ARTICLE 2. DIVISION OF CONDOMINIUM INTO SEPARATE FREEHOLD ESTATES

2.1 Units. The Condominium shall initially include twelve (12) Units with identification as set forth in Exhibit A. The boundaries of each Unit shall consist of the interior planes of the perimeter walls, ceiling and floors inside the Unit as depicted in the floor plans attached as Exhibit B. The interior walls within each Unit may be reconfigured by its Owner provided that the reconfiguration does not impair the structure of the Unit's Building and the Association approves of the reconfiguration. Each Unit also includes all mechanical and utility installations which exclusively service the Unit.

2.2 Common Elements. Each Unit also has appurtenant Common Elements, which consist of both General and Limited Common Elements. The Limited Common Elements of each Unit include one mailbox; one or more underground parking space(s) and a storage area as described in Section 2.6; porches (for upper floor Units and end first floor Units); and ground floor balconies (for center first floor Units, but which are also described on the plat as "patios"). Certain Limited Common Elements are also shown on the Plat. The Limited Common Elements are reserved for the exclusive use of the Unit to which they are appurtenant. The General Common Elements shall consist of all of the Condominium except the Units and the Limited Common Elements. Supply lines, waste lines, pipes, wires, conduits or public utility lines running through a Unit shall be part of the Unit; and all other such lines, pipes, wires or conduits outside of a Unit shall be General Common Elements to the extent not owned and/or maintained by any public utility, governmental unit or cable television company. Notwithstanding Section 6.1(3), the Board shall determine the style of windows and doors for units.

2.3 No Separation of Units. Units may not be separated.

2.4 Relocation of Unit Boundaries. If an Owner owns two (2) or more adjacent Units, the Owner may remove the perimeter boundaries separating the Units upon written approval of the Association. The act of connecting such Units shall not diminish their character as separate Units, so that the Owner may vote for each Unit and shall pay assessments for each Unit. If such Owner ever elects to sever the common ownership of such Units, such Owner shall, as a condition thereto, restore the physical boundaries at Owner's cost in a manner satisfactory to the Board.

2.5 Conveyance of Certain Limited Common Elements. The Owner of a Unit may convey by deed to any other Owner the right to use the underground parking space and storage area appurtenant to such Unit. Any such Limited Common Elements so conveyed shall thereafter be appurtenant as Limited Common Elements of the Unit specified in such deed.

2.6 Initial Designation by Declarant. Parking spaces and storage lockers as shown on Exhibit B are available to be conveyed by Declarant as Limited Common Elements, but such

spaces and lockers have not yet been designated by Declarant as appurtenant to particular Units. Declarant may designate particular parking spaces and storage lockers for particular Units by deed, after which such parking spaces and storage lockers shall be Limited Common Elements of the designated Units. Declarant may charge for the designation of a parking space and storage locker. A parking space might not be located in the Building in which the Unit is located. Until such designation, Declarant shall have the exclusive right to use such parking spaces and storage lockers. Declarant shall have the continuing right to so designate parking spaces and storage lockers even after all Units have been conveyed by Declarant, provided that parking spaces or storage lockers may only be designated or used in connection with Units or the Association.

ARTICLE 3. INTEREST AND COMMON ELEMENTS

3.1 Unit Interest. Each Unit shall have an Interest equal to one (1) divided by the number of Units in the Condominium. Initially, each Interest is one-twelfth ($1/12^{\text{th}}$). The respective Interests may be changed as a result of expansion as set forth in Article 10 and will not exceed one-twenty-fourth ($1/24^{\text{th}}$) of the Condominium if fully expanded.

ARTICLE 4. ASSOCIATION OF UNIT OWNERS

4.1 Administration. The Declarant shall create the Association, which shall be incorporated and shall adopt Bylaws for the governance and administration of the Condominium. The Association shall administer the Condominium and the provisions of this Declaration and the Bylaws, acting through its Board. From time to time, the Board may, but need not, adopt and amend Rules regarding the use of the Common Elements. After adoption, the Rules shall be binding upon Owners and Occupants.

