ARTICLE I
NAME AND PURPOSE

1.1 Pursuant to the Articles of Incorporation of LANDMARK ON THE LAKE CONDOMINIUM Association, Ltd. and the Condominium Declaration for LANDMARK ON THE LAKE CONDOMINIUM, recorded in the Office of the Register of Deeds for Milwaukee County, Wisconsin (hereinafter "Declaration"), the following are adopted as the Bylaws of LANDMARK ON THE LAKE CONDOMINIUM Association, Ltd. (hereinafter sometimes referred to as the "Association"), which is a non-stock corporation formed and organized to serve as an association of Unit owners who own real estate and improvements (hereinafter the "Property") under the condominium form of ownership, as provided in the Condominium Ownership Act under the laws of the State of Wisconsin and subject to the terms and conditions of the Declaration. All capitalized terms, unless defined herein, shall have the meanings assigned to them in the Declaration

These Bylaws shall be deemed covenants running with the land and shall be binding on the Unit owners, their heirs, administrators, personal representatives, successors and assigns.

ARTICLE II
MEMBERS, VOTING AND MEETINGS

2.1 MEMBERS. The rights and qualifications of the members are as follows:

(a) **Defined**. Members of the Association shall be all owners of all Units in LANDMARK ON THE LAKE CONDOMINIUM. Every Unit owner upon acquiring title to a Unit under the terms of the Declaration shall automatically become a member of the Association and shall remain a member until such time as his or her ownership of such Unit ceases for any reason, at which time his or her membership in the Association shall automatically cease.

(b) **Voting Rights**. Each Unit shall be entitled to the number of votes equal to the percentage interest of such Unit as provided in Section 8 of the Declaration. The total number of all votes for all Unit owners shall be 100. One membership shall exist for each Unit. Declarant shall have the right to cast its votes relating to unsold Units, both before and after the expiration of Declarant control, and Declarant shall enjoy the same rights and duties under the Declaration, the Articles of Incorporation and these Bylaws as to unsold Units as to any other Unit in the Condominium, except as otherwise provided therein or herein. If title to a Unit is held by more than one person, the membership and vote related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the Unit is held. Voting rights may not be split, and shared membership interests with regard to a single Unit must be voted by one person pursuant to the designation of that person contained in the Membership List. If a Unit is leased, the lessor shall be entitled to cast the vote appurtenant to the Unit; if a Unit is sold under a land contract, the land contract vendee shall be entitled to cast the vote appurtenant to the Unit. In the event of a dispute, the Association shall be entitled to rely upon the ownership of the Unit as set forth in the Register of Deeds' Office of Milwaukee County, Wisconsin, and the Association may require a member to prove ownership before counting such vote. Notwithstanding the provisions of this section, if the Association has filed a statement of condominium lien against a Unit and the amount necessary to release such lien has not been paid at the time of an Association meeting, the owners of such Unit shall not be entitled to vote at such meeting.

(c) **Membership List**. The Association shall maintain a current membership list (the "Membership List") showing the membership pertaining to each Unit, the address to which notice of meetings of the Association shall be sent, the mortgagees of the Unit, if any, and the person designated to cast the vote pertaining to such Unit. Only the person so designated shall be entitled to cast a vote in person or by proxy. A designation may be limited in time or may be changed by notice in writing to the Secretary of the Association signed by a majority of the persons having an ownership interest in the Unit.

(d) **Transfer of Membership**. Each membership shall be appurtenant to the Unit upon which it is based and shall be transferred automatically upon conveyance of that Unit. Membership in the Association may not be transferred, except in connection with the transfer of a Unit. Upon transfer of a Unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name and address of the new owner, identification of Unit, date of transfer, name of the person designated to vote, the mortgagees of the Unit, if any, and any other information about the transfer which the Association may deem pertinent, and the Association shall make appropriate changes to the Membership List effective as of the date of transfer. See section **11.1 RECORD OF OWNERSHIP**, for further guidance on how to provide this information and

what other forms may require information or signature. The Association may provide membership certificates to its members.

2.2 QUORUM AND PROXIES FOR MEMBERS' MEETINGS. A quorum for members' meetings shall consist of twenty percent (20%) of the votes in the Association. Votes may be cast in person or by proxy in accordance with designations in the Membership List. Proxies shall be valid only for the particular meeting(s) or time period designated therein, up to a maximum of 180 days, unless sooner revoked, and must be filed with the Secretary before the appointed time of the meeting. If any meeting of members cannot be organized because a quorum is not present, a majority of the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, without further notice. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed.

