of the Exhibits appended hereto in the office of the Register of Deeds for Waukesha County, Wisconsin. None of the provisions contained in this Declaration shall be construed to create any obligation on behalf of the Declarant, its successors and assigns, to in fact effect such expansion. Exhibit E hereto and the condominium plat show only the outline of the proposed improvements which may be added as part of the expansion of the Condominium. Each time that Declarant desires to subject any additional improvements to this Declaration, Declarant shall record amendments to the Exhibits hereto and to the condominium plat which shall show the location of the buildings, units, other improvements and common elements in the same manner as if the above were to be shown on the original, recorded condominium plat.

4. Construction Easement. Declarant hereby reserves an easement across the Condominium for purpose of construct-

ing such expansion Buildings. This easement shall expire at such time as Declarant's rights under this Article XIII shall expire.

ARTICLE XIV

Units which have at least fifty-one percent (51%) of the votes of Units subject to mortgages.

ARTICLE XV

FOURTH AMENDMENT TO DECLARATION OF CONDOMINIUM
OF CONDOMINIUMS OF
WESTWIND GREENS CONSERVANCY

This Amendment to the Declaration of Condominium of Condominiums of Westwind Greens Conservancy is made by Hibiscus Investments, Inc. (hereinafter "Declarant"), pursuant to and in accordance with the provisions of the Condominium Ownership Act created by Chapter 703 of the Wisconsin Statutes and the Declaration of Condominium of Condominiums of Westwind Greens Conservancy dated September 11, 1990, and recorded in the Office of the Register of Deeds for Waukesha County, Wisconsin on September 11, 1990, as Document No. 1611967, in Reel 1236, Images 0929-0959, and any Amendments thereto previously recorded, hereinafter referred to as the "Declaration".

The Property which is subject to the Declaration and this Amendment is described as follows:

Lot 1, Certified Survey Map No. 6250, being a part of the Southeast 1/4 of the Southwest 1/4 and the Southwest 1/4 of the Southeast 1/4 of Section 15, Town 7 North, Range 18 East, in the Town of Delafield, Waukesha County, Wisconsin.

By the Third Amendment to the Declaration and the Second Amendment to Condominium Plat the Declarant added Building No. 1 located at W304 N2366 South Westwind Drive, Pewaukee, Wisconsin to the Condominium Ownership Act and the Declaration. However, the Third Amendment to Declaration incorrectly designates the unit addresses for Unit Nos. 1A, 1B, and 1C.

NOW, THEREFORE, Declarant hereby amends Exhibit C of the Declaration by restating the unit addresses for Units 1A, 1B, and 1C as follows:

All addresses are Pewaukee, Wisconsin 53702:

<u>Unit No.</u>	<u>Unit Address</u>
1A	W304 N2366 South Westwind Drive, #1A

AGREEMENT FOR DEVELOPMENT OF
CONDOMINIUM PROJECT AND TO
TERMINATE EXISTING USE

THIS AGREEMENT entered into this 13th day of February, 1990, by and between the developer, HIBISCUS INVESTMENTS, INC., hereinafter referred to as "Hibiscus," and THE TOWN OF DELAFIELD, a municipal body corporate, hereinafter referred to as the "Town".

WITNESSETH:

RECITALS

- (1) Hibiscus owns property on the west shore of Pewaukee Lake, the legal description thereof being attached hereto as Exhibit "A". Most of it zoned Residential-Lake, and contains lake cottages of considerable age, and varying condition.
- (2) It would be in the public interest to have the said buildings removed, and the property renewed by the construction of a quality residential multiple family condominium project, as hereinafter described.
- (3) Section 17.10 authorizes conditional uses in the various zoning use districts. Particularly, Sec. 17.10(5)(u) authorizes "Residential Planned Unit Development", subject to the terms and conditions thereof.
- (4) In accordance with the said provisions, after public notice and hearing as required by law, and upon the recommendation of the Town Plan Commission, the Town Board has adopted a resolution approving the Residential Planned Unit Development hereinafter described.
- (5) The parties desire to implement this project in three stages, and for that purpose has agreed, and do hereby agree, to be bound by this agreement.
- (6) Hibiscus agrees that upon the first phase of the project receiving an occupancy permit, all existing uses and buildings shall be terminated and removed.
- (7) Hibiscus agrees to post a surety bond in an amount to be determined by the Town Board and in a form approved by the Town Attorney, insuring that this agreement will be complied with.

