Section 1.06 - Developer's Agreement. The condominium property is subject to the terms and conditions of that certain Developer's Agreement recorded on March 8, 2004 as Document No. 1039195 in the Washington County Register of Deeds Office.

ARTICLE II CONDOMINIUM BUILDINGS

Section 2.01 - Location of Buildings. The buildings are or will be located on the property as depicted on the condominium plat.

Section 2.02 - Building Identification System. The buildings containing the condominium living units shall each be assigned a post office street address and tax key number as shown on Exhibit A.

Section 2.03 - Description of Buildings. Each building will contain two units and will be substantially the same in size, style and configuration and contain approximately 1,806 square feet in each unit. Each building is one and one-half story, with basement, of wood frame construction, composition roof shingles and brick, stone, cedar or other natural exterior finish materials. Section 3.02 - Unit Defined. A condominium unit is that portion of a building intended for private use and occupancy as a residential dwelling, consisting of one or more rooms or enclosed spaces on one or more levels and having outer boundaries formed:

- (I) as to finished areas, by and including the interior surface materials (i.e., drywall, paneling, tiling and floor coverings) of the perimeter and internal structural walls, floors and ceilings; and
- (ii) as to any unfinished areas (such as garage), by the following:
 - (a) upper boundaries shall be the horizontal plane created by the undersurface of the ceiling/floor joists or the undersurface of the chords of the roof trusses, as the case may be;
 - (b) lower boundaries shall be the upper surface of the basement floor; and

- (c) vertical boundaries shall be the vertical plane created by the inner surface of perimeter and structural walls.

Each unit includes its attached garage, windows, window frames, entry doors, door frames and unit fixtures. Each unit may contain a sunroom and /or deck as selected by the unit owner in a location approved by the Declarant. The construction of the sun room must be compatible with the construction materials used for the exterior of the unit. Declarant approval is not required for sun rooms built by the individuals (or their related entities) who are shareholders in DSJ Inc. An optional gas fireplace is a part of the unit in which it is located. The boundaries of each unit have the dimensions and are located as shown on the condominium plat and amendments filed pursuant to Section 1.05 of this Declaration.

Section 3.06 - Unit Modification. The floor plan of a unit may be altered and the fixtures therein may be modified by a unit owner provided that such work is done in compliance with Section 6.03 of this Declaration. Section 4.02 - Percentage Interest. Each unit owner shall have an undivided 1/30 interest in the common elements of the condominium as a tenant in common with the other unit owners of the condominium.

Section 4.03 - Transfer of Common Elements. The percentage interest of each unit owner in the common elements of the condominium shall not be separated from the unit to which it appertains and shall be deemed to be conveyed, leased or encumbered with the unit even though such interest is not expressly mentioned or described in the conveyance or other instrument.

Section 4.04 - Partition of Common Elements. There shall be no partition of the common elements through judicial proceedings or otherwise unless this Declaration is terminated and the property is withdrawn from the terms of this Declaration and any statute of Wisconsin applicable to condominium ownership.

ARTICLE V
LIMITED COMMON ELEMENTS

Section 5.01 - Type-I Limited Common Elements. Certain common elements which are contiguous to a unit shall be known as Type-I limited common elements and shall be reserved for the exclusive use and benefit of the occupants of such units. They include, without limitation, the following:

- (4) the lot upon which the building is located;
- (5) the driveways, sidewalks, private roadways and lighting thereof serving the buildings;
- (6) shrubbery and other landscaping improvements which are located within the subdivision lot; and

- (7) such other parts of the common elements necessary, convenient, appurtenant to or normally in common use by the occupants of a building;

Section 5.03 - Transfers. The use of limited common elements shall not be separated from the unit to which such use appertains and shall be deemed transferred with the unit when it is leased, conveyed or encumbered, even though such interest is not expressly mentioned or described in the conveyance instrument.

