5.01 No Severance of Ownership: No Owner shall execute any deed, mortgage, lease or other instrument affecting title to his Unit Ownership without including therein both his interest in the Unit and his corresponding percentage of ownership in the Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Whenever a unit is conveyed, the corresponding percentage of ownership in the Common Elements shall be automatically included whether same is specifically set forth in the documents of conveyance or not.

5.02 Use of the Common Elements: Subject to the provisions of Section 5.04, each Unit Owner shall have the right to use the Common Elements in common with all other Unit Owners, as may be required for the purposes of ingress and egress to, and use, occupancy and enjoyment of, the respective Unit owned by each Unit Owner, and to the use and enjoyment of Common facilities. Such rights shall extend to the Unit Owner and the members of the immediate family and guests and other authorized occupants and visitors of the Unit Owner. The use of the Common Elements and the rights of the Unit Owners with respect thereto shall be subject to and governed by the provisions of the Act, the Declaration and the By-Laws and rules and regulations of the Board of Directors (hereinafter described and for convenience hereinafter sometimes referred to as the "Board"). The Board of Directors shall have the authority to lease or rent or grant licenses or concessions with respect to any facilities constructed by the Association or others, subject to the provisions of this Declaration and the By-Laws and rules and regulations of the Board.

5.03 Maintenance of Common Elements: Common Expenses: Except as otherwise provided herein, management, repair, alteration and improvement of the Common Elements shall be the responsibility of the Board. Each Unit Owner shall pay unit owner's proportionate share of the expenses of maintenance, repair, replacement, administration and operation of the Common Elements, which expenses are hereinafter referred to collectively as "Common Expenses". Such "Common Expenses" shall be allocated and divided equally amongst all units regardless of size. Payment thereof shall be in such amount and at such times as may be provided by the By-Laws and/or rules and regulations of the Board. In the event of the failure of a Unit Owner to pay such proportionate share when due, the amount thereof shall constitute a lien on the interest of such Unit Owner, as provided by the Act. DECLARANT shall pay the

proportionate share of Common Expenses allocated to those unsold Units which DECLARANT has determined are substantially completed, there being no assessment due on incomplete Units. To the extent that any of the facilities servicing the development (such as roadways and walkways) also service areas not made a part of this condominium, Common Expenses shall be apportioned by the Board among the respective areas so serviced, as determined by the Board, and such apportioned amounts shall be added to and treated as Common Expenses within each area. It is the intent of this provision to provide for the payment by DECLARANT of those costs attributable to the additional areas not submitted to this Declaration prior to submission thereto or in the event of alternate use thereof by the DECLARANT, his heirs, successors or assigns. No use by DECLARANT shall be for a use detrimental to or materially different from the use being made of lands within the Condominium. The DECLARANT shall not be assessed maintenance assessments for those Units owned by DECLARANT that are used exclusively as Model Units until such time as the use of same is converted from that of a Model Unit for display and sales promotional purpose to that of a Unit for residential or other use herein provided.

Such exclusive use and possession given a Unit Owner or Owners shall be subject to such rules and regulations as the Board may deem fit, including the requirement that such exclusive use and possession encompass the obligation to clean and maintain that portion of the Common Elements subject thereto as an expense of a Unit Owner rather than a Common Expense. The

ownership of a garage shall be limited to unit owners only.

(c) Auxiliary Buildings: Auxiliary buildings used for the storage of personal items or for the pursuit of a hobby or recreational interest shall not be constructed on the limited common areas without the prior written approval of the Declarant, prior to the creation of the Association, and the Board of Directors of the Association after same is created. The Board shall not be responsible for obtaining insurance on any Unit constructed or located on Individual Grounds or any additions, alterations or improvements made by any Unit Owner to the Unit unless and until such Unit Owner shall request the Board in writing so to do, and shall make arrangements satisfactory to the Board to reimburse the Board for any additional premiums attributable thereto; and upon the failure of such Unit Owner so to do, the Board shall not be obligated to apply any insurance proceeds to restore the affected Unit to a condition better than the condition existing prior to the making of such additions, alterations or improvements.

Each Unit Owner hereby waives and releases any and all claims which the unit owner may have against any other Unit Owner, the Board, its officers, members of the Board, the DECLARANT, the manager and managing agent of the Condominium, if any, and their respective employees and agents, for damage to the Common Elements, the Units, or to any personal property located in the Units or Common Elements, caused by fire or other casualty, to the extent that such damage is covered by fire and other forms of casualty insurance.

