designated by the Declarant. Thereafter, the Board of Directors shall be composed of five persons, all of whom shall be owners or spouses of owners or mortgagees of units, or, in the case of partnership owners or mortgagees, shall be members or employees of such partnership, or in the case of corporate owners or mortgagees, shall be officers, stockholders, or employees of such corporations, or in the case of fiduciary owners or mortgagees shall be the fiduciaries, or officers or employees of such fiduciaries.

Section 2. Powers and Duties. The Board of Directors shall have full powers and authority necessary for or desirable for the complete enforcement and administration of the Property and the provisions of the Wisconsin Unit Ownership Act, the Declaration, these By-Laws and rules and regulations hereunder.

Section 3. Managing Agent and Manager. The Board of Directors may employ for the Property a managing agent which may be Declarant or a related party and a manager at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize.

Section 4. Election and Term of Office. At the first annual meeting of the unit owners, the term of office of two members of the Board of Directors shall be fixed at three years, the term of office of two members of the Board of Directors shall be fixed at two years and the term of office of one member of the Board of Directors shall be fixed at one year. At the expiration of the initial term of office of each respective member of the Board of Directors, his successor shall be elected to serve for a term of three years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the unit owners.

Section 5. Removal of Members of the Board of Directors. At any regular or special meeting of unit owners, any one or more of the members of the Board of Directors may be removed with or without cause by a majority of the unit owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Directors whose removal has been proposed by the unit owners shall be given an opportunity to be heard at the meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a member thereof by a vote of the unit owners, shall be filled by vote of a majority of the

remaining members at a special meeting of the Board of Directors held for that purpose promptly after the occurrence of any such vacancy even though the members present at such meeting may constitute less than a quorum, and each person so elected shall be a member of the Board of Directors for the remainder of the term of the member so removed and until a successor shall be elected at the next annual meeting of the unit owners.

Section 7. Organization Meeting. The first meeting of the members of the Board of Directors following the annual meeting of the unit owners shall be held within ten days thereafter, at such time and place as shall be fixed by the unit owners at the meeting at which such Board of Directors shall have been elected, and no notice shall be necessary to the newly elected members of the Board of Directors in order legally to constitute such meeting, providing a majority of the whole Board of Directors shall be present thereat.

Section 8. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the members of the Board of Directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each member of the Board of Directors, by mail or telegraph, at least three business days prior to the day named for such meeting.

Section 9. Special Meetings. Special meetings of the Board of Directors may be called by the President on three business days' notice to each member of the Board of Directors, given by mail or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of at least two members of the Board of Directors.

Section 10. Waiver of Notice. Any member of the Board of Directors may, at any time, waive notice of any meeting of the Board of Directors in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board of Directors at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof. If all the members of the Board of Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 11. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the members thereof shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board of Directors present at a meeting

at which a quorum is present shall constitute the decision of the Board of Directors. If at any meeting of the Board of Directors there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called, may be transacted without further notice.

Section 12. Fidelity Bonds. The Board of Directors shall obtain adequate fidelity bonds for all officers and employees of the Property handling or responsible for funds. The premiums on such bonds shall constitute a common expense.

Section 13. Compensation. No member of the Board of Directors shall receive any compensation from the Association for acting as such.

Section 14. Liability of the Board of Directors. The members of the Board of Directors shall not be liable to the unit owners for any mistake or judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The unit owners shall indemnify and hold harmless each member of the Board of Directors against all contractual liability to others arising out of contracts made by the Board of Directors on behalf of the Association unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws. It is intended that the members of the Board of Directors shall have no personal liability with respect to any contract made by them on behalf of the Association. It is also intended that the liability of any unit owner arising out of any contract made by the Board of Directors or out of the indemnity in favor of the members of the Board of Directors shall be limited to such proportion of the total liability thereunder as his interest in the common areas and facilities bears to the interests of all the unit owners in the common areas and facilities. Every agreement made by the Board of Directors or by the managing agent or by the manager on behalf of the Association shall provide that the members of the Board of Directors, or the managing agent or the manager, as the case may be, are acting only as agents for the unit owners and shall have no personal liability thereunder (except as unit owners), and that each unit owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the common areas and facilities bears to the interests of all unit owners in the common areas and facilities. The Board of Directors may obtain and maintain at the expense of the Association director's liability insurance consistent with the provisions of this section in an amount or amounts it deems advisable.

