

Additional Property Information

1. The City of West Allis is currently in the process of replacing the Lead Water Service. The seller has not been given a day or time when this will be completed. If it is completed prior to closing, the seller will notify all parties. If it is not completed prior to closing, a credit of \$2000 will be given to the buyer.

Please call 414-302-8374 and ask for the Engineering Department

This information was provided by the sellers.
