SIXTH AMENDED AND RESTATED DECLARATION OF CONDOMINIUM
OF
RIVERWALK CONDOMINIUMS

RiverWalk Condominiums (the "Condominium") was created by a Declaration of Condominium, recorded on September 15, 1993 with the Register of Deeds for Milwaukee County as Document No. 7438367, as amended on February 20, 1998 as Document No. 7492126, as amended by the Second Amendment on August 11, 1998 as Document No. 7580638, as amended by the Third Amendment on March 29, 1999 as Document No. 7718440, as amended by the Fourth Amendment on November 11, 1999 as Document No. 7834308, and as amended by the Fifth Amendment on May 2, 2000 as Document No. 7903425 (as amended, the "Declaration").

WITNESSETH:

WHEREAS, the Declaration contains portions which have become obsolete due to changes in the law, the turnover of control from Declarant to RiverWalk Condominiums Owner's Association, Inc. (the "Association"), and changes in common practice over the years;

WHEREAS, the Association desires to clarify and update the provisions of this Declaration through this Restatement, so that its covenants, as restated, will continue to run with the land and shall be binding on all subsequent Unit Owners and occupants of all or any part of the Condominium; and

WHEREAS, the real property (the "Property") subject to this Declaration is as described on Exhibit A appended hereto, and the addresses of the units that comprise the Condominium are as described on Exhibit B appended hereto;

NOW THEREFORE, the Association, pursuant to Chapter 703 of the Wisconsin Statutes, the Condominium Ownership Act, as the same may be amended, renumbered or renamed from time to time (the "Act"), hereby amends and restates its Declaration as follows.

ARTICLE I

DIVISION OF CONDOMINIUM INTO SEPARATE FREEHOLD ESTATES

The Condominium is divided into the following separate freehold estates:

1. Forty-two (42) separate freehold estates (collectively called the "Units" and individually called a "Unit"), consisting of the space or area of a Building contained within the boundaries of each such Unit as follows:

a. The vertical boundaries shall be the interior perimeter walls of the Unit, including the drywall, on each floor or floors of the Unit.

b. The horizontal boundaries shall be: (i) lower boundary - the plane or planes of the upper surface of the base level floor or floors; and (ii) upper boundary - the plane or planes of the interior ceilings, including any drywall.

c. All windows, window frames, doors, door frames including all glass and locks in windows and doors, shall be considered a part of the Unit.

d. Each garage shown on the Condominium Plat (as amended through various Addendums, the "Plat") shall be a part of the Unit to which it has immediate access as shown on the Plat.

e. Each basement shown on the Plat shall be a part of the Unit to which it has immediate access as shown on the Plat. (Note: Not all Units have basements.)

2. A freehold estate in the "Common Elements" of the Condominium as hereinafter described.

ARTICLE II

DESCRIPTION AND LOCATION OF THE BUILDINGS AND UNITS

The Buildings and other improvements are shown on the site map and survey included on the Plat.

The respective addresses of the Units are described on Exhibit B appended hereto.

The Units, their respective designations and locations within the Building and the Common Elements to which the Units have access are shown on the Floor plans of the Condominium included with the Plat.

Each Unit is separately metered for utilities. Trash and snow management, general landscaping and maintenance are common expenses of the Condominium.

ARTICLE III

DESCRIPTION OF COMMON ELEMENTS AND GENERAL COMMON ELEMENTS

The Common Elements shall consist of all of the Condominium improvements, areas, fixtures, equipment and facilities except the individual Units. The Common Elements are divided into different types, known as the General Common Elements and the Limited Common Elements. The General Common Elements shall consist of all of the Common Elements, except the Limited Common Elements as described below.

