Waterford, WI 53185

POOL FEATURE SHEET

In-Ground Pool & Equipment Details

Pool Overview

This backyard oasis features an in-ground pool with a heated, low-maintenance setup ready for summer fun — plus a shaded patio and room to entertain.

Equipment & Specs

Pool Type	Traditional chlorine pool (originally saltwater; converted by previous owners)
Heating	Natural gas heater
Sanitation	Inline chlorinator — no floating chlorine dispenser needed
Filtration	Sand filter; existing sand has an estimated 2–3 seasons of life left
Pool Light	Multi-color LED with remote on/off control
Saltwater System	Original saltwater equipment box still installed and operational; would need a new saltwater filter to convert back
Cleaning	Includes a solar-powered pool skimmer robot
