Special Instructions:

- A full copy of approved plans, specifications and this permit shall be on-site during construction and open to inspection by authorized representatives of the department.
- UDC and City of Brookfield Building Codes must be met during construction or installation prior to occupancy or use.
- All inspections must be scheduled in the OpenGov System.
- It is your responsibility to call for all necessary inspections for your project. If you are unsure what inspections are required, please contact the building inspector.

It is hereby agreed between the above signed, as owner, his agent or servant, and the City of Brookfield, that for and in consideration for the premises and of the permit to construct, erect, alter or install and the occupancy of the building as above described, to be issued and granted by the Building Inspector, that the work thereon will be done in accordance with the descriptions set forth in this statement, and as more fully described in the specifications and plans herewith filed, and it is further agreed to construct, erect, alter, or install and occupy in strict compliance with the ordinances of the City of Brookfield, and to obey any and all lawful orders of the Building Inspector of the City of Brookfield and the State Laws relating to the construction, alteration, repair, removal and safety of building and other structures and permanent building equipment.
