NOTES:	

Your new Bulmann Dock includes an industry leading 5/20 year warranty (ask your sales person for more details). This warranty is void when misuse or neglect is the cause of the defect, and does not cover damage caused by over loading, accident, alterations by others, damage by ice and/or acts of God. No returns after product is delivered. We will do everything in your best interest to remedy your wants and needs but any excess of time or demand will result in additional cost. In the event you decide to cancel the order after the order is placed, a 10% restocking fee of the total due will be applied to your refund. Please make all payments payable to EastSide
