

West Ridge Homes Rules & Regulations

Important Bylaws & Declaration Policies in Everyday Language

Prepared by

West Ridge Board of Directors

Updated June 2025

The Condominium Bylaws and Declaration can be daunting documents to read. The Board of Directors felt that some of the more important items should be summarized and available to residents. Of course, you should always refer to the documents for further direction. These Rules & Regulations were originally written to assist new owners but are being distributed to all residents. Keep them with your Declaration and Bylaws for easy reference. If you do not have the Declaration and Bylaws, call the Board secretary and order a set. (If you need them printed there will be a charge of \$15). The Bylaws should have been given to you by the previous owner (along with swim tags & fob for entry to the pool). It is your responsibility to present these items to new owners if you sell your unit. All our documents are on AppFolio, westridgehoa.appfolio.com. All owners will be given access to this website.

A monthly meeting of the Board of Directors of West Ridge Homeowners Association is held the third Monday of every month at 6:30pm. Meetings are held in the Clubhouse (or virtually), located adjacent to the pool. A Visitor's Forum takes place at each meeting. Please come and introduce yourself. This is the best way for homeowners to raise questions, express concerns, and learn ways you can get involved. The Annual Meeting is held on or about the 3rd Saturday in May to review the budget, elect new officers, and discuss ongoing and future projects. Owners are notified of the Meeting date and agenda one month in advance via newsletter. All residents are invited to attend the monthly meetings and the May Annual Meeting. Listed below are the present Board members.

Officers:

Steve Roth, President

Paul Braun, Vice President

Joan Petersen, Secretary

Allyson Geil, Treasurer

Directors:

BOARD POLICIES

1. Our Grounds Maintenance will handle all our management duties.
2. An officer must approve each bill over \$500 before our bookkeepers can pay the bill. Exceptions are normal monthly bills.
3. Our Board will not give out information to any real estate agent, broker, or other outside party without the expressed permission from the homeowner. Homeowners must inform our Board of any agents to whom we can release information.
4. Board members will not divulge any information concerning the financial status of any homeowner or any information about the work of the HOA. Any request for information will be answered "No comment".
5. The Board will try to secure at least 3 bids on every major improvement project. Exceptions to this would be emergency situations or when there are not 3 contractors available dealing in the work needed.
6. The Board will hold meetings with homeowners affected by work before the work is done in order to explain the situation and get input (unless it is a situation needing immediate attention or is part of normal maintenance of the C-cluster buildings).
7. Closed sessions of the Board will be only to discuss matters that require the privacy of individual homeowners, financial, or legal matters. All other issues need to be addressed at open meetings.
8. The Board will not have any work done in a cluster until all homeowners have paid the assessment. Exceptions to this may involve a unit that is under foreclosure or bankruptcy or where an acceptable payment plan is in place.
9. The Grounds Maintenance Manager will keep a log of all Association tasks performed each month and will present a copy of this log to the Board.
10. The full Board will discuss all employee reviews prior to the review and receive copies of the final reviews after the review has been completed with the employee. The grounds maintenance manager will be present and have input into the reviews of all employees under his employ.
11. West Ridge Homeowner's Association has created a Facebook page for the purpose of advertising job positions. It is not intended for any kind of conversations concerning Board business or homeowner interactions. This page is not for the purpose of social media interactions. All issues concerning West Ridge should be done personally with management and/or Board members. Neither management nor the Board should respond to any social media site for official business. (Revised Sept 2023)

PERSONAL SPACE - see the Declaration Article V Section 5.01 I, J

Animals or people should not invade neighbors outside personal space that is defined as 10 feet out from the walls or decks of a unit's exterior space in all directions. Furthermore within 3 feet of the exterior wall of a unit is the personal space of the unit owner for planting and maintenance. The HOA will trim bushes in this space **unless homeowners prefer to trim their own bushes**. If this is the case, homeowners need to contact the Grounds Maintenance Manager to be put on our "No trim list". The HOA is not responsible for maintaining weeds, flowers, or other plantings or structures. Any changes on the outside of a unit wall or ground space needs to be presented to the Board for approval.