5.10 Maintenance, Repairs and Replacements of Units:

(a) By the Board: The Board, at its expense,

shall be responsible for the maintenance, repair and replacement of those portions, if any, of each Unit which contribute to the support of any Building that is not a unit located on Individual Grounds, excluding, however, interior wall, ceiling and floor surfaces. In addition, the Board shall maintain, repair and replace all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services which may be located within the Building hereinbefore referred to, but the Board shall not be responsible for any obligation of any individual Owner under any other provision of this Declaration. The foregoing obligations of the Board shall not extend to any Unit constructed on Individual Grounds. Any Unit Owner constructing or locating a Unit on Individual Grounds shall be responsible for the initial and construction costs, if any, of the bringing of water, gas, electricity, and sewer service to the Unit from the exterior boundary of the Individual Grounds.

(b) By the Owner: Except as otherwise provided in Paragraph (a) above, each Unit Owner shall furnish, at Unit Owner's expense, and be responsible for the following:

The use of the covering of the interior surfaces of such windows, whether by draperies, shades or other items visible on the exterior of the Building, shall be subject to the rules and regulations of the Board. Any redecorating of Units to the extent made necessary by any damage to existing decorating of such Units caused by maintenance, repair or replacement work on the Common Elements by the Board, shall be furnished by the Board as part of the Common Expenses. Exterior roofing and painting shall be the expense of the Unit Owner. Nothing herein contained shall be construed to impose a contractual liability upon the Board for maintenance, repair and replacement, but the Board's liability shall be limited to damages resulting from negligence. The

respective obligations of the Board and Unit Owners set forth in this Declaration shall not be limited, discharged or postponed by reason of the fact that any such maintenance, repair or replacement required to cure a latent or patent defect in material or workmanship in the construction or location of a structure on the property, nor because they may become entitled to the benefit of any construction guarantee or proceeds under policies of insurance. The exterior building decorating of any Unit on Individual Grounds shall be the responsibility of the Unit Owner subject to the restriction that any decoration shall be approved by the Board prior to performance of same. All other exterior maintenance of a unit on Individual Grounds shall be the obligation of the Board or the Unit Owner as hereinbefore provided, and as set forth in Article V (5.05(d)).

5.12 Joint Facilities: To the extent that equipment, facilities and fixtures serving more than one Unit shall be connected to similar equipment, facilities or fixtures affecting or serving other Units or the Common Elements, then the use thereof by the individual Unit Owners shall be subject to the rules and regulations of the Board. The authorized representatives of the Board, or of the manager or managing agent for the Condominium, shall be entitled to reasonable access to the individual Units as may be required in connection with maintenance repairs, or replacements or fixtures affecting or serving other Units or the Common Elements.

Not later than thirty (30) days after the expiration of DECLARANT control, a meeting shall be held by the Association at which the directors and officers shall be elected and take office after the election. Thereafter, there shall be an Annual Meeting of the Voting Members on each succeeding year, at 1:00 o'clock P.M., on the first Saturday in May of each year, on the Property, or at such other reasonable place or time (not more than thirty days before or after such date), as may be designated by written notice of the Board delivered to the Voting Members not less than fifteen (15) days prior to the date fixed for said meeting. DECLARANT control shall cease at the earlier of the following events: ten (10) years from the date of conveying the first unit by Declarant to a unit owner or 30 days after the conveyance of 75% of the common elements to unit purchasers (sale of units owning a total of 75% of the condominium as set forth on Exhibit "B" of the Declaration).

14.04 Covenants to Run With Land: Each grantee of the DECLARANT by the acceptance of a deed of conveyance, or each purchaser under Articles of Agreement for Warranty Deed or Land Contract or any Contract for any deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such owner in like manner as though the provisions to the Declaration were recited and stipulated at length in each and every deed of conveyance.

14.05 Non-Waiver of Covenants: No covenants, restrictions, conditions, obligations or provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur or any time lapse.

14.06 Waiver of Damages: Neither the DECLARANT, nor his representatives or designees, shall be liable for any claim whatsoever arising out of or by reason of any actions performed pursuant to any authorities, reserved, granted or delegated to it by, or pursuant to, this Declaration, or in the DECLARANT'S capacity as developer, contractor, Owner, manager, or seller of the Property, whether or not such claim (a) shall be asserted by any Owner, Occupant, the Board or the Association, or by any person or entity claiming through any of them; or (b) shall be on account of injury to person or damage to or loss of property wherever located and however caused; or (c) shall arise ex contractu or (except in case of gross negligence) ex delictu.

