10.1 COMMON ELEMENTS AND FACILITIES. The Association shall be responsible for the management and control of the common elements and facilities and shall cause the same to be kept in good, clean, attractive and sanitary conditions, order and repair. Each unit owner shall keep the limited common elements appurtenant to his unit, as defined in Section 6 hereof and as described in Exhibit "A" in a good, clean, sanitary and attractive condition. With respect to any decks appurtenant to a unit, the maintenance, repair, and replacement of the deck boards shall be the unit owner's responsibility, while the maintenance, repair, and replacement of the railing, fascia board, and any stairs shall be the Association's responsibility. With respect to the mulched areas immediately next to the Units, the Unit Owner shall be responsible for the maintenance and replacement of the landscaping therein contained. Nothing shall be planted or replaced within those areas without prior approval of the Board of Directors. If a Unit Owner fails to adequately maintain the mulched areas adjacent to his Unit, the Board of Directors, in its discretion, may perform the needed maintenance and assess the cost of the same to the Unit Owner.

10.3 PROHIBITION AGAINST STRUCTURAL CHANGES BY OWNER. A unit owner shall not, without first obtaining the written consent of the Association, make or permit to be made any structural alterations, changes or improvements to his unit, or to the exterior of any building or any common or limited common elements and facilities. A unit owner shall not perform, or allow to be performed, any act or work which would impair the structural soundness or integrity of any building, or the safety of the property, or impair any easement or hereditament, without the prior written consent of the Association.

10.4 ENTRY FOR REPAIRS. The Association shall have an irrevocable right and easement to enter any unit at reasonable times and under reasonable conditions when necessary to make repairs to common elements and any repairs that reasonably appear necessary for public safety or to prevent damage to other portions of the condominium. The Association shall make a reasonable effort to give prior notice to the owners, except in cases involving manifest danger to public safety or property, and with as little inconvenience to the owners as practical. No entry by the Association for the purposes specified in this paragraph may be considered a trespass.

11. UNIT OWNER'S RIGHTS WITH RESPECT TO INTERIORS

Each unit owner shall have the exclusive right to paint, repaint, tile, panel, paper or otherwise refurnish and decorate the interior of the walls, ceilings, floors and doors forming the boundaries of his unit and all walls, ceilings, floors and doors within such boundaries, and to erect partition walls of a non-structural nature, provided that any such remodeling or wall-replacement work is first approved in writing by the Board of Directors before it is commenced, and provided that such unit owner shall take no action which in any way will materially change any common walls.

12. RESTRICTION ON USE AND OCCUPANCY

Each unit shall be occupied and used only for single family private dwelling purposes as provided in the Bylaws of the Association. No trade shall be carried on anywhere within the condominium, except as otherwise provided herein. Unit owners may lease or rent a unit only to the extent the same is set forth in the Bylaws. Any person occupying a unit with the authority of an owner shall comply with all the restrictions, covenants and conditions imposed herein and by the Bylaws of the Association. No rooms in any unit may be rented and no transient tenants may be accommodated.

13. DESTRUCTION AND RECONSTRUCTION

In the event of a partial or total destruction affecting one or more of the units of a building or buildings, the Association shall promptly undertake to repair or reconstruct it to a condition compatible with the remainder of the condominium. On reconstruction the design, plan and specifications of any building or unit may vary from that of the original upon the approval of the Association, provided, however, that the number of square feet of any unit may not vary more than five percent (5%) from the number of square feet for such unit as originally constructed, and the location of the buildings shall be substantially the same as prior to damage or destruction.

If a condominium is damaged to an extent more than the available insurance proceeds, the condominium shall be subject to an action for partition upon obtaining the written consent of the unit owners having seventy-five percent (75%) or more of the votes. A determination as to whether or not to reconstruct and repair the damaged premises or to subject the condominium to an action for partition shall be made within ninety (90) days from the date of the fire, casualty or disaster. In the case of partition, the net proceeds of sale together with any net proceeds of insurance shall be considered as one fund and shall be divided among all unit owners in proportion to the percentage interest in the common elements, and shall be distributed in accordance with the priority of interest in each unit.

If the insurance proceeds are insufficient to reconstruct or repair the damaged premises and the necessary seventy-five percent (75%) or more of the votes necessary to subject the condominium to an action for partition are not obtained, then the damaged premises shall be reconstructed and repaired by the Association with the insurance proceeds, and the owners of units shall be assessed for the deficiency in accordance with the percentage of ownership in the common elements.

