Home Updates

- Granite countertops installed 12/2021 in both kitchen and laundry room with Blanco silgranite undermount sink and new faucet
- New marble vanity countertops in both bathrooms 11/2021 with new faucets
- < 30'x10' ish brick patio installed 7/2022. We had water come into the basement after a spring storm so they dug down to the bottom of foundation, seal coated, re-graded the back yard and then installed landscape rock along with the patio. No real water damage
- New LG kitchen appliances March 2023
- Composite deck installed March 2024 (same size)
- Driveway seal coated summer 2024
- Garden expansion to include underground irrigation system hookup with app control
- upgraded light fixtures outside of garage, in garage, kitchen, both bathrooms, and ceiling fan in living room; added shelving to the spare bedroom and basement closet; 90% of trim painted white with professional-grade materials