Without limitation to the generality of the foregoing, the foregoing enumeration includes all claims for, or arising by

reason of, the Property or any part thereof being or becoming out of repair or containing any patent or latent defects, or by reason of any act or neglect of any Owner, occupant, the Board, the Association, and their respective agents, employees, guests and invitees, or by reason of any neighboring property or personal property located on or about the Property, or by reason of the failure to function, or disrepair of, any utility services (heat, air conditioning, electricity, gas, water, sewerage, etc.) In the event of any dispute, the DECLARANT, his heirs, successors or assigns, shall have the option to settle same in full by repurchasing the Unit from Unit Owner for a sum equal to Unit Owner's original purchase price plus an amount equal to two (2%) percent of said purchase price.

14.07 Amendments to Declaration: The provisions of Article III, Article IV, Article VII, and Section 14.07 of this Declaration may be changed, modified, or rescinded by an instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, all of the Owners and all mortgagees having bona fide liens of record against Unit Ownerships. Other provisions of this Declaration (except Section 14.06, which may never be changed without written consent of the DECLARANT), may be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, the Owners having at least three-fourths (3/4ths) of the total vote and containing an affidavit by an officer of the Board certifying that a copy of the change, modification or rescission has been mailed by certified mail to all mortgagees having bona fide liens of record against any Unit Ownership, not less than ten (10) days prior to the date of such affidavit. Such change, modification or rescission shall be effective upon recording of such instrument in the office of the Register of Deeds of Walworth County, Wisconsin, provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

14.08 Severability: The invalidity of any covenant, restriction, condition, limitation, or any other provision of this Declaration or any part of the same, shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Declaration.

14.09 Perpetuities and Restraints on Alienation: If any of the options, privileges, covenants or rights created by this Declaration would otherwise be unlawful or void for violation of

(a) the rule against perpetuities or some analogous statutory provisions,

(b) the rule restricting restraints on alienation, or

(c) any other statutory or common law rules imposing time limits,

then such provision shall continue only until twenty-one (21) years after the death of the now living lawful descendants of William Clinton and Tommy Thompson.

14.10 Interpretation of Declaration: The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a first class condominium residential/recreational development. In the event of any controversy arising under this Declaration, same shall be submitted to arbitration under the laws of the State of Wisconsin, as a pre-requisite to the commencement of any legal proceeding. Such arbitration shall be before one disinterested arbitrator if one can be agreed upon, otherwise before three disinterested arbitrators, one named by the party or parties submitting the matter at issue, one named by the party or parties contesting the matter at issue, and one by the two thus chosen. The arbitrator or arbitrators shall determine the controversy in accordance with the laws of the State of Wisconsin as applied to the facts found by him, her or them. The expense of any arbitration proceeding conducted hereunder shall be borne equally by the parties. All arbitration proceedings hereunder shall be conducted in Walworth County, Wisconsin.

14.11 Indemnity to Board Members: The members of the Board and the officers thereof or of the Association shall not be liable to the Unit Owners for any mistake of judgment or any acts or omissions made in good faith as such members or officers. The Unit Owners shall indemnify and hold harmless each of such members or officers against all contractual liability to others arising out of contracts made by members or officers on behalf of the Unit Owners of the Association, unless any such contract shall have been made in bad faith or contrary to the provisions of this Declaration. Such members or officers shall have no personal liability with respect to any contract made by them on behalf of the Unit Owners of the Association. The liability of any Unit Owner arising out of any contract made by such members or officers or out of the aforesaid indemnity shall be limited to such proportion of the total liability thereunder as Unit Owner's percentage interest bears to the total percentage interest of all the Unit Owners in the Common Elements. Each agreement made by such members or officers or by the managing agent on behalf of the Unit Owners or the Association shall be executed by such members or officers or the managing agent, as the case may be, as agents for the Unit Owners or the Board or Association.

14.12 Service of Process: All legal notices and service of process which may be made or given to the Unit Owners, Board of Directors or to the development parcel shall be served upon Lowell E. Sweet, 114 North Church, Elkhorn, Wisconsin 53121. The Unit Owners shall designate such successors as may be required to the aforementioned party at an annual meeting or a special meeting called in accordance with the provisions of Section 6.04 herein.