4.2 Membership and Voting. Each Owner shall be a member of the Association and membership shall commence and terminate with ownership. Each Unit shall be vested with a vote equal to the numerical equivalent of its percentage Interest, so that the total number of votes is 100, to be cast as set forth in the Bylaws. The Association shall not be entitled to vote the percentage Interest of any Unit owned by the Association.

4.3 Control of Association. The Declarant shall have the right to appoint and remove the officers of the Association and to exercise any and all of the powers and responsibilities assigned to the Association and its officers by the Articles, Bylaws, the Act, this Declaration and the Wisconsin Nonstock Corporation Law from the date the first Unit is conveyed by the Declarant to any person other than Declarant, until the earliest of: (1) ten (10) years from such date; or (2) thirty (30) days after the conveyance of seventy-five percent (75%) of the Interests to purchasers; or (3) Declarant's election to waive its right of control. Prior to the conveyance of twenty-five percent (25%) of the Interests to purchasers, the Association shall hold a meeting, and the Owners other than the Declarant shall elect at least twenty-five (25%) of the Directors. Prior to the conveyance of fifty percent (50%) of the Interests to purchasers, the Association shall hold a meeting, and the Owners other than the Declarant shall elect at least one-third ($1/3$) of the Directors. For purposes of calculating the percentages set forth in this Section until

such time as the rights in Article 10 terminate, the percentage of Interests conveyed to purchasers shall be calculated with reference to the maximum number of Units that may be included in the Condominium as if complete expansion takes place.

4.4 Management. The Association may employ a professional management agent or company for the Condominium with such experience and qualifications and on such terms and conditions as are acceptable to the Board. Any such agreement must be terminable with or without cause upon ninety (90) days notice without payment of any penalty.

4.5 Approvals.

(a) Any proposal by an Owner requiring Board or Association approval shall be submitted in writing, in such detail and with such supporting documents as the Board may require to facilitate its understanding and review. The Board may approve or disapprove any proposal after considering one or more of the following concerns and any additional criteria the Board deems prudent: (1) freedom and safety of access and convenience to other Units; (2) requiring the written agreement of the Owner making the proposal to pay the costs of restoring Common Elements affected by such proposal to their prior physical condition upon the termination of such use; and (3) requiring the Owner's written agreement to pay a fair and reasonable one-time or periodic charge to the Association for any encroachment on Common Elements resulting from the proposal. The Board may at its discretion impose further conditions upon its consent to any proposal as it deems appropriate. Approval of a proposal shall be deemed given if the Association president (A) indicates in writing or (B) fails to respond within sixty (60) days following the Owner's written submission of a proposal unless, prior to the expiration of such period, additional information is requested of the Owner by the Board or the Board issues its written refusal.

(b) The Board's express prior written approval is required for each of the following actions: (1) the reconfiguration of any interior walls within a Unit, or (2) the removal of perimeter walls by an Owner who owns 2 or more adjacent Units, or (3) the type of window treatments used in each Unit. The submitted proposal for such actions required under this article, shall include, without limitation, two copies of written information showing detailed plans and specifications for the reconfiguration and construction of walls, or the proposed window treatments for their Unit. The listing of those certain actions above does not limit the types of actions which require Board or Association approval as otherwise set forth in this Declaration.

ARTICLE 5. ASSESSMENTS

5.1 Budget. The Association shall annually adopt a budget of Common Expenses. The budget shall include amounts representing assessments that are bad debts, and shall include a replacement reserve out of general assessments.

5.2 General Assessments. The Association shall levy assessments based on each budget. The budget shall be allocated equally among all Units.

5.3 Special Assessments and Charges. The Association may also levy (a) special assessments on all Units for any purpose for which a general assessment may be levied, (b) special assessments or fines on a particular Owner for the purpose of collecting any amounts due the Association or enforcing compliance by such Owner with any provision of the Condominium Documents including without limitation Section 14.2 of this Declaration, and (c) requests by an Owner to service Limited Common Elements above and beyond the normal scheduled service provided by the Association. The Board may adopt a Rule to impose uniform charges for services which the Association provides related to transfer of Units, review of proposals under Section 4.5, and the like.

