About Skyline

As one of the last new home neighborhoods to be developed in the city of Waukesha, Skyline will not disappoint. Not only is it conveniently located, but the neighborhood is surrounded by breathtaking scenery. The curving roads only add to the aesthetic beauty. And, the walking trails are great for a relaxing time alone or a fun time with the family. The Skyline neighborhood also features a park and pedestrian-safe sidewalks, making it the perfect setting for any family up for light activity or an active adventure.

The homes at Skyline come in a diverse selection of architectural design and square footages. Because all new homes are designed and constructed by Bielinski Homes, continuity and precision are evident. Plus, each new home reflects superior craftsmanship and unbeatable style and design.