14. INSURANCE

The Board of Directors of the Association shall obtain, to the extent available in the normal commercial marketplace, broad form insurance against loss by fire and against loss by lightening, windstorm, hail, snow storm and other risks normally included within risk of loss extended coverage, including vandalism and malicious mischief, insuring all Common Elements, Units and Unit upgrades or betterments, together with all service machinery appurtenant thereto, as well as all personal property belonging to the association, but excluding any Unit Owner personal property, in an amount equal to the full replacement value, with code upgrades, without deduction for depreciation. The Board of Directors shall obtain a third-party insurance appraisal, to be updated at least every five years, to determine the full replacement value of the Property insured. The insurance shall be obtained in the name of the Association as trustee for each of the unit owners and their respective mortgagees as their interest may appear. Premiums shall be a common expense. To the extent possible, the insurance shall provide that the insurer waives its right of subrogation as to any claim against unit owners, the Association, and their respective servants, agents and guests, and that the insurance cannot be cancelled, invalidated nor suspended on account of conduct of any one or more unit owners or the Association or their servants, agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within that time.

The unit owner shall be responsible for and shall obtain insurance coverage for the personal property within the Unit, and also for coverage for Building/Additions and Alterations/Improvements and Betterments (Coverage A), and loss assessment coverage, at a minimum limit of the Association's master policy deductible.

In the event of partial or total destruction of a building or buildings and it is determined to repair or reconstruct such building or buildings in accordance with Section 13 hereof, the proceeds of such insurance shall be paid to the Association to be applied to the cost thereof and the unit owners and mortgagees shall not be entitled to receive payment of any portion of insurance proceeds. If it is determined not to reconstruct or repair or the Court has ordered partition of the condominium property, then the proceeds shall be distributed to the unit owners and their mortgagees, if any, as their respective interest may appear in the manner provided by the Act. If after the common elements have been completely repaired or restored and there is a surplus of insurance proceeds, then the surplus shall be considered a common surplus and may, at the direction of the Board of Directors, be distributed to the unit owners and their mortgagees, if any, in accordance with the percentage of ownership in the common elements.

If insurance coverage is available to combine protection for the Association and the unit owner's individual unit, the Board of Directors is hereby given discretionary power to negotiate such combination of insurance protection on an equitable cost-sharing basis under which the unit owner would be assessed individually for the amount of insurance which he directs the Board of Directors to include such policies for his additional protection. Copies of all such policies shall be provided to each mortgagee.

In addition to the insurance required above, the Board shall obtain, to the extent available in the normal commercial marketplace, with the costs thereof to be borne as a Common Expense:

- A. Worker's compensation insurance;
- B. Liability insurance providing coverage in an amount not less than two million dollars (\$2,000,000) per occurrence for injury, including death, and property damage covering the Association, the Board of Directors, officers, and all agents and employees of the Association, and all Unit Owners and other persons entitled to occupy any Unit or other portion of the Property;
- C. Directors and Officers Insurance covering the officers, directors, property managers and volunteers;
- D. Fidelity insurance covering officers, directors, property managers, employees, and other persons who handle or are responsible for handling Association funds. Such insurance shall be in an amount at least equal to no less than three (3) months' operating expenses plus reserves on hand as of the beginning of the fiscal year and shall contain waivers of any defense based upon the exclusion of persons serving without compensation; and

In addition to the insurance required above, the Board of Directors may obtain such other insurance, including cyber or automobile insurance, as it deems necessary.

Insurance Deductible. In the event of any insured loss on the Association's master insurance policy, the Association's deductible shall be the responsibility of the person or entity (including the Association) who would be responsible for such damage under the Condominium Documents, in the absence of insurance. If the cause of loss originates within a Unit, the Unit Owner is responsible for the damage costs up to the Association's master insurance policy deductible. If the cause of the loss originates in more than one Unit or a Unit and the Common Elements, the responsibility for paying the Association's deductible shall be equitably apportioned by the Board in its sole discretion among the Unit(s) and/or Common Elements where the loss originated.

15. LIABILITY FOR COMMON EXPENSES

The costs of administration of the Association, insurance, repair, maintenance and other expenses of the common elements and facilities and limited common elements, and the common services provided to the unit owners, including municipal water and sewer service, shall be paid for by the Association. The Association shall make assessments against the unit owners, as well as the units themselves for such common expenses and for the creation of reserves for the payment of future common expenses with each unit sharing a one hundred seventy-eighth (1/178th) share of said assessments. The common surpluses resulting from the operation of the condominium shall be credited to the unit owner's assessments for common expenses, shall be used for any other purposes as the Association decides, or shall be refunded to the unit owners with each unit sharing a one/one hundred seventy-eighth (1/178th) share of said surplus.

No unit owner may exempt himself or his unit ownership from liability for his contribution toward the common expenses by waiver of the use or enjoyment of any other common or limited common elements and facilities or services or by the abandonment of his unit.

A unit owner shall be liable for all assessments, or installments thereof, coming due while owning a unit. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the common expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments.