Section 15. Informal Action. Any action which is required to be taken at a meeting of the Board of Directors or which may be taken at such a meeting, may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the directors entitled to vote with respect to the subject matter. Such consent shall have the same force and effect as a unanimous vote.

### ARTICLE III

#### Unit Owners

Section 1. Annual Meetings. The first annual meeting of the unit owners shall be held within 30 days after Declarant shall no longer be entitled to designate directors pursuant to Section 1 of Article II of these By-Laws or such earlier time as determined by the Declarant. The Declarant shall call such meeting. At such meeting the designees of the Declarant shall resign as members of the Board of Directors, and all the unit owners, including the Declarant, shall elect a new Board of Directors. Thereafter, the annual meetings of the unit owners shall be held on the 20th day of January of each succeeding year, unless such date shall occur on a Saturday or Sunday, in which event the meeting shall be held on the succeeding Monday. At such meetings, the Board of Directors shall be elected by ballot of the unit owners in accordance with the requirements of section 4 of Article II of these By-Laws. The unit owners may transact such other business at such meetings as may properly come before them.

Section 2. Place of Meetings. Meetings of the unit owners shall be held at the principal office of the Association or at such other suitable place convenient to the unit owners as may be designated by the Board of Directors.

Section 3. Special Meetings. It shall be the duty of the President to call a special meeting of the unit owners if so directed by resolution of the Board of Directors or upon a petition signed and presented to the Secretary by unit owners having 25% of the total authorized votes of all unit owners. The notice of any special meeting shall state the time, place and purpose of the meeting. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Notice of Meetings. The Secretary shall mail to each unit owner of record or cause to be delivered to each unit owner a notice of each annual or special meeting of the unit owners, at least ten but not more than 20 days prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, at the

building or at such other address as such unit owner shall have designated by notice in writing to the Secretary. The mailing or delivery of a notice of meeting in the manner provided in this section shall be considered service of notice.

Section 5. Adjournment of Meetings. If any meeting of unit owners cannot be held because a quorum has not attended, a majority in common interest of the unit owners who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.

Section 6. Title to Units. Title to units may be taken in the name of an individual or in the names of two or more persons, as tenants in common or as joint tenants, in the name of a corporation or partnership, or in the name of a fiduciary.

Section 7. Voting. The owner or owners of each unit, or some person designated by such owner or owners to act as proxy on his or their behalf and who need not be an owner, shall be entitled to cast the votes appurtenant to such unit at all meetings of unit owners. The designation of any such proxy shall be made in writing to the Secretary, and shall be revocable at any time by written notice to the Secretary by the owner or owners so designating. Each unit owner (including the Declarant and the Board of Directors, if the Declarant, or the Board of Directors or its designee, shall then hold title to one or more units) shall be entitled to cast at all meetings of the unit owners one vote for each unit owned.

Section 8. Majority of Unit Owners. As used in these By-Laws, the term "majority of unit owners" shall mean those unit owners having more than 50% of the total.

Section 9. Quorum. Except as otherwise provided in these By-Laws, the presence in person or by proxy of unit owners having 33-1/3% of the total authorized votes of all unit owners shall constitute a quorum at all meetings of the unit owners.

Section 10. Majority Vote. The vote of those unit owners having more than 50% of the total authorized votes present in person or by proxy and voting at a meeting at which a quorum shall be present shall be binding upon all unit owners for all purposes except where a higher percentage vote is required by law, by the Declaration or by these By-Laws.

Section 11. Action By Unanimous Consent. Any action required to be taken or which may be taken at a meeting of unit owners may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all unit owners entitled to vote thereon.

The signature required in each instance shall be that person who is then entitled to cast the vote for a unit. All such consent action shall have the same force and effect as a unanimous vote.

Section 12. Membership. All unit owners shall be members of the Association. The foregoing is not intended to include persons who hold an interest in a unit merely as security for the performance of an obligation. As between contract buyer and seller of a unit, the person entitled to legal possession shall be deemed owner. Membership shall be appurtenant to and may not be separated from ownership of any unit. The class of members may be expanded upon the affirmative vote of the Board of Directors to include persons owning living units, not subject to the Declaration, which are located on the parcel described in paragraph 11(b) of the Declaration.