NOW, THEREFORE, IT IS AGREED by Hibiscus that the multiple-family condominium complex will be developed as set forth below;

that all other uses will be terminated as provided and which shall be accomplished as follows:

1. Hibiscus agrees that the lands described above will be developed as a multi-family residential condominium complex, as follows:

a. An accurate map of the property shall be drawn to a reasonable scale, including indication of the general terrain and topographic characteristics, the location of all significant terrain features such as streams, ponds, tree growth, etc., and the location of all existing structures.

b. An accurate and complete written description of the proposed condominium uses for which approval is being requested including pertinent statistics and operational characteristics.

c. Plans and other drawings showing proposed development of the site and buildings including landscape plans, location of parking and service areas, driveways, exterior lighting, type of building material, drainage and erosion control plans, water supply and waste water disposal and any other pertinent information required by the Plan Commission or Town Board.

d. Pursuant to approval of the Site Plan and Plan of Operation by the Plan Commission, condominium plat and related instruments shall be submitted in accordance with applicable State Statutes.

e. The condominium development shall consist of a maximum of eighteen (18) residential condominium units, which shall conform to the requirements of the Town of Delafield.

f. The multiple-family residential condominium development shall be completed in not more than three (3) phases. Six (6) condominium units shall be constructed during each of the proposed three (3) phases.

g. The time limit controlling the completion of the separate phases of the residential condominium development shall be as follows:

Phase 1: within 24 months from the issuance of the building permits for the buildings in Phase 1.

Phase 2: within 12 months from the issuance of the building permits for the buildings in Phase 2.

SW

Phase 3: within 12 months from the issuance of the building permits for the buildings in phase 3.

Within 12 months after the occupancy permit is issued for any phase, the property in said phase shall be restored, the landscape plan implemented, and all drives and parking areas paved.

h. Hibiscus agrees that not more than six (6) boat slips and accessory catwalks on one pier not exceeding seventy (70) feet in length will be installed upon the lake frontage of the proposed condominium development upon completion of the first phase, the use thereof being restricted to the owners of units constructed in said first phase and their guests.

i. Hibiscus agrees that not more than six (6) additional boat slips and accessory catwalks and one (1) additional pier not to exceed seventy (70) feet in length may be installed upon the lake frontage of the proposed condominium development upon completion of the second phase, the use thereof being restricted to the owners of units constructed in said first and second phases and their guests.

j. Hibiscus agrees that not more than six (6) additional boat slips and accessory catwalks and one additional pier not to exceed seventy (70) feet in length may be installed upon completion of the third phase of the development, giving a grand total of eighteen (18) boat slips and accessory catwalks on three (3) piers, all of which are to be used only by the owners of condominium units and their guests. No pier may be installed closer than the length of said pier from the side lot line.

k. Boat lifts may be permitted in the above described slips provided that they be of standard design and dimension, and when not in use, be stored within the proposed buildings or screened from view from the road, lake, and abutting property owners.

l. The location of slips, lifts, catwalks and/or piers, and the length and width of catwalks and piers shall be as designated on the approved site plan.

m. Hibiscus agrees that the Articles of Condominium Association, By-Laws of the Condominium Association and the Declaration of Restrictions shall provide that there be no overnight boat docking. Use of boat slips shall not be considered docking.

n. Boats shall be limited as follows:

1. No houseboats shall be allowed.
2. No power boat or sail boats with cabins shall be allowed.
3. No power boat greater than 20 feet in length shall be allowed.
4. The total number of boats shall not exceed 18.

o. Parking of vehicles with trailers attached or unattached trailers shall be limited to those owned by condominium unit owners only. Said trailers shall not be parked outside overnight for periods in excess of one night.

p. Winter boat, storage of boats, piers, lifts, and trailers shall not be permitted from November 1 through April 15 except in the existing garage units. Removal of the piers for the winter season shall be the responsibility of the Condominium Association.

q. Hibiscus agrees that they will submit the Articles of Condominium Association, the Condominium Association By-Laws, and the Declaration of Restrictions to the Plan Commission and Town Board for review and approval.

2. The main private road serving the property shall be 24 feet wide constructed to the Town of Delafield typical road section. Other driveways may be 15 feet in width and shall be paved.

3. In the event the lands to the north of the property are developed in a similar manner and the Town requires a connecting street between the properties, as the property being developed by Hibiscus, Hibiscus agrees to enter into a reciprocal easement agreement for ingress and egress. Said easement agreement shall be in a form acceptable to Hibiscus and the condominium association and shall obligate the owners of the lands to the north to contribute to the costs of snow plowing, repairs, maintenance, etc. of the roadway located on the property. The 24 feet roadway shall be constructed to within six feet of the north property line. A hedge shall be planted at the north end of said road as a buffer from the property to the north. Said hedge shall be eliminated if the road is connected to the north property. Said connection shall be at the expense of the property owner to the north.

4. The Town will provide a water storage tank of approximately 10,000 gallons to be installed by Hibiscus on said property.

5. All requirements of the Waukesha County Park and Plan Commission and Zoning Board of adjustment approvals shall be complied with.

6. All applicable provisions of the Wisconsin Department of Natural Resources and U.S. Army Corps of Engineers approvals shall be complied with.

7. All building plans must be submitted to and approved by the Town of Delafield Architectural Control Committee if requested by the Town Building Inspector.

8. Right-of-way for Maple Avenue (C.T.H. E) shall be dedicated to the public from the existing center line of the road to a point 50 feet east.

9. Abandonment of Development. If, during the development of the proposed eighteen (18) condominium unit complex, less than the proposed number of units have been constructed and plans for completion are abandoned, it is agreed that all the existing uses shall terminate and the use of the undeveloped portion of the premises shall be limited to open space. In this event, the Plan Commission shall establish the limits of the undeveloped land to be used for open space and parking purposes.

10. Prior to the issuance of the initial building permit, Hibiscus shall furnish the Town with a letter from Hibiscus' lender which shall provide that lender has committed to Hibiscus to lend sufficient funds needed by Hibiscus to complete the project.

11. This agreement is binding upon Hibiscus, the Town, their heirs, successors or assigns.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year above written.

ZONING BOARD OF ADJUSTMENT
500 RIVERVIEW AVENUE
WAUKESHA, WISCONSIN 53188

May 18, 1990

To: Lynch and Company, Ltd.
9205 W. Center Street
Milwaukee, WI 53222

B.A. File No.: BA90:48

Hearing Date: May 16, 1990

Please be informed that the WAUKESHA COUNTY ZONING BOARD OF ADJUSTMENT took the following action on May 16, 1990 relative to your appeal:

Approved your request to furnish nine additional boatslips (or 18 total) in conjunction with the Hibiscus Investments, Inc. Planned Unit Development Project.

Conditions:

None.

Reasons:

As approved, the petitioner will be able to furnish a permanent boatslip for each of the 18 condominium units on the property. The town and county had previously approved a condominium project within a mile of the property that allows two boatslips per condominium unit. The proposed condominium project has more real estate value than the nearby development had. In addition, the town and county have also allowed several different marina developments within a mile of the project with many more boatslips per frontage while paying less real estate taxes. Thirdly, the town engineer and planner indicated that this proposal is acceptable and approves the boatslip layout presented by the petitioner. The proposal as given by the petitioner will result in the removal of the number of nonconforming structures from the property and therefore would be in keeping with the spirit and intent of the ordinance.

X If you are able to comply with the above conditions, please notify the County Zoning Administrator so that a Zoning Permit can be issued.

_____ Contact the County Zoning Administrator for your Zoning Permit.

_____ If you have further questions, you may contact the County Zoning Administrator or the Town Building Inspector.