14.13 Architectural Control: DECLARANT may

develop and sell as Units, limited Common Areas referred to herein as Individual Grounds on which a Unit shall be located or constructed as provided herein, either prior to or after conveyance by DECLARANT to Unit Owners as hereinbefore provided. In the event, at the time of conveyance by DECLARANT, no Unit has been constructed or located on the Individual Grounds, the Unit Owner shall have the right to construct or locate thereon a residential structure as herein defined together with Appurtenances on the Designated Unit Area. Any structure constructed or located on Individual Grounds shall, prior to commencement of construction or location, be approved by DECLARANT as to its construction, location, style, and architectural compatibility with the other Units in the Condominium and with the structure erected or located on like limited common areas. The DECLARANT shall have the right to relocate the Designated Unit Area when DECLARANT determines that the relocation of the Designated Area will alleviate an economic hardship or will aesthetically benefit the Condominium. DECLARANT may assign this right of approval of relocation to the Board of the Association after its formation. DECLARANT or the Board shall not unreasonably withhold approval provided construction or location complies with the standard set forth above.

EXHIBIT C

DECLARATION OF
COVENANTS AND RESTRICTIONS

1. The restrictive covenants herein shall apply in their entirety to any units which are sold in the condominium plat shown hereon. It is the intention of these restrictive covenants to maintain aesthetic harmony for the benefit and protection of the golf course and the owners of the units in the condominium and to provide architectural protection and control of the units.

2. Land Use. Each unit shall be used for single family residential purposes only.

3. The minimum size of a home must be 2000 square feet of living area for a single floor or 2350 square feet of living area for a multifloor. When figuring living area, basement, garages, porches or stoops are not to be included. All garages must be attached to the residence. Unattached auxiliary structures of any kind, such as sheds, storage buildings, or tree houses, are not allowed.

4. Architectural Control. No buildings shall be erected, placed, or altered on any unit until the construction plans and specifications and a plan showing the location of the structure upon the unit has been submitted to and approved by the Architectural Control Committee (hereinafter defined) as to its conformity with these restrictions and harmony with the exterior architectural design of existing structures in the estate development, as to location of any such building with respect to topography and finished grade elevation and as to landscape planning and development.

The initial Architectural Control Committee is composed of Dr. David Aul, Pauline Aul, his wife, and Daniel Seymour. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. Upon the formation of a Condominium Unit Owner's Association, the Architectural Control Committee shall be composed of the officers of the Association.

The plans and specifications shall be deemed approved in the event the committee, or its designated representative, fails to approve or disapprove within 30 days after submission of complete plans and specifications.

5. Building Materials. No rolled or sheet roofing shall be used. No used or second hand materials without approval of the

Architectural Control Committee may be used in the exterior construction of any building. The exterior of any building shall be completed in all respects prior to the expiration of eight (8) months from the start of construction. No exposed concrete block or concrete walls shall be used in the exterior of any building at any point above one (1) foot above grade.

6. The owner of any unit shall control weeds and keep the grass mowed so as not to exceed the height of four (4) inches. In the event the owner fails to do so, Evergreen Country Club, Inc., or the Architectural Control Committee may spray for weeds or cut the grass and charge the expense thereof to the unit owner. If the charges are not paid within thirty (30) days of issuance of a statement, they shall become a special assessment and a continuing lien on the property affected and shall also be a personal obligation of the owner of such unit on the date the grass was cut or weed controlled.

Evergreen County Club, Inc. will maintain all vacant units owned by the Declarant at no cost through January 1, 1998. All individual unit owners will be responsible for their own unit maintenance. All common areas will be maintained by Evergreen Country Club, Inc. at no cost until January 1, 1998, or until such earlier date that a Condominium Unit Owners Association is formed, at which time the association shall maintain such common areas.

All percolation test holes must be repaired and seeded within ten (10) days.

7. Building Location. Location and placement of buildings within the unit site shall be approved by the Architectural Control Committee so that all residences shall be centered as reasonably as possible on their respective units and have similar setbacks. All homes erected in said condominium shall have a fifty (50) foot setback from the road and side yards for a total of twenty-five (25) feet providing however, that neither side yard shall be less than ten (10) feet.

8. No fences shall be built on any unit except as required around pools. Private swimming pools shall be constructed below ground; no pool wall shall extend more than one (1) foot above natural ground level.

9. All utilities (electrical, gas, telephone, cable TV or other) shall be underground. The purchaser of each unit shall be responsible for the costs of installation of services from the Limited Common Elements line to the residence, or any other point from the main service lines to any point in the unit.

