Preface

Condominium dwelling is unique, and living in such close proximity requires certain rules that are necessary to protect your real estate investment, maintain the common property and ensure harmonious living. Rules and Regulations become necessary and exist due to those who disregard the rights and property of others. The Wisconsin State Statutes, the Green Ridge Condominium Declaration, and the By-Laws provide for the Association to elect a Board of Directors to govern it. The Board has the responsibility and duty to adopt and enforce Rules and Regulations that will benefit the Association as a whole.

Owners and residents have the obligation to each other to consider the results of their activity, and to act accordingly, before engaging in any activity that is disruptive to the peace or damaging to property. Residents may call attention to any rule violation that they observe. If the violation persists, the Association Board should be notified, and appropriate action will be taken.

For the purpose of easier and more convenient reference, parts of the regulatory By-Laws under Art. VII are included with these Rules and Regulations. They are intended to supplement those articles of the By-Law and are not all-inclusive. Revisions will be made when current rules become obsolete, inequitable, or fail to cover existing situation. It is imperative that each owner and resident becomes familiar and complies with the By-Laws and Rules and Regulations.

Any fines which are imposed due to violations of these Rules and Regulations or By-Laws will be done in accordance with Article VI of the By-Laws and herein.

Whenever used herein the use of the singular number shall include the plural, use of either gender shall include both genders, and use of the owner shall include lessee.

A number of the rules and regulations which have been approved are the result of requirements of the Federal, State, or Local Governments or our Insurance carrier.

General

1. No unit owner shall occupy or use his unit or the limited common areas appurtenant thereto or permit the same or any part thereof to be occupied or used for any purpose other than as a private residence for the owners, or lessees, or guests. No portion or part of a unit shall be rented or leased as a co-occupancy unit.

2. Each occupant will be accountable for whom he lets enter his unit.

3. Owners are responsible for any damage or defacing which they, their lessee, or guests may have caused.

4. Owners who are permitted to rent their unit under the Bylaws must submit a copy of the **12-Month Lease Agreement** along with the "**Green Ridge Tenant Registration**" and the "**Green Ridge Acknowledgment Page**" to the management company. The rental must be approved by the Board of Directors within 5 business days after entering into or renewing a lease per Wisc. Stat. 703.315. (Effective July 29, 2026) The above forms are available at the management company.

Renters will not receive a key fob to Rec Center, nor will landlords give key fob to a renter. Owners will receive one key fob per unit. If there are multiple owners in an LLC, the LLC will receive one key fob.

Upon renewal of an existing 12-month lease, owners must submit a copy of the **Renewal Lease**, a new "**Green Ridge Tenant Registration**" and a new "**Green Ridge Acknowledgment Page"** to the management company. The rental must be approved by the Board of Directors within 5 business days after entering into or renewing a lease per Wisc. Stat. 703.315. (Effective July 29, 2026.) The above forms are available at the management company.

Short-term or transient leases are strictly prohibited. Rentals, licensing, or occupancy arrangements through short-term rental platforms, including but not limited to Airbnb, VRBO, and similar transient lodging services, are prohibited.

c) In the event that adequate reception quality cannot be achieved by installation on the unit's patio/deck, application may be made to the Board of Directors with a proposed alternative placement for the Board's review.

(Continued)

d) Satellite dishes must be professionally installed and may not be larger than 3 feet in diameter. Wiring for the dish must be installed through the unit and may not penetrate

the buildings' masonry exterior. All wires must go through part of the "unit" as defined in Association Documents (windows, doors, door frames, etc.).

e) Satellite dishes and wiring must be removed upon termination of service or sale of the unit, whichever occurs first, and any common or limited common area affected during removal removal must be returned to its original condition at owners' expense within 30 days after removal. If the seller does not pay for the expense, the buyer (new unit owner) will be responsible for the cost.

8. No noxious or offensive activity, or noise **(**)**, shall be carried on in any units or in the common or limited common area nor shall anything be done therein which may be or become an annoyance or a nuisance to others. All residents have a right to quiet and privacy without disturbance by loud noises, especially between 10 PM and 7 AM daily. The Association follows the Village of Mount Pleasant's Noise Ordinance. Any violation should be reported to the Police Department. Please understand that you are living in a multi-family residence and you will hear people living in their units or outside on their patios. Anti-Discrimination Anti-Harassment Policy

The Association is a Fair Housing provider under the federal Fair Housing Act. As such, the Association is committed to providing a living environment free from discrimination and harassment that is based on an individual's race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression. This Anti-Discrimination Anti-Harassment Policy ("AD-AH Policy") is intended to implement this commitment.