2.3 ACT BY MAJORITY. The act of a majority of votes of the Association present in person or by proxy at any meeting at which a quorum is present shall be the act of the Association, unless provided otherwise under the Wisconsin Condominium Ownership Act.

2.4 TIME, PLACE, NOTICE AND CALLING OF MEMBERS' MEETINGS. Written notice of all meetings stating the time and place and the purposes for which the meeting is called shall be given by the President or Secretary, unless waived in writing by all Unit owners, to each member at his or her address as it appears on the Membership List of the Association and shall be mailed or personally delivered not less than ten (10) days (or twenty-five (25) days for a matter set forth in Section 21.2 of the Declaration) nor more than ninety (90) days prior to the date of the meeting. Meetings shall be held at such time and place as may be designated by the Board of Directors.

2.5 ANNUAL AND SPECIAL MEETINGS. The annual meeting shall be held on or about the second Thursday in November of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members. Special meetings of the members shall be held whenever called by the President or any two members of the Board of Directors and must be called by such officer upon receipt of a written request signed by members with no less than thirty percent (30%) of the votes in the Association other than the Declarant.

The successors to the class of directors whose terms expire as set forth above shall be elected to hold office for a term of two (2) years or until their successors are duly elected and qualified, or until any of said directors shall have been removed in the manner hereinafter provided, so that the term of one class of directors shall expire in each year.

Each owner of a Unit in LANDMARK ON THE LAKE CONDOMINIUM shall be deemed by acceptance of any deed to any Unit to agree, approve and consent to the right of Declarant to so control the Association.

ARTICLE VI
OPERATION OF THE PROPERTY

6.1 THE ASSOCIATION. The Association, acting through the Board of Directors, shall be responsible for administration, maintenance, management and operation of the condominium property, in accordance with the Wisconsin Condominium Ownership Act, the Declaration, the Articles of Incorporation, these Bylaws and the Rules and Regulations. The Association, by resolution of the Board of Directors, shall have full power and authority to borrow money, collaterally assign assessments and acquire, mortgage and convey property on behalf of the Association, provided that any single Association loan, acquisition, conveyance, purchase, improvement or mortgage involving the sum of $10,000 or more, shall first be approved by the membership at an annual or special meeting called for such purpose. The Association may contract for management services with a managing agent with respect to the administration and operation of LANDMARK ON THE LAKE CONDOMINIUM.

6.2 RULES AND REGULATIONS. The Association, through the Board of Directors, may from time to time adopt rules and regulations governing the operation, maintenance and use of the Units and the Common Elements by the Unit owners and occupants. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the contracts, documents, and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units and the Common Elements by persons entitled thereto. The Association members, their lessees or guests, and any occupants of the Units, shall conform to and abide by all such rules and regulations. The Association through its Board of Directors shall designate such means of enforcement thereof as it deems necessary and appropriate. The rules and regulations may be adopted, altered, and amended or repealed by either the members of the Association or the Board of Directors, in each case by an affirmative vote of 67% or more of the votes present or represented at a meeting at which a quorum is in attendance, provided such action has been included in the notice of meeting, and provided that no rule or regulation adopted by the members shall be amended or repealed by the Board of Directors if the rule or regulation so adopted so provides. Rules and regulations adopted as provisions of these Bylaws are set forth in Section 8.1 hereof. The rules and regulations which may be adopted, altered, amended or repealed by the Board of Directors are attached hereto as Exhibit A (the "Rules and Regulations").

6.3 COMMON EXPENSES. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association meeting the requirements of Section 703.161 of the Act in order to determine the amount of the assessments payable by each Unit to meet the estimated common expenses of the Association for the ensuing year and shall distribute the budget to all Unit owners. The amounts required by such budget shall be assessed against the Units and allocated among the members of the Association according to their respective percentages of ownership in the Common Elements of LANDMARK ON THE LAKE CONDOMINIUM as set forth in the Declaration. The assessments shall be made on an annual basis and shall be prorated and due and payable in monthly installments. If not paid on or before the due date, the assessment shall bear interest at fifteen percent (15%) per annum determined as of the first day of each month (but in no event greater than allowed under applicable law), until paid in full. In addition, a late fee is assessed according to the schedule published in the Association Rules and Regulations. If delinquent for more than sixty (60) days, the Association may accelerate the annual assessment remaining unpaid with respect to such delinquent Unit for purposes of collection or foreclosure action by the Association. In the event the annual budget and assessments

are not determined prior to the beginning of a fiscal year of the Association, the assessment for the prior year shall remain in effect until revised by the Board of Directors.