CLUBHOUSE RESERVATIONS

- Any resident can rent the clubhouse if all dues and assessments are current. The clubhouse is equipped with restrooms, a small kitchenette with a stove, microwave, refrigerator, 2 coffee makers, and 1 Keurig coffee maker. Also, 3 fans, a smart TV, a small informal sitting area with couches, 46 chairs, 4 bar stools, and 6 tables. It is heated, but not air-conditioned.
- Homeowners must be present at the clubhouse with guests and children at all times. Owners are responsible for their guest's behavior.
- Renting the clubhouse does not include overnight privileges. No one can spend the night in the clubhouse.
- Contact our secretary or social director to reserve the clubhouse and arrange a time to complete the clubhouse rental contract, receive the keys and pay the reservation/deposit fees. Contact the Board secretary or social director to set up a time to pick up the keys.
- At the time of the reservation, you provide a \$100 check to reserve the clubhouse. The deposit is returned to you based on condition of clubhouse after your event and the return of keys & tags within the agreed time. An adult resident must be at the clubhouse when guests are using the clubhouse.
- For a fee of \$25 you may get 10 tags for your guests to use the pool on the date of your clubhouse rental. This will allow 10 guests at a time the use of the pool. An adult resident must be in the pool/clubhouse area at all times that guests are using the pool. All 10 tags must be returned with the key to the clubhouse.
- Generally, you can get the key 1-day in advance and return it a day after the event. However, sometimes back-to-back events may give you less time to set up and clean up. If you know your event will take more time you should rent for 2 days.
- The clubhouse capacity is 78 persons as set by the West Bend Fire Department

ANIMALS - see the Declaration Section 8.04

- Each household is allowed one (1) animal.
- Dogs are not allowed in the apartment style buildings: 625, 629, 645, and 660.
 - Dogs are allowed in building 637 in units A, B, C, and D only.

- An aquarium cannot exceed 55 gallons total.

SATELLITE DISHES- see Declaration Section 8.10

Antenna - Satellite dishes and other outside appendages are not allowed to be attached to roofs or chimneys, except as may be specifically authorized below. The following rule applies to any owner who installs a satellite dish, C.B., television, or other antenna. The rule does not apply to the extent that it conflicts with applicable law. Owners are responsible for repairing any damage done by the installation or the removal of such equipment.

- No satellite dishes or antennas may be placed in the common area.
- In the event that adequate reception quality cannot be achieved by installation on the unit's patio/deck, or within a 3-foot perimeter of the unit, application may be made to the Board of Directors with a proposed alternative placement for the Board's review.
- Satellite dishes shall be professionally installed and may not be larger than 3 feet in diameter. Wiring for the dish must be installed through the front or side of the unit and may not penetrate the buildings' masonry exterior. All wires must go through part of the "unit" as defined in Association Documents (windows, doors, door frames, etc.).
- Such devices must be installed using permanent mounting blocks to protect the siding or on poles within 2 feet of the perimeter of the building wall.
- Satellite dish and wiring must be removed upon termination of service or sale of the unit, whichever occurs first, and any common or limited common area affected during removal must be returned to its original condition at owners' expense within 30 days after removal. If the seller does not pay for the expense, the buyer (new unit owner) will be responsible for the cost.

MAINTENANCE- see By-laws, Article VI, N-V and the Declaration, Article IV, Section 4, Article VI, Article VII

The Association is responsible for maintaining common areas. This includes snow plowing of walks, drives, parking areas and access routes as well as upkeep of all grounds and landscaping.