The attic space above the upper-level Units is a Common Element and Unit Owners should not access, obstruct, or keep personal items within the attic space. The Utility Room(s) (also known as the "Riser Room(s)") as shown on the Plat is a Common Element, which contains the sewer main line clean-out, the water main line, water meters, fire protection equipment, fire alarm panel, lawn sprinkling system drain and valve assembly. The access door to a Utility/Riser Room is located in the

Unit Owner's garage and the Unit Owner with such access shall permit the professional property manager, management company or managing agent employed by the Association or any other person authorized by the Association or Board of Directors to enter the garage of the Unit for the purpose of gaining access to the Utility/Riser Room, and shall maintain an unobstructed path to the Utility/Riser Room. To facilitate such access, the garage door, the garage door opener, and access keypad must be fully operational at all times. If the garage door is not operational, the Unit Owner shall provide the President of the Association and such person or persons employed or authorized by the Association or Board of Directors with a key to the Unit door and the interior door from the Unit to the garage.

ARTICLE IV

DESCRIPTION OF LIMITED COMMON ELEMENTS

The Limited Common Elements are reserved for the exclusive use of the Unit Owner or occupant of the Unit to which they are appurtenant. The Limited Common Elements consist of the outside balcony and patio immediately adjacent and appurtenant to each Unit to which it has access by a door from the Unit.

ARTICLE V

PERCENTAGE OF OWNERSHIP IN COMMON ELEMENTS

1. Ownership. The ownership of each Unit shall include a 1/42nd undivided interest in the Common Elements. Ownership or transfer of a Unit via land contract is not allowed.
2. Sharing of Expenses and Surpluses. The common surpluses and expenses of the Condominium relating to Common Elements shall be shared among all Unit Owners according to the percentage of their undivided interest in the Common Elements, as expressed above.
3. Use of Surpluses. All common surpluses of the Condominium for each fiscal year of the Association shall be credited to the reserves or replacement funds for common expenses of the Condominium for the next succeeding fiscal year or years in accordance with the percentage of undivided interest of each Unit Owner in the Common Elements as aforesaid.

ARTICLE VI

ASSOCIATION OF UNIT OWNERS

1. Administration. The Condominium shall be administered by the Association. The Association shall be governed by a Board of Directors (the "Board of Directors"). The Board of Directors shall adopt By-Laws and Rules and Regulations in furtherance thereof.
2. Membership and Voting. Each Unit Owner shall be a member of the Association. One (1) vote shall appertain to each Unit. Membership shall commence and terminate with ownership. The manner of sharing and casting ballots shall be set forth in the By-Laws.

3. Association Management. The Board of Directors may employ a professional property manager, management company, or managing agent on a salaried basis with such experience and qualifications and on such terms and conditions as may be acceptable to the Board of Directors. Any such agreement must be terminable without fee upon no more than ninety (90) days' notice and the term thereof may not exceed three (3) years.

4. Condominium Instruments. The Association shall make available to Unit Owners and to holders, insurers, or guarantors of any mortgage of a Unit, current copies of this Declaration, the By-Laws, Rules and Regulations, and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances.

5. Audit. The holders of any first mortgage shall be entitled, upon written request, to an audited financial statement for the fiscal year immediately preceding the current fiscal year of the Association, prepared at the expense of such mortgagee. Such financial statement shall be furnished within a reasonable time following such request. A "first mortgage" is one that is entitled to priority over all other mortgages for such Unit, without regard to other liens and encumbrances.

6. Easements. The Association, by and through the Board of Directors, shall have the right to grant permits, licenses, and easements over the Common Elements for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Condominium, on such terms and conditions as the Board of Directors may deem advisable. Such easements may include easements for walkways, jogging trails, or bike paths which are available for use by residents of adjacent lands.

ARTICLE VII

MAINTENANCE, ALTERATION AND IMPROVEMENT OF CONDOMINIUM

1. Unit Owner's Responsibility. Each Unit Owner shall:

a. Maintain, repair, and replace all components and installations within or used solely by the Unit, including but not limited to, all utility lines and related installations; the Unit's heating and air conditioning systems, including the air conditioning unit (compressor, condenser, and refrigerant lines); electric garage door opener; fixtures; appliances; water heater; dryer venting; bathroom venting; furnace venting; chimney flue and chimney vent pipe serving a single unit; sump pump; and doorbell, keeping all items in good, safe, and operable condition.

d. Repair or replace any portion of the Common Elements damaged through the fault or negligence of the Unit Owner or the Unit Owner's family, residents, guests or invitees or any other occupants of the Unit.