#### ARTICLE IV

##### Officers

Section 1. Designation. The principal officers of the Association shall be the President, the Vice President, the Secretary and the Treasurer, all of whom shall be elected by the Board of Directors. The Board of Directors may appoint an Assistant Treasurer, an Assistant Secretary and such other officers as in its judgment may be necessary. The President and Vice President must be members of the Board of Directors.

Section 2. Election of Officers. Officers shall be elected annually by the Board of Directors at the organization meeting of each new Board of Directors and shall hold office at the pleasure of the Board of Directors.

Section 3. Removal of Officers. Upon the affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his successor may be elected at any regular meeting of the Board of Directors, or at any special meeting of the Board of Directors called for such purpose.

Section 4. President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the unit owners and of the Board of Directors. He shall have all of the general powers and duties which are incident to the office of President of a stock corporation organized under the Wisconsin Business Corporation Law, including but not limited to, the power to appoint from among the unit owners any committee which he decides is appropriate to assist in the conduct of the affairs of the Property.

Section 5. Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board of Directors to act in the place of the President on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors or by the President.

Section 6. Secretary. The Secretary shall keep the minutes of all meetings of the unit owners and of the Board of Directors; he shall have charge of such books and papers as the Board of Directors may direct; and he shall, in general, perform all the duties incident to the office of Secretary of a stock corporation organized under the Wisconsin Business Corporation Law.

Section 7. Treasurer. The Treasurer shall have the responsibility for Association funds and securities and shall be responsible for keeping full and accurate financial records and books of account showing all receipts and disbursements and for the preparation of all required financial statements. He shall be responsible for the deposit of all moneys and other valuable effects in the name of the Board of Directors, or the managing agent, in such depositories as may from time to time be designated by the Board of Directors, and he shall, in general, perform all the duties incident to the office of Treasurer of a stock corporation organized under the Wisconsin Business Corporation Law.

Section 8. Agreements, Contracts, Deeds, Checks, etc. All agreements, contracts, deeds, leases, checks and other instruments of the Association shall be executed by any two officers of the Association or by such other person or persons as may be designated by the Board of Directors.

Section 9. Compensation of Officers. No officer shall receive any compensation from the Association for acting as such.

## ARTICLE V

### Operation of the Property

Section 1. Determination of Common Expenses and Common Charges. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Property, determine the amount of the common charges required to meet the common expenses of the Property and allocate

and assess such common charges against the unit owners according to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Directors pursuant to the provisions of section 2 of this Article V. The common expenses may also include such amounts as the Board of Directors may deem proper for the operation and maintenance of the Property, including without limitation an amount for working capital, for a general operating reserve, for a reserve fund for replacements and to make up any deficit in the common expenses for any prior year. The common expenses may also include such amounts as may be required for the purchase or lease by the Board of Directors or its designee, corporate or otherwise, on behalf of all unit owners, of any unit whose owner has elected to sell or lease such unit or of any unit which is to be sold at a foreclosure or other judicial sale. The Board of Directors shall advise each unit owner in writing of the amount of common charges payable by him, and shall furnish copies of each budget on which such common charges are based to all unit owners and to their mortgagees.

Section 2. Insurance. The Board of Directors shall be required to obtain and maintain, to the extent obtainable, fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring all buildings (including all of the units and the bathroom and kitchen fixtures initially installed therein by the Declarant, but not including furniture, furnishings or other personal property supplied or installed by unit owners), and all common areas and facilities, such insurance shall cover the Property, the Association, the Board of Directors and all unit owners and their mortgagees, as their interests may appear, in an amount equal to the full replacement value without deduction for depreciation. Each policy shall provide that proceeds shall be payable to the Board of Directors or the insurance trustee as provided herein as trustee for all unit owners and their mortgagees as their interests may appear.

