Metro MLS – Required by Quorum Realty
For Listings Submitted to MLS which are Limited Service Listings
To comply with MLS Rule, Section 4.7 LIMITED SERVICE LISTINGS

Limited Service Listings must be identified with the code "Ltd Svc-Yes" in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

This is a required field on the MLS data sheet. The MLS Limited Service code will be a Yes/No field in the Features section. The code will be displayed on the MLS Full – type displays only.
