ARTICLE 2. DIVISION OF CONDOMINIUM INTO SEPARATE FREEHOLD ESTATES

Declarant hereby divides the Condominium into the following separate freehold estates:

2.1 Units.

The boundaries of each Unit shall consist of the interior planes of the perimeter walls, ceiling and floors inside the Unit as defined above and as depicted in the floor plans included as part of Exhibit A.

b) Each Unit shall also include the following improvements, including, without limitation, any of the following: interior wall finishes, stairways, fire escapes, doors, basement, storage spaces, installations for utility and other services (including, without limitation, power, light, gas, water, heating, air conditioning; incineration and refrigeration equipment), tanks, pumps, and all other apparatus, equipment, and fixtures to the extent such items exclusively serve the Unit. Each Unit shall be separately metered for utility services, and have its own real estate tax key number.

c) Any future improvements to a Unit are to be constructed by and at the sole cost and expense of the Unit's Owner, subject to Association approval as set forth in Section 6.6 and in accordance with any rules and regulations of the Association. ~~No~~ satellite dishes or similar attachments shall be permitted without approval of the Board of Directors. Any Owner desiring to make additions or improvements shall notify all contractors constructing such improvements that construction is on the Unit only and does not pertain to and creates no lien against the Common Elements. A copy of such notice, acknowledged by such contractor, shall be delivered to the Association prior to commencement of such construction. Upon completion of such construction, the Owner shall deliver to the Association copies of executed lien waivers from all contractors. The Owner shall indemnify the Association from and hold the Association harmless against any and all liability for costs of such construction.

d) Unit addresses are set forth on Exhibit B.

e) Each Unit may be (i) occupied by the Unit Owner, (ii) separately leased by the Unit Owner or (iii) sold by the Unit Owner subject to the Act, this Declaration and the Association's By-laws.

2.2 Common Elements. Each Unit also has appurtenant Common Elements, which consist of both General and Limited Common Elements.

a) Limited Common Elements are reserved for the exclusive use of the Unit to which they are appurtenant and consist of (1) all patio areas and decks appurtenant to a Unit; (2) entryways and stairways, and (3) concrete walkways (unless shared by more than one Unit), and asphalt or concrete driveways serving each Unit. Any supply lines, waste lines, pipes, wires, conduits or public utility lines which serve only one unit shall be part of such Unit. All Limited

Common Elements are set forth in Exhibit A. The manner of use of the Limited Common Elements shall be governed by the By-Laws of the Association and such rules and regulations as may be established thereunder, and no Unit Owner shall alter, remove, repair, maintain, decorate, landscape or adorn any Limited Common Element, or permit such, in any manner contrary to such By-Laws and rules and regulations. No major or structural changes shall be made by any Unit Owner to any of the Limited Common Elements without the prior written approval of the Association, which approval may be given upon such terms and conditions as the Association deems appropriate. No outside storage will be allowed.

b) General Common Elements consist of all of the Condominium except the Units and the Limited Common Elements including, but not limited to, foundation, columns, girders, beams, supports, exterior walls, bearing walls, roof, common use entrances or exits, lawn, and centrally located mechanical room. Supply lines, waste lines, pipes, ducts, wires, conduits or public utility lines which are main lines or which serve more than one unit shall be Common Elements to the extent not owned and/or maintained by any public utility, governmental Unit or cable television or similar company.

2.3 Reciprocal Easement Grant. Each Unit Owner, for itself, its successors, heirs, assigns and occupants, hereby grants the other Unit Owner such rights of access and repair to their Limited Common Area as is required by the other Unit to maintain and repair any lateral supply line, waste line, storm sewer line, pipe, wire, conduit or public utility line (all of which shall be referred to in the aggregate, or individually, as "Dedicated Lines") crossing the Limited Common Area of a Unit for the exclusive use by any other Unit. Each Unit Owner shall have an easement to the space between the interior and exterior walls, as applicable, for purposes of conducting repairs, adding utility outlets or service, wall hangings, constructing non-bearing partition walls and similar uses where the space so described may be needed, provided that the Unit Owner is not permitted to do anything that may affect soundproofing between Units or the structural integrity of the building. Any necessary restoration shall be done by the Unit Owner utilizing the said easement rights at the said Unit Owner's sole expense.

In the event one Unit Owner ("the repairing Unit Owner") is required to obtain access to the Limited Common Area of the other Unit Owner for purposes permitted by this easement, such repairing Unit Owner shall provide the other Unit Owner with as much advance notice as possible about the need for and details of any proposed repair or maintenance to a Dedicated Line.

2.4 Adjustment of Unit Boundaries. Boundaries between Units may be reallocated as provided in Section 703.13(6) of the Act and evidenced by an amendment to the Declaration. If a Unit involved in a proposed boundary reallocation is subject to a Mortgage, then the Mortgagee must also consent to such action. The Owners involved in such reallocation shall pay all costs associated with such reallocation, including the costs of physically adjusting Common Elements between such Units and the expenses of legal and architectural review of the plans and documents to carry out the adjustment. The Association may require that an estimate of such costs be paid as a condition to execution of the amendment, with a final payment made upon completion of any work by the Association.

2.5 Separation of Units. No Unit may be divided into smaller lots, units or parcels, whether by plat of subdivision, certified survey map, separation under the Act, creation of condominium out of a Unit or portion thereof, or otherwise.

2.6 Parking. Each Unit has a separate attached garage. Parking for each Unit shall be allowed only in the garage for that Unit and one additional vehicle shall be permitted the paved portion of the driveway of the condominium. Parking must be accomplished without obstructing egress or ingress from the property or a Garage Unit. Parking for additional vehicles (more than the two referenced above) may only be done with the Board's approval.

ARTICLE 3. OWNERSHIP INTEREST AND COMMON ELEMENTS

3.1 Unit Interest. Each Unit shall be entitled to exclusive use and possession of his or her Unit.

3.2 Percentage of Ownership Interest in Common Elements and Facilities. The ownership of each Unit shall include an undivided interest in the Common Elements in the amount of such Unit's Interest.

3.3 Expenses and Surpluses. The common expenses and surpluses relating to the Common Elements shall be shared among all Owners according to their respective Interests except as provided in paragraph 2.2 above.

ARTICLE 4. ASSOCIATION OF UNIT OWNERS

4.1 Administration. The Declarant shall create the Association, which shall be incorporated and shall adopt By-Laws for the governance and administration of the Condominium. The Association shall administer the Condominium and the provisions of this Declaration and the By-Laws, acting through its Board. From time to time, the Board may, but need not, adopt and amend Rules regarding the use of the Common Elements. After adoption, the Rules shall be binding upon Owners and Occupants.

4.2 Membership and Voting. Each Owner shall be a member of the Association and membership shall commence and terminate with ownership. Each Unit shall be vested with a vote equal to the numerical equivalent of its percentage Interest, so that the total number of votes is the total number of Units, to be cast as set forth in the By-Laws.

