~ Message from the President ~

Greeting Members,

We had another great year in progress for our community. We finally were able to find matting for the Handicap swing & got that installed this Fall. We will be putting the actual swing in, in the spring. Thank you to Mr. & Mrs. Fabbri for the donation of the swing. We purchased a Baseball Diamond Backing for Lincoln Park. We are looking for bids to install it. We would like to use the backing for a movie screen backdrop for movies in the park in the summer also.

We also received a donation of a Kayak rack / Canoe rack from the ELIA (Eagle Lake Improvement Association) this Fall. We will be installing it in the spring also. It will be available to Property owners in Manor that would like to leave their Kayak's at the beach. You will have to supply your own lock. (ELMCA will not be responsible for any thefts or damages). Please contact me or a board member if you are interested.

Our next large project is going to be working on the clubhouse. The bathrooms are in much need to be updated and refinish the hardwood floors.

I want to thank all the volunteers that helped out at the Lakefront, on our clean-up project also. Without the help of volunteers, we would not be able to do it. If anyone has ideas to help improve our community or would like to volunteer to help with community projects we would love to hear from you; please contact myself or one of your Board members.

Michelle Vanek

President of ELMCAI
