5. COMMON ELEMENTS

The "Common Elements" shall consist of all of the Condominium, except the Units as defined hereunder, including without limitation: the land on which the building or buildings are located; bearing walls, floors and ceilings (except the interior surfaces thereof, which form the outer boundaries of each Unit), roofs, foundations, entrances and exits, pipes, ducts, electrical wiring and conduits, centralized utility services, public utility lines, water and sewer laterals, outside walls, girders, beams and support, structural parts of the building, and the walks, driveways and landscaping.

The installation shall not effect the structural soundness or integrity of any building. The Unit Owner shall bear all costs associated with the installation of the satellite dish and with concealing the satellite dish from public view, including, but not limited to, the installation of shrubbery, partition wall or other such costs associated with the concealment of the satellite dish. The intention of this paragraph is to harmonize aesthetics with the Unit Owner's right to receive satellite signals to the extent possible. 8. RESIDENTIAL PURPOSE

All buildings and the Units therein contained are intended for and restricted exclusively to residential use as governed by the terms and conditions contained herein and the Bylaws of the Association.

9. ASSOCIATION OF UNIT OWNERS

9.1 DUTIES AND OBLIGATIONS. All Unit Owners shall be entitled and required to be a member of an Association of Unit Owners (hereinafter "Association"). The affairs of the Association shall be managed by a Board of Directors (the "Board of Directors") consisting of such number of persons as provided in the Bylaws of the Association. The Association may be incorporated as a non-profit corporation under the Laws of the State of Wisconsin. Each Unit Owner and the occupants of the Units shall abide by and be subject to all of the rules, regulations, duties and obligations of this Declaration and the Bylaws and rules and regulations of the Association.

9.2 VOTING RIGHTS. The Association shall have two classes of voting membership as follows:

(i) Class A - Class A members shall be all Unit Owners, with the initial exception of the Declarant, and shall have one vote for each Unit owned;

(2) Class B - Class B members shall be the Declarant and shall be entitled to three (3) votes for each Unit owned. The Class B membership shall cease and be converted to Class A membership when the total votes outstanding in Class A membership equal or exceed the total votes outstanding in Class B membership, or a date not exceeding three (3) years from conveyance of the first Unit to any person other than Declarant, whichever first occurs.

The respective rights and qualifications of the two classes of members and the election of directors shall be as set forth in the Bylaws of the Association.

9.3 ASSOCIATION PERSONNEL. The Declarant and Association may obtain and pay for the services of any person or entity to manage its affairs to the extent it deems advisable and may hire such other personnel as it shall determine to be necessary or advisable for the proper operation of the Condominium. The Declarant and Association may contract for lighting, heating, water, trash collection, sewer service and such other common services as may be required for each Unit.

9.4 CONDOMINIUM DOCUMENTATION. The Association shall be required to make available to Unit Owners, their lenders and the holders and insurers of the first mortgage on any Unit, current copies of the Declaration, Bylaws and other rules governing the Condominium, and other books, records and financial statements of the Association. The Association shall be required to make available to prospective purchasers current copies of the Declaration, Bylaws, and other rules governing the Condominium, and the most recent annual audited financial statement, if such is prepared. Upon written request from any of the agencies or corporations which have an interest or prospective interest in the Condominium, the Association shall be required to prepare and furnish within a reasonable time a financial statement of the Association for the immediately preceding fiscal year.

9.5 INITIAL WORKING CAPITAL AND RESERVE FUND. At the time of the first conveyance of a Unit from the Declarant, the purchaser of such Unit shall pay to the Homeowners Association a one-time contribution equal to twice the monthly Homeowners Association assessment in effect at the time of sale. One-half of the contribution shall be placed into a reserve for future repairs and replacements, and the other half shall provide the Association with initial working capital to be used for the expenses of the Association. Amounts paid pursuant hereto are not to be considered as an advance payment of the monthly assessment.

10. REPAIRS AND MAINTENANCE

10.1 COMMON ELEMENTS. The Association shall be responsible for the management and control of the Common Elements and shall cause the same to be kept in good, clean, attractive and sanitary conditions, order and repair. Without in any way limiting the foregoing, this shall include all painting, repairing and decorating of exteriors, maintenance and repair of walks, drives, parking areas and access routes, and maintenance of all grounds and landscaping. In addition, the Association shall regulate the use of the Common Elements to ensure proper and attractive conditions.

