We hereby propose to furnish materials and labor necessary to complete the repairs listed in this Customer Proposal.

Description	Qty	Unit Price	Amount
WARRANTY CROWNCOAT	1	0.00	0.00
PARTIAL TUCKPOINT FIREBOX: Our inspection revealed that your fireplace firebox is showing signs of deteriorated mortar joints which creates a pathway for flames to escape your firebox and ignite combustible material behind it. Our proposed solution is to tuckpoint your firebox by grinding out loose mortar joints and applying highbond, high temperature mortar to those joints to repair the area.	1	799.00	799.00
HEATSHIELD RESURFACING: Our chimney & fireplace inspection revealed deteriorating mortar joints and vertical cracks in your chimney flue system. Vertical cracks are possible evidence of a hostile flue fire due to excessive creosote buildup. This condition presents a fire hazard: the gaps and cracks create a pathway for flames to escape the chimney flue and reach combustible material behind it and ignite. Our proposed solution is to apply HeatShield Cerfractory Flue Sealant to the damaged chimney flue. Erect winch system on top of chimney. Lower custom sized foam plug to bottom of chimney flue. Pull foam plug through chimney flue, applying HeatShield to effectively fill gaps and cracks. The process is repeated to resurface the chimney flue, repairing the vertical cracks. Cures within 48 hours. Burn 3 small conditioning fires, back-to-back to continue helping the HeatShield cure. To guarantee the warranty an inspection is required with-in the first 18 months, and once a year after that for 10 years. In order to perform the inspection, we will need to perform a sweep. The first inspection is free, and it will be \$299.00 for an inspection every year for 10 years to maintain warranty. If a sweep is required, it will be \$352.00	1	2,199.00	2,199.00
INSPECTION REFUND	-1	499.00	-499.00
Total			\$2,499.00

Following Safety Inspection is included with completed repairs. An Annual Safety Inspection is required by the NFPA code 211 and is necessary to retain warranty coverage of Quality Fireplace products and services. Date of Next appointment:
