REGISTER OF DEEDS

Said parcel consisting of 64.03 acres, more or less, is now being used for agricultural purposes and is hereinafter designated as the "restricted area".

TERMS AND CONDITIONS

Whereas, the State of Wisconsin desires to preserve and protect, for scenic purposes, the natural beauty of said restricted area and to prevent any future developments which may tend to detract therefrom, the following restrictions on future use and development and the following permitted uses are hereby established:

RESTRICTIONS

1. No use or occupation other than the hereinafter permitted use shall hereafter be established or maintained within or upon the restricted area.
2. No dump of ashes, trash, rubbish, ordure, garbage, or efflu, or any other unsightly or offensive material shall hereafter be placed upon the restricted area. Existing use for any such purpose shall be discontinued except where such use is incidental to the present occupation and use of the land, and when it conforms to applicable state and local requirements.
3. No signs, billboards, outdoor advertising structures or advertisement of any kind shall be hereafter erected, displayed, placed or maintained upon or within the restricted area. Existing use for any such purpose shall be terminated and any such signs shall be removed on or before 12/31/66 except that one sign of not more than 100 square feet in size may be erected and maintained to advertise the sale, hire or lease of the property, or the sale and/or manufacture of any goods, products or services incidental to a permitted occupation or use of the land.
4. No trees or shrubs shall be destroyed, cut, or removed from the restricted area, except as may be incidental to a permitted occupation or use of the property, or required for reasons of sanitation and disease control, and except for selective cutting of timber by methods prescribed by written permit from the grantee.

Trees, shrubs, fencing, etc. shall not be planted, placed or erected within the restricted area so as to form a screen obstructing the scenic view by the highway public.

6. Mining operations of all kinds are prohibited unless (1) Grantee agrees; and (2) Grantee enters into a contract with Grantee for re-creation of the area by the Grantee.

* including the accumulation or storage of junked automobiles or parts thereof, or other salvage material.

PERMITTED USE OR OCCUPATION OF RESTRICTED AREA

1. General crop or livestock farming including construction, erection, maintenance and repair of buildings incident to such use, and construction, maintenance, establishment of recommended soil conservation structures or practices, and normal farm improvements.
2. Telephone, telegraph, electric or pipe lines or microwave relay structures for the purpose of transmitting messages, heat, light or power.
3. Any use not heretofore specified which exists upon or within the restricted area as of the time of execution of this easement, including normal maintenance and repair of existing buildings, structures and appurtenances, but such use shall not be expanded nor shall any structure be erected or structural alterations be made within the restricted area.
4. One single family residence for every 375 feet of U.S.H. 151 frontage within a depth of 650 feet from the centerline of U.S.H. 151. On the remainder of the restricted area, 14 single-family residences. This provision does not allow house trailers, camp cabins, house cars and other mobile homes. However, if grantor submits to grantee an overall plan for constructing no more than 64 single-family residences, grantee will approve the plan if, in the opinion of grantee, said construction would not violate the intent of this easement.
5. Regulation golf courses, bridle trails, and similar open-space recreational developments, including any buildings necessary to such developments, subject to approval by the grantee, but only for the purpose of ensuring that the intent of this easement is not violated.

It is the intent of this easement to preserve for the traveling public the aesthetic qualities of the view of Lake Winnebago and the restricted area.

WDL 540 PAGE 183

The conditions of this easement shall not prevent any permanent excavation or work necessary for purposes of the permitted use.

This easement grants to the State of Wisconsin, and its agents, the right to enter upon the restricted area only for the purpose of inspection and enforcement of the terms of this easement.

This easement does not grant the public the right to enter the restricted area for any purpose.

IN WITNESS WHEREOF,

being the owner... and holder... of... certain... lien... which is against said premises, do hereby join in and consent to said easement free of said lien.

ALSO IN WITNESS WHEREOF, the said grantor... have hereunto set their hand and seal, this 17th day of January, A.D., 1966.
