BYLAWS
OF
MISSION LAKES CONDOMINIUM ASSOCIATION, INC.

ARTICLE I

NAME AND PURPOSE

Pursuant to the Articles of Incorporation of Mission Lakes Condominium Association, Inc., and the Condominium Declaration of Mission Lakes Condominium, recorded in the office of the Register of Deeds for Waukesha County, Wisconsin, (hereinafter called the "Declaration") by Mission Lakes, LLC (together with its successors and assigns hereinafter "Declarant"), the following are adopted as the Bylaws of Mission Lakes Condominium Association, Inc. (hereinafter referred to as the "Association"), which is a non-profit corporation, formed and organized to serve as an Association of Unit Owners who own real estate and improvements (hereinafter the "Property") under the condominium form of use and ownership, as provided in the Condominium Ownership Act under the laws of the State of Wisconsin and subject to the terms and conditions of the Declaration.

These Bylaws shall be deemed covenants running with the land and shall be binding on the Unit Owners, their heirs, administrators, personal representatives, successors and assigns.

ARTICLE II

MEMBERS, VOTING AND MEETINGS

2.1 Members. The corporation shall have two classes of members, and the rights and qualifications of the members are as follows:

(A) Class A Members.

1. Defined. Class A members shall be all Unit Owners, with the initial exception of the Declarant, and shall have one vote for each Unit owned. Every Unit Owner, upon acquiring ownership, automatically becomes a member of the Association and shall remain a member thereof until such time as his or her ownership of such Unit ceases for any reason, at which time membership in the Association shall automatically cease.

2. **One Vote Per Unit.** One Class A membership and one vote shall exist for each Unit, excepting those Units owned by Declarant. If title to a Unit is held by more than one person, the membership related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the Unit is held. Voting rights may not be split. If more than one vote is cast by the owners of a Unit, only one vote shall be counted. If the votes are conflicting, neither vote shall be counted. The Association may prohibit any Unit Owner from voting at a meeting if the Association has a recorded statement of condominium lien on the Owner's Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

3. **Membership List.** The Association shall maintain a current Membership List showing the membership pertaining to each Unit.

4. **Transfer of Membership.** Each membership shall be appurtenant to the Unit upon which it is based and shall be transferred automatically upon conveyance of that Unit. Membership in the Association may not be transferred, except in connection with the transfer of a Unit. Upon transfer of a Unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name of the new owner, identification of Unit, date of transfer, name of the person designated to vote, and any other information about the transfer which the Association may deem pertinent and the Association shall make appropriate changes to the Membership List effective as of the date of transfer.

(B) CLASS B MEMBERS.

Class B member(s) shall be the Declarant, and shall be entitled to three (3) votes for each Unit owned. Class B membership shall cease and be converted to Class A membership when the total votes outstanding in Class A membership equal or exceed the total votes outstanding in Class B membership, or a date not exceeding three (3) years (or ten (10) years in the event of expansion of the Condominium) from the first conveyance to any person other than a Declarant, whichever first occurs.

2.2 **Quorum and Proxies for Members' Meetings.** A quorum for members' meeting shall consist of a majority of votes entitled to vote. Votes may be cast in person or by proxy in accordance with designations in the Membership List. The act of a majority of votes present in person, or by proxy, at any meeting at which a quorum is present, shall be the act of the members. Proxies shall be valid only for the particular meeting(s) or time period designated therein, unless sooner revoked, and must be filed with the Secretary before the appointed time of the meeting. If any meeting of members cannot be organized because a quorum is not present, a majority of the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, without further notice. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed.

2.3 Time, Place, Notice and Calling of Members' Meetings. Written notice of all meetings stating the time, place and the purposes for which the meeting is called shall be given by the President or Secretary, unless waived in writing, to each member at the Member's address as it appears on the books of the Association, and shall be mailed or personally delivered not less than ten (10) days, nor more than thirty (30) days, prior to the date of the meeting. Notice of meetings may be waived before or after meetings. Meetings shall be held at such time and place as may be designated by the Board of Directors. The annual meeting shall be held on the third Monday in January (or on such other day in the month of January as may be designated by the Board of Directors) of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members. Special meetings of the members shall be held whenever called by the President or any two members of the Board of Directors, and must be called by such officers upon receipt of a written request signed by members with one-third (1/3) or more of all votes entitled to be cast. *Quorum*

ARTICLE III

(a) One (1) director whose term will expire after one (1) year, at the next annual meeting of the Association.