5.4 Installments; Late Payments. General assessments shall be made on an annual basis but shall be due and payable in monthly installments on the first day of each month. Special assessments shall be due and payable at such time and in such manner as the Board may determine. Any assessment or installment of an assessment not paid within ten (10) days of its due date may be subject to a late charge and/or interest as set forth in the Bylaws or in the Rules.

5.5 Enforcement; Liens. If an Owner defaults in any payment, the Association shall take appropriate measures as provided by law. The defaulting Owner shall be responsible for all costs incurred by the Association in seeking to enforce payment including reasonable attorney fees. Owners shall be both personally liable for assessments and a lien shall be imposed against such Owner's Unit for any unpaid assessments. Liens for unpaid assessments shall also extend to and secure interest, fines and reasonable costs of collection, including reasonable attorneys' fees incurred by the Association incident to the collection of assessments or enforcement of liens. The Association may purchase a Unit upon the foreclosure of its lien.

5.6 First Installment. The first installment of general assessments for each Unit in a Phase shall be due and payable commencing not later than 60 days after the date of recordation of the first instrument of conveyance of a Unit in that Phase except that if at such time occupancy certificate for such Unit has not been issued by the City of Milwaukee, then the first installment shall be due and payable commencing with the month following the month in which the occupancy permit is issued. Installments for partial months shall be prorated.

5.7 Payment of Assessments by Declarant. During the period of Declarant control, Declarant may, but shall not be obligated to, directly pay bills or provide services which would otherwise represent Association obligations to which general assessments would be applied. Declarant shall be entitled to offset expenses incurred by Declarant in performing or paying for such Association obligations against assessments due on Declarant owned Units.

5.8 Initial Working Capital Fund. Each purchaser of a Unit from Declarant shall, at the time of conveyance, pay to the Association an amount equal to two (2) months installments of the regular assessment provided for in this Article, or such greater amount as designated by the Board. Amounts paid under this section shall not be considered advance payments of installments of general assessments, but shall be maintained as working capital and kept in a segregated account. Declarant shall advance a like amount for each Unit in a Phase which remains unsold sixty (60) days from the conveyance of the first Unit in such Phase. Upon conveyance of a Unit where Declarant has made such an advance, the advance shall be reimbursed to Declarant by the Unit purchaser at the time of conveyance of the Unit. The

working capital fund may not be used by Declarant to defray Declarant expenses, reserve contributions or construction costs, nor may Declarant apply any of the working capital fund against Association budget deficits during the period of Declarant control. Upon the expiration of Declarant control, this fund, to the extent the Board so designates, may be held to meet unforeseen expenditures or to supplement the replacement reserve fund.

5.9 Association Statements. Within ten (10) days of written request from a Unit Owner or Mortgagee, the Association shall provide a letter stating the existence of outstanding general or special assessments against the Unit, if any. Notwithstanding anything to the contrary in the preceding sentence, all Units conveyed by Declarant shall be deemed conveyed free from outstanding general and special assessments and no such letter shall be required or given as to such Units.

5.10 Common Expenses and Surpluses. Except as otherwise provided in this Declaration, Common Expenses and surpluses shall be allocated among all Units according to their respective Interests. All common surpluses of the Condominium for each of its fiscal years shall be retained for Common Expenses of the Condominium for the next succeeding fiscal year.

ARTICLE 6. MAINTENANCE AND ALTERATIONS

6.1 Owner Responsibility. Each Owner, at the Owner's sole cost, shall: (1) perform routine maintenance, repair and replacement of all components or installations of the Unit; (2) pay for the repair and replacement of the Common Elements damaged through the fault or negligence of such Owner or such Owner's family, guests, invitees or tenants or any other Occupants of the Owner's Unit; (3) pay for the repair or replacement of glass in windows appurtenant to the Unit and doors, including hardware, appurtenant to the Unit; and (4) be responsible for the reasonable security and safety of such Unit and shall be liable for damages caused to any other Unit(s), or the Common Elements, to the extent not covered by insurance, as a result of a breach of such security.

6.2 Association Responsibility. The Association shall maintain in good condition and repair, replace and operate all of the Common Elements, except as expressly provided at Section 6.1.

