

32212 125th St Feature Sheet

Brick ranch on 1.25 acre with Wilmot Ski Hill views!

Bonus Features:

- All brick exterior offers low maintenance
- Beautiful hardwood floors in living room
- Newer carpet in bedrooms
- Main floor laundry room
- Stainless steel appliances
- All appliances stay
- Big basement is great blank canvas for whatever you'd like to create
- Toilet, sink, and shower are in basement gives you all the plumbing needed to create a 2nd full bathroom

Note: there is a factory behind this home. There is additional information being created that buyer will need to sign stating they are aware that the factory operates 7 days a week and the buyer is asked to acknowledge that so that they don't have conflict with the factory.

There is plenty of room to plant trees to create a visual block if desired. One photo is virtually enhanced to show what trees would block.