(b) One (1) director whose term will expire after two (2) years, at the second annual meeting of the Association after the director's election.

The successors to the class of directors whose terms expire, as set forth above, shall be elected to hold office for a term of three (3) years, or until their successors are duly elected and qualified, or until any of said directors shall have been removed in the manner hereinafter provided, so that the term of one class of directors shall expire in each year.

3.5 Vacancies on Board. Vacancies on the Board of Directors caused by any reason, other than the removal of a director by a vote of the members, shall be filled by a vote of the majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall be a director until a successor is elected at the next annual meeting of the members at which that class of directors is to be elected.

Such consent shall have the same force and effect as unanimous vote.

ARTICLE IV

The Association, acting through the Board of Directors, shall be responsible for administration and operation of the condominium property, in accordance with the Declaration, the Articles of Incorporation, and these Bylaws. The Association may contract for management services and a managing agent with respect to the administration and operation of the condominium.

5.2 Rules and Regulations. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units, Common Elements and Limited Common Elements by the Unit Owners and occupants, operation, maintenance and use of the Activity Center, and use of Florence Lake. 5.3 Common Expenses. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the common charges payable by each Unit to meet the estimated common expenses of the Association for the ensuing year. The amounts required by such budget shall be assessed and charged against the Units and allocated equally by Unit among the members of the Association. The common charges shall be prorated and paid monthly to the Association, on or before the first day of each month. If any payment is not made within ten (10) days of the due date, the charges shall bear interest at the rate of twelve percent (12%) per annum on the unpaid balance until paid in full.

5.4 Operating Budget. The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund." The operating fund shall be used for all common expenses which occur with greater than annual frequency, such as amounts required for the cost of maintenance of the Common Elements, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses, such as painting or renovation. If the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums as may be required in addition to the operating fund shall be first charged against the reserve fund. If both funds prove inadequate to meet the necessary common expenses, the directors may levy a further assessment which shall be charged equally against the Units.

The reserve fund may include such amounts as the Board of Directors may deem necessary to provide for the purchase or lease of any Unit whose owner wishes to sell or lease to

ARTICLE V

OPERATION OF THE PROPERTY

5.1 The Association. The Association, acting through the Board of Directors, shall be responsible for administration and operation of the condominium property, in accordance with the Declaration, the Articles of Incorporation, and these Bylaws. The Association may contract for management services and a managing agent with respect to the administration and operation of the condominium.

5.2 Rules and Regulations. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units, Common Elements and Limited Common Elements by the Unit Owners and occupants, operation, maintenance and use of the Activity Center, and use of Florence Lake. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the contracts, documents, and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units, Common Elements and Limited Common Elements by persons entitled thereto.

5.3 Common Expenses. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the common charges payable by each Unit to meet the estimated common expenses of the Association for the ensuing year. The amounts required by such budget shall be assessed and charged against the Units and allocated among the members of the Association according to their respective percentages of ownership in the Common Elements and facilities of the Condominium as set forth in the Declaration. The common charges shall be prorated and paid monthly to the Association, on or before the first day of each month. If any payment is not made within ten (10) days of the due date, the charges shall bear interest at the rate of twelve percent (12%) per annum on the unpaid balance until paid in full.

5.4 Operating Budget. The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund." The operating fund shall be used for all common expenses which occur with greater than annual frequency, such as amounts required for the cost of maintenance of the Common Elements, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses, such as painting or renovation. If the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums as may be required in addition to the operating fund shall be first charged against the reserve fund. If both funds prove inadequate to meet the necessary common expenses, the directors may levy a further assessment which shall be charged equally against the Units.

The reserve fund may include such amounts as the Board of Directors may deem necessary to provide for the purchase or lease of any Unit whose owner wishes to sell or lease to

encumbrances levied against the entire property, or against each Unit, if resulting from action by the Association. The Unit Owner or Unit Owners responsible for any lien which is paid by the Association, but not the obligation of the Association, shall be specially assessed for the full amount therefor.

The directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair is necessary to protect the common property. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit Owner responsible thereof.

The annual budget shall be prepared and determined by December 15 of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of common charges payable on behalf of each Unit by the date of the annual members' meeting, and shall furnish to each member copies of the budget on which such common charges are based.