ARTICLE 7. RESTRICTIONS ON USE AND OCCUPANCY

7.1 Residential Purposes Only. Each Unit shall be occupied and used only for residential purposes and for no other purpose. No trade or business shall be carried on anywhere on the Condominium, except for (1) the incidental use of a Unit for personal business conducted by mail and telecommunications which does not burden the use of the Common Elements by frequent visits by business service providers or customers in the opinion of the Board, subject to any Rules relating to such burdens, or (2) the sale or lease of Units, subject to the other provisions hereof and any Rules related thereto, or (3) the establishment of offices by Declarant or its agents for sales of Units or by the Association for conducting its affairs. Examples of

trades or businesses under clause (1) include dealers in custom jewelry or software programmers, subject to any Rules which the Board may adopt relating to such trades or businesses. No Owner or Occupant shall carry on any trade or business under this Section if it is not permitted to be carried on at the Condominium under any ordinance, statute or regulation.

7.2 Connection Between Ownership and Occupancy of Units. Each Unit must be occupied by one of the following: (a) an Owner who is a natural person; (b) the equitable beneficiary of an Owner that is a trust; (c) the shareholder, director, member, partner, employee, or officer of an Owner that is an entity provided that such occupancy is without charge and is not in the nature of a transient tenancy; or (d) a member of the immediate family of an Owner who is a natural person. For purposes of this section, "immediate family" is limited to parents, grandparents, children, grandchildren, siblings, or in-laws. Notwithstanding the foregoing, an Owner shall be responsible to the Association and each other Owner for any breach of any provision of the Condominium Documents caused by an Occupant. The Association will only need to deal with the Owner and may, but shall not be obligated to, address any breach with the offending Occupant.

7.3 No Time Shares. No Unit shall be subject to any time share of similar arrangement, whether or not under Wis. Stats. Chapter 707.

7.4 Grills. The use of propane or natural gas fueled grills are acceptable and are the only type of grill permitted on the Condominium. The use of charcoal burning grills is prohibited on any part of the Condominium.

7.5 Pets. The Owner or Occupant of each Unit may keep no more than three (3) Pets per Unit on the conditions that:

- (a) each Pet is not permitted on any of the Common Elements while unattended;
- (b) the owner of each Pet shall comply with such further Rules of Pet ownership as may be promulgated by the Board;
- (c) each Pet is licensed by the City or appropriate licensing authority, if required under applicable ordinances;
- (d) no reptiles or uncaged birds shall be permitted;
- (e) a dog does not and will not at maturity stand more than 16 inches high measured at the top of the shoulder; and
- (f) each Pet must immediately and permanently be removed from the Condominium if, in the sole judgment of the Board, the Pet is or becomes: offensive; a nuisance; harmful in any way to the Condominium or any Owner or Occupant; or otherwise kept in violation of the terms of this Section or any Rules adopted relating to Pets. Possession of pets shall not be considered a property right.

7.6 Storage of Items. No Owner or Occupant may store materials in the garage areas of the Common Elements except for one motor vehicle per parking space assigned to that Owner's or Occupant's Unit and except for materials stored inside of the storage locker assigned to that Owner's or Occupant's Unit. No Owner or Occupant may store any materials, including decorative items in the common hallways in a Building.

ARTICLE 8. RECONSTRUCTION AND CONDEMNATION

8.1 Reconstruction. In the event of fire, casualty or any other disaster affecting one or more of the Units or Common Elements (the "Damaged Premises"), the Damaged Premises shall be reconstructed and repaired, unless otherwise determined as provided below. Reconstruction and repair shall mean restoring the Damaged Premises to substantially the same condition as existed prior to the fire, casualty or disaster, and in accordance with the maps, plans and specifications used in the original construction insofar as practicable. The Board may authorize changes to the same with the consent of the Mortgagees of the Units so affected and with the recordation of an amendment to this Declaration noting the effects thereof.

8.2 Insufficient Proceeds. If insurance proceeds are insufficient to reconstruct or repair Common Elements, then, subject to Section 8.3, the Owners of all Units shall be assessed according to their Interests for the deficiency relating to the reconstruction or repair of Common Elements comprising Damaged Premises. The provisions of Article 5 shall apply to all sums assessed for any deficiency.

