Kane Place Parking Rules

12/2021

- Yellow tags have been provided to each owner who is assigned parking spot(s). Please leave this tag on the front dash of your vehicle (or authorized sublet vehicle) whenever it is parked there.
- Please park only in your unit's assigned parking spot.
- If there is an unauthorized vehicle in your spot, you may call or text the following number to have the lot owner (GRE) enforce towing: 414-531-1138 with name, parking spot number, description of what happened, and picture of 'wrong' vehicle.
- Unauthorized vehicles that are parked in any Kane Place spot (not necessarily yours) can be reported to Ogden and the Kane Place Board (kaneplacebod@gmail.com) for enforcement.
- Every parking spot in the lot is assigned to Kane Place except [2], [3], [19], and [22]. You may not park in those spots for any reason.
- If you are an owner who sublets your parking spot, please inform those parties of the rules and means of enforcement.