10.2 INDIVIDUAL UNITS AND LIMITED COMMON ELEMENTS. Each Unit Owner shall be responsible for keeping the interior of his Unit and all of its equipment, fixtures and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall be responsible for decorating, painting and varnishing which may at any time be necessary to maintain the good appearance and condition of his Unit. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the Unit in good repair, each Unit Owner shall be responsible for the replacement of windows, doors, lighting fixtures, refrigerators, air-conditioning equipment, furnaces or heating equipment, dishwashers, disposal, laundry equipment such as washers and dryers, ranges, or other equipment which may be in, or connect with, the Unit. The replacement of the fixtures shall be of comparable quality to that of the original unit and shall be approved by the Association. Each Unit Owner shall keep the Limited Common Elements appurtenant to his Unit in a good, clean, sanitary, and attractive condition. In addition, the Association shall regulate the use of the Limited Common Elements to ensure proper and attractive conditions.

10.3 PROHIBITION AGAINST STRUCTURAL CHANGES BY OWNER. A Unit Owner shall not, without first obtaining the written consent of the Association, make or permit to be made any structural alterations, changes or improvements to his Unit, or to the exterior of any building or any Common Elements or Limited Common Elements. A Unit Owner shall not perform, or allow to be performed, any act or work which would impair the structural soundness or integrity of any building, or the safety of the property, or impair any easement or hereditament, without the prior written consent of the Association.

10.4 ENTRY FOR REPAIRS. The Association shall have an irrevocable right and easement to enter any Unit at reasonable times and under reasonable conditions when necessary to make repairs to Common Elements and Limited Common Elements when the repairs reasonably appear necessary

for public safety or to prevent damage to other portions of the Condominium. The Association shall make a reasonable effort to give prior notice to the owners, except in cases involving manifest danger to public safety or property, and with as little inconvenience to the Unit Owners as practical, and any damage caused thereby shall be repaired by the Association and be treated as a common expense. No entry by the Association for the purposes specified in this paragraph may be considered a trespass.

11. UNIT OWNER'S RIGHTS WITH RESPECT TO INTERIORS

Each Unit Owner shall have the exclusive right to paint, repaint, tile, panel, paper or otherwise furnish and decorate the interior surfaces of the walls, ceilings, floors and doors forming the boundaries of the Unit and all walls, ceilings, floors, and doors within such boundaries, and to erect partition walls of a non-structural nature, provided that such Unit Owner shall take no action which in any way will materially change any common walls.

12. RESTRICTION ON USE AND OCCUPANCY

Each Unit shall be occupied and used only for single family private dwelling purposes as provided in the Bylaws of the Association. No trade shall be carried on anywhere within the Condominium, except as otherwise provided herein. All leases or rental agreements shall be in writing. The Declarant may lease a Unit on such terms and conditions as it desires in its sole discretion; however, no Unit may be leased or rented by Declarant for a period of less than thirty (30) days. Unit Owners other than Declarant may lease or rent a Unit; however, the lease must have a minimum initial term of six (6) months. Any person occupying a Unit with the authority of a Unit Owner shall comply with all the restrictions, covenants and conditions imposed herein and by the Bylaws of the Association. No rooms in any Unit may be rented and no transient tenants may be accommodated.

13. DESTRUCTION AND RECONSTRUCTION

In the event of a partial or total destruction affecting one or more of the Units of the Condominium, the Association shall promptly undertake to repair or reconstruct it to a condition compatible with the remainder of the Condominium. On reconstruction the design, plan and specifications, of any building or Unit, may vary from that of the original upon the approval of the Association, provided, however, that the number of square feet of any Unit may not vary more than five percent (5%) from the number of square feet for such Unit as originally constructed, and the location of the buildings shall be substantially the same as prior to damage or destruction.

If a Condominium is damaged to an extent more than the available insurance proceeds, the Condominium shall be subject to an action for partition upon obtaining the written consent of the Unit Owners having seventy-five percent (75%) or more of the votes. A determination as to whether or not to reconstruct and repair the damaged premises or to subject the Condominium to an action for partition shall be made within ninety (90) days from the date of the fire, casualty or disaster. In the case of partition, the net proceeds of sale together with any net proceeds of insurance shall be considered as one fund and shall be divided among all Unit Owners in proportion to their percentage interest in the Common Elements, and shall be distributed in accordance with the priority of interest in each Unit.

If the insurance proceeds are insufficient to reconstruct or repair the damaged premises and the necessary seventy-five percent (75%) or more of the votes necessary to subject the Condominium to an action for partition are not obtained, then the damaged premises shall be reconstructed and repaired by the Association with the insurance proceeds, and the Unit Owners shall be assessed for the deficiency in accordance with the percentage of ownership in the Common Elements.