8.3 Partition. If the insurance proceeds are insufficient to reconstruct or repair the Common Elements (excluding any deductibles under the Association Insurance), then the Condominium shall be subject to an action for partition upon obtaining the written consent of all Owners and Mortgagees. If such approval is not obtained within 30 days from the date of adjustment of insurance proceeds following the fire, casualty or other disaster, then no such action for partition shall be maintained or initiated.

8.4 Control of Adjustment and Restoration. The Association shall have the sole power to settle adjustments with the insurance carrier for Association Insurance. The Association shall have the sole power to engage contractors to restore the Common Elements and insured portions of the Units. The Association shall have no responsibility to repair, reconstruct or replace any improvements in a Unit which are not insured by Association Insurance or any improvements installed subsequent to initial construction of the Unit.

8.5 Construction Fund. Insurance proceeds and special assessments under Section 8.2 shall constitute a construction fund, with insurance proceeds disbursed first. Any surplus funds shall be held or distributed to the Owners and their Mortgagees as their interests may appear, in accordance with their Interests.

8.6 Condemnation. If all or any portion of the Condominium is taken under the power of eminent domain or sold in settlement or anticipation of any pending or threatened

proceeding, this section shall control. Each Owner of an affected Unit shall have the right to appeal the necessity of the taking and the amount of condemnation award with respect to its Unit and Limited Common Elements appurtenant to such Unit. The Association shall have the exclusive right of appeal of the necessity of the taking and the amount of the condemnation award with respect to the General Common Elements. Any settlement or decision on an appeal by the Association as to the General Common Elements shall be binding upon all Owners. Damages shall be awarded and Interests shall be adjusted as follows:

(a) Each Owner is entitled to the entire award for the taking of all or part of its Unit and Limited Common Elements appurtenant to such Unit and for consequential damages to the Unit.

(b) If no reconstruction is undertaken, any award for the taking of General Common Elements shall be allocated to all Owners in proportion to their respective Interests.

(c) Where an entire Unit is taken, the Interests and votes on Association matters appertaining to the remaining Units shall be adjusted post-condemnation in the same manner as following an expansion of the Condominium. A partial taking of a Unit shall not include the Interest or vote appurtenant to the Unit. If Interests or votes are affected, the Association shall record an amendment which discloses the nature of the taking and adjustments caused thereby. Following the taking of all or a part of the Units and the General Common Elements, the Association shall promptly undertake to restore the improvements of the General Common Elements to an architectural whole. Costs of restoration in excess of the condemnation award shall be a common expense. If the Board determines that reconstruction or restoration is not practical, the entire Condominium shall be subject to an action for partition upon obtaining the written consent of the Owners having 75% or more of the Interests. Upon partition, the net proceeds of sale of the Condominium, together with any net proceeds of the award for taking, shall be considered as one fund and divided among all Owners in accordance with their Interests. If the 75% approving vote is not obtained within thirty (30) days of the Board decision, then reconstruction shall take place with costs of restoration of Units and the General Common Elements in excess of condemnation proceeds assessed against all Owners in proportion to their Interests.

ARTICLE 9. INSURANCE

9.1 Association Insurance. The Association shall obtain and maintain comprehensive general public liability insurance for occurrences on the Common Elements, all-risk casualty insurance coverage on the General Common Elements, and such other policies or coverage as the Board deems necessary or advisable.

9.2 Coverage of Association Insurance. The casualty insurance coverage shall be in an amount equal to the maximum insurable replacement value, with an "agreed amount" and a "replacement cost" endorsement, without deduction or allowance for depreciation. This coverage amount shall be annually reviewed and shall insure against loss or damage by fire and

other hazards as commonly covered by a standard extended coverage endorsement and such other hazards as customarily covered with respect to buildings similar in construction, location and use. Comprehensive general liability coverage shall be in such amounts as the Board determines annually, but not less than \$1,000,000 per occurrence.

9.3 Proceeds. Association Insurance proceeds for casualty loss shall be for the benefit of the Association, Owners of damaged Units and their Mortgagees as their interests appear in order to finance reconstruction of damaged Common Elements. Liability coverage and other insurance proceeds shall be applied as the Association directs.