4.3 Control of Association. The Declarant shall have the right to appoint and remove the officers of the Association and to exercise any and all of the powers and responsibilities assigned to the Association and its officers by the Articles, By-Laws, the Act, this Declaration and the Wisconsin Nonstock Corporation Law from the date the first Unit is conveyed by the Declarant to any person other than Declarant, until the earliest of: (1) three (3) years from such date; or (2) thirty (30) days after the conveyance of seventy-five percent (75%) of the Interests to purchasers; or (3) Declarant's election to waive its right of control. Prior to the conveyance of twenty-five percent (25%) of the Common Element Interest to purchasers, the Association shall

hold a meeting, and the Owners other than the Declarant shall elect at least 25% of the Board of Directors. Prior to the conveyance of 50% of the Common Element interest to purchasers, the Association shall hold a meeting, and Owners other than the Declarant shall elect at least 33 1/3% of the Board of Directors.

4.4 Management. The Association may employ a professional management agent or company for the Condominium with such experience and qualifications and on such terms and conditions as are acceptable to the Board. Any such agreement must be terminable with or without cause upon ninety (90) days notice without payment of any penalty.

4.5 Approvals. Any proposal by an Owner being considered for Board approval shall be submitted in writing, in such detail and with such supporting documents as the Board may reasonably require to facilitate its understanding and review. The Board may approve or disapprove any proposal after considering one or more of the following concerns and any additional criteria the Board deems prudent: (1) freedom and safety of access and convenience to other Units; (2) requiring the written agreement of the Owner making the proposal to pay the costs of restoring Common Elements affected by such proposal to their prior physical condition upon the termination of such use; and (3) requiring the Owner's written agreement to pay a fair and reasonable monthly charge to the Association for any encroachment on Common Elements resulting from the proposal. The Board may at its discretion impose further conditions upon its consent to any proposal as it deems appropriate. Approval of a proposal shall be deemed given if the Association, by majority vote of the Board, approves, in writing, the proposal.

ARTICLE 5. ASSESSMENTS

5.1 Budget and Assessments. The Association shall annually adopt a budget of Common Expenses and levy general and special assessments therefor against the Units, except as set forth herein. The budget shall include the funding of an adequate replacement reserve out of general assessments. The Association may also levy a special assessment on all Owners for any purpose for which a general assessment may be levied, including capital improvements, and a special assessment or fine on a particular Owner for the purpose of collecting any amounts due the Association or enforcing compliance of such Owner with any provision of the Condominium Documents, or for any other purpose authorized herein.

5.2 Installments; Late Payments. General assessments shall be made on an annual basis but shall be due and payable in monthly installments on the first day of each month. Special assessments shall be due and payable at such time and in such manner as the Board may determine. Any general assessment or installment of a general assessment not paid within ten (10) days of its due date may be subject to a late charge and/or interest as set forth in the By-Laws or in a Rule.

5.3 Enforcement; Liens. If an Owner defaults in any payment, the Association shall take appropriate measures as provided by law and this Declaration; provided that in the exercise of reasonable business judgment, the Board may elect not to take such measures in cases of hardship or unlikelihood of recovery. The defaulting Owner shall be responsible for all costs incurred by the Association in seeking to enforce payment including reasonable attorney fees. Owners shall be both personally liable for assessments and a lien shall be imposed against such

Owner's Unit for any unpaid assessments. Liens for unpaid assessments shall also extend to and secure interest, fines and reasonable costs of collection, including attorneys' fees incurred by the Association incident to the collection of assessments or enforcement of liens. The Association may purchase a Unit upon the foreclosure of its lien.

5.4 Payment of Assessments by Declarant. Declarant shall not be obligated to pay any assessments until the date that the first condominium unit is conveyed by Declarant to any person other than Declarant. During the period of Declarant control as described in Section 4.3, Declarant may, but shall not be obligated to, directly pay bills or provide services or materials which would otherwise represent Association obligations to which regular assessments would be applied. Declarant shall be entitled to offset assessments due on Declarant owned Units by the fair market value of the expenses incurred by Declarant in performing or paying for such Association obligations.

5.5 Association Statements. Within ten (10) days of written request from a Unit Owner or Mortgagee, the Association shall provide a letter stating the existence of outstanding general or special assessments against the Unit, if any. Notwithstanding anything to the contrary in the preceding sentence, all Units conveyed by Declarant shall be deemed conveyed free from outstanding general, special or working capital assessments and no such letter shall be required or given as to such Units.

5.6 Common Expenses and Surpluses. Except as otherwise provided in this Declaration, common expenses and surpluses shall be allocated among all Owners according to the Interest applicable to their Units. All common surpluses of the Condominium for each of its fiscal years shall be retained for common expenses of the Condominium for the next succeeding fiscal year.

ARTICLE 6. MAINTENANCE AND ALTERATIONS

6.1 Owner Responsibility. Each Owner, at the Owner's sole cost, shall: (a) perform routine maintenance, repair and replacement of all components or installations of the Unit within, upon, or exclusively serving his or her Unit so that such items are in good condition other than those Limited Common Elements which the Association chooses to maintain for reasons of uniformity, structural considerations, or convenience; (b) pay for the repair and replacement of any portion of the Common Elements damaged through the fault or negligence of such Owner or such Owner's family, guests, invitees or tenants or any other Occupants of the Owner's Unit; (c) be responsible for the reasonable security and safety of such Unit and shall be liable for damages caused to any other Unit(s), or the Common Elements, or any of the Common Elements reserved for the exclusive use of any other Unit, to the extent not covered by insurance, as a result of such Owner's breach of such security, negligence, violation of law or intentional acts; and (d) maintain, repair and replace the Limited Common Elements appurtenant to the Unit.

6.2 Association Responsibility. The Association shall maintain in good condition and repair, replace and operate all of the Common Elements, except as expressly provided at Sections 6.1, including, but not limited to foundations, roofs, asphalt, paving, curb, storm sewer, all plantings and irrigational systems dedicated to said planting, and central service mechanical room and contents (except for those items that exclusively serve a particular Unit.) If repairs to

Common Elements are required as a result of an Owner's, or its occupant's actions or omissions with respect to matters set forth herein, the Association shall have the right to repair such Common Elements, and may levy an assessment against the responsible Owner for all costs incurred therefor in excess of any insurance proceeds received and applicable thereto. If any Owner fails to perform the maintenance, repair, replacement or restoration required by the Act or the condominium Documents, the Association shall have the right, but not the obligation, after ten (10) days' notice to such Owner, to perform such maintenance, repair, replacement or restoration and may levy an assessment against such Owner for the cost of such performance. There shall be a perpetual easement for the Association and its officers, directors, employees, agents, servants and independent contractors to enter a Unit at all reasonable times to perform such maintenance, repairs or replacements required by the Association which it elects to perform.