All such policies shall provide that adjustment of loss shall be made by the Board of Directors with the approval of the insurance trustee, and that the net proceeds thereof, if \$10,000 or less, shall be payable to the Board of Directors, and if more than \$10,000, shall be payable to the insurance trustee.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on coinsurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled or substantially modified without at least ten days' prior written notice to all of the insureds, including all mortgagees of units. Duplicate originals of all policies of physical

damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of units at least ten days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Directors shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the buildings including all of the units and all of the common and limited common areas and facilities without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this section.

The Board of Directors shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Directors may from time to time determine, covering each member of the Board of Directors, the managing agent, the manager, and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review such limits once each year. Until the first meeting of the Board of Directors following the first annual meeting of the unit owners, such public liability insurance shall be in a single limit of \$1,000,000 covering all claims for bodily injury or property damage arising out of one occurrence.

Unit owners or their mortgagees shall not be prohibited from carrying other insurance for their own benefit provided that all policies shall contain waivers of subrogation, that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be affected or diminished by reason of any such additional insurance carried by any unit owner and that all reasonable efforts shall be made to place such additional insurance with the carrier issuing insurance obtained by the Board of Directors.

### Section 3. Repair and Reconstruction After Damage.

(a) In the event of any damage to or destruction of the Property as a result of fire or other casualty or otherwise, all of the units of the Property are destroyed or damaged, the Board of Directors is authorized to and shall arrange for the prompt repair and reconstruction (including any damaged units, and any kitchen or bathroom fixtures initially installed therein by the Declarant, but not including any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures or equipment installed by unit owners in the units), and the Board of Directors or the insurance trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and reconstruction in excess of the appropriate progress payments. Any cost of such repair and reconstruction

in excess of the insurance proceeds shall constitute a common expense and the Board of Directors may assess all the unit owners for such deficit as part of the common charges.

By acceptance of the deed to his unit, each unit owner shall be deemed to have consented to the foregoing authorization and direction for repair and reconstruction. Such authorization and direction shall be deemed continuous action by the Association by unanimous consent pursuant to Article III, section 11 of these By-Laws and shall constitute the determination by the Association to repair, reconstruct or rebuild as required by the Wisconsin Unit Ownership Act. If, notwithstanding the foregoing provisions, such a determination is submitted to the vote of the Association, then the affirmative vote of the unit owners having more than 0.5% of the authorized votes of all unit owners shall be sufficient to determine to repair and reconstruct.

(b) If all of the units of the Property are destroyed or damaged, the Association by vote of more than 50% of the authorized votes of all unit owners shall determine within 90 days after such damage or destruction whether to proceed with repair or reconstruction. If the Association determines to repair or reconstruct, the Board of Directors shall arrange for such repair or reconstruction in accordance with the preceding paragraph of this section. If the Association, within 90 days after such damage or destruction, fails to make a determination of whether to repair or reconstruct, the Property shall be deemed to be owned in common by the unit owners in the same percentages as previously owned by each unit owner in common areas and be subject to an action for partition at the suit of any unit owner, in which event the net proceeds of sale, together with the net proceeds of insurance policies, shall be divided by the Board of Directors, or the insurance trustee, as the case may be, among all the unit owners in proportion to their respective interests in common, after first paying out of the share of each unit owner, to the extent sufficient for the purpose, all liens on the undivided interest in the property owned by each unit owner, in the order of priority of such liens.

Section 4. Payment of Common Charges. All unit owners shall be obligated to pay the common charges assessed by the Board of Directors pursuant to the provisions of section 1 of this Article at such time or times as the Board of Directors shall determine. A late charge of up to \$10 may be imposed by the Board of Directors against a unit owner if any balance in common charges remains unpaid by the fifth day of the month when due.

No unit owner shall be liable for the payment of any part of the common charges which shall be assessed against his unit subsequent to a sale, transfer or other conveyance by him thereof (made in accordance

with the provisions of Article VII of these By-Laws) and except that a mortgage or other purchaser of a unit at a foreclosure sale of such unit shall not be liable for and such unit shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale.

Each unit owner shall be obligated to pay common charges hereunder notwithstanding the fact that he may have a pending dispute with the Association on any matter.

Section 5. Collection of Assessments. The Board of Directors shall assess common charges against the unit owners from time to time and at least annually and shall take prompt action to collect from a unit owner any common charge due which remains unpaid by him for more than 30 days from the due date for its payment.