Notwithstanding the above, repairs to Common Elements shall be effected by the Association but paid for by the Unit Owner if within this section. If a Unit is damaged by a condition originating from the Common Element, the Association is responsible for repairing the Common Element and the Unit Owner is responsible for repairing the Unit, unless the Common Element damage resulted from negligence on behalf of the Association.

2. Association Responsibility. The Association shall maintain in good condition and operate, repair, and replace all the Common Elements and Limited Common Elements, except as provided above.

3. Structural Changes by Unit Owners. A Unit owner shall make no changes within such Unit which will affect the structural soundness of a building of which it is a part and shall promptly notify the Association of any need for repairs, the responsibility for which is that of the Association.

4. Decorations, Signs, Patios and Balconies, and Parking. No Unit Owner shall decorate, modify or alter the Common Elements without the prior written approval of the Board of Directors. No Unit Owner may erect, post, or display posters, signs, or advertising materials on Condominium Property, except as specifically set forth in the Rules and Regulations. No awnings, enclosures, bird feeders, birdbaths, wind chimes or other fixtures or objects, other than patio furniture, shall be installed on balconies or patios. Gas grills and charcoal grills shall not be used on balconies and patios as set forth in the Rules and Regulations. Patios and balconies shall not be used for storage, including but not limited to motorcycles, baby carriages, bicycles, wagons, similar items, nor for the airing or drying laundry, carpet, rugs or clothing. All vehicles owned or operated by a Unit Owner or resident shall be kept within the Unit's garage or parked off-site, except when temporarily loading or unloading. The above is subject to the By-Laws and any Rules and Regulations adopted by the Board of Directors.

5. Structural Changes by Association. The Association shall not make or permit any alterations to the exterior of any building or make any other substantial alterations or additions of a structural nature or otherwise to the Common Elements without the affirmative vote of two-thirds (2/3) of the Board of Directors. In no case shall any such alterations or additions prejudice the rights of any Unit Owner unless the Unit Owner's written consent has been obtained

6. Architectural Control. The Board of Directors shall establish procedures for administering requests for permission to change Common Elements and Limited Common Elements.

ARTICLE VIII

ASSESSMENTS

1. Liability; Late Payments. The By-Laws shall set forth the manner of making and collecting assessments against the Unit Owners for common expenses of the Condominium. Regular assessments and special assessments not made for violations of the provisions of this Declaration, the By-Laws or Rules and Regulations shall be made on an annual basis or as

needed but shall be due and payable in monthly installments or as determined by the Board of Directors. Each Unit Owner shall be liable for such fractional or percentage interest of the common expenses of the Condominium as is provided in Article V hereof. Any assessment or installment not paid when due shall be delinquent and the Unit Owner may be charged late fees and interest on the unpaid assessment or installment, calculated from the date when the assessment or installment was first due until the date it is paid. The Board of Directors shall establish a uniform policy with regard to the number of days that must run following the due date for late fees and interest to be charged and shall establish the amount of the late fee and rate of interest to be charged on such unpaid assessments or installments. All payments upon account shall be first applied to the attorneys' fees and costs of collection incurred by the Association, and to the late fees and interest, if any, and then to the assessment payment first due.

2. Liens. If a Unit Owner defaults in the payment of any assessment or installment, the Association shall take appropriate measures as provided by law in accordance with the By-Laws. The lien for unpaid assessments provided in the Act shall also secure the actual costs of collection, including attorneys' fees incurred by the Association incident to the collection of such assessment or enforcement of such lien. In any foreclosure of a lien for assessments, the Unit Owner subject to a lien will remain obligated to pay assessments as they come due, and any unpaid assessments, late fees, interest, costs of collection, and attorneys' fees shall be added to and be a part of the condominium lien. To the extent permitted by and as set forth in the Act, the lien provided therein and herein shall be subordinate to the lien of any first mortgage on a Unit.

