I. THE LAKE PARK WEST HOMEOWNER'S ASSOCIATION

A. THE CONDOMINIUM CONCEPT

The Lake Park West Homeowner's Association is an organization of homeowners who own a complex of twenty-four condominium buildings. The organization also owns garage buildings, a recreation lodge, a maintenance garage and other common area which include roads.

An individual who has paid a purchase price for the right of occupancy owns each unit. An owner purchases use of a unit. The exclusive use consists of the spaces inside the unit walls and the attached patio or balcony. Patios, balconies and attics are common areas. The owner also purchases an undivided interest in the area surrounding the unit; in other words, every owner owns the common area together with all the other owners.

Since the common area is undivided, an owner does not "own" the lawn outside the unit or the sidewalk or attic space. Therefore, an owner who desires to have a flower garden or box, for example, or who wishes to make changes in a planting, must obtain approval from the Association's Architectural Control Committee.

Each owner or member of the Association agrees, when taking title to the unit, to abide by the Articles of Incorporation, the Declaration, the By-Laws, and various rules and regulations of the Association.

B. THE BOARD OF DIRECTORS' MEETINGS

The Board of Directors meets at the Association office. All owners of Lake Park West are invited to attend Board meetings.

Notice of each monthly meeting is posted in advance on the sign in front of the Recreation Lodge and is announced in each issue of the monthly newsletter.

C. THE ANNUAL MEETING

The annual meeting, which takes place in September, is open to all unit owners. Notification is mailed to each homeowner thirty (30) days in advance. Owners in good standings are allowed to cast one vote per unit owned.

At this meeting the Association budget is adopted and members of the Board of Directors are elected.

D. BUSINESS OFFICE SERVICES

The business office is located in the Recreation Lodge at W168 N11401 Western Avenue. The phone number is 251-4106.

The office is staffed by part time employees, a bookkeeper/receptionist and a secretary/receptionist. NOTARY PUBLIC SERVICE IS AVAILABLE. The hours are 9:00 a.m. to 5:00 p.m. Monday through Friday, except legal holidays.

E. *THE RECREATION LODGE*

All owners of units in good standing in Lake Park West are automatic members of the lodge. Residents of surrounding complexes as well as residents of the Germantown area may also purchase memberships in the Recreation Lodge which permit them to use the facility.

To obtain membership, the resident of Lake Park West must register at the Lodge to receive an Identification Card and a lodge handbook. Besides the Recreation Lodge, the I.D. Card is used for all outdoor amenities as well.

Upon rental of a unit, membership is transferred from the owner to the primary tenant. All residents/members must comply with the rules of the Lodge. Violators may be asked to leave the premises, if necessary, and denied all privileges for future use of the facility.

F. *LAKE USE*

The lake is semi-private. Although it is surrounded by private property, it is a public body of water and therefore, is subject to State of Wisconsin fishing and boating rules. Licenses are required.

Non-Motorized watercraft are allowed on the lake but must be registered at the Lake Park West Association office. All registered watercraft must be kept docked at areas designated by the Lake Park West Homeowners Association Board of Directors. The convenience of lakeside docking at designated areas is allowed only during months of free-water thoroughfare. All non-motorized watercraft must then be removed and stored in the area designated for recreation vehicles as outlined.

Lake Park West will provide securely anchored steel posts with attached irremovable hooks. The owner will be required to supply his personal lock and chain to secure the watercraft to the post.

G. *THE NEWSLETTER*

The Association publishes a newsletter each month which is delivered to each resident's home. Residents are encouraged to read each issue, as it is the Board's only means of regular communication with the membership. They are also urged to submit articles of news to the office for inclusion in the newsletter.

H. *MAINTENANCE*

The Association is responsible for the maintenance of all the common area of the condominium complex. Common area includes everything surrounding the outside of each building, except door hardware, windows, and air conditioning units.

All interior maintenance is the responsibility of each homeowner. The Homeowner's Association does not provide services or pay for services to repair any damages inside a unit except those caused by an external problem such as a leak in a roof.

If interior problems occur which affect two units (i.e. a plumbing problem involving an upper and lower unit), the homeowners concerned will have to share responsibility for the repairs as well as the expenses. The Association Board will not become involved.

Please notify the Association office if you are going out of town to make arrangements to access the unit in case of emergency.

To submit a request for common area maintenance, a resident should call the Association Office at 251-4106. A twenty-four (24) hour answering machine will take calls when the office is not open. Requests will be prioritized. The maintenance staff will respond as early as possible, on an "emergency first" basis. **Please do not make requests directly to the maintenance staff.**

I. FILING REQUESTS/COMPLAINTS

All requests, observations, or complaints about problems occurring in Lake Park West such as pets, tending plants, parking issues, etc. will be referred to the appropriate committee. All requests/complaints must be signed, or the issue will be considered void.

The committee will keep confidential all names associated with the complaint. After a review of the concern, the committee may make a recommendation to the Board of Directors for action to resolve the problem.

COMMON COURTESY. THE BOARD OF DIRECTORS TRIES TO PROMOTE HARMONY AMONGST ITS RESIDENTS. COMMON COURTESY FOR OTHER RESIDENTS SHOULD BE CONSIDERED. WHEN USING ANY VOLUME CONTROLLED ITEMS SUCH AS TV, RADIO AND/ OR STEREO, THE VOLUME SHOULD BE KEPT AT A LEVEL SO AS NOT TO DISTURB THE QUALITY OF LIVING FOR OTHER RESIDENTS. ANY DISTURBANCES OF THE PEACE SHOULD BE REFERRED TO THE POLICE.

J. ASSOCIATION COMMITTEES

Recommendations and policy development often begin at an Association committee level in Lake Park West. Several committees, appointed by the Board, operate throughout the year. Vacancies are filled from time to time as needed. Any Lake Park West owner in good standing may volunteer to serve on the Architectural Control, Pet Control, Recreation Lodge, Finance, Parking, Nomination, Homeowner relations, Maintenance or personnel committees. Committee involvement is highly encouraged and interested owners should contact the Association office at 251-4106.

K. *PROPERTY DAMAGE*

The Homeowners' Association carries insurance to cover protection of the common area. However, each homeowner is responsible for having adequate insurance to protect the interior of the unit and its contents. Certificate of Proof of Insurance of each unit must be given to the Association office each year.

As the condominium declaration spells out in detail, the owner of a unit shall be responsible for all damage to any property in Lake Park West caused by the owner or their guests. Each owner is responsible for their guests as well as members of their family. Landlords of units are directly responsible for the actions of tenants.

II. RESIDENTS AND COMMON AREAS

The following regulations have been established by the Board of Directors with the goal of keeping the common areas uniformly attractive and comfortable for all residents.