6.3 Additional Utility Services. If the Common Element portions of the water, electric, gas or sewer services are inadequate to serve the future needs of any Unit, each Owner shall cooperate in the installation of any new or additional services benefiting the inadequately serviced Unit provided that the installation does not affect the structural soundness of any Unit, or the Limited Common Elements appurtenant thereto; and further, provided that the benefiting Owner pays all costs associated therewith. Declarant hereby grants to each Owner an easement, if necessary, for passage of additional utility lines over the Common Elements to serve its Unit, provided that the Association shall have the right of approval of written plans therefor in accordance with Section 8.2, and the right to require location of such easement in a place which least interferes with the use of the Common Elements.

6.4 Interior Divisions: An Owner may erect or change structural or nonstructural walls and barriers within its Unit provided that such changes shall not affect the Common Elements. If any changes may reasonably affect the exterior of the Unit, or the aesthetics of the Limited Common Area appurtenant thereto, the Owner proposing such changes must first obtain the advance written approval of the other Owner.

6.5 Structural Changes by Association. The Association shall not make or permit any substantial alterations, modifications or additions of a structural nature or otherwise to the Common Elements without the unanimous vote of the Board.

6.6 Architectural Control. An Owner, and the Association, shall construct improvements only in accordance with plans approved by the Association (which approval shall not be unreasonably withheld) and the Village of Menomonee Falls. Except for the obligation to maintain Units imposed under the Act and the Condominium Documents, no Owner shall perform grading on such Owner's Unit or construct or alter improvements or landscaping thereon without first obtaining the Association's written approval of the plans for such activity, which approval shall not be unreasonably withheld. If the Association determines that such activity is not being conducted in strict accordance with such approved plans, it shall have the power to enjoin such activity, cause work to be performed on the Unit to bring the Unit into compliance with such plans, and levy a special assessment against such Unit for the costs incurred by the Association in doing so, including, without limitation, reasonable attorneys' fees. Plans detailing any proposed additions or modifications to the Unit, which changes shall affect the architectural style or exterior appearance of a Unit, shall be submitted to the Association for its review and approval prior to the commencement of work consistent with Section 4.5. In the

event such changes are not approved, the Association shall be obligated to provide written comments detailing its reasons for disapproval. The party proposing the changes shall have the right to modify any plans previously disapproved for the purpose of obtaining approval of such modified plans.

6.7 Dedicated Lines. Each Owner shall refrain from erecting any permanent structure above the area below which runs a Dedicated Line, as defined in Section 2.3, for the use by another Unit unless the Owner has obtained the other Unit Owner's advance written consent. Maintenance or repair by a repairing Unit Owner shall proceed in a best efforts manner so as to minimize the effects of the repairing Unit Owner's intrusion upon and disturbance of the Limited Common Area of the other Unit Owner. During the course of the repair or maintenance of any Dedicated Line by a repairing Unit Owner, such repairing Unit Owner shall take all reasonable steps to maintain the safety, integrity and security of the others' Limited Common Area. Upon completion of the repairs or maintenance of the Dedicated Lines, the repairing Unit Owner shall be responsible for repairing the surface and subsurface of the other's Limited Common Area to its original condition just prior to the event requiring the repair or maintenance. Further, such repairing Unit Owner shall hold the other Owner harmless from any costs, loss or claim arising out of such repair or maintenance of a Dedicated Line or restoration of the other's Limited Common Area.

ARTICLE 7. RESTRICTIONS ON USE AND OCCUPANCY

7.1 Residential Purposes Only. Except as specifically set forth in this Declaration, each Unit shall be occupied and used primarily for residential purposes as permitted by the ordinances of the Village of Menomonee Falls (without variance or rezoning, but giving effect to any general changes in such ordinances) and for no other purpose except for (1) the incidental use of a Unit for personal business conducted by mail and telecommunications which does not burden the use of the Common Elements by frequent visits by business service providers or customers, subject to any Rules relating to such burdens, or (2) the sale or lease of Units, subject to the other provisions hereof and any Rules related thereto, or (3) the establishment of offices by Declarant or its agents for sales of Units or by the Association for conducting its affairs.

7.2 Leases of Units. Any Owner of a Unit may lease the Owner's Unit for terms of not less than six (6) months. If any Unit or portion thereof is occupied by a person or entity other than an Owner, the Owner shall file with the Secretary of the Association a copy of the lease or a memorandum of lease, setting out (at minimum) the premises and term thereof, the name, mailing address and telephone number of the tenant's agent, and a covenant by which the tenant obligates itself, upon penalty of termination of such lease by proceedings which may be brought by the Association, to observe the Condominium Documents. Notwithstanding the foregoing, an Owner shall be responsible to the Association and each other Owner for any breach of any provision of the Condominium Documents caused by an Occupant. The Association will only need to deal with the Owner and shall not be obligated to address any breach with the offending Occupant.

7.3 No Time Shares. No Unit shall be subject to any time share of similar arrangement, whether or not under Wisconsin Statutes Chapter 707.

ARTICLE 8. RECONSTRUCTION AFTER LOSS

8.1. Reconstruction of Common Elements. The Association shall undertake to cause reconstruction and repair of any damage to the Common Elements to be accomplished within a reasonable period of time. The Association shall make use of available insurance proceeds in the restoration, repair or reconstruction of these Common Elements, and any costs not covered by available insurance proceeds shall be assessed to the Unit Owners according to their Interests. Perpetual easements are hereby reserved to the Association over, under and across the Condominium for the reconstruction or repair contemplated in this Article.

8.2. Insufficient Proceeds. If insurance proceeds are insufficient to reconstruct or repair Common Elements, then, subject to Section 8.3, the Owners of all Units shall be assessed according to their Interests for the deficiency relating to the reconstruction or repair of Common Elements comprising Damaged Premises. The provisions of Article 5 shall apply to all sums assessed for any deficiency.

8.3. Reconstruction of Units. This Section shall apply in the event of any damage or destruction to all or part of any Unit from one or more occurrences.

a) Any Unit damaged to the extent that the cost of repair, rebuilding or reconstruction (collectively "Reconstruction" or "Reconstruct") is less than 35% of the fair market value of the Unit on the date immediately preceding the date of initial damage to the Unit ("Damage Date") shall be Reconstructed by the Unit Owner and such Reconstruction shall be commenced on or before the sixty-first day after the Damage Date and completed within one year of the Damage Date.

b) Any Unit damaged to the extent that the cost of Reconstruction would exceed 35% of the value of the Unit on the date immediately preceding the Damage Date shall be Reconstructed by the Owner of the damaged Unit as in Section 8.3(a) above unless the Owner serves written notice on the Association within 60 days of the Damage Date of his decision to raze and remove the Unit. "Razing", whether performed by an Owner or the Association, shall include leveling the Unit and removing it from the Property and thereafter landscaping the ground to the same grade and condition as that surrounding the Unit on the date immediately preceding the Damage Date. An Owner shall commence Razing a Unit on or before the sixty-first day after the Damage Date and complete such razing within one hundred and eighty days following the Damage Date.