If, within fifteen (15) days after the annual membership meeting, a petition is presented to the Board of Directors protesting such charges or the budget upon which they are based, and the petition is signed by members representing more than fifty percent (50%) of the membership entitled to vote with respect to such charges, then the directors shall notify all members of a meeting called for the sole purpose of reviewing such charges or budget. At such meeting, the vote of more than fifty percent (50%) of the membership entitled to vote may revise the budget and charges, and such revised budget and corresponding charges shall replace for all purposes the ones previously established; provided, however, that the annual budget and charges may not be revised downward to a point lower than the average total budget for the preceding two years and provided further, that if a budget and charges have not been established and made for any two preceding years, then the budget and charges may not be revised downward until two years of experience exist.

5.5 Default. If a member of the Association is in default in payment of any charges or assessments for a period of more than thirty (30) days, the Board of Directors, in the name of the Association, may bring suit for, and on behalf of, the Association, as representative of all members, to enforce collection of such delinquencies, or to foreclose the lien therefor, as provided by law, and there shall be added to the amount due the costs of suit and the legal interest, together with a reasonable attorney's fee.

5.6 Manner of Borrowing Money. Upon the affirmative vote of Unit Owners having sixty-seven percent (67%) or more of the votes at a meeting called for such purpose, the Association may borrow money for Association needs and assess Unit Owners according to their respective percentages a charge sufficient to cover monthly principal and interest amortization. The President and Secretary on behalf of the Association shall be authorized to execute the necessary loan documents.

5.7 Maintenance of Storm Sewer; Fire Department Access. The Condominium is obligated by agreement with the municipality and the fire department to keep the storm sewer trap clear, and to keep access to the rear of the Condominium Buildings (lakeside) clear. The Association shall take such action as may be necessary to satisfy these obligations.

ARTICLE VI

DUTIES AND OBLIGATIONS OF UNIT OWNERS

6.1 Rules and Regulations. The Units, Common Elements and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these Bylaws, and the rules and regulations of the Association, including the following:

a) Use. No Unit shall be occupied or used for any purposes other than a single family private residence.

b) Obstructions. There shall be no obstruction of the Common Elements, nor shall anything be stored therein, without the prior consent of the Association.

c) Increase of Insurance Rates. Nothing shall be done or kept in any Unit or in the Common Elements, which will increase the rate of insurance on the Common Elements, without the prior consent of the Association. No Unit Owner shall permit anything to be done or kept in the Owner's Unit, or in the Common Elements, which will result in the cancellation of insurance on any Unit, or any part of the Common Elements, or which would be in violation of any law or ordinance. No waste will be committed in the Common Elements.

d) Signs. No sign of any kind shall be displayed to the public view on or from any Unit, without prior consent of the Association.

e) Animals. No reptiles or uncaged birds shall be permitted within the Condominium. Unit Owners may keep no more than two (2) pets per Unit, provided, however, that:

- (i) The pet is first approved and registered with the Association;
- (ii) The pet is under twenty-six (26") inches in height when measured from the base of its fore-paw to the top of the corresponding shoulder;
- (iii) The pet is not permitted on any of the Common Elements while unleashed;

(iv) The individual attending the pet immediately disposes of any and all of the pet's solid waste in the manner prescribed by the Association;

(v) The owner of the pet complies with such rules of pet ownership as may be promulgated by the Association; and

(vi) A pet must immediately and permanently be removed from the Condominium if, in the sole judgment of the Board of Directors, the pet is or becomes offensive, a nuisance or harmful in any way to the Condominium or those owning or occupying therein, or otherwise violates the terms of this subparagraph (e).

