In order to comply with the program's requirement for buyers to complete 8-hours of homebuyer counseling with either **Acts Housing** , **Housing Resources Inc**, or **United Community Center**, I will need a homebuyer counseling certificate of completion for Limarie Cardona from one of the three agencies above.

I have included the contact information below for the 3 approved homebuyer counseling agencies below and have attached flyers as well.

- (414)389-4729 to schedule an appointment to see a United Community Center Homebuying Counselor.
- They may also complete the counseling with **Acts Housing**
  - **If your client needs to expedite the process, Cristal Alvarado (calvarado@actshousing.org) has helped previous Homes MKE buyers.**
- or **Housing Resources Inc** : Call (414)461-6330
  - Lisa Stephens at HRI can help to pull together virtual trainings for your client: (414) 369-6915