c) In the event that the Owner of a Unit damaged where the Reconstruction cost is less than 35% of the Unit's value on the date immediately preceding the Damage Date, fails to timely Reconstruct the Unit as provided in Section 8.3(a), the Board may elect to Reconstruct the Unit. Such election by the Board shall require 15 days prior written notice to the Owner and mortgagee of the Unit, if any. If the Unit Owner has not commenced Reconstruction upon expiration of such notice period, the Board may commence Reconstruction of the Unit whereupon the Unit Owner together with the mortgagee of such Unit, if any, hereby assign all their right, title and interest in the proceeds of insurance on the Unit to the Association, which shall be entitled to receive and apply such proceeds from the insurer(s) for that purpose, without

further obligation on the part of the insurer(s) for payments so made to the Association. The Board shall also specially assess the Unit Owner for actual costs of Reconstruction which exceed the amount of insurance proceeds collected or to be collected by the Board at the time any payment for such costs is required.

d) In the event the Owner of a Unit damaged where the cost of Reconstruction of such Unit is 35% or more of the Unit's fair market value on the date immediately preceding the Damage Date (i) fails to timely commence and complete Reconstruction of the Unit, or (ii) having timely served notice on the Association of the Owner's intention to Raze the Unit, fails to timely commence and/or complete such Razing, the Board shall have an election to either proceed under 8.3(c) hereof and following expiration of the notice period provided therein, Reconstruct the Unit, or alternatively, Raze the Unit as hereinafter provided. If the Unit Owner has not commenced to Reconstruct or Raze the Unit upon expiration of the notice period, the Board may either Reconstruct or Raze the Unit as expressed in its notice to the Owner and mortgagee whereupon the Unit Owner and mortgagee of the Unit, if any, hereby assign all right, title and interest in the proceeds of insurance on the Unit to the association which shall be entitled to receive and apply such proceeds from the insurer(s) for the purpose of Razing or Reconstructing the Unit, without further obligation on the part of the insurer(s) for payments so made to the Association. The Board shall also specially assess the Unit Owner for actual costs of Razing or Reconstructing which exceed the amount of insurance proceeds collected or to be collected by the Board at the time any payment for such costs is required.

e) The vote of 75% of all Unit Owners either personally or by proxy at an Association meeting specially convened to vote on this issue shall be determinative of whether the Association shall elect to exercise any of the options provided the Association under this Section 8.3.

8.4 Partition. If the insurance proceeds are insufficient to reconstruct or repair the Common Elements (excluding any deductibles under the Association Insurance), then the Condominium shall be subject to an action for partition upon obtaining the written consent of all Owners and Mortgagees. If such approval is not obtained within 30 days from the date of adjustment of insurance proceeds following the fire, casualty or other disaster, then no such action for partition shall be maintained or initiated.

8.5 Control of Adjustment and Restoration. The Association shall have the sole power to settle adjustments with the insurance carrier for Association Insurance. The Association shall have the sole power to engage contractors to restore the Common Elements, and insured portions of the Units. The Association shall have no responsibility to repair, reconstruct or replace any improvements in a Unit which are not insured by Association Insurance or any improvements installed subsequent to initial construction of the Unit.

8.6 Construction Fund. Insurance proceeds and special assessments under Section 8.2 shall constitute a construction fund, with insurance proceeds disbursed first. Any surplus funds shall be held or distributed to the Owners and their Mortgagees as their Interests may appear, in accordance with their Interests.

ARTICLE 9. INSURANCE

9.1 Association Insurance. The Association shall maintain, as a common expense:

a) Public liability insurance covering the Association, the Board and members of the Association against liability for damages or personal injuries sustained by any person, firm or corporation arising out of or resulting in whole or in part from the condition, use or operation of any Unit or Common Element or from any activity of the Association, with limits of not less than \$1,000,000/person and \$3,000,000/occurrence for bodily injury or death and not less than \$250,000/occurrence for property damage, including a waiver of subrogation rights against any member, Officer or Director of the Association.

b) Workers' Compensation insurance to the extent necessary to comply with applicable law.

c) Indemnity, faithful performance, fidelity and other bonds, as may be required by the Board to carry out the Association functions and to insure the Association against any loss from malfeasance or dishonesty of any employee or other person charged with management or possession of Association funds or other property.

d) Fire and broad form extended coverage insurance in the name of the Association covering all Units, including the Common Elements and Limited Common Elements, in the amount of the full insurable replacement value thereof, as determined and reviewed annually by the Board, with loss payable to the Board as trustee for the Unit Owner or Owners and their respective mortgagees as their interests may appear and with a waiver by such insurer of any subrogation rights against the Unit Owners and the Association and their respective agents, servants and employees acting in good faith. Such insurance shall be non-cancelable except upon thirty (30) days advance written notice to the Board.

e) Any other insurance coverage or additional protection which the Board may deem necessary or advisable, including without limitation comprehensive public liability insurance and insurance for loss of rental income on each Unit.

9.2 Proceeds. All insurance obtained by the Association shall be for the benefit of the Association and Owners and their mortgagees as their interests may appear; provided, however, all proceeds payable thereunder shall be paid to the Association as trustee for the Owners and their mortgagees for the purpose provided in Article 10. Proceeds from liability coverage shall be applied as the Association directs. Association Insurance proceeds for casualty loss shall be for the benefit of the Association, Owners of damaged Units and their Mortgagees as their interests appear in order to finance reconstruction of damaged Common Elements. Liability coverage and other insurance proceeds shall be applied as the Association directs.

9.3 Cost. All premiums for Association Insurance and other insurance obtained by the Association shall be a common expense of the Condominium, except that any increase in the rating or premium charged for any such insurance caused by the character or use of Unit shall be allocated solely to its Owner.

9.4 Waiver of Subrogation. The Association and each Owner acting both for themselves and for their respective insurers, waive any claim it or they may have against the other for any loss insured under any policy obtained by either to the extent of insurance proceeds actually received, however loss is caused, including such losses as may be due to the negligence of the other party, its agents or employees. All policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any policy of insurance at a reasonable and customary rate.

9.5 Acts Affecting Insurance. No Owner or Occupant shall commit or permit any violation of covenants or agreements contained in the Association Insurance, or do or permit anything to be done, or keep or permit anything to be kept, or permit any condition to exist, which might (1) result in termination of any such policies, (2) adversely affect the right of recovery thereunder, (3) result in reputable insurance companies refusing to provide such insurance, or (4) result in an increase in the insurance rate or premium over the premium which would have been charged in the absence of such violation or condition, provided that, in the case of such increase, the Owner responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Insurance or with respect to any policy of insurance carried by any Owner shall be increased over the rate charged for the lowest-rated Unit, (w) by the size, design or composition of the Unit, (x) by reason of anything done or kept in a Unit, or (y) the failure of any Owner or Occupant to comply with Association Insurance requirements or (z) the failure of any Owner or Occupant to comply with this Declaration or the By-Laws, then the particular Owner shall reimburse the Association for the resulting additional premiums. The Association reimbursement right is without prejudice to any other Association remedy, and may be enforced by special assessment against the particular Unit.