ARTICLE VI REPAIRS AND MAINTENANCE

Section 6.01 - Common Elements. The Association shall be responsible for the management, control, maintenance, repair and replacement of the common elements (including the Type-I and Type-II limited common elements) and shall cause the same to be kept in good, safe, clean, attractive and sanitary condition, provided, however, that the cost to repair or replace any portion of the common elements damaged through the fault or negligence of a unit owner or occupant may be charged in accordance with Section 7.04 of this Declaration.

Section 6.02 - Individual Units. Each unit owner shall be responsible to maintain his or her unit in good order, condition and repair and in a clean, safe and sanitary condition. Further, each unit owner shall be responsible for the maintenance, repair and replacement of unit fixtures.

Section 6.03 - Limitations on Changes. No unit owner shall alter the floor plan or otherwise modify his/her unit without first obtaining, during the period of Declarant control as defined in Section 12.05 of this Declaration, the written consent of the Declarant or thereafter, the written consent of the Association. Likewise, no unit owner shall make any alteration, change or improvement to common or limited common elements without such consent. A unit owner shall not perform, or allow to be performed, any act or work which would impair the structural soundness or integrity of a building or the safety of the property, or impair any easement.

Section 6.04 - Entry for Repairs. The Association shall have the right, at reasonable times and under reasonable conditions, to enter upon or across any unit in connection with the maintenance, repair or replacement of any common element. Except in cases of emergency, the Association shall give 24 hour prior notice to affected unit owners and occupants of its need to make entry. Such entry shall be with as little inconvenience to the unit occupants as practical and any damage caused thereby shall be repaired and restored by the Association and treated as a common expense.

Section 6.05 - Lawn Care and Snow Removal. The Association shall have the right to enter into contracts for maintenance lawn and landscaping in the common areas and for snow removal. The snow removal contract shall require the contractor to clear Lorrin Place and Foxland Place in such a manner as to ensure emergency vehicle access, ensuring

full usage of the turnaround area at the terminus of the cul de sac. Each unit owner shall be responsible for snow and debris removal from the front entryway of their unit.

ARTICLE VII ASSESSMENTS FOR COMMON EXPENSES

Section 7.01 - Purpose of Assessments. The assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the residents in the condominium; to provide for the repair, maintenance, insurance and improvement of the common elements; to provide for such emergency repairs as the Association may deem necessary; and to create reserve funds for the purposes authorized by this Declaration and the By-Laws.

Section 7.02 - Common Expenses. Common expenses are defined as follows:

- (1) all sums lawfully assessed against the unit owners by the Association for the management, control, maintenance, repair and replacement of common elements;
- (2) expenses declared common expenses by the Act, by this Declaration or the By-Laws;
- (3) amounts determined by the Board of Directors to be collected and held from time to time as a reserve fund for the future acquisition, replacement or repair of common elements (including Type-I and Type-II limited common elements such as building roofs, driveways and parking lots, other building components and landscaping improvements). The reserve fund shall accumulate from year to year in a non-lapsing account of the Association.

Section 7.03 - Share of Common Expenses. Each unit owner shall be responsible for the payment of that proportionate share of the common expenses reflected by the percentage interest in the common elements assigned to each unit by Section 4.02 of this Declaration; provided, however, that expenses incurred by the Association to repair any portion of the common elements damaged through the fault or negligence of a unit owner or occupant may be accounted for separately and be charged to the unit owner responsible therefor as a special charge.

Section 7.04 - Special Charges. Expenses incurred by the Association to repair or replace any portion of the common elements damaged through the fault or negligence of a unit owner or occupant and expenses incurred by the Association for the maintenance, repair or replacement of Limited common elements in accordance with Section 6.01 of this Declaration may be accounted for separately and be charged to the unit owners responsible therefore as a special charge. Penalties assessed by the Board of Directors for infractions of Association rules and regulations shall also be special charges.