3. Rights of Mortgagees. Any first mortgagee who obtains title to a Unit pursuant to remedies provided in the mortgage or foreclosure of the mortgage and any party purchasing the Unit in such a foreclosure shall not be liable for such Unit's unpaid installments of assessments which accrued prior to the acquisition of title to such Unit by such mortgagee or other party, except as otherwise may be set forth in the Act. The obligation of the former Unit Owner to pay such assessment is not hereby extinguished.

4. Association Statements. The Association, upon ten (10) days request, shall provide a letter to the purchaser of any Unit which states the existence, if any, of outstanding general or special assessments against the Owner of the Unit being sold.

5. Transfer Fee. Each time ownership of a Unit is transferred from one party to another, in whole or in part, including by purchase, sale, foreclosure, tax foreclosure, or the taking of a deed in lieu of foreclosure, the transferee of the Unit shall pay a transfer fee to the Association in an amount equal to two (2) months' installments of the regular annual assessments at that time. The fee payment shall be non-refundable, shall be made to the Association at closing (or in any event, concurrent with the transfer), and shall be deposited by the Association into the operating account and/or the reserve account, at the discretion of the Board of Directors. Notwithstanding anything herein to the contrary, the following transfers are exempt from paying the fee:

a. When the transfer is to or from a trust where the sole beneficiary is the donor and Unit Owner, or to or from an LLC where the Unit Owner is the controlling manager/member, and no funds are exchanged on the transfer;

- b. When the transfer is solely between legally married spouses, domestic partners, and/or current Unit Owners;
- c. When the transfer is solely between a parent and his, her or their child; and
- d. When the transfer is to or from the Association.

ARTICLE IX

RESTRICTIONS ON USE, OCCUPANCY AND TRANSFER

1. Purposes Only. Each Unit shall be occupied and used only for private dwelling purposes and for no other purposes. No trade or business shall be carried on anywhere within the Condominium, except as otherwise provided herein or as may be set forth in the By-Laws or Rules and Regulations.

2. Leases of Units. Units may only be leased to the extent allowed by the By-Laws and Rules and Regulations. No rooms in any Unit may be rented and no transient tenants may be accommodated.

3. Animals. No animals, reptiles, or birds shall be permitted within the Condominium, except as hereinafter set forth. The Association may issue a permit for the keeping of any animals. Such permit shall allow the keeping of animals in accordance with Rules and Regulations to be established by the Board of Directors. Such permit shall be deemed a revocable license which may be revoked at any time following notice and hearing if, in the judgment of the Board of Directors, such licensed animal causes unreasonable noise, becomes offensive, creates a nuisance or is otherwise harmful in any way to the Condominium or those occupying or owning therein. The Association may charge an application fee to cover its administrative and enforcement costs. All permitted animals shall be housed indoors and, if allowed outdoors, shall be kept on a leash and in control of the animal handler at all times while outdoors. Animals shall be permitted on balconies and patios only if the animal handler is physically on the balcony or patio and in control of the animal. Animals must be taken off Association grounds for elimination purposes. Any animal excrement in Common Element areas shall be removed immediately by the animal handler.

4. No Obstructions. No Unit Owner shall cause or permit the Common Elements, except the Limited Common Elements, to be so used as to deny to other Unit Owners the full use of such portion of the Common Elements. Accordingly, there shall be no obstruction of any Common Elements. Walkways, drives, and porches shall be kept clean and orderly. Junked, inoperative or unlicensed vehicles shall not be stored, parked or placed on the Condominium. All vehicles owned by a Unit Owner or resident must be kept inside the unit's garage or parked off-site, except when temporarily loading or unloading. Licensed boats, boat trailers, vans (other than minivans), trucks and other similar vehicles may be stored, parked or placed on the Condominium provided that they are so stored, parked or placed only in a garage and further provided that such storing, parking or placing does not cause an automobile to be parked outside of a garage when but for the storing, parking or placing of the other vehicle, the automobile could have been parked in the garage. No vans (other than minivans),

trucks, portable storage units or storage pods may be stored, parked or placed overnight on the Condominium without prior approval from the Board of Directors. No vehicle shall block access to or exit from another Unit or the approach thereto. No maintenance of any vehicle shall be permitted anywhere on the Condominium except oil changes, detailing, and light maintenance performed in the Unit Owner's garage. The above is subject to the Rules and Regulations adopted by the Board of Directors pursuant to the By-Laws.