14. INSURANCE

The Board of Directors of the Association shall obtain and maintain insurance for the Condominium against loss or damage by fire and such hazards for not less than full replacement value of the property insured. The insurance shall also cover the replacement of interior walls, heating and air conditioning units, electrical wires and conduit, plumbing pipes, and heating and air conditioning duct work in the interior and exterior walls. The Association shall also provide insurance coverage for fixtures, improvements, appliances (such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping) and alterations that are a part of the building or structure located within the Units to the extent provided for in the original building specifications, if said coverage is available to the Association by the terms of the blanket casualty insurance policy. The insurance shall be obtained in the name of the Association as trustee for each of the Unit Owners and their respective mortgagees as their interest may appear. Premiums shall be a common expense. To the extent possible, the insurance shall provide that the insurer waives its right of subrogation as to any claim against Unit Owners, the Association, and their respective servants, agents and guests, and that the insurance cannot be cancelled, invalidated nor suspended on account of conduct of any one or more Unit Owners or the Association or their servants, agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within that time. The amount of protection and the types of hazards to be covered shall be reviewed by the Board of Directors at least annually and the amount of coverage may be increased or decreased at any time it is deemed necessary as determined by the Board of Directors to conform to the requirements of full insurable value.

The Unit Owner shall be responsible for and shall obtain insurance coverage for personal property and the replacement of fixtures, appliances and all other improvements and furnishings not within the Condominium's original building specifications and not covered by the Association's insurance policy.

In the event of partial or total destruction of a building or buildings and it is determined to repair or reconstruct such building or buildings in accordance with Section 13 hereof, the proceeds of such insurance shall be paid to the Association to be applied to the cost thereof and the Unit Owners and mortgagees shall not be entitled to receive payment of any portion of insurance proceeds. If it is determined not to reconstruct or repair the Condominium, or the Court has ordered partition of the Condominium, then the proceeds shall be distributed to the Unit Owners and their mortgagees, if any, as their respective interest may appear in the manner provided by the Act. If after the Common Elements have been completely repaired or restored, and there is a surplus of insurance proceeds, then the surplus shall be considered a common surplus and may, at the direction of the Board of Directors, be distributed to the Unit Owners in accordance with their percentage of ownership in the Common Elements.

If insurance coverage is available to combine protection for the Association and the Unit Owner's individual Unit, the Board of Directors is hereby given discretionary power to negotiate such combination of insurance protection on an equitable cost-sharing basis under which the Unit Owner would be assessed individually for the amount of insurance which he directs the Board of Directors to include such policies for his additional protection. Copies of all such policies shall be provided to each mortgagee. Nothing contained in this paragraph shall be deemed to prohibit any Unit Owner, at his expense, to provide any additional insurance coverage on his improvements which will duplicate any insurance provided by the Association of Unit Owners. The Board of Directors shall also provide and maintain public liability insurance covering the Common Elements in such amounts as may be determined at the discretion of the Board of Directors from time to time but, in any event such coverage shall be for at least \$1,000,000.00 for bodily injury including deaths of persons and property damage arising out of a single occurrence. The Board of Directors may also provide workmen's compensation insurance and fidelity bonds on such officers and employees and in such amounts as is determined by the Board of Directors to be necessary from time to time.

15. LIABILITY FOR COMMON EXPENSES

The costs of administration of the Association, insurance, repair, maintenance and other expenses of the Common Elements and Limited Common Elements, and the common services provided to the Unit Owners shall be paid for by the Association. The Association shall make assessments against the Unit Owners, except the Declarant, as well as the Units themselves, for such common expenses and for the creation of reserves for the payment of future common expenses with each Unit subject to said assessment paying an equal share of

the assessment. The Declarant shall pay the assessment in accordance with the formula stated below.

A Unit Owner, except Declarant, shall be liable for all assessments, or installments thereof, coming due while owning a Unit. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the common expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments.

No Unit Owner may exempt himself or his Unit from liability for his contribution toward the common expenses by waiver of the use or enjoyment of the Common Elements or Limited Common Elements or services or by the abandonment of his Unit.

The Declarant, as a Unit Owner, shall not be liable for any annual or special assessments as assessed by the Association. The Declarant shall be liable for assessments on a Unit commencing with the occupancy of said Unit. The Declarant shall be liable for assessments on an unoccupied Unit in accordance with the following formula:

A. Units within a completed building wherein at least one (1) unit has been sold shall be assessed as follows:

1. Thirty three and one-third percent ($33 \frac{1}{3}\%$) of the assessments on a Unit for the first twelve (12) months following the sale of the first Unit within that building.
2. Sixty six and two-thirds percent ($66 \frac{2}{3}\%$) of the assessments on a Unit for the second twelve (12) months following the sale of the first Unit within that building.
3. One hundred percent (100%) of the assessments on a Unit after twenty-four (24) months following the sale of the first Unit within that building.

B. Units within an uncompleted building wherein no Units have been sold shall not pay assessments.

C. The Declarant shall be responsible for the operating deficit of the Association until eighty percent (80%) of the Units are sold or until the Homeowners Association becomes self-sufficient, whichever shall occur first.