- Homeowners are responsible for keeping the space outside their unit in good, clean, and attractive condition.
- Homeowners are responsible for winterizing their walk and porch/deck areas. Personal items such as solar lights, free standing pots and other decorative items should be moved out of the areas that will be maintained by the association. Snow removal employees are not responsible for damage to these items, nor will they remove them prior to doing their work. Homeowners are responsible for shoveling their own personal porches and decks in the winter.
- Homeowners are responsible for marking areas they do not want mowed or trimmed with a "DO NOT MOW/TRIM" sign, as well as removing any planters, solar lights, etc. that may interfere with or obstruct the mower. Again, the maintenance crews will not move any items or be held responsible for damaged items that are in their way. Contact the groundskeeper if you do not want your yard mowed or your bushes trimmed by the Association.
- Questions regarding your yard and the removal/planting of shrubbery or trees need to be addressed with the Board by attending a Board meeting or by submitting a maintenance request or Architectural Request on AppFolio.
- When planning to make structural alterations, changes, or improvements to the exterior or grounds around the building of a home of any type, homeowners must first obtain permission from the Board of Directors. Homeowners may submit requests or attend any monthly meeting to bring proposed renovation plans to the Board. You may also submit an Architectural Request on AppFolio. Some work may be required of licensed contractors, depending on the scope of the work, and at the discretion of the Board. A city work permit may also be required. The homeowner should check on this at City Hall. Your proposal must include the contract, grounds repair, Certificate of Liability Insurance or a signed waiver of liability, the city work permit if needed, and the approval of all other owners in your cluster.
- Apartment styled condos have a responsibility to assume the shared cost of damages to their respective building. If a building or unit is damaged, the homeowner causing the damages is to pay for the repairs, either by check or by submission to their insurance company. West Ridge's insurance has a \$25,000.00 deductible and does not cover all types of damage. When damage occurs that is not a homeowner's fault, such as a leaking roof, the cost of repairs is shared by the building owners.
- When a building is damaged the Board is responsible for overseeing building repairs and hiring the contractor. The homeowners (personally or through their insurance) are responsible for the costs.

POLITICAL SIGNS- see the Declaration Article VIII

- You may display political signs endorsing candidates for office or referendums up to 2 months prior to an election.
- Outdoor signs cannot be larger than 2 feet by 2 feet in size and no holes can be dug in the ground to support the signs.
- Signs must be removed within 1 week following the election.

TRASH AND RECYCLING

The City of West Bend usually collects our trash on Tuesday. If there is a holiday earlier in the week, it may be picked up a day later. Sometimes, even without a holiday, the trash is picked up a day later.

- All containers are to be removed from the road by the evening of city pick-up and placed back in the corrals provided or back inside garages for owners who have individual garages and their own containers. Fines will be issued if owners do not adhere to this policy.
- Only trash and garbage are allowed in the bins. Items like, shrubbery, grass cuttings, wood, and other bulk items must be taken to the West Bend Municipal Garage.
- Other items such as carpets, mattresses, furniture, paint cans, and household appliances are not accepted at the dump and must be taken to Advanced Waste Management, though there is a fee.

- Owners can call the Grounds Maintenance Manager at 262-388-1765 for pick-up of these items. You will be responsible for any costs.
- Advanced Waste Management provides recycling every other Tuesday morning (contact the City of West Bend if you have lost your schedule of pick-up times). Paper products, glass, plastic, and metal items are recycled. Each unit has its own bright green recycling bin with a yellow cover. C-cluster buildings have recycling bins by the garage area and/or by the other trash bins.
- All cardboard must be cut up to fit in the recycling bins. Cardboard not in the bins will NOT be picked up.
- Recycling bins must be placed with the arrow facing the street and at least 3 feet from other bins.
- No garbage or recycling items should be placed on the ground around the garbage bins except on the day of pick-up. It is very unsightly and messy. If your bins are full, you may use those by other buildings.
- Items left outside of the bins that have not been reported to the grounds maintenance manager for pick-up, will be taken away by us and the cost will be charged to the cluster where the item was left. Please take on the responsibility for your trash and get it taken away properly.
- If you receive “pink” slips from the City of West Bend, contact them about the issue. West Ridge HOA is not responsible for your personal trash and recycling issues.

OUTSIDE COOKING -

- The West Bend Fire Code allows for the use of electric ranges or grills on balconies and decks. All open fire, such as gas or charcoal grills and fire pits must be located 10 feet from the building or overhang when in use.
- However, for our apartment and 2 story units, the Code prohibits the use of hibachis, gas-fired, or charcoal grills and other similar devices used for cooking, heating, or any other purpose on balconies and under overhanging portions of any structure.
- Such grills may be stored on balconies, porches, or decks, but cannot be used there.
- Grills cannot be stored outside of garages on walkways or driveways when not in use.

