This disclosure pertains to the real property located at: 2452 N Humboldt Blvd, in the City of Milwaukee, County of Milwaukee, Wisconsin (the "Property").

An adverse fact is material if a party indicates that it is significant to that party, or if a competent real estate licensee would generally recognize it as significant to a reasonable party, such that it would affect the party's decision to enter into a contract, such as an offer to purchase, or the party's decision regarding the terms and conditions of such a contract.

As a Wisconsin real estate licensee, I am required by law to disclose the following material adverse fact(s) of which I am aware: Evidence of moisture staining on walls, per tenant moisture incursion on back entry landing to basement when heavy rain, some pitching of walkway; tenant lower unit behind a month on rent, dog urine odor evident lower unit-3 dogs were not on lease, lower unit reports lighting inconsistent; some peeling paint in upper unit.

■ **BUYER'S OPPORTUNITY TO CONDUCT AN EVALUATION** (LBP Inspection Contingency). (a) Before a Buyer is obligated under any contract to purchase target housing, the Seller shall permit the Buyer a 10-day period (unless the parties mutually agree, in writing, upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards. (b) Not withstanding lines 123 - 126, a Buyer may waive the opportunity to conduct the risk assessment or inspection by so indicating in writing.

Buyer agrees to concurrently deliver a copy of the report and notice to the listing broker, if any. A proposed amendment will not satisfy this notice requirement.

RIGHT TO CURE: Seller (shall)(shall not) [STRIKE ONE] have a right to cure [if neither struck, Seller shall have the right to cure]. If Seller has the right to cure, Seller may satisfy this contingency by: (1) delivering, within 10 days of receipt of Buyer's notice, written notice of Seller's election to abate the LBP identified by the Buyer; and (2) providing Buyer, no later than 3 days prior to closing, with certification from a certified lead supervisor or project designer, or other certified lead contractor that the identified LBP has been abated. This Offer shall be null and void if Buyer makes timely delivery of the above notice and report and: (1) Seller does not have a right to cure or (2) Seller has a right to cure but: a) Seller delivers notice that Seller will not cure or b) Seller does not timely deliver the notice of election to cure. "Abate" shall mean to permanently eliminate the identified LBP by methods such as removing, replacing, encapsulating, containing, sealing or enclosing the identified LBP, in conformance with the requirements of all applicable law.

☐ Buyer elects the LBP contingency Buyer has attached to this Addendum S.