5. Waste. The unreasonable or unsightly accumulation of waste, litter, excess or unused building materials, or trash is prohibited. Trash containers shall be situated only in designated locations. No materials shall be consumed by fire in incinerators, open fires, or elsewhere. Unit Owners shall see to it that all trash and other waste disposed of by the Unit Owners or occupants of their Unit is properly disposed of only in enclosed and securely covered trash containers.

6. Satellite Dishes, Antennas, and Temporary Structures. No satellite dishes, television antennas, or aerials for radios shall be erected on any roof or any other portion of the Condominium, except for community antennas or cable receivers installed by the Association or satellite dishes or individual antennas erected or installed in accordance with the Rules and Regulations. No structure, trailer, tent, shack, or barn, temporary or otherwise, except for those maintained by the Association, shall be placed or maintained on any portion of the Condominium. Additionally, no clothes hangers or clothesline shall be placed or maintained on the Common Elements.

7. Utility Lines. Any supply lines, waste lines, pipes, wires, conduits, or public utility lines running through a Unit which serve more than one Unit shall be deemed owned as tenants in common by all Unit Owners.

8. Encroachments. If any portion of the Common Elements encroaches upon a Unit or any Unit encroaches upon the Common Elements or upon any other Unit, a valid easement for the encroachment and for the maintenance of the same shall exist for so long as it stands. Minor encroachments of parts of the Common Elements due to reconstruction of a part or all of a Building shall be permitted and a valid easement for such encroachments and the maintenance thereof shall exist from the Unit Owners in such Building.

9. Mutual Enjoyment. Each Unit shall be used only for such purposes and to such extent as will not overload or interfere with any Common Elements or the enjoyment thereof by other Unit Owners.

10. Noxious Activity. No use or practice shall be allowed on the Condominium that: (a) is a nuisance, or (b) is immoral or improper or offensive in the opinion of the Board of Directors or requires any alteration of or addition to any Common Element, or (c) is in violation of the By-Laws or Rules and Regulations of the Association, or (d) unreasonably interferes with or is an unreasonable disturbance to the peaceful possession or proper use of the Condominium by other Unit Owners or occupants, including but not limited to the operation of musical instruments, televisions, or radios, or other sound-producing devices at times or in such volumes of sound as to be objectionable, or odors, smoke, or other airborne irritants.

11. Acts Affecting Insurance. No Unit Owner or occupant shall commit or permit any violation of the policies of insurance taken out by the Board of Directors in accordance with the provisions of Article XI hereof (the "Association Policies"), or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (i) result in termination of any such policies, (ii) adversely affect the right of recovery thereunder, (iii) result in reputable insurance companies refusing to provide Association Policies, or (iv) result in an increase in the insurance rate or premium unless, in the case of such increase, the Unit Owner responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Policies or with respect to any policy of insurance carried by any Unit Owner, as permitted by the provisions of Article XI hereof, shall be increased or shall otherwise reflect the imposition of a higher rate than that applicable to the lowest-rated Unit, (a) by reason of anything that is done or kept in a particular Unit, or (b) as a result of the failure of any Unit Owner or any occupant of a Unit to comply with the requirements of the Association Policies, or (c) as a result of the failure of any such Unit Owner or occupant to comply with any of the other terms and provisions of this Declaration, the By-Laws, or the Rules and Regulations, then the Unit Owner of that particular Unit shall reimburse the Association and such other Unit Owners respectively for the resulting additional premiums which shall be payable by the Association or such other Unit Owners, as the case may be. The amount of any such reimbursement due to the Association may, without prejudice to any other remedy of the Association, be enforced by assessing the same to that particular Unit pursuant to the By-Laws.