9.6 Exclusions From Coverage. Association Insurance coverage may exclude (1) coverage on the Unit itself and any personal property located within or pertaining to the exclusive use of a Unit or the Limited Common Area allocated to it; and (2) liability coverage on an Owner, its guests, invitees, employees or any other Occupants of such Unit, arising out of any and all occurrences within a Unit or within its Limited Common Area and/or relating in any way whatsoever to any and all personal property. It is the sole responsibility of each Owner to obtain such insurance coverages as are excluded from Association Insurance.

ARTICLE 10. CONDEMNATION

10.1 Definitions. Each of the terms "taking" and "condemnation" shall include any sale in settlement of any pending or threatened condemnation proceeding.

10.2 Right of Appeal. Each Owner shall have the right of appeal of the necessity of the taking and of the condemnation award with respect to its Unit or its Limited Common Area. The Association shall have the exclusive right of appeal of the necessity of the taking and of the condemnation award with respect to the Common Elements which are not Limited Common Area. An appeal by the Association or such Owner shall be binding upon all Owners affected thereby.

10.3 Allocation of Award. Any damages for a taking shall be awarded as follows:

a) Each Owner shall be entitled to the entire award for the taking of all or part of its respective Unit and for consequential damages to its Unit.

b) If no reconstruction is undertaken as below, any award for the taking of Common Elements shall be allocated to all Owners in proportion to their respective Interests.

10.4 Reconstruction After Taking. Following the taking of all or a part of the Common Elements, the Association shall promptly undertake to restore the improvements of the Common Elements to an architectural whole compatible with the existing Condominium. Any costs of such restoration in excess of the condemnation award shall be a common expense payable in accordance with Article 8. If the taking diminishes the Condominium to the extent that reconstruction or restoration is not practical in the opinion of the Association, the entire Condominium shall be subject to an action for partition upon obtaining the written consent of each Unit Owner. In the case of partition, the net proceeds of sale of the Condominium, together with any net proceeds of the award for taking, shall be considered as one fund and shall be divided among all Owners in accordance with Section 10.3(b). If such consent is not obtained within thirty (30) days of the decision of the Association, then reconstruction shall take place in accordance with Sections 8.1 and 8.3.

ARTICLE 11. AMENDMENT OF DECLARATION

11.1 General. Except as otherwise provided herein, this Declaration may be amended only by the written consent of Owners of Units which represent at least two-thirds (66 and 2/3 %) of the aggregate votes of the Unit Owners. Consent is not effective unless approved by the Unit's first mortgage holder, or the holder of an equivalent security interest, if any. Amendments shall be prepared submitting the Amendment for recording shall state that the required consents and approval for the Amendment were received. A copy of the amendment shall be recorded at the Register of Deed's Office and a copy of the amendment shall be mailed or personally delivered to each Unit Owner at the address on file at the Association for each Unit Owner. In addition to the foregoing, the Declaration may be amended in any other manner consistent with the Act. No action to challenge the validity of an amendment shall be commenced more than one (1) year after the amendment is recorded.

11.2 Requirement for Special Approvals of Certain Amendments. No amendment shall adversely affect a special right conferred on or reserved to Declarant under this Declaration without Declarant's written consent.

ARTICLE 12. RIGHTS OF MORTGAGE HOLDERS

12.1 Notice. Any holder, insurer or guarantor of a mortgage (including the vendor's interest in a land contract) encumbering a Unit that makes written request on the Association for the following, identifying the name and address of such person and the Unit number or address, any such holder, insurer or guarantor will be entitled to timely written notice of:

(a) Any condemnation or casualty loss that affects either a material portion of the Condominium or the Unit securing its mortgage;

(b) Any thirty (30) day delinquency in the payment of assessments owed by the Owner of the Unit on which it holds a mortgage or any breach of the provisions of any instrument or rule governing the Condominium which is not cured by such Owner within thirty (30) days of such Owner's receipt of notice of such breach;

(c) A lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

(d) Any proposed action that requires the consent of mortgage holders as specified in Article 11.

12.2 Mortgagee Acquisition of Unit. A Mortgagee acquiring title to a Unit pursuant to remedies provided in its mortgage or by a deed in lieu of foreclosure following an Owner's default under the mortgage shall not be liable for such Unit's unpaid assessments accruing prior to the Mortgagee's acquisition of title to the Unit (except to the extent that any uncollected assessments may be included in any subsequent budget or revision to a budget).

12.3 Restoration. Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with this Declaration and the original plans and specifications.

12.4 Termination. Any election to terminate the Condominium must require Mortgagee approval.

ARTICLE 13. RIGHTS OF DECLARANT

13.1 Reserved Rights. Until the sale by Declarant of all Units in the Condominium, Declarant may:

(a) but shall not be obligated to, manage and operate the Condominium in accordance with this Declaration, including the right to contract for professional management of the Condominium, subject to section 4.4.

(b) use the General Common Elements and any unsold Units on the Condominium in any manner as may facilitate the sale or leasing of all Units including, but not limited to, in connection therewith, maintaining a sales and/or rental office or offices and models and showing the Condominium or maintaining signs, including model Units, buildings and a sales office on the Property and to use those model Units, buildings and the sales office during the period that any of the proposed number of Units remain unconstructed and/or unsold. It is intended that such model Unit(s) and/or building(s) shall ultimately be sold to a Unit Owner. Declarant shall have the right to use signs, flags or other types of devices to promote construction and sales of the Units. Declarant and persons it may select, shall have the right of ingress and egress in, over and across the Common Elements and the Limited Common Elements and the right to store materials thereon and make such other use thereof as may be reasonably necessary incident to construction, development, sales, and operation of the Condominium, Units, Common Elements and Limited Common Elements thereof.

(c) grant easements upon, over, through and across the General Common Elements as may be required for furnishing any kind of utility services, including cable television or master antenna service, which easements may be granted to itself or its nominee and/or as may be necessary for their excavation and construction on or adjacent to any of the Units.

(d) grant easements upon, over, through or across the General Common Elements for permanent or temporary ingress and egress to and from the Condominium and other real Property adjacent to it.

(e) lease Units owned by Declarant on such terms as Declarant desires.

(f) make alterations and changes to the design or exterior materials of any Unit or part thereof during construction.

ARTICLE 14. REMEDIES FOR VIOLATION BY OWNER

14.1 General Remedies. If any Owner or Occupant fails to comply with the Act, this Declaration, the By-Laws or the Association Rules, such Owner shall be liable for any charges, fines or assessments imposed by the Association or any other remedy provided under this Declaration, and/or in the By-Laws and may be subject to temporary or permanent injunctive relief, or all of the above, as a result of such noncompliance. The Association, or in a proper case, an aggrieved Owner, may bring an action because of such noncompliance.