10. Livestock and Poultry. No animals, livestock, or poultry of any kind shall be bred, raised or kept on any Limited Common Elements for any purpose. All household pets shall be properly restrained, housed, and confined so as not to run at large or constitute a nuisance to the other unit owners in the area.

11. Signs. No commercial sign of any kind shall be displayed to the public view on any unit except one professionally lettered sign of not more than four (4) square feet advertising the sale of the unit or Declarant's promotional sales sign for the condominium, except pre-approved signs for the promotion of the golf course.

12. Temporary Structures and Temporary Storage. No unit shall be occupied until the residence is complete. No structure of a temporary character, mobile home, basement, tent, shack, garage, barn or other out building shall be used on any unit at any time as a residence. No mobile homes, trucks, boats, boat trailers, campers, tractors, unusable automobiles or other business or recreational equipment shall be stored on said unit, either temporarily or permanently, unless within an approved garage. No storing of materials on vacant land units except during construction.

13. All garbage containers shall be placed either underground, or in an enclosed area.

14. All entrance drives to a residence shall be paved with a permanent surfacing material within thirty (30) days after the residence is completed, if weather permits.

15. Entrance culverts to residences shall be of a size that will not restrict ditch drainage.

16. Hedge rows shall not be permitted to exceed four (4) feet in height.

17. All units may have ranch type, bi-level or tri-level or two story homes constructed on them as approved by the Architectural Committee, except that there shall be no "A frame" houses constructed.

18. The cost of providing electricity for street lights shall be paid by the unit owners, in accordance with the assessment made to each unit owner by the township.

19. Tanks. No above ground tank will be permitted on any unit unless the same is housed in an approved building.

20. All unit owners shall provide and maintain proper facilities to control storm water run-off onto adjacent properties and to insure that sediments do not enter the natural drainage system.

21. The height and location of any residence, garage, or other attached accessory building shall be designed and located so as to assist in the preservation of views of others.

22. Each owner, by purchasing any unit in the condominium, shall automatically become a member of the Condominium Unit Owners Association and shall be bound by the terms and conditions of the

declaration, the articles and bylaws of the association, and such rules and regulations as may be promulgated and adopted by the association under such articles and bylaws. Subject to the limitations set forth in the declaration, the association shall have the right to make such reasonable rules and regulations and to provide such means and to employ such agents as will enable it adequately and properly to carry out the provisions of the declaration. On transfer, conveyance, or sale by any owner of all interest in any condominium unit, such owner's membership in the association shall thereupon cease and terminate.

23. By acceptance of the deed or other instrument of conveyance for his or her unit within the condominium, each unit owner shall be deemed to covenant and agree to pay to the association annual assessments and special assessments as provided in the Declaration. Such assessments shall be fixed, established, and collected from time to time as provided in the declaration. The annual and special assessments, together with such interest thereon and costs of collection as provided below, shall be a continuing lien on the property affected and shall also be a personal obligation of the owner of such property on the date when the assessment is due. The provisions of the Wisconsin Condominium Ownership Act, shall govern the levying and collection of such assessments by the association.

24. Term. These covenants are to run with the land as stated herein, and shall be binding on all unit owners and all persons claiming under them for a period of twenty-five (25) years from the date hereof, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the units has been recorded agreeing to change said covenants in whole or in part.

25. Enforcement. Any unit owner, the association, or Evergreen Country Club, Inc., may enforce these covenants and conditions by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain or to recover damages, or both. Judgment shall include provisions for the expense of enforcement, including reasonable attorney fees.

26. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

27. The golf course, which is not a part of the condominium, shall remain as such for a period of twenty-five (25) years and not be used for any other purpose other than recreational facilities commonly associated with golf courses.

28. All homes shall be built with basements.

29. Each home shall have an attached garage with a minimum of 2 1/2 parking spaces. Side loading garages are to be used whenever possible.

30. Exterior colors, which are also subject to approval, should be aesthetically pleasing.

31. Door and windows should reflect the style of architecture and should be consistent on all elevations in size and proportion. All openings should be articulated through the use of shutters, casings or brick surrounds.

32. Masonry must be applied to the masses of the building rather than to the facades. Materials should come to logical points of termination, such as at an inside corner.

33. Flue pipes are required to be encased in a chimney. Exposed "b" vents are not permitted.

34. All decks should be consistent with the design of the residence.