(vii) Any and all costs of repairing damage caused by a pet shall be borne by its owner. Any Unit Owner failing to comply with this Section shall, absent unusual circumstances under which the Board of Directors determines that some lesser or other remedial action is appropriate, be assessed a monthly pet fee in an amount of Five hundred Dollars (\$500.00) per month, or part thereof, until the owner has complied. Such pet fee may be collected in the same manner as assessments under Section 5.3.

f) Noxious Activity. No noxious or offensive activity shall be carried on in any Unit, the Common Elements or Limited Common Elements, nor shall anything be done therein which may be or become an annoyance or nuisance to others.

g) Leasing of Units. No Unit shall be leased or rented for an initial term of less than (6) months, nor more than one (1) year, or otherwise for transient purposes. No Unit Owner shall lease a Unit other than by written instrument, which shall (1) require the tenant to comply with the Act, the Declaration, these Bylaws, and the Rules and Regulations, as the same may be from time to time amended, (2) provide that any failure to so comply shall constitute a default under said lease, and (3) provide that the Board of Directors shall have the power to terminate the lease, or to bring summary proceedings to evict the tenant in the name of the lessor/Unit Owner upon forty-five (45) days prior written notice to the Unit Owner in the event of a default in the performance by the tenant under the lease of the obligations under this paragraph. The tenant of a Unit Owner may not sublet the Unit, or assign the lease of the Unit without the prior written consent of the Board of Directors. A Unit Owner shall promptly file with the Association a copy of any lease of the Owner's Unit.

The Declaration includes restrictions on occupancy of Units based upon age. It is intended that not less than eighty-five percent (85%) of the Units shall be occupied by at least one (1) person who is fifty-five (55) years or older. Therefore, consent must be obtained from the Association prior to leasing of a Unit in order to maintain the required percentage of residents meeting the said age restriction.

h) Alteration, Construction or Removal. Nothing shall be altered or constructed in, or removed from, the Common Elements and Limited Common Elements, except upon the written consent of the Association.

i) Restrictions and Fees for Use of Boathouse, Activity Center, Pontoon Boat and Other Property or Components of the Condominium. The Association shall establish rules and restrictions on the use of the boathouse, Activity Center, pontoon boat and other personal property or components of the Condominium by Unit Owners or their tenants ("the Components"), and the rates to be assessed for such use. A security deposit may be required as a condition of usage of the Components. The Association shall provide the Owners with a schedule of the rates assessed for use of the Components, and the restrictions and rules for such usage. Written permission from the Association shall be required for a Unit Owner to use the Components, which permission shall include an indemnification of the Association for any claims arising out of such use, and the agreement by the Owner/tenant to repair any damage to the Components. Assignment shall be on a first-come, first served basis, provided, however, that the Association may take into consideration the frequency of recent usage by the Owner or tenant when another Owner or tenant wishes to use one of the Components. The Association shall have the right to decline the use of the Components on the basis of the proposed use of the same by the Owner or tenant. Use of the Components shall be restricted to Owners and tenants. While guests of Owners or tenants may join in the use of the Components, they shall be accompanied in such use by the Owner or tenant to whom permission has been granted. Users of the Components shall use the Components in a safe and reasonable manner, and shall not engage in any activity which unreasonably disturbs the other Owners and tenants.

j) Conflict. The above rules and regulations and those which may be hereafter adopted by The Association, are in addition to the Declaration, and the documents, contracts, declarations, and easements set forth in the Declaration, and in the event of a conflict, the Declaration and contracts, declarations, and easements set forth and referenced therein shall govern.

k) Remedies. Failure to comply with any of these Bylaws or any other rules, regulations, covenants, conditions or restrictions imposed by the Act, the Declaration or the Board shall be grounds for action to recover sums due for damages or injunctive relief or both, maintainable for the Association or, in a proper case, by an aggrieved member.

6.2 Maintenance and Repair of Units. Every Unit Owner must perform properly, or cause to be performed, all maintenance and repair work within the Owner's Unit which, if omitted, would affect the project in its entirety or in a portion belonging to other Unit Owners, and such Unit Owners shall be personally liable to the Association for any damages caused by failure to do so.

6.3 Limited Common Elements. Every Unit Owner must maintain the Limited Common Elements appurtenant to the Owner's Unit in clean and proper condition. No objects or

structures other than approved moveable furniture or decorative pieces, shall be placed thereon without the prior written consent of the Board of Directors of the Association. Every Unit Owner shall have the right to decorate the Limited Common Elements appurtenant to the Owner's Unit in a nonstructural manner, provided that decorations which are visible to other Units or to the public shall have the prior written approval of the Board of Directors of the Association. Until all Units are sold by Declarant, or twenty-four (24) months after the sale of the first Unit to be sold, whichever shall occur first, the Declarant shall have the sole and exclusive right to either approve or disapprove decorations, moveable furniture or other decorative pieces in the Limited Common Elements as set forth in this paragraph.