14.2 Owner Violation; Association Right to Cure. In addition to any other remedies provided herein, if any Owner or Occupant fails to properly maintain its Unit or any part or portion thereof or the Limited Common Elements appurtenant thereto or otherwise comply with this Declaration, the By-Laws or the Rules, which failure continues for a period of fifteen (15) days following written notice from the Association, the Association shall have the right but not the obligation, to perform or cause to be performed such maintenance, replacement, restoration or other action as the Association deems necessary or appropriate. Expenses incurred by the Association shall be assessed against the Unit's Owner and shall be subject to all rights and remedies reserved under this Declaration with respect to collection, expense, late payment penalties or interest, filing of a lien and/or foreclosure as reserved at Article 5 of this Declaration. Once the Association has taken such an action, it shall not be obligated to take any other or further action with respect to the same, similar or subsequent failure by the same or a different Owner or Occupant.

ARTICLE 15. SERVICE OF PROCESS

15.1 Agent. Service of process shall be made on Leonard E. Kasprzak, 12645 W. Townsend, Brookfield, WI 53005. Any change in the person or location for the service of process designated by the Association shall become effective upon the recording of notice thereof in the Register's Office.

ARTICLE 16. EASEMENTS

16.1 Right of Entry. A right of entry to each Unit is reserved to the Association and its agents to service utility installations, including the right to install, lay, maintain, repair and replace wells, water mains and pipes, sewer lines, septic systems, gas mains, telephone wires and equipment, master television antenna system wires and equipment, cable television wires and equipment, electrical conduit wires and equipment, including power transformers, over, under, along and on any part of the Units, buildings, Common Elements and Limited Common Elements, to service the Condominium, provided request for entry is made in advance and at a convenient time for the Owner.

In case of emergency, entry of a Unit may be made immediately, whether the Owner or Occupant of the Unit is or is not present and without liability to the Association or its agents. Any damage or loss caused as a result of such emergency entry shall be at the sole expense of the Owner if, in the reasonable judgment of those authorizing the entry, such entry was for emergency purposes.

16.2 Driveways and Walkways. To the extent the Condominium and buildings in Exhibit A depict the common use of driveways and walkways for purposes of access, ingress and egress, valid easements are hereby established and shall exist for the mutual benefit of all Unit Owners and the Declarant for such uses.

16.3 Repair Easements. An irrevocable right and easement is hereby granted and declared for the benefit of the Association to enter Units and to make repairs to Common Elements when repairs reasonably appear necessary for public safety or to prevent damage to other portions of the Condominium. Except in cases involving manifest danger to public safety or Property, the Association shall make a reasonable effort to give notice to the Unit Owner of the need for entry and for the purpose of any repairs.

16.4 Encroachments. If any portion of the Common Elements encroaches upon a Unit or any Unit encroaches upon the Common Elements or upon any other Unit or if any utility lines encroach upon either the Common Elements or a Unit, a valid easement for the encroachment and maintenance of same shall exist for the duration of the encroachment. Minor encroachments of parts of the Common Elements and utility lines due to reconstruction of part or all of a Unit shall be permitted and an easement for such encroachments and the maintenance thereof is prospectively reserved.

16.5 Existing Easements. The Condominium is subject to certain easements granted prior to the recording of this Declaration.

16.6 Further Easements. The Association may grant easements over and through the General Common Elements for such purposes as the Board deems reasonable for the benefit of the Owners.

16.7 Binding Effect. All easements and rights described in this Declaration are easements appurtenant, running with the real Property, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on the undersigned, their heirs and successors, and on

all Unit Owners, purchasers, mortgagees, lessees and Occupants and their heirs, executors, administrators, successors and assigns. The Association shall have the authority to execute all documents necessary to carry out the intent of this Article.

17.3 Captions. The captions and article and section headings in this Declaration are intended for convenience and reference only and in no way define or limit the scope or intent of the various provisions hereof.

17.4 Severability. If any portion of this Declaration or its application to any person or circumstance is held to be invalid or unenforceable, the remainder of this Declaration, or the application of such provision, or any part thereof, to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby. The remainder of this Declaration shall be valid, and enforced, to the fullest extent permitted by law.

A waiver, consent or approval to any one matter shall not be deemed a waiver, consent or approval to any subsequent matter whether similar or not.

17.7 Assignment of Declarant's Rights. Declarant may from time to time assign any or all of the rights and benefits conferred on or reserved herein for Declarant in its status as such (as opposed to those rights or benefits conferred on or reserved for all Unit Owners or groups thereof), by an instrument in writing specifically identifying the rights and benefits so assigned which is recorded in the Register's Office.

17.8 Binding Law & Jurisdiction. This Declaration, the Articles of Incorporation of the Association, the By-Laws of the Association and the Rules and Regulations established thereunder, shall be governed by and construed under the internal laws of the State of Wisconsin. Jurisdiction of any disputes arising under any of these documents shall be Waukesha County Circuit Court unless the Declarant is a participant in any such dispute and elects to have the dispute arbitrated before a single arbitrator appointed by the American Arbitration Association, or such other arbitrator as the disputants may agree in writing as an alternate arbitrator. The decision of the arbitrator shall be final and binding on the parties, and the arbitrator may assess costs and attorney fees to the prevailing party or parties.

The Directors may appoint such other officers as in their judgment may be necessary. These rights of designation are subject to the rights of the Declarant as set forth in Section 2.5.

5.2 Election of Officers. The officers of the Association shall be elected annually by the Board. Officers shall hold office under the supervision of the Board.

5.6 Compensation. No officer shall receive compensation for services rendered on behalf of the Association unless authorized by a resolution of the Owners, but may be reimbursed for actual out of pocket expenditures.

ARTICLE 6. FISCAL MATTERS

6.1 Budget. The Board shall annually adopt a budget of Common Expenses and other items as provided in the Declaration.

6.2 Assessments.

(a) The estimate of Common Expenses shall be assessed against each Unit on an annual basis and paid in monthly installments as provided in Article 5 of the Declaration. Assessments shall be levied uniformly among the Units except (1) special assessments, fines, fees or charges, and (2) when the Declaration requires or permits that assessments be levied on fewer than all Units. If the annual assessment based on the budget proves inadequate, or if special circumstances arise, the Board at any time may levy a special assessment for any purpose for which a general assessment may be levied which special assessment shall be payable in such reasonable manner as the Board directs.

(b) Assessments and installments of assessments shall be paid on or before ten (10) days after the date when such assessments and installments are due. Any assessment or installment not paid within ten (10) days of its due date shall be delinquent and the Owner shall be charged interest at the rate of twelve (12%) percent per annum on the unpaid assessment or installment of such assessment. Interest shall accrue from the date when the assessment or installment was first due until paid. All payments upon account shall be first applied to interest, if any, and then to the assessment payment first due.

6.3 Unpaid Assessment Could Cause Loss of Vote or Lien on Unit. No Owner who is more than ten (10) days delinquent in the payment of an assessment or installment on an assessment shall be entitled to vote at any regular or special meeting of the Owners. If an Owner fails to timely pay an assessment or installment such failure shall be in default and the Board

shall take appropriate measures as allowed by the Declaration or at law, including, but not limited to, the filing of a statement of lien in accordance with the Declaration, which statement shall be signed and verified by the Secretary of the Association or any other officer authorized by the Board.