Section 6. Default in Payment of Common Charges. In the event of default by any unit owner in paying to the Board of Directors the assessed common charges, such unit owner shall be obligated to pay interest at 9% per year on such common charges from the due date thereof, together with all expenses, including attorneys' fees, incurred by the Board of Directors in any proceeding brought to collect such unpaid common charges. The Board of Directors shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceedings, including attorneys' fees, in an action brought against such unit owner, or by foreclosure of the lien on such unit granted by section 703.23 of the Wisconsin Unit Ownership Act.

Section 7. Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Directors to foreclose a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect such rental. The Board of Directors, acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges. The Board of Directors shall promptly provide any unit owner, who makes a request in writing, with a written statement of his unpaid common charges.

Section 9. Abatement and Enjoining of Violations. The violation of any rule or regulation adopted by the Board of Directors, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Directors the right, in addition to any other rights set forth in these By-Laws: (a) to enter the limited common area of the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Directors shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy such thing or condition by appropriate legal proceedings.

Section 10. Maintenance and Repair.

(a) All maintenance of and repairs or replacements to any unit, structural or nonstructural, interior or exterior, ordinary or extraordinary shall be made by the owner of such unit except shingles on the roof, rain gutter replacement and exterior painting (other than front and rear doors) and except to the extent any damage is caused by a peril for which insurance coverage is required to be maintained by the Association. The color of front and rear doors shall not be changed without prior written permission from the Board of Directors. In addition, each unit owner shall be responsible for all damages to any other unit and to the common and limited common areas and facilities resulting from the misconduct, negligence or misuse of the unit owner or any person coming upon the Property with his actual or implied consent.

(b) Replacement of shingles on roofs, all painting on the exterior of units (except front and rear doors), replacement of rain gutters and all maintenance, repairs and replacements to the common areas and facilities (except as provided in subparagraph (c) below), including streets and walks and removal of snow and ice therefrom in accordance with the laws and ordinances, unless necessitated by the misconduct, negligence or misuse of a unit owner or any person coming upon the Property with his actual or implied consent, in which case such expense shall be charged to such unit owner, and all repairs and replacements to any unit of damage caused by a peril for which insurance coverage is required to be maintained by the Association shall be made by the Association and be charged to all the unit owners as a common expense. The Association shall also arrange for collection and disposal of garbage and trash as a common expense unless such matters are undertaken by a municipality.

(c) In order to encourage development and maintenance of lawns and yards adjacent to each unit, the area surrounding each unit has been created and designated as limited common areas in the Declaration. Notwithstanding general rules for condominium developments, the limited common areas reserved for use of a certain unit shall be maintained by that unit. However, in order to implement the purposes of the City

of Oak Creek Housing Code and more particularly to prevent deterioration of these limited common areas, the Board of Directors, upon notice from the City of Oak Creek (with a like notice to the owner of the unit involved) specifying a violation of the Housing Code of the City of Oak Creek relating to maintenance of any limited common area reserved for use of a certain unit and failure of the owner to correct the violation within the time stated in the notice or to file an appeal therefrom with the City of Oak Creek, may, after first exercising a reasonable attempt to notify the owner, cause maintenance and other necessary action to attempt to effect the required correction specified in the notice from the City of Oak Creek, all at the expense of the unit owner. In undertaking any such work, the Association, its Board of Directors, employees and agents shall not be liable to the unit owner or others for any damage to persons or property caused directly or indirectly by such work except for intentional misconduct. Failure of the unit owner to pay promptly any bill from the Association relating to such expense shall entitle the Association to the remedies available for violation of its rules and regulations in addition to other remedies provided by law for recovery of indebtedness.

Section 11. Use of Property. In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be subject to the City of Oak Creek Zoning Code and the following limitations:

- (a) The units shall be used for residences only.
- (b) The common and limited common areas and facilities shall be used only for the purposes for which they are reasonably suited and which are incidental to the use and occupancy of units.
- (c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.
- (d) No immoral, improper, offensive or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be complied with. Such compliance shall be accomplished at the sole expense of the unit owners or the Board of Directors, whichever shall have the obligation to maintain or repair such portion of the Property.
- (e) No tree shall be removed from the limited common area without prior written approval of the Board of Directors.