(Continued)

This AD-AH Policy is intended to apply to every owner, resident, and guest at the Association, as well as every employee or agent of the Association. Violation of this AD-AH Policy may result in disciplinary action up to and including termination if the violator is an employee/agent of the Association, or penalties, including fines, if the violator is an owner/resident within the Association.

The Policy of the Association:

It is the policy of the Association that discrimination of any kind based on an individual's race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression is prohibited.

It is the policy of the Association that harassment of any kind based on an individual's race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression is prohibited.

a) For purposes of this AD-AH Policy, prohibited harassment includes both "quid pro quo" and "hostile environment" harassment.

"Quid pro quo" harassment is an unwelcome request or demand to engage in conduct, as a condition of providing services or facilities. Quid Pro Quo Harassment might also arise

when a person's access to services or facilities is interfered with because of a failure to submit to demands. Commonly, quid pro quo harassment involves an adverse action that occurs after unwelcome sexual advances are rejected by an owner/resident, or sexual favors are required for an Association service or access to an Association facility which would otherwise be available to the owner/resident.

"Hostile environment" harassment is defined as unwelcome conduct that is sufficiently pervasive or severe as to interfere with the providing of or enjoyment of services or facilities. Hostile Environment Harassment only applies to harassment based on a protected class (sex, religion, race, color, familial status, national origin, or handicap), and the harassment must be on the level of interfering with housing/living environment to be actionable under this AD-AH Policy.

For purposes of this AD-AH Policy, prohibited harassment described above includes insults, jokes, slurs, and other verbal or physical conduct relating to or based on an individual's race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression that has the purpose or effect of unreasonably interfering with an individual's living environment, or creating an intimidating, hostile, offensive, or demeaning living environment.

It is the Policy of the Association that any retaliation predicated on the fact that an employee/agent or owner/resident of the Association in good faith reported an AD-AH Policy violation or suspected violation, or in good faith participated or aided in the Association's investigation of an alleged AD-AH Policy violation, is prohibited.

(Continued)

Application of This AD-AH Policy:

- It is a violation of this AD-AH Policy to discriminate against another individual on the basis of his or her race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression.

- It is a violation of this AD-AH Policy to harass another individual on the basis of his or her race, sex, age, religion, disability, color, national origin, military status, marital status, parental status, sexual orientation, or gender identity/expression.

- It is a violation of this AD-AH Policy to retaliate against an employee/agent or owner/resident of the Association on the basis of the fact that he or she in good faith reported an AD-AH Policy violation or suspected violation, or in good faith participated or aided in the Association's investigation of an alleged AD-AH Policy violation.
- This AD-AH Policy applies to all employees and agents of the Association, including contractors/vendors hired by the Association, and property management personnel.
- An employee/agent who violates this AD-AH Policy is subject to discipline, up to and including termination.
- An owner/resident who violates, or whose guest violates this AD-AH Policy is subject to penalties, including but not limited to fines.

Procedures:

Any employee/agent or owner/resident of the Association who believes he or she has been subjected to, or has witnessed, actions that constitute a violation of this AD-AH Policy promptly must report the matter to the Board of Directors. The individual reporting should not wait until the action he or she believes is a violation of this AD-AH Policy becomes severe or pervasive.

The Association's Board of Directors will timely investigate any report of an alleged violation of this AD-AH Policy and, where appropriate, take appropriate corrective action.

To the extent possible, the Association will protect the confidentiality of allegations of AD-AH Policy violations and of documents created or obtained that concern an investigation into an allegation of an AD-AH Policy violation.

(Continued)

7. 8. No statement of "payment in full," "accord and satisfaction," or other similar notation on or accompanying any payment shall be binding on the Association, unless the statement is written in "red," the check or payment instrument is mailed to the attention of the Board of Directors and the reduced payment amount is accepted by motion of the Board of Directors. However, if the Unit Owner has knowledge that the account has been referred to legal counsel for collection, then the payment must be mailed to the Association's attorney pursuant to paragraph eleven (11) below.

9. A late fee of $25.00 shall be assessed against a Unit owner for any payment not received by the Association by the tenth (10th) day after its due date. The Unit Owner is responsible for all costs and actual attorneys' fees incurred by the Association in connection with collecting the Unit Owner's past due balance.

(Continued)

12. Once a Unit Owner is notified or becomes aware that its account has been referred to legal counsel, then all future payments, until the account is current, must be submitted to such legal counsel for proper application of same, unless the Association's attorney directs the Unit Owner in writing to pay in some other manner. Unit Owners in collection will not receive further statements from the Association's property manager, and their online access to their account balance will be suspended until their account is brought current.

3. Attorney Fees:

a) The Board may also assess a unit owner who has violated the Condominium Documents for the actual attorney fees incurred associated with reviewing the facts and
