South Country Aire NEIGHBORHOOD

GENERAL CHARACTER

The South Country Aire Neighborhood is about 50 percent developed with single-family residential uses on individually platted lots varying in size from .5 to 10 acres. Residential zoning within this neighborhood is predominantly Rs-3 (1.0 DU/acre with minimum 1-acre lots) and Rs-4 (2.2 DU's/acre with min. 20,000 sq ft lots). The remaining area is undeveloped and zoned A-2: Agricultural. There are two small commercially zoned properties located in the neighborhood but contain residential uses.

SPECIAL FEATURES

Transportation The South Country Aire Neighborhood is generally bounded Hwy 145 (Fond du Lac Avenue) to the west, Mequon Road to the north, The Germantown Business Park to the east, and the intersection of Country Aire Drive and Hwy 145 to the south. The Canadian National and the Wisconsin & Southern railroads bisect this neighborhood from the southeast corner of the neighborhood and diverge as they continue to the northwest.

Environmental, Natural & Agricultural There are two Isolated Natural areas located in the neighborhood including a wooded area in the northeast area, extending south of Mequon Road and a wooded area with wetland designation along the western portion of the neighborhood south of the railroad.

Public Park, Education, Safety & Utility This neighborhood is located within the Sewer Service Area and a majority of the existing residences are served by Village water. Sanitary Sewer is not currently extended to this area, however it may be possible in the future with further development.

PREFERRED FUTURE LAND USE

South Country Aire Neighborhood

Preferred Future Land Uses												Enviro Corr.	SSA	Preferred Site Design			Maximum Density (residential uses)
Existing Uses (+ existing non-conforming zoning) See NOTE 5 for details	Residential: Single Family	Residential: Two to Four Family	Residential: Multi-family / Senior	Mixed-Use: Commercial / Residential	Mixed-Use: Commercial / Industrial	Commercial (includes "Activity Centers")	Institutional	Open Space & Recreational	Mineral Extraction	Industrial	Agricultural / Hobby Farming / Agribusiness	Contains an Environmental Corridor?	Sewered? (Y/N/Partial)	Traditional Neighborhood	Suburban Subdivision	Conservation Subdivision**	Dwelling Units / Acre See NOTE 4 for details
A	D	A	u	u	u	u	u	D	u	u	u	Yes	Yes	D	A	D	SF: 2.9 units/acre 2-4F: 6 units/acre Non-sewered: 1 unit/acre

The South Country Aire Neighborhood includes undeveloped land intended for future single-family residential development platted at average densities that are the same or similar to the existing pattern of residential development in the adjacent Kinderberg neighborhood (2.2 to 2.9 DU's/acre on 15-20,000 sq ft lots) and served by sanitary sewer.

Higher density single-family attached, two- and four-family attached uses may also be allowed as "infill development" on vacant parcels at densities up to 6 DU's/acre, provided that such development meets the "compatibility requirements" for adjacent development in the Zoning Code.

D =	**Desirable** – These uses should be encouraged because they are consistent with, support, and enhance the desired character of the area.
A =	**Allowable** – These uses are generally considered appropriate for the area, but may require additional consideration and/or specific modification or developed features to be compatible with other uses in the area.
u =	**Undesirable** – These uses should not be encouraged but may still be acceptable for the area under special circumstances.