WOOD BURNING FIRE PITS

The City of West Bend has regulations regarding the use of wood burning fire pits. These regulations are incorporated in our policies.

- Owners must get Board approval before obtaining a wood burning fire pit and must sign a Waiver of Liability which the Board will supply to you.
- Wood burning fire pits must be placed on concrete or concrete pavers when in use and according to West Bend City must be at least 10 feet from any building or overhang in a building with 1 or 2 units and 25 feet from any building with 3-units (or more).
- Wood burning fire pits must be located away from over hanging trees and may not be used on common area grass.
- Wood burning fire pits must be fully enclosed meaning that any openings through which air or other gases may enter or escape are fully covered by spark arresting screens which are meant to contain escaping embers and ash.
- Portable fire pits may be stored on balconies, porches, or decks, but cannot be used there.
- Burning of household trash, plastic or extremely flammable items is prohibited.
- Use of charcoal lighter, gasoline or kerosene to start the fire is prohibited. Only non-chemically treated wood can be used.
- Wood for burning cannot be stored outside your unit.
- Wood burning fire pits can never be left unattended. All embers must be doused with water until fire is extinguished. Ashes must not be dumped in the common areas.
- Wood burning fire pits must adhere to the West Bend City ordinances.
- NOTE: Propane fire pits are an option, and use follows the same rules as grilling. They are easier to use and do not need a waiver.

USE of FIREARMS & OTHER WEAPONS

- West Ridge Homes adopts the City of West Bend’s rules & Wisconsin statutes regarding the use and possession of firearms and other weapons as follows:
 - No person except an authorized police officer shall discharge any firearm or other dangerous weapon within the boundaries of the City of West Bend (West Ridge Homes).

- The City of West Bend defines firearms as any weapon from which a shot may be fired by the force of an explosive or propellant.
- The City of West Bend defines other dangerous weapons as bow and arrows, crossbows, sling shots, blow guns and other similar weapons.

HOME-BASED BUSINESS RESTRICTIONS- see the Declaration, Article VII, Section 8.02

No trade or business shall be carried on anywhere within the Condominium, except as otherwise provided herein. A Unit occupant may operate a business out of his or her Unit, but only if he or she does not:

- Improvements to units such as new kitchen cupboards, extended decks, new flooring are covered under the HOA insurance after to the associations deductible amount. All homeowners are responsible for the deductible on West Ridge Homeowner's Insurance as further detailed in the Declaration. The HOA deductible is presently \$25,000 (2024).
- Homeowners are responsible for personal property items. For further information on the amount and types of coverage unit owners should have, refer to the Declaration. Your agent should be aware that you own a condominium. An HO-6 policy is recommended.
- Owners should inform their insurance company to add West Ridge Homes as a certificate holder so your accord form is automatically sent us annually.
- All homeowners should check their personal homeowners' insurance to make sure that sewer back-up coverage is included. This is usually a rider. This will cover repair, replacement, and damage to personal property. C-cluster units need this coverage for any personal property stored in the common garages or storage units in the basements.
- Homeowners with tenants are required to supply the lease and the tenants HO-4 insurance policy information to the Board. You should also inform your insurance agent that you have tenants.

DUES AND ASSESSMENTS - see By-laws Article VI, Section 6.01 G, H,V, Article IX, Section 9.01-I and the Declaration Article XII, Section 12.03

- As a homeowner, you are expected to stay current in your monthly dues and assessments.
- Monthly dues are due on the first of the month and must be posted by the 5th of the month.
- You can have your dues automatically transferred by visiting our bank website propertypay.firstcitizens.com. You will need ID numbers associated with your unit. If you have misplaced this information, contact our Treasurer.
- In addition to the monthly dues, the Board is authorized to issue special assessments for all homeowners. These are additional monies needed to defray, in whole or in part, the costs of capital improvements to the common areas such as pool renovation, repair of retaining walls, road repair or unanticipated expenses. Announcements are sent to all homeowners involved in any special assessments. We encourage you to attend these Board meetings and express your views.
- C-cluster units are also billed for shared building common limited expenses such as hall electricity and heat, water costs, cleaning service, etc. Catch-up statements are billed twice a year and are due within 30 days of receipt. A and B clusters are billed individually for their own utility expenses and do not get catch-up statements.
- Owners who are delinquent in payment of dues and/or assessments will be unable to vote, use the pool, or rent the clubhouse while a condominium lien is filed against their unit.
- The Board is authorized to impose fines, charge interest on overdue balances, file liens and/or take any other legal action necessary to obtain delinquent funds. See also the "Arrears Policy" below.