(f) Trash, garbage or other wastes shall be kept in sanitary containers which shall be in garages except for pick-up.

(g) No trailer, tent, shack, garage, barn or other outbuilding, or living quarters of a temporary character, shall be permitted on any limited common area at any time.

(h) No trucks, buses, boats or vehicles other than private passenger cars, station wagons, or similar private vehicles (as such term may be defined from time to time by the Board of Directors) shall be parked on the Property for purposes other than in the normal course of construction or for services rendered to a unit.

(i) No animals, livestock or poultry of any kind shall be raised, bred or kept on the Property, except that each unit may keep up to one dog, two cats or other small household pets (such as canaries or parakeets) provided that they are not kept, bred or maintained for any commercial purposes. No pet shall be permitted which causes an unreasonable disturbance. Any pet excrement in common areas shall be removed immediately by the owner of the unit in which the pet resides.

Section 12. Additions, Alterations or Improvements by Board of Directors. Whenever in the judgment of the Board of Directors the common and limited common areas and facilities shall require additions, alterations or improvements costing in excess of \$10,000, and the making of such additions, alterations or improvements shall have been approved by a majority of the unit owners and by those mortgagees holding mortgages constituting first liens upon at least a majority of the units, the Board of Directors shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge. Any additions, alterations or improvements costing \$10,000 or less may be made by the Board of Directors without approval of the unit owners or any mortgagees of units and the cost thereof shall constitute a common charge.

Section 13. Additions, Alterations or Improvements by Unit Owners. No unit owner shall make any structural addition, alteration or improvement in or to his unit, nor affix anything to the exterior of his unit nor erect or construct anything in the limited common area assigned to his unit without the prior written consent thereto of the Board of Directors and compliance with all applicable laws and ordinances. The Board of Directors shall have the obligation to answer any written request by a unit owner for approval of any matter proscribed by the foregoing sentence, within 30 days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Directors to the request. Any application to any governmental authority for a permit

to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Directors. The Board of Directors shall not be liable to any contractor, subcontractor or materialman or to any person sustaining personal injury or property damage, for any claim arising in connection with such addition, alteration or improvement. A unit owner's sale of his unit shall include the sale of (a) the undivided interest in the common and limited common areas and facilities appurtenant thereto; (b) the interest of such unit owner in any units theretofore acquired by the Board of Directors, or its designee, on behalf of all unit owners, or the proceeds of the sale or lease thereof, if any; and (c) the interest of such unit owner in any other assets of the Property, hereinafter collectively called the "appurtenant interests".

Section 2. No Severance of Ownership. No unit owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his unit without including therein the appurtenant interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the appurtenant interests of any unit may be sold, transferred or otherwise disposed of, except as a part of a sale, transfer or other disposition of the unit to which such interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the appurtenant interests of all units.

Section 4. Waiver of Right of Partition With Respect to Units Acquired by Board of Directors. Section 5. Rental. Unit owners may rent their units subject to the provisions of paragraph 7 of the Declaration.

Section 6. Payment of Assessments. No unit owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his unit unless and until he shall have paid in full to the Board of Directors all unpaid common charges theretofore assessed by the Board of Directors against his unit and until he shall have satisfied all unpaid liens against such unit, except permitted mortgages.

If payable to the insurance trustee, then if the Association by majority vote approve the repair and restoration within 90 days of payment of the award (or other payment if conveyed in lieu of such taking), the Board of Directors shall arrange for the repair and restoration and the insurance trustee shall disburse the proceeds to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Association, if so required, does not duly and promptly approve the repair and restoration, the insurance trustee shall disburse the net proceeds in the same manner as it is required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in section 3 of Article V of these By-Laws.

A written report summarizing all receipts and expenditures of the Property shall be rendered by the Board of Directors to all unit owners at least quarter-annually. In addition, an annual report of the receipts and expenditures of the Property, certified by an independent certified public accountant, shall be rendered by the Board of Directors to all unit owners and to all mortgagees of units who have requested the same, promptly after the end of each fiscal year.