6.4 OPERATING BUDGET. The annual operating budget shall provide for three funds, one of which shall be designated the "operating fund" and one of which shall be designated the "reserve fund" and the third of which shall be designated the "working capital fund" and shall be established as set forth in Section 6.5 below. The operating fund shall be used for all common expenses which occur annually or more frequently, such as amounts required for the cost of maintenance and repair of the Common Elements, management services, water and sewer charges, insurance, administration, materials and supplies. The reserve fund shall be used for the replacement and repair of the Common Elements and Limited Common Elements, contingencies and periodic expenses such as painting, paving, roofing, or renovation. The Board of Directors may establish the reserve fund in an amount consistent with the remaining life of the individual components of LANDMARK ON THE LAKE CONDOMINIUM. In the event the Association incurs extraordinary expenditures not originally included in the annual budget then such sums as may be required in addition to the operating fund may be charged against the reserve fund up to a maximum of 10% of the reserve fund. In the event that such funds prove inadequate to meet the necessary common expenses, or at the discretion of the Board of Directors, the directors may levy further assessment(s) against the Unit owners.

The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the entire property, or against each Unit, if resulting from action by the Association. The Unit owner or owners responsible for any lien that is paid by the Association but was not the obligation of the Association shall be specially assessed for the full amount thereof. The directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair, although the obligation of the Unit owner, is necessary to protect the Common Elements. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit owner responsible therefore. Any charges against the reserve fund in accordance with the foregoing paragraphs which are not otherwise repaid to the fund shall be replenished by additional assessments against the Unit owners in subsequent years.

The annual budget shall be prepared and determined by December 1st of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of common assessments payable on behalf of each Unit not less than thirty (30) days prior to the annual membership meeting and shall furnish copies of the budget on which such common assessments are based to each member. Notice of the amount of the assessments and copies of the budget may be provided by any combination of methods that is effective in reaching the greatest number of association members. The methods may include postings in the building, U.S. Mail, flyers under the door, electronic mail or by posting on the Landmark on the Lake Condominium web site.

If within fifteen (15) days after the delivery of the budget to the members a petition is presented to the Board of Directors protesting such assessments or the budget upon which they are based, and the petition is signed by members representing more than fifty percent (50%) of the Association votes, then the directors shall notify all members of a meeting called for the sole purpose of reviewing such assessments or budget. At such meeting, the vote of more than fifty percent (50%) of the Association votes may revise the budget and assessments, and such revised budget and corresponding assessments shall replace for all purposes the ones previously established; provided, however, that the annual budget and assessments may not be revised downward to a point lower than the average total budget for the preceding two years and provided further, that if a budget and assessments have

not been established and made for any two preceding years, then the budget and assessments may not be revised downward until two years of experience exist.

6.5 WORKING CAPITAL FUND. Declarant shall establish and maintain a working capital fund in an amount equal to at least two months of estimated monthly assessments for the Association. Each purchaser of a Unit from Declarant shall, at the time of conveyance, pay to the Association an amount equal to two (2) months installments of the regular assessment provided for in this Article, or such greater amount as designated by the Board. Amounts paid under this section shall be non-refundable, except that Declarant may reimburse itself as individual Units are sold, and shall not be considered advance payments of installments of regular assessments, but shall be maintained as working capital and kept in a segregated account. The working capital fund may not be used by Declarant to defray Declarant expenses, reserve contributions or construction costs, but Declarant may reimburse itself for amounts advanced for Association purposes. Upon the expiration ofDec1arant control, this fund, to the extent monies are remaining, shall be deposited in the reserve fund.

6.6 COMMENCEMENT OF PAYMENTS. Regular assessments for each and every Unit (including Units owned by Declarant) shall commence on the date of recordation of the first instrument of conveyance to a Unit, with subsequent installments due on the first day of each month thereafter. Such monthly payments of common expenses shall be in accordance with the proposed annual budget prepared by Declarant for the Association. Installments for partial months shall be prorated.

