Revaluation

Preliminary General Level of Assessment 100%

For your convenience, assessment and sales information is available on the internet at milwaukee.gov/assessor.

If you wish to challenge your assessment, you must file a written objection with the Assessor's Office before **Monday, May 18, 2026 at 4:45 p.m.** SEE REVERSE SIDE FOR MORE INFORMATION. Questions about the objection process should be directed to the Assessor's Office at the phone number or email address listed above.

The Board of Assessors investigates all objections and decides whether assessments are correct. Property owners can formally appeal Boards of Assessors' decisions to the Board of Review, which will begin meeting on Friday, May 29, 2026 at 9:00 a.m. at Milwaukee City Hall, 200 E. Wells St., Room 301-B, Milwaukee, WI.

Wis. Stat. § 70.32 requires the assessment of taxable property (except agricultural, agricultural forest, and undeveloped) at full value as of January 1 each year. Assessments at a percentage of full value are acceptable when applied uniformly. To determine if your assessment is fair, you must analyze it in relation to full value. This is done by dividing your assessment by the general level of assessment for your municipality.

Under Wisconsin law, generally, the assessor may not change the assessment of property based solely on the recent arm's length sale of the property without adjusting the assessed value of comparable properties in the same market area. For information on the assessment of properties that have recently sold, visit the Department of Revenue website at https://www.revenue.wi.gov/Pages/ERETR/data-home.aspx.

To Appeal Your Assessment

First, discuss with the City Assessor's Office. Questions can often be answered by an appraiser and may not require an appeal. Contact information is found on the front of this Notice.

To file a formal appeal, you must submit a completed objection form to the Assessor's Office on or before Monday, May 18, 2026 at 4:45 p.m. You may do so in one of two ways:

1. Filing online at Milwaukee.gov/assessorobjection (preferred method); or
2. Filing a physical form at the Assessor's Office. Objection forms may be obtained by:
    a. Calling (414) 286-6565 and requesting a form be sent to you; or
    b. Requesting a form using the Ask the Assessor feature at city.milwaukee.gov/assessor.

You may also use the form published by the Wisconsin Department of Revenue, PA-115A. Whichever method you use, remember that technological glitches and delays in postal delivery do happen, so allow yourself enough time to complete and submit your objection before the filing deadline, which is set by state law and cannot be extended.

DO NOT submit any objection forms by email. An emailed objection form will not be considered properly filed and will not be processed.

If someone other than the property owner signs the objection form, you must submit a completed agent authorization form with the objection form on or before May 18th or it may not be processed. The City of Milwaukee asks that a new agent authorization form be submitted for each assessment year. Failure to submit a new agent authorization form will result in a longer processing time. A downloadable form and more information about agent authorization forms can be found at milwaukee.gov/aaf.

If the owner of a property is a trust, LLC, company, or other corporate entity, you must include an agent authorization form with your completed objection form on or before May 18th, or your objection may not be processed. Due to confidentiality laws protecting certain information, the Assessor's Office must ensure that the agents with whom it communicates have legal authority to act on behalf of a property owner.

After an appeal is properly filed, the Board of Assessors (BOA) investigates all objections and determines whether assessments are correct. Property owners will be notified of BOA determinations by US mail and can then appeal the determination to the Board of Review.

For more information on the appeal process, review the Wisconsin Department of Revenue's Guide for Property Owners, https://www.revenue.wi.gov/DOR%20Publications/pb060.pdf.

Commercial property owners only

If you file an objection for a property valued by the income approach, you must submit a completed Wisconsin Department of Revenue Income and Expense form (PR-323) in accordance with Wis. Stat. § 70.47(7)(af) or your objection may not be considered.

Property taxes

The function of the Assessor's Office is to ensure accurate assessments so that property taxes are distributed fairly among the City's taxpayers. The Assessor's Office does not levy property taxes. The City Treasurer also does not levy property taxes, but collects them after they are levied.

Your property tax bill will be mailed to you in December by the City Treasurer, but that bill reflects the levies of five separate taxing bodies: Milwaukee County, City of Milwaukee, Milwaukee Metropolitan Sewerage District, Milwaukee Area Technical College, and Milwaukee Public Schools. You will see a breakdown of the amount for each taxing body on your property tax bill. Any questions about the levies should be directed to those individual entities.