AMENDMENT TO CAMELOT TRAILS CONDOMINIUM  
CORPORATION BYLAWS CONCERNING NON-OWNER  
OCCUPANCY AS AMENDED AND THEN PASSED  
BY THE ASSOCIATION FEBRUARY 27, 1999.

Bylaws Article VII ("Sales and Leases of Units") Section 5, which reads

"Rental. Unit owners may rent their units subject to the provisions of paragraph 7 of the Declaration."

is repealed.

A new Article VII, Section 5 is created as follows:

Rental of units restricted. It is the objective of the Association to insure to its members the benefits derived from owner-occupied homes. These benefits include an increased quality of life and a stable and increased market value for units as a result of high standards of maintenance and repair, increased cooperation and compliance with Association rules and bylaws and continuity of residence; owner-occupied homes will additionally enhance the ability of unit owners to finance and refinance their homes. In furtherance of these objectives, it is the policy of the Association to discourage absentee investment ownership. Accordingly, occupancy of the unit shall only be by the owner thereof and/or his or her immediate family (spouse, children, grandchildren, parents, brothers or sisters of the owner) and one adult invitee of the owner, provided that the owner resides in the unit simultaneously with the invitee. No rental, lease or similar occupancy of a unit shall be allowed, subject only to the following exceptions:

(a) Unit owners who have existing tenants as of the date of enactment of this amendment.

(am) The current on-site owner who owns and resides at 7261 South Delaine and owns and rents 7263 South Delaine may sell both units to any subsequent individual who will live in one of the units and lease the second, provided that sale of both units shall be simultaneous; and said exception shall be applicable to subsequent owners who may simultaneously resell in the same fashion. Provided, however, that if this condition of owner occupancy of one unit or simultaneous sale of both units is not met, this exception (am) shall permanently expire.

(b) A fiduciary, such as a trustee, if the occupant of the unit is a beneficiary of the fiduciary entity.

(c) Purchase money mortgagees of the unit or the Association, where the unit is acquired by foreclosure of the mortgagee's interest, either judicially or by accepting a deed in lieu of foreclosure.

(d) Special hardship exception. The Board of Directors shall have the authority to waive the requirement of this section upon request of a unit owner if it determines that enforcement thereof in the particular circumstances would result in an unreasonable hardship upon the unit owner, and that the exception would not jeopardize the interest of the Association in promoting owner-occupancy of units. Request for a waiver shall be made to the Association in writing, and considered by the Board at a meeting for that purpose. Any exception granted by the Board must be in writing, approved by a majority of the Board, and signed by at least two members of the Board. No unit owner shall be permitted to lease the unit pursuant to these rules unless and until the unit owner shall pay to the Board of Directors on behalf of the Association all unpaid common charges theretofore assessed against that unit and until the unit owner shall have satisfied all unpaid liens against said unit, except permitted mortgages. Any lease must contain the following language:

"Tenants have been advised of the Bylaws, Rules and Regulations of Camelot Trails Condominium Corporation and have been given a copy of the same. A violation of said Bylaws, Rules or Regulations shall be construed as a violation of this lease."

(e) Tenant occupancy of a unit, other than as permitted by these bylaws and such rules as are promulgated by the Board of Directors, shall result in a fine of \$50.00 per day to the unit owner and the Association shall be entitled to any other remedies provided by these Bylaws, the Declaration and the Rules.

(f) Occupancy of a unit is subject to paragraph 7 of the Declaration.

following buildings contain only one dwelling unit: 5, 9, 15, 21, 27, 29, 38, 40, 44, 45 and 46. The total is 105 units. [Remaining material in this paragraph is unchanged].

3. Description of Units. [Add to end of paragraph]. Each reference to Exhibit A-1 shall also include a reference to the location of units shown on page 3 of the Condominium Plat (Phase II).

Each reference to Exhibit A-1 and C shall also include a reference to the description of limited common land areas shown on the survey and the description of limited common land areas contained in the Condominium Plat (Phase II).

5. Unit value for common area ownership and Voting. The percentage of undivided interest in the common areas and facilities (including limited common areas) appertaining to each unit and its owner shall be one-one hundred fifth (1/105th) subject to decrease upon expansion of the condominium as provided in paragraph 11(b) of this Declaration. [Remaining material in this paragraph is unchanged].