6.7 DEFAULT AND LIENS. All assessments, until paid, together with interest at fifteen percent (15%) per annum (but in no event greater than allowed under applicable law) and actual costs of collections, constitute a lien on the Units on which they are assessed and on the undivided interest in the Common Elements appurtenant thereto. If a member of the Association is in default in payment of any charges or assessments for a period of more than sixty (60) consecutive days, the Board of Directors, in the name of the Association, shall file liens therefore and bring suit for and on behalf of the Association, as representative of all members, to enforce collection of such delinquencies or to foreclose the lien therefore, as provided by law, and there shall be added to the amount due the costs of collection and interest, together with attorney fees.

Liens shall be signed and verified on behalf of the Association by any officer of the Association. The owners of a Unit against which a lien has been filed shall not be entitled to vote at Association meetings until the lien has been paid in full.

ARTICLE VII
REPAIRS AND MAINTENANCE

7.1 INDIVIDUAL UNITS. Each Unit owner, at his or her sole expense, shall be responsible for keeping the interior of his or her Unit and all of its equipment, fixtures and appurtenances in good order, condition and repair and in a clean and sanitary condition. Each Unit owner must perform properly or cause to be performed all maintenance and repair work within his or her own Unit which if omitted would affect the project in its entirety or in a portion belonging to other owners, and such owner shall be personally liable to the Association or to adjoining Unit owners, as the case may be, for any damages caused by his or her failure to do so. Any Association maintenance or repair assessment for such liability against the Unit owner is due and payable immediately upon assessment. Failure to pay the assessment invokes the lien and collection process described in section 6.7. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the Unit in good repair, each Unit owner shall be responsible for the maintenance, repair or replacement of any doors and windows (including replacement of broken glass), patio doors, screens and screening, lighting fixtures, refrigerators, ranges, heating and air-conditioning equipment within the Unit, plumbing fixtures, dishwashers, disposals, laundry equipment such as washers and dryers, water heaters, water softeners, interior electrical wiring and fixtures, or other equipment which may be in, or connect with, the Unit or the Limited Common Elements appurtenant to the Unit. For purposes of uniformity of external appearance and quality, the Association may specify the type and quality of materials to be used in replacing, repairing, painting or maintaining external fixtures such as entry doors and windows and other items which may be determined from time to time by the Board of Directors of the Association. Additional requirements for construction within Units are set forth in the Rules and Regulations attached hereto as Exhibit A.

7.2 COMMON ELEMENTS AND FACILITIES. Except as provided below, the Association shall be responsible for the replacement, repair, management and control of the Common Elements and Limited Common Elements, and shall cause the same to be maintained, repaired and kept in good, clean, attractive and sanitary condition, order, and repair, except to the extent individual Unit owners are responsible therefore as provided hereinafter with respect to Limited Common Elements. Without in any way limiting the foregoing, the Association shall be responsible, at Association expense (unless necessitated by the negligence or misuse of a Unit owner, or the tenant, guest or agent of a Unit owner and not covered by insurance, in which case such expense shall be charged and specially assessed to such Unit owner), for accomplishment of the following specific items of maintenance and repair with respect to the Common Elements:

All routine painting, repairing, restoration, maintenance, and decorating of the Building exterior, walls and roofs, and of interior common hallways, lobbies, offices, elevators and stairways.

All cleaning, painting, repair, restoration and general maintenance of the Common Elements.

General repair, maintenance, replacement of heating, ventilation and air conditioning, plumbing, mechanical and electrical equipment serving more than one Unit.

Lawn care, including landscaping, fertilizing, watering, weed control, tree pruning, grass cutting, edging and trimming, as required.

Maintenance, repair or restoration of the pool area, club room, laundry room, fitness center, deck, playground area, paddle tennis court, multi-purpose studio and other recreational and other amenities provided to the Unit Owners of LANDMARK ON THE LAKECONDOMINIUM.

Maintenance, repair or restoration of walks and driveways which are a part of LANDMARK ON THE LAKE CONDOMINIUM or on easements for its benefit.

Snow and ice removal with regard to walks and driveways within LANDMARK ON THE LAKE CONDOMINIUM or on easements for its benefit.