9.4 Cost. All premiums for Association Insurance and other insurance obtained by the Association shall be a common expense of the Condominium, except that any increase in the rating or premium charged for any such insurance caused by the character or use of Unit shall be allocated solely to its Owner.

9.5 Waiver of Subrogation. The Association and each Owner acting both for themselves and for their respective insurers, waive any claim it or they may have against the other for any loss insured under any policy obtained by either to the extent of insurance proceeds actually received, however loss is caused, including such losses as may be due to the negligence of the other party, its agents or employees. All policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any policy of insurance at a reasonable and customary rate.

9.6 Acts Affecting Insurance. No Owner or Occupant shall commit or permit any violation of covenants or agreements contained in the Association Insurance, or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (1) result in termination of any such policies, (2) adversely affect the right of recovery thereunder, (3) result in reputable insurance companies refusing to provide such insurance, or (4) result in an increase in the insurance rate or premium over the premium which would have been charged in the absence of such violation or condition, provided that, in the case of such increase, the Owner responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Insurance or with respect to any policy of insurance carried by any Owner shall be increased over the rate charged for the lowest-rated Unit, (w) by the size, design or composition of the Unit, (x) by reason of anything done or kept in a Unit, or (y) the failure of any Owner or Occupant to comply with Association Insurance requirements or (z) the failure of any Owner or Occupant to comply with this Declaration or the Bylaws, then the particular Owner shall reimburse the Association for the resulting additional premiums. The Association reimbursement right is without prejudice to any other Association remedy, and may be enforced by special assessment against the particular Unit.

9.7 Exclusions From Coverage. Association Insurance coverage may exclude (1) coverage on the Unit itself and any personal property located within or pertaining to the exclusive use of a Unit; and (2) liability coverage on an Owner, its guests, invitees, employees or any other Occupants of such Unit, arising out of any occurrences within a Unit or relating to an

Owner's personal property. It is the sole responsibility of each Owner to obtain such insurance coverages as are excluded from Association Insurance.

ARTICLE 10. EXPANSION OF CONDOMINIUM

10.1 Right to Expand. Declarant reserves the right to expand the Condominium, without the consent or approval of any Unit Owner, at any time and from time to time on or prior to the expiration of 10 years from the date of recording this Declaration, by subjecting all or any portion of the Expansion Real Estate to this Declaration. Expansion may be effected in any number of phases. Declarant is under no obligation to and makes no representation that it will in fact exercise its rights to expand the Condominium or construct Units thereon; parts or all of the Expansion Real Estate may be developed for uses other than as part of the Condominium.

purposes of construction, ingress and egress and for vehicular parking during construction. Declarant further reserves an easement across, under and through the General Common Elements for the benefit of the Expansion Real Estate for the purpose of installation, maintenance and replacement of underground utilities servicing the Expansion Real Estate.

(b) If Declarant, its successors and assigns, shall determine at any time that it is desirable to coordinate utility services for the Expansion Real Estate with existing utility services for the Condominium, Declarant may connect utilities servicing the Expansion Real Estate to existing utilities even if the Expansion Real Estate is not then or thereafter made a part of the Condominium.

If any Owner or Occupant fails to comply with the Act, this Declaration, the Bylaws or the Rules, such Owner shall be liable for damages or any other remedy provided by the Bylaws or subject to injunctive relief, or all of the above, as a result of such noncompliance. The Association, or in a proper case, an aggrieved Owner, may bring an action because of such noncompliance.

Commerce Bluff Condominium Association
1801-1809 N. Commerce Avenue
Milwaukee, WI 53212

To All Members,

Exterior construction of 1801-1809 N. Commerce Street is approaching completion. However, the driveway, sidewalk, and landscaping, will not be completed until the spring of 2001. Snow removal of the driveway will be the responsibility of our construction management team. All interior units and common areas should be completed by the end of December 2000.

The adjacent building at 1825-1835 N. Commerce Street is scheduled to begin construction in December 2000. All efforts will be made by Cornerstone Property Development, LLC and the construction management team to be considerate to the excess levels of dust and noise during the construction process.

Please direct all questions during construction to Cornerstone Property Development, LLC at (414) 372-7101. I appreciate your patience and cooperation.

Sincerely,

Timothy J. Dixon
Managing Member