All common expenses and assessments, when due, shall immediately become a personal debt of the unit owner and also a lien, against the unit to which the charges are assessed, until paid, if a statement of lien is filed within two years after the date the assessment becomes due. The lien is effective against a unit at the time the assessment became due regardless of when within the two year period it is filed.

All sums assessed by an association but unpaid for, regarding the share of the common expenses chargeable to any unit, together with all late fees, interest, attorney's fees and costs constitutes a lien on the unit and on the undivided interest in the common elements appurtenant thereto prior to all other liens except those that may be set forth in the Act.

16. PARTITION OF COMMON ELEMENTS PROHIBITED

Except as provided herein, there shall be no partition of the common elements and facilities and limited common elements through judicial proceedings or otherwise until this agreement is terminated and the property is withdrawn from its terms or from the terms of the applicable statutes regarding unit ownership or condominium ownership; provided, however, that if any unit shall be owned by two or more co-owners as tenants in common or as joint tenants, nothing contained herein shall be deemed to prohibit a voluntary or judicial partition of said single units as between such co-owners. Ownership shall be limited to 4 or fewer co-owners as tenants in common or as joint tenants.

17. CONVEYANCE TO INCLUDE INTEREST IN COMMON ELEMENTS AND FACILITIES AND LIMITED COMMON ELEMENTS

The percentage of the undivided interest in the common and limited common elements and facilities shall not be separated from the unit to which it appertains. No unit owner shall execute any deed, mortgage, lease or other instrument affecting title to such unit ownership without including therein both his interest in the unit and his corresponding percentage of ownership in the common and limited common elements and facilities, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

18. EASEMENTS, RESERVATIONS AND ENCROACHMENTS

18.1 UTILITIES. Easements are hereby declared and granted for the benefit of the unit owners and the Association for utility purposes, including the right to install, lay, maintain, repair and replace water mains and pipes, heating ducts and piping, sewer lines, gas mains, telephone wires and equipment, master television antenna system wires and equipment, cable television equipment, and electrical conduits and wires and equipment, including power transformers, over, under, along and on any part of the common elements and facilities.

18.2 PERMITS, LICENSES AND EASEMENTS. The Association shall have the right to grant permits, licenses and easements over the common elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the property.

18.3 ENCROACHMENTS. In the event that by reason of the construction, reconstruction, settlement, or shifting of any building, or the design or construction of any unit, any part of the common elements and facilities, or limited common elements, encroaches or shall hereafter encroach upon any part of any unit, or any part of any unit encroaches or shall hereafter encroach upon any part of the common elements and facilities, or limited common elements, or any portion of any unit encroaches upon any part of any other unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such unit so long as all or any part of the building containing such unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any unit or in favor of the owner or owners of the common elements or facilities, or limited common elements, if such encroachments occurred due to the willful conduct of said owner or owners.

18.4 BINDING EFFECT. All easements and rights described herein are easements appurtenant, running with the land, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the Association, and on all unit owners, purchasers and mortgagees and their heirs, executors, administrators, successors and assigns. The Association shall have the authority to execute all documents necessary to carry out the intent of this Section 18.

19. FAILURE OF ASSOCIATION TO INSIST ON STRICT PERFORMANCE NOT
WAIVER

The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from a unit owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

20. AMENDMENTS TO DECLARATION

Except as otherwise provided by the Act, this declaration may be amended with the written consent of sixty-six and two-thirds percent (66 2/3%) of the unit owners and mortgagees. Consent of both the unit owner and the mortgagee is required in meeting the requisite sixty-six and two-thirds percent (66 2/3%) approval to the extent the same is set forth in the Act. Copies of amendments shall be certified by the President and Secretary of the Association in a form suitable for recording. A copy of the amendment shall be recorded with the Register of Deeds for Waukesha County and a copy of the amendment shall also be mailed or personally or electronically delivered to each unit owner at his address on file with the Association.

21. VOLUNTARY TERMINATION OF CONDOMINIUM

Upon the written consent of all unit owners, all or any part of the property may be removed from the provisions of the Act by an instrument to that effect, duly recorded with the Register of Deeds for Waukesha County, provided that the holders of all liens affecting any of the units consent thereto or agree, in either case by instrument duly recorded with the Register of Deeds of Waukesha County, that their liens be transferred to the percentage of the undivided interest of the unit owner in the property. Upon removal of any property from the act, the property shall be deemed to be owned in common by the unit owners. The undivided interest in the property owned in common which appertains to each unit owner shall be the percentage of undivided interest previously owned by the owner in the common elements.

The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into of occupancy of any unit shall constitute an acceptance of the provisions of such instruments, as they may be amended from time to time, by such owner, tenant or occupant. The provisions contained in such instrument shall be covenants running with the land and shall bind any person having at any time any interest or estate in such unit, as though such provisions were recited and fully stipulated in each deed, conveyance or lease thereof.