7.3 LIMITED COMMON ELEMENTS. Each Unit owner, at his or her sole expense, shall be responsible for keeping the Limited Common Elements appurtenant to his or her Unit, as defined in the Declaration, in a good, clean, sanitary and attractive condition and shall be responsible for any regular maintenance required to keep the Limited Common Elements in such condition. No objects or structures, other than movable furniture, decorative planters or grills shall be placed upon the Limited Common Elements without the prior written consent of the Board of Directors of the Association. Grill placement and use must strictly comply with the ordinances of the City of Milwaukee and any other applicable codes or laws. Every Unit owner shall have the right to decorate the Limited Common Elements appurtenant to his or her Unit in a nonstructural manner provided that decorations which are visible to other Units or to the public shall have the prior written approval of the Board of Directors of the Association.

7.4 ASSOCIATION SERVICES. The Association may provide any service or maintenance requested by a Unit owner or owners with respect to individual Units or Limited Common Elements that the Association is able and willing to provide or perform, and shall specially assess such requesting owner or owners therefore.

ARTICLE VIII
DUTIES AND OBLIGATIONS OF UNIT OWNERS

8.1 RULES AND REGULATIONS. The Units and the Common Elements and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these Bylaws, and the rules and regulations adopted by the Association from time to time, including the following:

(a) **Use**. No Residential Unit owner shall occupy or use his or her Unit or the Limited Common Elements appurtenant thereto, or permit the same or any part thereof to be occupied or used for any purpose other than as a private residence for the owner, the owner's family, or the owner's lessees or guests, except for such other uses allowed at the Property under the City of Milwaukee zoning ordinances and as hereinafter provided. The use and occupancy of any Unit owned by the Association may be used for residential and/or Association purposes in connection with the management of the Property. Unit 101 is initially intended for use as a leasing or sales office but may also be used for residential, Association or commercial purposes as determined by the owner of Unit 101. Notwithstanding anything contained herein to the contrary, to the extent allowed under the applicable provisions of the City of Milwaukee zoning ordinance, each Unit shall be allowed to be used as (i) premises which are used by a professional or quasi-professional occupant or Unit owner thereof; (ii) premises which are owned by a corporation, partnership or other business entity and used for the purpose of entertaining and housing as an adjunct to the conduct of its business elsewhere; or (iii) premises used principally as a residence by the occupant or Unit owner thereof, but also used for other purposes which are customarily incidental to such residential use, such as, without limitation, maintaining a home office, keeping personal business; or professional records and accounts, and handling personal business, professional telephone calls and correspondence and receiving visitors related to the occupant's or unit owner's business. Declarant may use and occupy various Units as "model units" and sales offices as provided in the Declaration.

(b) **Occupancy**. Units in LANDMARK ON THE LAKE CONDOMINIUM shall not be used or occupied by any person or group of persons for a period of less than 180 consecutive days, except with prior written approval of the Association. The intent of this provision is to prohibit business, transient or similar uses of the Units which would involve multiple occupancies by different persons or groups of persons.

RESOLUTION TO AMEND BYLAWS

Landmark On The Lake Condominium Association, Ltd.

INTRODUCTORY RECITALS

1. The board of directors Landmark On The Lake Condominium Association, Ltd. (the "Association") has the authority to appoint a member to fill a vacancy on the board of directors.

2. The board of directors has implemented a process to fill vacancies in which it gives all members notice of the vacancies and solicits nominations and biographies for those willing to serve on the board to fill the vacancy.

3. While the board believes this process encourages transparency and fairness, it can take 30 to 60 days, if not more time.

4. The provision currently in the Bylaws regarding appointments to fill board vacancies is mandatory because it uses the word "shall."

5. In the event a vacancy occurs close to an annual meeting, the board desires to have the discretion to not appoint a member to fill the vacancy and instead allow the members to elect at director at the meeting.

6. To ensure the board is not violating the Bylaws by failing to immediately fill the vacancy in such a situation, an amendment to the Bylaws is desired.

RESOLUTION

THE ASSOCIATION HEREBY RESOLVES AS FOLLOWS:

Article III, Section 3.5 of the Bylaws is amended by inserting the underlined language and deleting the ~~strikethrough~~ language to read as follows:

> **3.5 VACANCIES ON BOARD.** Vacancies on the Board of Directors caused by any reason other than the removal of a director by a vote of the members ~~shall~~ may be filled by a vote of the majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall be a director until a successor is elected at the next annual meeting of the members at which that class of directors is to be elected. In the event the Board of Directors does not fill the vacancy, the vacancy shall be filled by an election of the members at the next annual meeting in accordance with Article III.

BE IT FURTHER RESOLVED, that this amendment to the Bylaws shall take effect immediately.