12. Legal Restrictions. No unlawful use may be made of the Condominium or any part thereof and each Unit Owner shall strictly comply with all valid laws, orders, rules and regulations of all governmental agencies having jurisdiction thereof (collectively "Legal Requirements"). Compliance with any Legal Requirements shall be accomplished by and at the sole expense of the Unit Owner or Unit Owners or the Association, as the case may be, whichever shall have the obligation under this Declaration to maintain and repair the portion of the Condominium affected by any such Legal Requirements. Each Unit Owner shall give prompt notice to the Board of Directors of any written notice it receives of the violation of any Legal Requirements affecting its Unit or the Condominium. Notwithstanding the foregoing provisions, any Unit Owner may, at its expense, defer compliance with and contest, by appropriate proceedings prosecuted diligently and in good faith, the validity or applicability of any Legal Requirements affecting any portion of the Condominium which such Unit Owner is obligated to maintain and repair, and the Association shall cooperate with such Unit Owner in such proceedings, provided that:

a. Such Unit Owner shall pay and shall defend, save harmless, and indemnify the Board of Directors, the Association and each other Unit Owner against all liability, loss or damage which any of them respectively shall suffer by reason of such contest and any noncompliance with such Legal Requirements, including reasonable attorneys' fees and other expenses reasonably incurred; and

b. Such Unit Owner shall keep the Board of Directors advised as to the status of such proceedings. ((i) and (ii) above collectively called the "Conditions as to Contest").

Such Unit Owner need not comply with any Legal Requirements so long as it shall be so contesting the validity or applicability thereof, provided that (a) noncompliance shall not create a

dangerous condition or constitute a crime or an offense punishable by fine or imprisonment, and (b) no part of any Building shall be subject to being condemned or vacated by reason of noncompliance or otherwise by reason of such contest ((a) and (b) are called the "Conditions as to Deferral of Compliance"). The Association may also contest any Legal Requirements without being subject to the Conditions as to Contest and may also defer compliance with any Legal Requirements, but only subject to the Conditions as to Deferral of Compliance. The costs and expenses of any contest by the Association shall be a common expense.

ARTICLE X

RECONSTRUCTION AFTER LOSS

1. Reconstruction. In the event of fire, casualty or any other disaster affecting one or more Units in a Building or other improvements on the Common Elements (the "Damaged Premises"), the Damaged Premises shall be reconstructed and repaired, unless action is taken as otherwise provided herein. Reconstruction and repair as used herein shall mean restoring the Damaged Premises to substantially the same condition they were in prior to the fire, casualty or disaster. The Association shall undertake to cause such reconstruction and repair to be accomplished within a reasonable period of time.

2. Insufficient Insurance Proceeds. If the insurance proceeds are insufficient to reconstruct or repair the Damaged Premises, then:

a. The Condominium shall be subject to an action for partition upon obtaining the written consent of at least three-quarters (3/4) of the Unit Owners entitled to a vote. In the case of partition, the net proceeds of sale together with any net proceeds of insurance (the "Partition Proceeds") shall be considered as one fund and shall be divided among all Unit Owners in accordance with the following formula:

$$\frac{\text{Unit square footage} \times 100}{\text{Total square footage of all Units}} = \text{Percentage undivided interest in Partition Proceeds}$$

The provisions of Article VIII shall apply to all sums assessed for any deficiency. If the Damaged Premises are Common Elements, the deficiency shall be shared by all Unit Owners in accordance with their respective interests in the Common Elements.

3. Substantial Damages. If two-thirds (2/3) or more of the Buildings and other improvements above foundation are destroyed, regardless of the sufficiency of any insurance proceeds for reconstruction and repair of the Damaged Premises, such reconstruction and repair shall take place unless within ninety (90) days from the date of the loss, at least two-thirds (2/3) of the first mortgagees (based on one vote for each first mortgage owned) or Unit Owners of the Units have given their written approval not to reconstruct and repair the Damaged Premises. If such approval is given within ninety (90) days, then the Condominium shall be subject to an action for partition in the same manner as is provided in paragraph 2(a) above.

4. Condemnation. The Association shall represent the Unit Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements or part thereof. The award or proceeds of settlement for a taking of part or all of the Common Elements shall be payable to the Association for the use and benefit of the Unit Owners and their mortgagees as their interests may appear. The process for handling the total or partial condemnation of the condominium shall be that set forth in Section 703.19, Wisconsin Statutes, as the same may be amended from time to time.

ARTICLE XI

INSURANCE

1. Property Damage Insurance. The Board of Directors shall obtain, to the extent available in the normal commercial marketplace, broad form insurance against loss by fire and against loss by lightning, windstorm, hail, snow storm and other risks normally included within risk of loss extended coverage, including vandalism and malicious mischief, insuring all Common Elements, Limited Common Elements, Units and Unit upgrades or betterments, together with all service machinery appurtenant thereto, as well as all personal property belonging to the association, but excluding any Unit Owner personal property, in an amount equal to the full replacement value, with code upgrades, without deduction for depreciation. Premiums shall be a common expense. To the extent possible, the insurance shall provide that the insurer waives its rights of subrogation as to any claim against Unit Owners, the Association, and their respective agents and guests, and that the insurance cannot be cancelled, invalidated, nor suspended on account of conduct of any one or more Unit Owners, or the Association, or their agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within that time. The Board of Directors shall obtain a third-party insurance appraisal, to be updated at least every five (5) years, to determine the full replacement value of the Property insured.

2. Additional Insurance. In addition to the insurance required above, the Board of Directors shall obtain, to the extent available in the normal commercial marketplace, with the costs thereof to be borne as a Common Expense:

- a. Worker's compensation insurance;
- b. Liability insurance providing coverage in an amount not less than two million dollars (\$2,000,000) per occurrence for injury, including death, and property damage covering the Association, the Board of Directors, officers, and all agents and employees of the Association, and all Unit Owners and other persons entitled to occupy any Unit or other portion of the Property;
- c. Directors and Officers Insurance covering the officers, directors, property managers and volunteers;
- d. Fidelity insurance covering officers, directors, property managers, employees, and other persons who handle or are responsible for handling Association

funds. Such insurance shall be in an amount at least equal to no less than three (3) months' operating expenses plus reserves on hand as of the beginning of the fiscal year and shall contain waivers of any defense based upon the exclusion of persons serving without compensation; and

e. Such other insurance, including cyber or automobile insurance, as it deems necessary.

3. Insurance Deductible. In the event of any insured loss on the Association's master insurance policy, the Association's deductible shall be the responsibility of the person or entity (including the Association) who would be responsible for such damage under the Condominium Documents, in the absence of insurance. If the cause of loss originates within a Unit, the Unit Owner is responsible for the damage costs up to the Association's master insurance policy deductible. If the cause of the loss originates in more than one Unit or a Unit and the Common Elements, the responsibility for paying the Association's deductible shall be equitably apportioned by the Board of Directors in its sole discretion among the Unit(s) and/or Common Elements where the loss originated.

4. Unit Owner Insurance. The Unit Owners shall be responsible for and shall obtain insurance coverage for:

- a. The personal property within the Unit;
- b. Coverage A with special perils coverage added, which changes the perils covered from "named perils" to "all risks unless excluded", which insurance should also cover Building/Additions and Alterations/Improvements and Betterments in an amount of at least the Association's master policy deductible(s);
- c. Loss assessment coverage, at a minimum limit of the maximum amount that the insurer will cover of the Association's master policy deductible(s);

AMENDMENT OF DECLARATION

1. Procedure. This Declaration may only be amended in a writing executed by the presiding officer of the Association and attested by another officer, with the written consent of at least seventy-five percent (75%) of the Unit Owners and mortgagees, to the extent set forth in the Act. Any amendment to this Declaration shall become effective when recorded in the office of the Register of Deeds for Milwaukee County, Wisconsin, and no action to challenge the validity of an amendment under this Article may be brought more than one (1) year after the amendment is recorded.

2. VA Approval. If any Unit is subject to a mortgage owned or guaranteed under the U.S. Veterans Administration programs, then the condominium regime created hereunder may not be amended or merged with a successor regime without prior written approval in accordance with regulations implementing such programs.

