DESCRIPTION OF WORK

8-25-26

Came out today to look at a toilet that was leaking and a leak at a joint in their water heater cold side piping. Declined whole home evaluation as they are selling house and already had an inspection. Gave quotes and he agreed to do the work. All is good here with no leaks. Flushed toilet multiple times and no leaks. Toilets floor is rotten and very wet still and I showed him that. I also told him no warranty for toilet fix today.

Paid with card on service titan.

Email copy of receipt.

Protect Your Home Before Plumbing Problems Start

One Small Leak Can Become a Big Expense.

Most plumbing emergencies don't happen overnight—they begin with small issues that go unnoticed. A tiny leak, high water pressure, a failing water heater, or a worn-out shutoff valve can eventually lead to costly repairs, water damage, and unexpected stress.

With the **Maxwell-White Plumbing Membership**, you don't have to wait until something breaks.