LIMITED COMMON ELEMENTS, COMMON ELEMENTS & EXPENSES- see By-laws Article VI Section 6.01 F, Article IX and the Declaration Article VII

In addition to your regular dues, sometimes there are extra expenses when owning a condominium. In our governing documents, there are two distinct types of common limited expenses: Individual homeowner expenses called Type I, and shared cluster expenses called Type II. Expenses shared by all owners for all the Common Elements are the items your dues are based on. The basic rule here is "If you use it or benefit from it, you are paying for it". Here is a summary of what each means.

- **Type I - LIMITED COMMON ELEMENTS-** Those elements used exclusively by a single unit owner. That owner is responsible for those expenses, maintenance, and repairs. Examples: all spaces inside a unit, windows, doors to unit, patios, balconies, decks, unshared roofs, attics & basements not shared with another unit, landscaping within immediate proximity to unit, sidewalks to a unit doorway, some exclusive use driveways. With Type I, Board Policy is to assess only the homeowner who has exclusive use of an area, not the entire cluster/building owners.
- **Type II - LIMITED COMMON ELEMENTS** - used by all or some occupants of a building/cluster. Examples: Front doors and stoops on the C-cluster buildings, driveway entrances off road to clusters, shared roofs, shared basement or attic areas, shared hallways, parking areas on Westridge Dr., driveways to C-cluster garages. The expenses are shared by units in the cluster or the number of units benefiting from the area. This includes the common shared expenses of the apartment style buildings that include common water bills, hallway cleaning, fire protection, water softening, etc. These are assessed monthly to the C-cluster buildings. Board Policy is to only assess costs to homeowners in a cluster who use the areas, not to homeowners in a cluster that do not use the area. Some A and B clusters also have common areas like driveways.
- **COMMON ELEMENTS** – These are areas that all homeowners benefit from and are paid for by your association dues. Examples: Westridge Dr., sidewalks on Tamarack Dr. and between some buildings, clubhouse, pool and parking lot, mowing, snow plowing, etc. All 138 units share these costs.

WEST RIDGE ARREARS POLICY- see By-laws Article VI Section 6.01 B,I,J and the Declaration Article IX, Section 0.09 C.

Fees levied by The Association are used exclusively to promote the health, safety and welfare of all the unit owners of the Association and for the improvement and maintenance of the Common Elements and Limited Common Elements for the good of the Association.

Condominium dues are an annual assessment payable in monthly installments. C-cluster common fees are for the common expenses these clusters incur. The Association determines the amounts and payment options. The Association will exercise the full power of the law to collect past due fees to protect the assets of the Association.