6.4 Depositories. The funds of the Association shall be deposited in such bank(s) or other depositories designated by the Board and shall be withdrawn therefrom only upon check or order signed by the officers who shall from time to time be designated by the Board for the purpose. The Board may elect to require Owners to pay assessments imposed by the Board directly to a designated depository. The Board may elect to direct that checks of less than \$500 for payment of Association obligations bear only one (1) signature of a designated officer and that checks for a greater amount bear a signature and counter-signature of designated officers.

6.5 Fiscal Year. The fiscal year of the corporation shall begin on January 1 and end on December 31 of each year.

6.6 Liability of Directors and Officers. No person shall be liable to the Association or Owners for any loss or damage suffered by it or them on account of any action taken or omitted to be taken as a Director or officer of the Association if such person exercised and used the same degree of care and skill as a prudent individual would exercise under the circumstances in the conduct of such individual's own affairs, or for any action or non-action based upon advice of counsel for the Association or upon statements made or information furnished by officers or employees of the Association which was reasonably believed to be true. The foregoing shall not be exclusive of any other right or defense.

6.7 Indemnity of Directors and Officers.

(a) Every person who is or was a Director or Officer of the Association (together with the representatives or heirs of such person) shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorneys' fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a Director or Officer, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such Director or Officer. In the event of settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a Director or Officer in relation to the matter involved. The Association, by its Board, may indemnify in like manner, or with any limitations, any employee or former employee of the Association, with respect to any action taken or not taken as an employee. This right of indemnification shall be in addition to all other rights and defenses.

(b) All liability, loss, damage, costs and expense incurred or suffered by the Association in connection with the foregoing indemnification shall be a Common Expense; provided, however, that nothing in this Section shall be deemed to obligate the Association to indemnify any Owner who is or has been an employee, Director or Officer of the Association

with respect to duties or obligations imposed by the Declaration, Articles or these By-Laws due to such person's status as an Owner.

ARTICLE 7. OPERATION OF THE CONDOMINIUM PROPERTY

7.1 The Association. The Association, acting through the Board of Directors, shall be responsible for the administration and operation of the Condominium in accordance with the Declaration, the Articles of Incorporation, these By-Laws, and the rules and regulations established under them. The Association may contract for management services and a managing agent with respect to the administration and operation of the Condominium.

7.2 Rules and Regulations. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units and the Common Elements by the Unit Owners and occupants. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the conditions, covenants, restrictions and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units and the Common Elements by persons entitled to. The Association Members and their families, lessees or guest and any occupants of the Units shall conform to and abide by all such rules and regulations. A violation of any such rules or regulations shall constitute a violation of the Declaration and these By-Laws. The Association through its Board of Directors shall designate such means of enforcement thereof as it deems necessary and appropriate including fines, penalties and/or special assessments (hereinafter collectively "fines"). Any such fines shall be deemed liquidated damages for breach of the rules and regulations of the Association which are accepted by Unit Owners upon becoming a Member of the Association. Any such fines shall be deemed to be assessments in the same manner as common expenses and shall be collected in the same manner as common expenses. The rules and regulations may be altered and amended or repealed in the discretion of the Board of Directors.

7.3 Common Expenses. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the common charges payable by each Unit to meet the estimated common expenses of the Association for the ensuing year. The amounts required by such budget shall be assessed and charged against the Units and allocated among the Members of the Association according to their respective percentages of ownership in the Common Elements of the Condominium as set forth in the Declaration. The common charges shall be prorated and paid monthly to the Association on or before the first (1st) day of each month. All assessments until paid, plus all accrued interest and actual costs of collection, including actual attorneys' fees, shall constitute a lien on the Units on which they are assessed, as hereinafter provided. If not paid on or before the date due, the charges shall bear interest at the rate of twelve percent (12%) per annum until paid in full.

7.4 Operating Budget. The annual operating budget shall provide for two (2) funds, one of which shall be designated the "operating fund" and the other the "reserve fund". The operating fund shall be used for all common expenses which occur with greater than annual

frequency, such as amounts required for the cost of maintenance of the Common Elements, management services, insurance, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses such as painting, Association obligations for repair or renovation. In the event the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums as may be required in addition to the operating fund shall be first charged against the reserve fund. In the event that both funds prove inadequate to meet the necessary common expenses, the Board of Directors may levy a further assessment equally against all Unit Owners.

The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the Condominium, or against each Unit, if resulting from action by the Association. The Unit Owners or Owner responsible for any lien which is paid by the Association but not the obligation of the Association shall be specially assessed for the full amount thereof. The Directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair, although the obligation of the Unit Owner, is necessary to protect the Condominium. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit Owner responsible therefor.

The annual budget shall be prepared and determined by May 1 each calendar year. The Board of Directors shall advise all Members of the Association in writing of the amount charges payable on behalf of each Unit by the date of Members' meeting and shall furnish copies of the budget such common charges are based to each Member.

If within fifteen (15) days after the annual meeting a petition is presented to the Board of Directors protesting such charges or the budget upon which they are based, and the petition is signed by Members representing more than fifty percent (50%) of the membership entitled to vote, the Directors shall notify all Members of a meeting called for the sole purpose of reviewing such charges or budget. At such meeting, the vote of more than fifty percent (50%) of the membership entitled to vote may revise the budget and charges, and such revised budget and corresponding charges shall replace for all purposes the ones previously established; provided, however, that the annual budget and charges (except contributions to the reserve fund) may not be revised downward to a point lower than the average total budget for the preceding two (2) years. If a budget and charges have not been established and made for any two (2) preceding years, then the annual budget and charges (except contributions to the reserve fund) may not be revised downward until two (2) years of experience exist.

7.5 Default. If a Member of the Association is in default in the payment of any charges, expenses, assessments and/or fines, (hereinafter collectively "assessments") for a period of more than thirty (30) days (hereinafter "delinquent"), the Association may accelerate the entire amount of the annual common charges and other assessments remaining unpaid with respect to such delinquent Member and the Member's Unit for purposes of collection and/or enforcement of the lien against the Unit for all such unpaid charges. All assessments until paid plus all accrued interest and actual costs of collection and actual attorneys' fees incurred in connection with collection shall constitute a lien on the Units on which they are assessed if a statement of lien as provided in the Act is filed in the land records of the Clerk of Circuit Court of Waukesha County, Wisconsin within two (2) years after the assessment becomes due. If a Member of the Association is delinquent, the Member, Member's family and guests may be

prohibited from using any recreational facilities that are part of the Common Elements until all delinquent assessments have been paid. All matters concerning collection of assessments shall be administered by the Board of Directors. If any Member of the Board of Directors is delinquent, the delinquent Member shall not be allowed to vote on any matters concerning the collection of such delinquent assessments. If the number of delinquent Members of the Board of Directors is such that the remaining Members do not constitute a quorum for purposes of taking any collection action, the non-delinquent Member(s) shall be able to take any action deemed advisable even though such Member(s) may constitute less than a quorum. In addition to any other action authorized for collection of assessments as provided in the Act, any Member of the Board of Directors who is delinquent may be removed from office by a vote of a majority of the non-delinquent Member(s) of the Board of Directors, even though such Member(s) may constitute less than a quorum. Alternatively, the said delinquent Director may be removed by a 75% vote of the Unit Owners.