All common expenses and assessments, when due, shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two years after the date the

assessment becomes due. The lien is effective against a Unit at the time the assessment became due regardless of when within the two year period it is filed. The Association must serve the Declarant with a notice of dues within thirty (30) days of assessment.

All sums assessed by an association, but unpaid for, regarding the share of the common expenses chargeable to any Unit constitutes a lien on the Unit and on the undivided interest in the Common Elements and Limited Common Elements appurtenant thereto prior to all other liens except:

- A. Liens of general and specific taxes;
- B. All sums unpaid on a first mortgage recorded prior to the making of the assessment;
- C. Mechanics liens filed prior to the making of the assessment;
- D. All sums unpaid on any mortgage loan made under Section 45.80 (1989 Stats.) of the Wisconsin Statutes;
- E. A lien under Section 144.442(9)(i), 144.76(13) or 144.77(6)(d), of the Wisconsin Statutes.

The common surpluses resulting from the operation of the Condominium shall be credited to the Unit Owner's assessments for common expenses, or shall be used for any other purpose as the Association decides, or shall be refunded to the Unit Owners with each Unit receiving a share of said surplus in proportion to the dues paid by the Unit Owner during the preceding 12-month period.

16. PARTITION OF COMMON ELEMENTS PROHIBITED

There shall be no partition of the Common Elements and Limited Common Elements through judicial proceedings or otherwise until this agreement is terminated and the property is withdrawn from its terms or from the terms of the applicable statutes regarding unit ownership or condominium ownership; provided, however, that if any Unit shall be owned by two or more co-owners as tenants in common or as joint tenants, nothing contained herein shall be deemed to prohibit a voluntary or judicial partition of said single Units as between such co-owners. Ownership shall be limited to 4 or fewer co-owners as tenants in common or as joint tenants.

17. CONVEYANCE TO INCLUDE INTEREST IN COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

The percentage of the undivided interest in the Common Elements and Limited Common Elements shall not be separated from the Unit to which it appertains. No Unit Owner shall execute any deed, mortgage, lease or other instrument affecting title to such Unit without including therein both his interest in the Unit and his corresponding percentage of

ownership in the Common Elements and Limited Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

18. EASEMENTS, RESERVATIONS AND ENCROACHMENTS

18.1 UTILITIES. Easements are hereby declared and granted for the benefit of the Unit Owners and the Association and reserved for the benefit of the Declarant for utility purposes, including the right to install, lay, maintain, repair and replace water mains and pipes, heating ducts and piping, sewer lines, gas mains, telephone wires and equipment, master television antenna system wires and equipment, cable television equipment, and electrical conduits and wires and equipment, including power transformers, over, under, along and on any part of the Common Elements and Limited Common Elements.

18.2 PERMITS, LICENSES AND EASEMENTS. The Association shall have the right to grant permits, licenses and easements over the common elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the property.

18.3 ENCROACHMENTS. In the event that by reason of the construction, reconstruction, settlement, or shifting of any building, or the design or construction of any Unit, any part of the Common Elements, or Limited Common Elements, encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements, Limited Common Elements, or any portion of any Unit encroaches upon any part of any other Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit so long as all or any part of the building containing such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any Unit or in favor of the owner or owners of the Common Elements or Limited Common Elements, if such encroachments occurred due to the willful conduct of said owner or owners.

18.4 BINDING EFFECT. All easements and rights described herein are easements appurtenant, running with the land, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the undersigned, its successors and assigns, and on all Unit

Owners, purchasers and mortgagees and their heirs, executors, administrators, successors and assigns. The Association shall have the authority to execute all documents necessary to carry out the intent of this Section 18.

19. FAILURE OF ASSOCIATION TO INSIST ON STRICT PERFORMANCE NOT WAIVER

The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from a Unit Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

20. AMENDMENTS TO DECLARATION

Except as otherwise provided by the Act, this declaration may be amended with the written consent of sixty-six and two-thirds percent (66 2/3%) of the Unit Owners and mortgagees. Consent of both the Unit Owner and the mortgagee is required in meeting the requisite sixty-six and two-thirds percent (66 2/3%) approval. Copies of amendments shall be certified by the President and Secretary of the Association in a form suitable for recording. A copy of the amendment shall be recorded with the Register of Deeds for Milwaukee County and a copy of the amendment shall also be mailed or personally delivered to each Unit Owner at his address on file with the Association.

21. VOLUNTARY TERMINATION OF CONDOMINIUM

Upon removal of any property from the act, the property shall be deemed to be owned in common by the Unit Owners. The undivided interest in the property owned in common which appertains to each Unit Owner shall be the percentage of undivided interest previously owned by the owner in the Common Elements.

22. NOTICES