ARTICLE XVI

CLAIMS AND REMEDIES

1. Unit Owner Claims: Mediation and Arbitration Requirements. In the event that a Unit Owner or resident has a claim to assert against the Association or any member of the Board of Directors where the claim relates to or arises from the member's service on the Board, that claim must be submitted to binding arbitration, with Resolute Systems, Inc. or such other arbitrator or arbitrator facility agreed to by the parties, or by the chief judge of the county if the parties can't agree upon an arbitrator and Resolute Systems, Inc. is no longer in business or has a conflict. The Unit Owner(s) and the Association shall each pay half the cost of the arbitration. Such claims must be commenced with the arbitrator within one (1) year of the date that the Unit Owner or resident knew or should have known of the underlying facts giving rise to the claim. Such claims may also be submitted to non-binding mediation before or during arbitration at the election of the claimant, with both sides paying half the cost of the mediator. The Association shall also have the option of arbitrating a claim against a Unit Owner (any non-assessment collection and non-declaratory judgment-related claim) using the same procedure above. With respect to any claim against the Association, the claim shall be limited to general damages; all Unit Owners and residents waive any claim for consequential or incidental damages.

2. Attorney's Fees. The prevailing party in any claim brought by or against the Association or a Director by a Unit Owner or resident shall be entitled to recover their attorney's fees and costs. In addition, for any claim that is mediated or arbitrated as set forth above, the Association is entitled to recover its pre-mediation and/or pre-arbitration attorney's fees and costs if it is ultimately the prevailing party.

3. Damages. The Association may assess a Unit Owner the actual damages the Association incurs from the Unit Owner's (its residents, occupants, or guests) failure to abide by the Condominium Declaration, By-Laws, or Rules and Regulations (the "Condominium Documents"). Where appropriate, the Association may also fine for violations of the Condominium Documents, and a schedule of progressive fines shall be set forth in the Rules and Regulations. There shall be a Grievance Procedure set forth in the Rules and Regulations, whereby a Unit Owner may contest the alleged violation. The decision of the Grievance Committee is final and binding. The Association may also assess to the Unit Owner interest and late fees on unpaid fines and assessments, as well as attorney's fees and costs incident to the Unit Owner's failure to abide by the Condominium Documents.

ARTICLE XVII

SERVICE OF PROCESS

Service of process shall be made on the registered agent for the Association as stated on file with the Wisconsin Department of Financial Institutions. At the time of recording this Restated Declaration, the Association's registered agent is Elite Properties, Inc., 700 Larry Ct., Waukesha, WI 53186.

ARTICLE XVIII

RIGHT OF ENTRY

The Association reserves the right of entry to each Unit by the professional property manager, management company or managing agent employed by the Association or any other person authorized by the Association or Board of Directors to make inspections, installations, alterations or repairs, upon reasonable written notice to the Unit Owner or occupant thereof, provided either via mail or electronically; provided, however, that in case of emergency, entry of the Unit may be made immediately, whether the Unit Owner or occupant of the Unit is or is not present and without liability to the Association, the Board of Directors or their agents. Any damage or loss caused as a result of such entry shall be at the expense only of the Unit Owner if, in the judgment of those authorizing the entry, such entry was for emergency purposes or if the cost is the responsibility of the Unit Owner as otherwise stated in the Condominium Documents.

ARTICLE XIX

CONSTRUCTION AND EFFECT

1. Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders.

2. Captions. The captions and Article headings herein are intended only as matters of convenience and for reference and in no way define or limit the scope or intent of the various provisions hereof.

3. Severability. If any provision, or any part thereof, of this Declaration or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Declaration, or the application of such provision, or any part thereof, to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby. Each provision, or any part thereof, of this Declaration shall be valid, and be enforced, to the fullest extent permitted by law.

This Sixth Amended and Restated Declaration complies with the requirements of the Declaration and the applicable law, Wis. Stat. §703.09(2), in that it has been approved by the written consent of Unit Owners with not less than seventy-five percent (75%) of the Unit Owners in the Association, and such consents have been approved by the mortgagees or holders of equivalent security interest in the Units to the extent required by the Act.