Section 7.05 - Annual Assessments. The Association shall, as provided in the By-Laws, determine an annual budget for common expenses and fix an annual assessment which shall be paid by each unit owner on a monthly basis. Monthly payments not made when due shall render the unpaid annual assessment for such year delinquent and such amount shall be due and payable in full. The failure or delay of the Association to prepare the annual budget or to notify any unit owner of his/her assessment shall not constitute a waiver or release of such unit owner's obligation to pay his/her proportionate share of the common expenses whenever the same shall be determined; and in the event of such failure or delay of the Association to prepare the annual budget, each unit owner shall continue to pay the annual assessment at the then existing rate until the new assessment is determined.

Section 7.06 - Common Surpluses. In the event of a common surplus at the end of any fiscal year, such surplus (excluding amounts held in the reserve fund) shall be credited to the unit owners' next annual assessments for common expenses in proportion to the percentage of interest for each unit established by Section 4.02 of this Declaration, or may be designated and applied to the capital reserve fund at the discretion of the Board of Directors of the Association.

Section 7.07 - Special Assessment. In addition to the annual assessments the Association may, in the absence of sufficient reserve funds, levy special assessments for the purpose of defraying in whole or in part the cost of any construction, reconstruction, acquisition, replacement or repair of common elements, or to finance any underestimated, unusual or unpredicted cost. Such special assessment shall be levied and collected in the manner set forth in the By-Laws. The proceeds of a special assessment shall be collected, held and disbursed by the Association for the sole purpose for the which the same was levied.

Section 7.08 - Uniform Rate of Assessment. The annual assessments and any special assessments shall be levied at a uniform rate for all units in accordance with the percentage interest established by Section 4.02 of this Declaration.

Section 7.09 - Covenant to Pay. In accordance with the statutory liability created by the Act, the owner of each unit, by the acceptance of a deed therefor, whether or not it be so expressed in the deed, shall be conclusively deemed to have covenanted and agreed with every other unit owner and with the Association to pay to the Association all assessments and charges, regular or special, in accordance with the provisions of the Act, this Declaration and the By-Laws. Liability for assessments and charges may not be avoided by waiver of the use or enjoyment of any common element or by abandonment of the unit for which the assessments or charges are made.

Section 7.10 - Liability for Assessments upon Conveyance.

- (1) In a voluntary conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments levied against the grantor for his or her share of the common expenses up to the time of the conveyance and for which a statement of condominium lien is filed as provided herein, without prejudice to the rights of

the grantee to recover from the grantor the amount paid by the grantee for such assessments.

- (2) Any grantee of a unit is entitled to a statement from the Association setting forth the amount of unpaid assessments against the grantor and the grantee is not liable for, nor shall the unit conveyed be subject to a lien which is not filed pursuant to Section 7.11 hereof for, any unpaid assessment against the grantor in excess of the amount set forth in the statement. If the Association does not provide such statement within ten (10) business days after grantee's request, it shall be barred from claiming against the grantee under any lien which is not filed under Section 7.11 hereof prior to the request for the statement.

Section 7.11 - Lien for Assessments. All assessments, regular or special, and special charges levied pursuant to this Article, together with interest thereon and actual costs of collection, constitute a lien upon such unit and upon the undivided interest in the common elements appurtenant thereto, in favor of the Association, provided that a statement of lien is filed within two (2) years after the date on which the assessment becomes due. The Lien is effective against the unit at the time the assessment becomes due regardless of when within the two (2) year period it is filed. A statement of condominium Lien signed and verified by a director of the Association is filed in the land records in the office of the Clerk of Circuit Court of Washington County and shall contain the legal description of the unit, the name of the record owner thereof, the amount of assessment due and the period for which the assessment was due. Upon full payment of an assessment for which the lien is claimed, the unit owner shall be entitled to a fileable satisfaction of the lien.