1. The regular monthly assessments are invoiced on the first of the month and are due by the 5th day of each month.

2. Special assessments, as may be levied from time to time by the Board, and/or any installment thereof, shall be due on or before the date or dates stated in the Board's written notice to the Unit Owners informing them of the special assessment.
3. All payments received will be applied to the oldest amounts due on record. The Association will not accept payments tendered for current amounts due if the instrument of payment is drafted with a future date (i.e., a post-dated check).
4. The actual date of the Association's receipt of a payment, as reflected on the ledger of the Association, not the date on the check, is the date of payment.
5. Any costs incurred by the Association as a result of the return of a unit owner's payment due to insufficient funds, or other similar reason, shall immediately be assessed to the Unit Owner
6. A late fee of \$50.00 shall be assessed against a Unit owner for any payment not received by the Association by the 10th day of the month during which the assessment was due.
7. The basic collection system of the Board shall be as follows:
 - The monthly assessment(dues) is due on the FIRST day of the month
 - At the 5th day of each month, if a payment is not made, a notice of arrears will be sent to the unit owner making them aware that the payment is past due and if not paid by the 10th of the month a fine of \$50 will be assessed.
 - A copy of the collection policy will be sent with the arrears notification.
 - If the dues and fine are not paid by the 1st of the next month another \$50 fine will be assessed. And interest on arrears plus fines will be charged.* This process will continue until the dues, fines and interest are paid.
 - When the unit owner is 60 days past due, a notice will be sent to the unit owner informing them that their account is being turned over to the collection attorney. Fines, interest, and legal fees incurred attempting to collect the funds owed to the association will be applied to the delinquent unit owner's account. Unit owner must now communicate with the collection attorney and all fees, fines, interest, and balances are paid through the collector.
 - At the 90-day past due mark, the association will file a lien against the unit.
 - At the 120-day past due mark the Association may proceed with foreclosure action.
 - Any and all legal fees incurred to collect a past due balance will be charged to the unit owner in question. In addition, interest shall accrue on unpaid balances at the compound rate of 1.5% per month (18% per annum).
8. Once a Unit Owner is notified or becomes aware that their account has been referred to legal counsel all payments, until the account is current, must be submitted to the legal counsel, unless the Association's attorney directs the Unit Owner in writing to pay in some other manner.
9. In the event that the Association retains an attorney to collect any funds due, enforce any rule, bring any claim against a unit owner or defend any claim or allegation by a unit owner, including any counterclaim, the Association shall, if it is the prevailing party in the claim or defense, be entitled to collect from the unit owner all of its costs and expenses, including reasonable attorney fees. This Rule does not apply to owners' fair housing complaints, neither State nor Federal.
10. Hardship Consideration– A homeowner who has experienced an unusual financial situation can petition the Board in writing to set up a payment plan for arrears and temporary relief from foreclosure. The owner must petition the Board by the 2nd month of arrears. The Board will decide on the plan after consulting with the homeowner, our Treasurer and attorneys if needed. It should be noted that if the situation is permanent the Board may have no choice but to pursue foreclosure to protect the interest of the HOA. All months that the payment plan is followed will not be assessed the \$50 monthly fine. Any month that the payment plan is not met will negate the agreement and foreclosure will commence and fines will be applied. Attorney fees are applied in all months.

GRIEVANCE PROCESS AND PROCEDURES - see the Declaration Article IX, Section 0.09 C.

- Any Unit Owner or resident who has been accused of violating the Condominium Documents or been fined may request that the matter be heard by a Grievance Committee. Such request must be in writing and be provided to the Board of Directors within 14 calendar days of the notice of the violation or fine. If no demand is made within 14 calendar days, then the finding of a violation and/or fine shall be final and binding. If a demand is timely made, the matter shall be submitted to the Grievance Committee within seven (7) days.
- The Grievance Committee shall consist of an owner from each cluster. For any complaint, three (3) members of the committee will be chosen by the Board to hear the complaint. The members of the committee shall not be officers or members of the Board of Directors of the Association.

 3. The Hearing Section shall be open to only the Grievance Committee, the parties involved, their attorneys and witnesses.
 4. The Determination and Decision Section of the meeting shall be open only to the Grievance Committee, and possibly the attorney for the Association if requested by the Grievance Committee. The decision will be rendered in writing to all concerned parties within five (5) business days of the hearing.
 5. If the complainant, or their representative, fails to appear at the hearing without a valid excuse acceptable by the Grievance Committee, the grievance shall be dismissed without prejudice and reasonable and necessary costs incurred by the responding party assessed against the complaining party.

6. If the alleged offender fails to appear, the complainant must prove his/her grievance and no presumption shall be made against the alleged offender for non-appearance.
7. The burden of proof shall be on the complainant to prove the grievance by a preponderance of the evidence.
- The decision of the Grievance Committee is final and binding. There shall be no appeal of the decision absent evidence that:
 1. The award was procured by corruption, fraud, or undue means.
 2. There was evident partiality or corruption on the part of the Grievance Committee, or any of the members
 3. The members of the Grievance Committee were guilty of misconduct in refusing to postpone the hearing, upon sufficient cause shown, or in refusing to hear evidence pertinent and material to the controversy; or of any other misbehavior by which the rights of any party have been prejudiced
