

Welcome to your new home!

Enjoy the beautiful scenery of the country, less than 10 minutes from downtown LaCrosse. You'll have regular visits by deer, turkey, owls, and a variety of songbirds year round. This spacious 4 bedroom, 2.5 bath home sits on just under 7 acres of wooded wonderland. In autumn you'll have more honey crisp apples than you can eat, and a stunning panorama of orange leafed maple trees lining your front yard. The backyard has an abundance of four leaf clovers, we've found over 350!