Section 7.12 - Priority of Lien. Such lien shall be superior to all other liens and encumbrances on such unit, except only for:

- (1) liens of general and special taxes;
- (2) liens of a first mortgage recorded prior to the making of the assessment;
- (3) construction liens filed prior to the making of the assessment; and
- (4) all sums unpaid on any veteran secondary mortgage loan made under Section 45.80, Stats.

All other liens created after the date of the recording of this Declaration shall be inferior in priority to Liens of the Association for any assessment, whether or not so specifically set forth in the instruments creating such Liens.

Section 7.13 - Enforcement of Lien. A Lien may be enforced and foreclosed by the Association in the same manner and subject to the same requirements as a foreclosure of mortgages on real property. An action to foreclose the lien must be initiated within three (3) years following the recording of the statement of condominium lien; provided, however, that no action may be brought except after ten (10) days prior written notice to the unit owner given by registered mail, return receipt requested, to the address of the unit owner shown on the books of the Association. The Association may recover costs and actual attorney fees and may bring suit for any deficiency following foreclosure in the same proceeding.

Section 7.14 - Additional Remedies. Any assessment or installment thereof not paid within 10 days after the due date shall accrue interest from the due date at the rate prescribed by the Wisconsin Statutes to be collected upon the execution of a judgment. In lieu of charging such interest, the Association Board of Directors may, from time to time, fix a reasonable late payment fee for each month, or fraction thereof, that such assessment is not paid. All payments on account shall be first applied to the interest or late charge, if any, and then to the assessment payment first due. The Association may bring an action at law against the unit owner obligated to pay the assessment or may foreclose the lien against the unit. The filing of a suit to recover a money judgment for unpaid assessments hereunder shall not be deemed to be a waiver of the Association's lien foreclosure rights.

Section 7.15 - Assessments Against Declarant. Notwithstanding any other provision of this Article, the Declarant is not required to pay annual or special assessments under this Article for unoccupied units owned by the Declarant. Declarant shall, however, pay a charge sufficient to cover the costs of Association insurance attributable to such units plus a standby charge of \$10.00 per unit per month. The standby charge shall accrue as to each such unit from the date an occupancy permit is issued for the unit by the governmental agency having jurisdiction to issue such permits until such time as the unit is physically occupied or sold.

ARTICLE VIII COVENANTS ON USE AND OCCUPANCY

Section 8.01 - Use of Premises. All units in the condominium shall, except as hereafter provided, be used exclusively for residential dwelling purposes consistent with the size and facilities of the units. During the period in which initial sales of units by the Declarant are in progress, the Declarant may maintain model units within the condominium and may occupy or grant permission to any person with or without rental, as determined by the Declarant, to occupy the same for business or promotional purposes, including clerical activities, sales offices and model units for display, provided such activities do not unreasonably interfere with the quiet enjoyment of any other unit owners or unit occupants.

During the term of any lease of all or any part of a unit each unit owner shall remain liable for the compliance of the unit, the unit owner and all tenants of the unit with all provisions of this Declaration, the By-laws and the Rules and Regulations of the Association and shall be responsible for securing such compliance from the tenants of the unit. The restrictions against leasing contained in this section 8.14 shall not apply to leases of the units by the Declarant or leases of the units to the Association, and may not be amended to impose further restrictions on the right to lease or to leave without the prior written consent of Declarant during such time as Declarant owns any unit in the condominium.

ARTICLE XI RECONSTRUCTION

Section 11.01 - Determination. Partial damage or total destruction of any part of the common elements shall be repaired and rebuilt as soon as practicable and substantially to the same design, plan and specifications as originally built, except that if the cost of repair or reconstruction would exceed the amount of available insurance proceeds, the Association may, by written consent of at least seventy-five percent (75%) of the unit owners and their mortgagees and within ninety (90) days of the date of the damage or destruction, determine not to rebuild or repair. In such event, the property shall be subject to an action for partition pursuant to the Act.

Section 11.02 - Variances.