ARTICLE 8. REPAIRS AND MAINTENANCE

The Unit Owner may decorate, paint and/or varnish the patio or deck, if applicable, appurtenant to the Unit with the prior written consent of the Board of Directors of the Association. The Unit Owner's responsibility includes drywall repairs, door repairs, window repairs, window replacement, replacement and glass repair or replacement for any such features serving or appurtenant to the Unit, unless same are caused by a failure of the structure of the Building housing the Unit.

8.4 Disputes. In the event of any dispute between two or more Unit Owners including, but not limited to, a dispute concerning use or maintenance of a Common Element, such dispute shall be submitted to the Board of Directors of the Association for resolution and the determination of a majority of the Board shall be final and binding upon such Owners. Such proceedings shall be pursued as binding arbitration and shall be conducted in accordance with Chapter 788 of the Wisconsin Statutes, as amended, renumbered or revised.

8.5 Association Services. The Association may provide any service or maintenance requested by a Unit Owner or Owners with respect to individual Units that the Association is able and willing to provide or perform, and shall specially assess such requesting Unit Owner or Owners therefor.

8.6 Architectural Control. No exterior additions or alterations to any building, additional fences, or changes in existing fences, hedges, walls, walkways, interior window coverings, treatments, draperies or curtains, and any other structures shall be commenced, erected or maintained except such as are installed or approved by the Declarant in connection with the initial construction of the Condominium buildings, and afterwards, until the plans and specifications showing the nature, kind, shape, height, materials, location and approximate cost of same shall have been submitted to and approved in writing as to harmony of external design, aesthetics and location in relation to the surrounding buildings in the development by an architectural control committee composed of the Board of Directors of the Association, or by such representative or representatives as designated by the Board of Directors. In the event said committee, or its designated representatives, fails to approve or disapprove of such design and location within thirty (30) days after said plans and specifications have been submitted to him, such approval will be deemed to have been given. If no application has been made to the Architectural Control Committee or, their representatives, suit to enjoin or remove such additions, alterations or changes may be instituted at any time. Neither the Members of the Architectural Control Committee nor its designated representatives shall be entitled to compensation to themselves for services performed pursuant to this paragraph, but compensation may be allowed to independent professional advisors retained by the Architectural Committee. Exterior antennae shall not be placed on any building without the approval of the Architectural Control Committee or its designated representatives.

ARTICLE 9. RULES AND REGULATIONS OF THE ASSOCIATION

9.1 Rules and Regulations. The Units, the Common Elements and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these By-Laws, and the rules and regulations of the Association, including the following:

(a) Use. No Unit Owner shall occupy or use their Unit or the Common Elements or Limited Common Elements appurtenant thereto, or permit the same or any part thereof to be occupied or used for any purpose other than as a private residence for the Owner, the Owner's family, the Owner's guests or the Owner's lessees.

(b) Obstructions. There shall be no obstruction of the Common Elements or Limited Common Elements.

(c) Increase of Insurance Rates. Nothing shall be done or kept in any Unit or in the Common Elements or Limited Common Elements that will increase the rate of insurance on same without the prior consent of the Association. No Unit Owner shall permit anything to be done or kept in their Unit or in the Common Elements or Limited Common Elements that will result in the cancellation of insurance of any Unit or any part of the Common Elements or Limited Common Elements, or that would be in violation of any law or ordinance. No waste will be committed in the Condominium.

(d) Signs. No sign of any kind shall be displayed to the public view on or from any Unit or the Common Elements or Limited Common Elements without the prior consent of the Association. This rule does not apply to Declarant in the initial sale of Units.

(e) Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept in any Unit or in or on the Common Elements or Limited Common Elements, except as provided in this Article and Section, as defined below, and subject to the rules and regulations which may be adopted from time to time by the Association regarding same. Each unit owner shall be permitted to keep two pets on the premises and shall be responsible for their care, upkeep, cleanliness and supervision. The Association shall have the authority to require an owner to remove pets that cause any nuisance or harm that goes uncorrected for 14 days; including noise or cleanliness issues. The Association may amend these rules and regulations; but must provide 90 days written notice to all owners of any such changes before the change becomes effective. A violation of the terms of this Article and the conditions set forth herein shall subject the Owner responsible for such violation to additional special assessments by the Board of Directors for the enforcement costs, including, but not limited to, costs of maintenance and repair attributable to the pet, as well as reasonable attorneys fees incurred by the Association incident to the enforcement of this paragraph and any rules and regulations established hereunder.

(f) Other rules and regulations as may be adopted by the Association under the provisions of the Declaration.

ARTICLE 10. AMENDMENTS

10.1 Amendments. These By-Laws may be amended by the Owners of Units representing at least 75% of the total Interests. No amendment shall limit any right herein granted to or reserved by Declarant or its successors and assigns, without Declarant's express written consent.

ARTICLE 11. MORTGAGES, STATEMENT OF UNPAID ASSESSMENTS

11.1 Notice to Association. Any Member who mortgages a Unit shall notify the Secretary of the Association of such mortgage or mortgages and the name and address of the mortgage or mortgagee(s). The Secretary of the Association shall maintain a record of the names and addresses of all mortgagees of which the Secretary is given notice.

11.2 Notice of Unpaid Assessments. Upon twenty (20) days request by a mortgagee, proposed mortgagee or purchaser who has a contractual right to purchase a Unit, the Association shall furnish a statement setting forth the amount of the then unpaid assessments pertaining to such Unit. If any mortgagee, proposed mortgagee or purchaser of such Unit, in reliance upon such statement disburses mortgage loan proceeds or expends the purchase price, such mortgagee, proposed mortgagee or purchaser shall not be liable for, nor shall such Unit be subject to a lien which is not properly filed in accordance with law prior to the date of the statement, for any unpaid assessments in excess of the amount set forth in the statement. If the Association does not provide such a statement within twenty (20) business days after such request, then the Association is barred from making claim for any delinquent assessments other than against any such mortgagee, proposed mortgagee or purchaser under a lien properly filed in accordance with law prior to the request for the statement.

11.3 Notice to Mortgagee. Any notice required or permitted to be given to any mortgagee pursuant to these By-Laws shall be deemed given if mailed or delivered to such mortgagee at the address shown in such record and shall be deemed effective as of the date of mailing or delivery.

ARTICLE 12. CONFLICTS

12.1 Conflicts. If any provision of these By-Laws conflicts with the Declaration, the Declaration will control.

Adopted this 28th day of September, 2004.
