Job Details

Customer Will

1. If items are not completed in your "customer will" section the job may need to be reschedule, if this happens there is a reschedule fee of \$250. If personal items are not moved we may be able to move them for you, however this is a min. charge of \$250 to move personal items for the first hour and \$55/per person/per hour after then. Badger is not responsible for damages to those personal items.
2. Customer will move items at least 5 feet away from the work area.
3. If the project requires a municipality inspector to do an inspection, customer is responsible for bringing any existing items, not installed by Badger, up to code per that inspector's request. The products Badger is installing on this proposal are installed to code. Badger cannot be responsible for items that are not up to code that were not installed by Badger.

Limited Warranty

PowerBraces

PowerBraces – Contractor hereby warrants that the PowerBraces will stop further inward movement of the wall(s) repaired for the lifetime of the home from the date of installation, or else Contractor will provide the labor and materials, at no cost to Customer, to correct the problem with the PowerBraces. Walls that do not have PowerBraces installed entirely from corner to corner, by Contractor, are not warranted past area of installation. PowerBraces are warranted only to stabilize the affected wall(s) and not straighten them. If Customer desires further outward movement in the wall(s) repaired, Customer may have the PowerBraces tightened, as recommended by the manufacturer, by a service technician from Badger to attempt movement. If PowerBraces are adjusted by someone other than a Badger Technician the warranty will be void. Homeowner must provide an adequate gutter system and maintain positive grade away from the foundation.

Exclusions From This Warranty

Exclusions From This Warranty – This Warranty does not cover and Contractor specifically disclaims liability for: 1) exterior waterproofing; 2) system damage caused by Customer's negligence, misuse, abuse, or alteration; 3) dust incidental to installation; 4) damage to personal property of any type; 5) utility line breakage; 6) damage caused by mold; 7) failure or delay in performance or damage caused by acts of God (flood, fire, storm, methane gas, etc.), acts of civil or military authority, or any other cause outside of its control; 8) damage done during a lifting operation; 9) basement water seepage, where no water control system has been installed; 10) heave or any damages caused by it; and 11) damage caused by lateral movements and forces of hillside creep, land sliding or slumping of fill soils of deep embankments.

General Terms

General Terms – For the applicable time periods indicated below, this Warranty is transferable at no charge to future owners of the structure on which the work specified in this Contract is completed, if Contractor is notified of the change within 30 days after the sale is complete. This Warranty is in effect if the job specified in this Contract is completed and paid in full and, alternatively, is null and void if full payment is not received. Contractor does not warrant products not mentioned below, but some of such products may be covered by a manufacturer's warranty. All material used is warranted to be as specified in this Contract. All work will be completed in a workmanlike manner according to the standard practices of the industry. Contractor's workers are fully covered by Workers' Compensation insurance.

Standard Exclusions Permitted By State Law

Standard Exclusions Permitted By State Law – This Limited Warranty ("Warranty") is made in lieu of and excludes all other warranties, express or implied, and all other obligations on the part of the contractor ("Contractor") to the customer ("Customer"). There are no other verbal or written warranties, no warranties which extend beyond the description on the face hereof, and NO WARRANTIES OF EXPRESS OR IMPLIED MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of certain warranties, so some of the above exclusions and limitations may not apply to Customer.

Items for Which Customer is Responsible

Customer shall:

- 1) make full payment to the crew leader upon completion of work
- 2) prepare the work area for installation
- 3) be responsible for any finish carpentry, painting, paneling, landscaping, etc. that may be necessary after Contractor's work is finished
- 4) mark private lines (satellite, propane, sprinkler, etc.)
- 5) maintain positive drainage away from the repaired wall(s)
- 6) keep gutters clean and in good working order and direct downspouts a sufficient distance away from the repaired wall(s)
- 7) maintain proper expansion joints in concrete slabs that are adjacent to the repaired wall(s)
- 8) any items mentioned in this Contract under "Customer Will" or "Additional Notes."

Limited Warranty (Continued)

9) Demolition Work Responsibility

Demolition work associated with this project may be performed by either the Customer or the Contractor, as mutually agreed upon prior to the commencement of such work. If the Customer elects to perform the demolition, the work shall be completed prior to the Contractor’s scheduled start date and in a condition acceptable for the Contractor to proceed with installation. Any additional work required to correct, complete, or prepare the area for construction may be performed by the Contractor and shall be treated as a change in scope and billed accordingly. If the Contractor performs the demolition, such work shall be included as part of the project scope and priced in accordance with the Agreement or as an approved change order.
